

CITY OF NAPA PROCLAMATION

ARBOR DAY
October 5, 2024

WHEREAS, the City of Napa takes great pride in the many trees that bring so many benefits to our community, including our schools, parks and neighborhoods; and

WHEREAS, trees can reduce stormwater runoff, reduce soil erosion, reduce atmospheric pollutants, reduce the effects of climate change, filter particulates from the air and provide habitat and food for wildlife; and

WHEREAS, the community continues to place great importance in the planting, care and preservation of trees throughout the City of Napa; and

WHEREAS, trees reduce stress levels and mental fatigue, while increasing property values. Trees beautify our community and bring a source of joy and spiritual renewal whenever they are planted.
