- 7.3 Each Member with military service is entitled to a military service credit up to a maximum of four (4) years of service granted under this section. The entire cost (both employer and employee contributions) is the Member's responsibility because the Member's buy-back contribution is credited in its entirety to the Member's account. This may be paid back on either a pre-tax or post-tax basis, at the Member's discretion, per the City's current contract with PERS (amended in 1996 to include this provision).
- 7.4 The City shall deduct the entire Member's contribution required by PERS on a pre-tax basis pursuant to IRC Section 414(h)(2).

Final compensation shall be based on the member's single-highest year of pensionable compensation.
- 7.7 For each eligible non-safety Member hired on or after December 21, 2012 who meets the definition of "classic member," the City will contract with PERS to provide for the two percent (2.0%) at age sixty (60) retirement plan as specified in Government Code Section 21353. EXHIBIT A

7.10 The following provisions define the agreement between the City and all Members under which each Member will pay a portion of the City's contribution towards PERS retirement benefits ("Employer Contribution"). The Employer Contribution is established annually by PERS and communicated to the City in the Fall of the fiscal year prior to the effective date.

- a. If the Employer Contribution as determined by PERS exceeds fourteen percent (14%), the Member shall pay additional contributions of half of such excess rate, up to nineteen percent (19%) ("Employee Paid City Contribution"). For example, if the Employer Contribution is 24%, the Member will pay 2.5% of the Employer Contribution through payroll deduction ($2.5\% = (19\% - 14\%) / 2$). If the Employer Contribution is 16% the member will pay 1.0% of the Employer Contribution through payroll deduction ($1\% = (16\% - 14\%) / 2$).
- b. In addition to the Employee Paid City Contribution described in paragraph (a), each Non-Safety Member shall pay an additional 2% of the Employer Contribution regardless of the City's rate, making the maximum Employee Paid City Contribution 4.5%.
- c. In addition to the Employee Paid City Contribution described in paragraph (a), Safety Members shall pay an additional 3% of the Employer Contribution regardless of the City's rate, making the maximum Employee Paid City Contribution 5.5%.
- d. The Employee Paid City Contribution described in this section shall be a payroll deduction made on a pre-tax basis to the extent provided by law. In the event that the City is precluded from collecting the additional contribution or is unable to make the deduction on a pre-tax basis, the City will notify Members of the options available to cure the defect. During that time, the City shall instead reduce its contribution to health and dental insurance under sections 5.1 and 5.2 by an amount equal to the percentages identified in section 7.10 (a) and section 7.10 (b) or (c) as the Member's payment of the Employer Contribution, multiplied by the Member's PERSable compensation, with any excess deducted from the Member's paycheck.
- e. The parties agree that the City will modify its contract with PERS to reflect the member Payment of the Employer Contribution pursuant to Section 7.10(a), (b), and (c), which will result in Member Paid Employer Contribution being deposited into the Member's account. This will reduce the Employer Contribution by a percentage equivalent to the Member Paid Employer Contribution.
- f. Pursuant to Government Code Section 20516, all members will contribute the Member Paid Employer Contribution of an additional 4.5% (non-safety members) and 5.5% (Safety members) towards the employer rate effective with the pay period closest to the date CalPERS amends the contract.
