The table below provides the budget status for the City's funds, grouped by major fund, or major fund category, as of the date identified above and includes several *Net Positions* of less than zero. Budgets with a negative Net Position will use fund balance to make up the difference. This use of available fund balance to balance the budget has been approved by City Council with the adoption of the FY 2024/25 budget. Negative Year-to-Date (YTD) Actual Net Position amounts are to be expected, given that both revenue collections and expenditure incurrences fluctuate throughout the year.
