This Master Services and Purchasing Agreement (the **Agreement**) by and between Axon Enterprise, Inc., (**Axon or Party**) a Delaware corporation having its principal place of business at 17800 N 85th Street, Scottsdale, Arizona, 85255, and the City of Napa, a California charter city (**Agency, Party** or collectively **Parties**), is entered into the later of (a) the last signature date on this Agreement, or (b) the signature date on the quote (**the Effective Date**).

This Agreement sets forth the terms and conditions for the purchase, delivery, use, and support of Axon Products and Services as detailed in the Quote Appendix (the **Quote**), which is hereby incorporated by reference. It is the intent of the Parties that this Agreement shall act as a master agreement governing all subsequent purchases by Agency of Axon Products, and all subsequent quotes for the same Products or Services accepted by Agency shall be also incorporated by reference as a Quote. In consideration of this Agreement, the Parties agree as follows:

1 **Term.** This Agreement will commence on the Effective Date (identified on the signature page) and will terminate on the fifth (5th) anniversary of the Effective Date, unless earlier terminated by either Party in accordance with Section 15. The Agency may renew the terms and conditions of this Agreement for an additional 5 years upon the execution of a new pricing Quote. New products and services may require additional terms and conditions. Axon services will not be authorized until a signed Quote or Purchase Order is accepted by Axon, whichever is first.

2 **Definitions.**

“Confidential Information” means all nonpublic information disclosed by Axon, Axon affiliates, business partners of Axon or their respective employees, contractors or agents that is designated as confidential or that, given the nature of the information or circumstances surrounding its disclosure, reasonably should be understood to be confidential.

“Evidence.com Service” means Axon web services for Evidence.com, the Evidence.com site, Evidence Sync software, Axon Capture App, Axon View App, other software, maintenance, storage, and any product or service provided by Axon under this Agreement for use with Evidence.com. This does not include any third-party applications, hardware warranties, or my.evidence.com services.

“Products” means all hardware, software, cloud based services, and software maintenance releases and updates provided by Axon under this Agreement.

“Quote” is an offer to sell, and is valid only for products and services listed on the quote at prices on the quote. Any terms and conditions contained within the Agency’s purchase order in response to the Quote will be null and void and shall have no force or effect. Axon is not responsible for pricing, typographical, or other errors in any offer by Axon and Axon reserves the right to cancel any orders resulting from such errors.

“Services” means all services provided by Axon pursuant to this Agreement.

3 **Payment Terms.** Axon invoices upon shipment, unless otherwise specified in the Quote. Invoices are due to be paid within 30 days of the date of invoice, unless otherwise specified by Axon. All orders are subject to prior credit approval. Payment obligations are non-cancelable, fees paid are non-refundable, and all amounts payable will be made without setoff, deduction, or withholding. If a delinquent account is sent to collections, the Agency is responsible for all collection and attorneys’ fees. In the event the Agency chooses a phased deployment for the Products in the Quote, the Quote pricing is subject to change if the phased

deployment changes.

- 4 **Taxes.** Unless Axon is provided with a valid and correct tax exemption certificate applicable to the purchase and ship-to location, the Agency is responsible for sales and other taxes associated with the order.
- 5 **Shipping; Title; Risk of Loss; Rejection.** Axon reserves the right to make partial shipments and Products may ship from multiple locations. All shipments are FOB Shipping Point via common carrier and title and risk of loss pass to the Agency upon delivery to the common carrier by Axon. The Agency is responsible for any shipping charges on the Quote. Shipping dates are estimates only. The Agency may reject Products that do not match the Products listed in the Quote, are damaged, or non-functional upon receipt (**Nonconforming Product**) by providing Axon written notice of rejection within 10 days of shipment. In the event the Agency receives a Nonconforming Product, the Agency's sole remedy is to return the Product to Axon for repair or replacement as further described in the Warranties Section. Failure to notify Axon within the 10-day rejection period will be deemed as acceptance of Product.
- 6 **Returns.** All sales are final and no refunds or exchanges are allowed, except for warranty returns or as provided by state or federal law.
- 7 **Warranties.**
 - 7.1 **Hardware Limited Warranty.** Axon warrants that its law enforcement hardware Products are free from defects in workmanship and materials for a period of ONE (1) YEAR from the date of receipt. Extended warranties run from the date of purchase of the extended warranty through the balance of the 1-year limited warranty term plus the term of the extended warranty measured from the date of expiration of the 1-year limited warranty. CEW cartridges and Smart cartridges that are expended are deemed to have operated properly. Axon-manufactured accessories are covered under a limited 90-DAY warranty from the date of receipt. Non-Axon manufactured accessories, including all Apple and Android devices, are covered under the manufacturer's warranty. In the event of a warranty claim for an Apple or Android device, the Agency should contact the manufacturer. If Axon determines that a valid warranty claim is received within the warranty period, as further described in the Warranty Limitations section, Axon agrees to repair or replace the Product. Axon's sole responsibility under this warranty is to either repair or replace with the same or like Product, at Axon's option.
 - 7.2 **Warranty Limitations.**
 - 7.2.1 The warranties do not apply to and Axon will not be responsible for any loss, data loss, damage, or other liabilities arising from damage: (a) from failure to follow instructions relating to the Product's use; (b) caused by use with non-Axon products or from the use of cartridges, batteries or other components that are not manufactured or recommended by Axon; (c) caused by abuse, misuse, intentional or deliberate damage to the Product, or force majeure; (d) to a Product or part that has been repaired or modified by persons other than Axon authorized personnel or without the written permission of Axon; or (e) to any Axon Product whose serial number has been removed or defaced.
 - 7.2.2 **To the extent permitted by law, the warranties and the remedies set forth above are exclusive and Axon disclaims all other warranties, remedies, and conditions, whether oral or written, statutory, or implied, as permitted by applicable law. If statutory or implied warranties cannot be lawfully disclaimed, then all such warranties are limited to the duration of the express warranty described above and limited by the other provisions contained in this Agreement.**

7.2.3 **Axon's cumulative liability to any Party for any loss or damage resulting from any claims, demands, or actions arising out of or relating to any Axon Product will not exceed the purchase price paid to Axon for the Product or if for Services, the amount paid for such Services over the prior 12 months preceding the claim. In no event will either Party be liable for any direct, special, indirect, incidental, exemplary, punitive or consequential damages, however caused, whether for breach of warranty, breach of contract, negligence, strict liability, tort or under any other legal theory.**

7.3 **Warranty Returns.** If a valid warranty claim is received by Axon within the warranty period, Axon agrees to repair or replace the Product that Axon determines in its sole discretion to be defective under normal use, as defined in the Product instructions. Axon's sole responsibility under this warranty is to either repair or replace with the same or like Product, at Axon's option.

7.3.1 For warranty return and repair procedures, including troubleshooting guides, please go to Axon's websites www.axon.com/support or www.evidence.com, as indicated in the appropriate Product user manual or quick start guide.

7.3.2 Before delivering Product for warranty service, it is the Agency's responsibility to upload the data contained in the Product to the Evidence.com Service or download the Product data and keep a separate backup copy of the contents. Axon is not responsible for any loss of software programs, data, or other information contained on the storage media or any other part of the Product.

7.3.3 A replacement Product will be new and have a 1-Year warranty from the date of receipt of the replacement Product in accordance with Section 7.1. When a Product or part is exchanged, any replacement item becomes Agency's property and the replaced item becomes Axon's property.

8 **Product Warnings.** See Axon's website at www.axon.com/legal for the most current Axon product warnings.

9 **Design Changes.** Axon reserves the right to make changes in the design of any of Axon's products and services without incurring any obligation to notify the Agency or to make the same change to products and services previously purchased.

Consistent with California Civil Code Section 2782, Axon will not be obligated to indemnify Agency for the proportionate share of the Liability caused by the Agency's active negligence, sole negligence, or willful misconduct. Axon's indemnification obligations under this Agreement are not limited by any limitations of any insurance held by Consultant, including, but not limited to, workers' compensation insurance.

12 **IP Rights.** Axon owns and reserves all right, title, and interest in the Axon Products and Services, and related

To the fullest extent permitted by law, Axon will defend, indemnify, and hold the Agency Indemnitees harmless from and against any claims, damages, losses, liabilities, costs, and expenses (including reasonable attorneys' fees) arising out of or relating to any third-party claim alleging that use of Axon Products or Services as permitted under this Agreement infringes or misappropriates the intellectual property rights of a third party. The Agency must provide Axon with prompt written notice of such a claim, tender to Axon the defense or settlement of such a claim at Axon's expense, and cooperate fully with Axon in the defense or settlement of such a claim.

Axon has no liability to the Agency or any third party if any alleged infringement or claim of infringement is to any extent based upon: (a) any modification of the Evidence.com Service by the Agency or any third party not approved by Axon; (b) use of the Evidence.com Service in connection or in combination with equipment, devices, or services not approved or recommended by Axon; (c) the use of Evidence.com Service other than as permitted under this Agreement or in a manner for which it was not intended; or (d) the use of other than the most current release or version of any software provided by Axon as part of or in connection with the Evidence.com Service. Nothing in this Section will affect any warranties in favor of the Agency that are otherwise provided in or arise out of this Agreement.

Either Party may terminate for cause upon 30 days advance notice to the other Party if there is any material default or breach of this Agreement by the other Party, unless the defaulting Party has cured the material default or breach within the 30-day notice period. In the event that the Agency terminates this Agreement due to Axon's failure to cure the material breach or default, Axon will issue a refund of any prepaid amounts on a prorated basis from the date of notice of termination.

15.2 By Agency. The Agency is obligated to pay the fees under this Agreement as may lawfully be made from funds budgeted and appropriated for that purpose during the Agency's then current fiscal year. In the event that sufficient funds will not be appropriated or are not otherwise legally available to pay the fees required under this Agreement, this Agreement may be terminated by the Agency. The Agency agrees to deliver notice of termination under this Section at least 90 days prior to the end of the Agency's then current fiscal year, or as soon as reasonably practicable under the circumstances.

15.3 Effect of Termination. Upon any termination of this Agreement: (a) all Agency rights under this Agreement immediately terminate; (b) the Agency remains responsible for all fees and charges

incurred through the date of termination; and (c) Payment Terms, Warranty, Product Warnings, Indemnification, and Agency Responsibilities Sections, as well as the Evidence.com Terms of Use Appendix Sections on Agency Owns Agency Content, Data Storage, Fees and Payment, Software Services Warranty, IP Rights and License Restrictions will continue to apply in accordance with their terms. For bundled Products, the MSRP is the value of all standalone components of the bundle.

Except as required by applicable law (including the California Public Records Act), subpoena, court order or an administrative order, neither Party will disclose either Party's Confidential Information during the Term or at any time during the 5-year period following the end of the Term. Subject to the foregoing, this Agreement will be binding upon the Parties and their respective successors and assigns.

16.11 No Waivers. The failure by either Party to enforce any provision of this Agreement will not constitute a present or future waiver of the provision nor limit the Party's right to enforce the provision at a later time.

5 **Body Worn Camera Virtual Add-on Services.** The Agency may purchase Virtual add-on classes for both end users and support staff. The Virtual Add-on User class will include one deployment planning conference call and one virtual administrative training via WebEx.

6 **Out of Scope Services.** Axon is responsible to perform only the Services described on the Quote. Any additional services discussed or implied that are not defined explicitly by the Quote will be considered out of the scope. Additional training days may be added on to any service package for additional fees set forth in the Quote.

7 **Delivery of Services.**

7.1. **Hours and Travel.** Axon personnel will work within normal business hours, Monday through Friday, 8:30 a.m. to 5:30 p.m., except holidays, unless otherwise agreed in advance. All tasks on-site will be performed over a consecutive timeframe, unless otherwise agreed to by the Parties in advance. Travel time by Axon personnel to Agency premises will not be charged as work hours performed.

7.2. **Changes to Services.** Changes to the scope of Services must be documented and agreed upon by the Parties in a change order. Changes may require an equitable adjustment in the charges or schedule.

8 **Authorization to Access Computer Systems to Perform Services.** The Agency authorizes Axon to access relevant Agency computers and network systems, solely for performing the Services. Axon will work diligently to identify as soon as reasonably practicable the resources and information Axon expects to use, and will provide an initial itemized list to the Agency. The Agency is responsible for, and assumes the risk of any problems, delays, losses, claims, or expenses resulting from the content, accuracy, completeness, and consistency of all data, materials, and information supplied by the Agency.

9 **Site Preparation and Installation.** Prior to delivering any Services, Axon will provide 1 copy of the then-current user documentation for the Services and related Products in paper or electronic form (**Product User Documentation**). The Product User Documentation will include all environmental specifications that must be met in order for the Services and related Products to operate in accordance with the Product User Documentation. Prior to the installation of Product (whether performed by the Agency or Axon), the Agency must prepare the location(s) where the Products are to be installed (**Installation Site**) in accordance with the environmental specifications set forth in the Product User Documentation. Following the installation of the Products, the Agency must maintain the Installation Site where the Products have been installed in accordance with the

ATTACHMENT 2

environmental specifications set forth in the Product User Documentation. In the event that there are any updates or modifications to the Product User Documentation for any Products provided by Axon under this Agreement, including the environmental specifications for the Products, Axon will provide the updates or modifications to Agency when they are generally released by Axon to Axon customers.

- 10 **Acceptance Checklist.** Axon will present an Acceptance Form (**Acceptance Form**) upon completion of the Services. The Agency will sign the Acceptance Form acknowledging completion of the Services once the on-site service session has been completed. If the Agency reasonably believes that Axon did not complete the Services in substantial conformance with this Agreement, the Agency must notify Axon in writing of the specific reasons for rejection of the Services within 7 calendar days from delivery of the Checklist. Axon will address the issues and then will re-present the Acceptance Form for approval and signature. If Axon does not receive the signed Acceptance Form or a written notification of the reasons for the rejection of the performance of the Services within 7 calendar days of delivery of the Acceptance Form, the absence of the Agency response will constitute affirmative acceptance of the Services, and a waiver of any right of rejection.
- 11 **Liability for Loss or Corruption of Data.** The Agency is responsible for: (i) instituting proper and timely backup procedures for any files and programs on the Agency's network, not including any Agency Content on Evidence.com (**Agency Software and Data**); (ii) creating timely backup copies of Agency Software and Data that may be damaged, lost, or corrupted due to Axon's provision of Services; and (iii) using backup copies to restore any Agency Software and Data in the event of any loss of, damage to, or corruption of the operational version of Agency Software and Data, even if such damage, loss, or corruption is due to Axon's negligence. However, regardless of any assistance provided by Axon: (i) Axon will in no way be liable for the accuracy, completeness, success, or results of efforts to restore Agency Software and Data; (ii) any assistance provided by Axon under this Section is without warranty, express or implied; and (iii) in no event will Axon be liable for loss of, damage to, or corruption of Agency Software and Data from any cause.

TASER Assurance Plan

Appendix

The TASER Assurance Plan ("TAP") is an optional plan the Agency may purchase. If TAP is included on the Quote, this TAP Appendix applies. TAP may be purchased as a standalone plan. TAP for Axon body worn cameras is also included as part of the Unlimited Evidence.com License, as well as under the Officer Safety Plan. TAP provides hardware extended warranty coverage, Spare Products, and a hardware refresh. TAP only applies to the Axon hardware Products listed in the Quote.

- 1 TAP Warranty Coverage**. TAP includes the extended warranty coverage described in the current hardware warranty. TAP warranty coverage starts at the end of the Hardware Limited Warranty term and continues as long as the Agency continues to pay the required annual fees for TAP. TAP for Axon body worn cameras also includes free replacement of the Axon Flex controller battery and Axon Body battery during the TAP Term for any failure that is not specifically excluded from the Hardware Warranty.
- 2 TAP Term**. The TAP Term start date is based upon the shipment date of the hardware covered under TAP. If the shipment of the hardware occurred in the first half of the month, then the Term starts on the 1st of the following month. If the shipment of the hardware occurred in the second half of the month, then the Term starts on the 15th of the following month.
- 3 SPARE Product**. Axon will provide a predetermined number of spare Products for those hardware items and accessories listed in the Quote (**Spare Products**) to keep at the Agency location to replace broken or non-functioning units in order to improve the availability of the units to officers in the field. The Agency must return to Axon, through Axon's Return Merchandise Authorization (**RMA**) process, any broken or non-functioning units for which a Spare Product is utilized, and Axon will repair the non-functioning unit or replace with a replacement Product. Axon will repair or replace the unit that fails to function for any reason not excluded by the TAP warranty coverage, during the TAP Term with the same Product or a like Product, at Axon's sole option.
- 4 Officer Safety Plan (OSP)**. The Officer Safety Plan includes the benefits of the Evidence.com Unlimited License (which includes unlimited data storage for Axon camera and Axon Capture generated data in the Evidence.com Services and TAP for the Axon Camera), TAP for Evidence.com Dock, one Axon brand CEW with a 4-year Warranty, one CEW battery, and one CEW holster.

The OSP must be purchased for a period of 5 years (**OSP Term**). At any time during the OSP Term, the Agency may choose to receive the CEW, battery and holster by providing a \$0 purchase order. At the time elected to receive the CEW, the Agency may choose from any CEW model available as of the Effective Date of this Agreement. If the OSP is terminated before the end of the term and the Agency did not receive a CEW, battery or holster, Axon has no obligation to reimburse for those items not received.

If OSP is terminated before the end of the OSP Term and the Agency received a CEW, battery and/or holster then (a) the Agency will be invoiced for the remainder of the MSRP for the Products received and not already paid as part of the OSP before the termination date; or (b) only in the case of termination for non-appropriations, return the CEW, battery and holster to Axon within 30 days of the date of termination.

5 **TAP Upgrade Models.** Any Products replaced within 6 months prior to the scheduled upgrade will be deemed the upgrade. Within 30 days of receiving an upgrade, the Agency must return the original Products to Axon or destroy the Products locally and provide a certificate of destruction to Axon that includes the serial numbers for the destroyed Products. If the Agency does not return the Products to Axon or destroy the Products, Axon will deactivate the serial numbers for the Products received by the Agency.

6 **TAP for Axon Body Worn Cameras.** If the Agency purchases 3 years of Evidence.com Unlimited Licenses or TAP as a stand-alone service and makes all payments, Axon will provide the Agency with a new Axon body worn camera (**Body Worn Upgrade Model**) 3 years after the TAP Term begins. If the Agency purchases 5 years of Evidence.com Unlimited Licenses, OSP, or TAP as a stand-alone service and makes all payments, Axon will provide the Agency with a Body Worn Upgrade Model 2.5 years after the TAP Term begins and once again, 5 years after the TAP Term begins.

6.1. **TAP as a stand-alone.** If the Agency purchased TAP for Axon cameras as a stand-alone service, then Axon will upgrade the Axon camera (and controller if applicable), free of charge, with a new on-officer video camera that is the same Product or a like Product, at Axon's sole option. Axon makes no guarantee that the Body Worn Upgrade Model will utilize the same accessories or Dock. If the Agency would like to change product models for the Body Worn Upgrade Model, then the Agency must pay the price difference in effect at the time of the upgrade between the MSRP for the offered Body Worn Upgrade Model and the MSRP for the model that will be acquired. No refund will be provided if the MSRP of the new model is less than the MSRP of the offered Body Worn Upgrade Model.

6.2. **OSP or Unlimited TAP.** If the Agency purchased an Unlimited License or OSP, then Axon will upgrade the Axon camera (and controller if applicable), free of charge, with a new on-officer video camera of the Agency's choice.

7 **TAP Dock Upgrade Models.** If the Agency purchased TAP for the Axon Docks, or if the Agency purchased OSP, Axon will upgrade the Dock free of charge, with a new Dock with the same number of bays that is the same product or a like product, at Axon's sole option (**Dock Upgrade Model**). If the Agency would like to change product models for the Dock Upgrade Model or add additional bays, then the Agency must pay the price difference in effect at the time of the upgrade between the MSRP for the offered Dock Upgrade Model and the MSRP for the model desired. No refund will be provided if the MSRP of the new model is less than the MSRP of the offered Dock Upgrade Model.

8 **TAP Termination.** If an invoice for TAP is more than 30 days past due or the Agency defaults on its payments for the Evidence.com Services, then Axon may terminate TAP and all outstanding Product related TAPs provided that Axon notifies Agency in writing 15 days prior to the anticipated termination date. Axon will provide notification that TAP coverage is terminated. Once TAP coverage is terminated for any reason, then:

8.1. TAP coverage will terminate as of the date of termination and no refunds will be given.

8.2. Axon will not and has no obligation to provide the free upgrades.

8.3. The Agency will be invoiced for and are obligated to pay to Axon the MSRP then in effect for all Spare Products provided under TAP. If the Spare Products are returned within 30 days of the Spare Product invoice date, credit will be issued and applied against the Spare Product invoice.

ATTACHMENT 2

8.4. The Agency will be responsible for payment of any missed payments due to the termination before being allowed to purchase any future TAP.

Axon Integration Services Appendix

If CAD/RMS Service is included on the Quote, this Axon Integration Services Appendix applies.

- 1 Term.** The term of this Appendix commences on the Effective Date. The actual work to be performed by Axon is not authorized to begin until Axon receives the signed Quote or a purchase order for the services described in this Appendix (**Integration Services**), whichever is first.
- 2 Scope of Integration Services.** The project scope will consist of the development of an integration module that allows the Evidence.com Service to interact with the Agency's Computer-Aided Dispatch (**CAD**) or Records Management Systems (**RMS**), so that Agency's licensees may use the integration module to automatically tag the Axon recorded videos with a case ID, category, and location. The integration module will allow the Integration Module License holders to auto populate the Axon video meta-data saved to the Evidence.com Service based on data already maintained in the Agency's CAD or RMS. Axon is responsible to perform only the Integration Services described in this Appendix and any additional services discussed or implied that are not defined explicitly by this Appendix will be considered outside the scope of this Agreement and may result in additional fees.
- 3 Pricing.** All Integration Services performed by Axon will be rendered in accordance with the fees and payment terms set forth in the Quote. The Agency must purchase Axon Integration licenses for every Evidence.com user in the Agency, even if the user does not have an Axon body camera.
- 4 Delivery of Integration Services.**
 - 4.1. Support After Completion of the Integration Services.** After completion of the Integration Services and acceptance by the Agency, Axon will provide up to 5 hours of remote (phone or Web-based) support services at no additional charge to the Agency. Axon will also provide support services that result because of a change or modification in the Evidence.com Service at no additional charge as long as the Agency maintains Evidence.com subscription licenses and Integration Module Licenses, and as long as the change is not required because the Agency changes its CAD or RMS. Thereafter, any additional support services provided to the Agency will be charged at Axon's then current standard professional services rate.
 - 4.2. Changes to Services.** Changes to the scope of the Integration Services must be documented and agreed upon by the Parties in a change order. If the changes cause an increase or decrease in any charges or cause a scheduling change from that originally agreed upon, an equitable adjustment in the charges or schedule will be agreed upon by the Parties and included in the change order, signed by both Parties.
 - 4.3. Warranty.** Axon warrants that it will perform the Integration Services in a good and workmanlike manner.
- 5 Agency's Responsibilities.** Axon's successful performance of the Integration Services depends upon the Agency's:
 - 5.1.** Making available its relevant systems, including its current CAD or RMS, for assessment by Axon (including making these systems available to Axon via remote access if possible);
 - 5.2.** Making any required modifications, upgrades or alterations to Agency's hardware, facilities, systems and networks related to Axon's performance of the Integration Services;

ATTACHMENT 2

- 5.3.** Providing access to the building facilities and where Axon is to perform the Integration Services, subject to safety and security restrictions imposed by the Agency (including providing security passes or other necessary documentation to Axon representatives performing the Integration Services permitting them to enter and exit Agency premises with laptop personal computers and any other materials needed to perform the Integration Services);
- 5.4.** Providing all necessary infrastructure and software information (TCP/IP addresses, node names, and network configuration) necessary for Axon to provide the Integration Services;
- 5.5.** Promptly installing and implementing any and all software updates provided by Axon;
- 5.6.** Ensuring that all appropriate data backups are performed;
- 5.7.** Providing to Axon the assistance, participation, review and approvals and participating in testing of the Integration Services as requested by Axon;
- 5.8.** Providing Axon with remote access to the Agency's Evidence.com account when required for Axon to perform the Integration Services;
- 5.9.** Notifying Axon of any network or machine maintenance that may impact the performance of the integration module at the Agency; and
- 5.10.** Ensuring the reasonable availability by phone or email of knowledgeable staff and personnel, system administrators, and operators to provide timely, accurate, complete, and up-to-date documentation and information to Axon (these contacts are to provide background information and clarification of information required to perform the Integration Services).

6 **Authorization to Access Computer Systems to Perform Services.** Agency authorizes Axon to access Agency's relevant computers, network systems, and CAD or RMS solely for performing the Integration Services. Axon will work diligently to identify as soon as reasonably practicable the resources and information Axon expects to use, and will provide an initial itemized list to Agency. Agency is responsible for, and assumes the risk of any problems, delays, losses, claims, or expenses resulting from the content, accuracy, completeness, and consistency of all data, materials, and information supplied by Agency.
