Additional Questions

What is your understanding of the role and responsibility of this board?

The Board of Building Appeals primary role is to render interpretation of adopted building codes and regulations as they apply to specific projects under appeal. The Board of Accessibility Appeals provides the same function and in addition, can approve technical policy and enforcement direction for the complex web of state and federal accessibility regulations for the jurisdiction. The powers of the Accessibility Appeals Board reached beyond building issues and may address land uses and more.

Not in Napa. Many in Sonoma County

Have you ever attended a meeting of this board? If so, how many?

What duties of this board are most interesting to you?

Code interpretation. I'm a bookish nerd.

What activities of this board are least interesting to you?

None. All aspects are interesting.

What programs or projects would you like to see improved or implemented?

I have insufficient information to respond to this question at this time.

How would you approach improving these project(s) or program(s)?

Same answer as above

Are you involved in any organizations or activities that may result in a conflict of interest if you are appointed to this board?

None.
