3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Resident Advisory Board or Boards in developing the Plan, including any changes or revisions to the policies and programs identified in the Plan before they were implemented, and considered the recommendations of the RAB (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.

 - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).

B.6 Progress Report

Goal: Promote self-sufficiency and asset development of families and individuals.

The Housing Authority's Family Self Sufficiency (FSS) program currently has a remaining obligation to graduate 38 families/individuals. The FSS program currently has 51 families/individuals enrolled in the program. The Housing Authority submitted a funding application and was awarded \$138,000 for two Family Self Sufficiency Program Coordinator positions for the calendar year 2017.

Goal: Ensure equal opportunity in housing for all by ensuring equal opportunity and affirmatively furthering fair housing.

In the fiscal year ending June 30, 2016, the Housing Authority provided Fair Housing Napa Valley (FHNV) \$50,000 in funding to provide fair housing assistance and landlord tenant counseling to tenants. FHNV also worked with mobile home organizations to maintain rents at a reasonable level.

Goal: Manage the PHA Section 8 Housing Choice Voucher Program in an efficient and effective manner, thereby qualifying on a continuing basis on the Section 8 Management Assessment Program (SEMAP) as a high performing PHA.

The Housing Authority received a High Performer designation for SEMAP for the fiscal year ending June 30, 2016.

Goal: Expand the range and quality of housing choices available to participants in the PHA tenant based assistance program.

The Housing Authority worked with the City of Napa to include language in regulatory agreements with new developments to require and encourage them to accept applications for new units from voucher holders. During the fiscal year ending June 30, 2016, this language was included in the Regulatory Agreement with the developer of the Napa Creek Village project. The Housing Authority has adopted a policy allowing all voucher holders to use their vouchers in shared housing accommodations. During the fiscal year ending June 30, 2016, the Housing Authority helped fund non-profit Napa Valley Community Housing's Home Share Match-Up Program, which matches housing providers with housing seekers. The Housing Authority continued to contract with a consultant to assist voucher holders with housing searches and to conduct outreach to landlords in the community during the fiscal year ending June 30, 2016.

Mission: Form effective partnerships with other agencies to maximize social and economic opportunities and availability of supportive services for participants in a non-discriminatory manner.

The Housing Authority continued to partner with other agencies to provide services for participants in the Family Self Sufficiency Program, the Family Unification Program and the Mainstream Program. Working with Satellite Affordable Housing Associates (SAHA) and the U.S. Department of Veterans Affairs, the Housing Authority applied for, and was awarded 17 VASH project-based vouchers for a new construction housing development in American Canyon.

Mission: Utilize staff resources and available funds in a collaborative partnership with other governmental and community agencies to assist in achieving the stated goals in the City of Napa's Consolidated Plan, including the development of new affordable housing, the improvement of existing housing stock occupied by lower income households, supporting the Continuum of Care for homeless, and providing first time homebuyer opportunities.

As described previously, the Housing Authority actively worked in partnership with SAHA, the City of American Canyon, and the County of Napa to leverage funding for 70-units of new affordable rental housing, of which 22 units will be set-aside for veterans. The Housing Authority continued to administer the housing programs for each of the cities in Napa County. This included providing technical assistance on an eight unit self- help housing project in St. Helena. The Housing Authority operated housing rehabilitation programs in four jurisdictions in Napa County during the fiscal year ending June 30, 2016. These programs provide low or no interest loans for low-income homeowners to make repairs to their homes. The Housing Authority continued to be an active participant in the Continuum of Care and to work closely with the County and nationally recognized consultants to make improvements to the community's homeless shelter system.

Mission: Assuring the Section 8 Housing Choice Voucher Program-assisted housing is safe and of quality by requiring owners to maintain the housing to meet Housing Quality Standards.

All assisted units are inspected within HUD required timelines. Inspection files audited to verify timely inspections. Quality control inspections are done by a supervisor of recently inspected units. Inspectors are trained on HUD's housing quality standards.

B.7 Resident Advisory Board Comments

Housing Authority of the City of Napa 2017 Annual Plan

Resident Advisory Board Meeting February 27, 2017

Board Members: Carol Hamilton, Johanna Moore, Diane Sarant, Maricela Pelayo

Comment 1: Does the limited homeless preference for the Housing Choice Voucher program apply to homeless families?

Staff Response: Yes, the homeless preference applies to homeless families as well as homeless individuals.

Comment 2: Does the Valley View Senior Homes project have two and three bedroom apartments?

Staff Response: The 70 unit complex will contain 66 one bedroom units and 4 two bedroom units.

Comment 3: Will the preference for homeless include assistance to locate units for those that are referred?

Staff Response: Yes, when appropriate support services are available for clients, including assistance to locate units, the HACN will prioritize households that are assessed as being the highest need for permanent supportive housing using the Vulnerability Index Service Prioritization Assessment Tool (VI-SPDAT). The VI-SPDAT is the community adopted housing assessment tool for the Continuum of Care coordinated entry system. Referrals to the HACN for Housing Choice Vouchers will come directly from the coordinated entry system.

Comment 4: I did not know that Fair Housing Napa Valley provides landlord/tenant counseling.

Staff Response: Yes, in addition to providing fair housing services they also provide tenant/landlord counseling. They also work with the mobile home parks to maintain rents at a reasonable level through the voluntary rent stabilization agreement.

Comment 5: It is important to do inspections to make sure that peoples units are decent and safe.

B.7 Resident Advisory Board Comments

Staff Response: We agree and we make sure that all units are inspected timely. In addition we do quality control inspections of previously inspected units to assure the inspectors are doing good work. We also do special inspections at the tenants or landlords request if they have concerns or problems they cannot resolve.

Comment 6: Allowing voucher holders to share units and the Home Share Match-Up Program are good ideas to help people locate housing.

Staff Response: We agree and feel that it will help in this time of dwindling vacancies and high rents. The Home Share Match-Up Program is open to everyone in the community but it also gives voucher holders another option in utilizing their voucher.

Comment 7: How does the Housing Authority of the City of Napa work with other cities in Napa County?

Staff Response: Besides operating the Housing Choice Voucher program county wide, the Housing Authority operates housing rehabilitation programs in four jurisdictions in Napa County. These programs provide low or no interest loans for low income homeowners to make repairs to their homes. The Housing Authority worked in partnership with the City of American Canyon and Satellite Affordable Housing Programs to leverage funding for 70 units of affordable housing.

HACN will post the information regarding VAWA in its offices and on its Web site. It will also make the information readily available to anyone who requests it.

A. NOTIFICATION TO PARTICIPANTS

HACN will provide all participants notification of their protections and rights under VAWA at the time of their annual reexamination by giving them a copy of the Notice of Occupancy Rights under the Violence Against Women Act. Notification will also be provided when a tenant is notified of eviction or termination of housing benefits. This notice will explain the protections afforded under the law; informs the participant of HACN confidentiality requirements and provides contact information for local victim advocacy groups or service providers. HUD-5382 form will also be provided with the notification.

B. NOTIFICATION TO APPLICANTS

HACN will provide all applicants notification of their protections and rights under VAWA at the time they receive their Housing Choice Voucher by giving them a copy of the Notice of Occupancy Rights under the Violence Against Women Act and in any notice of denial of assistance. The notice will explain the protections afforded under the law; informs applicants of HACN confidentiality requirements and provides contact information for local victim advocacy groups or service providers. HUD-5382 form will also be provided with the notification.

C. NOTIFICATIONS TO OWNERS AND MANAGERS

HACN will inform property owners and managers of their screening and termination responsibilities related to VAWA. HACN will utilize any or all of the following means to notify owners of their VAWA responsibilities:

- As appropriate in day to day interactions with owners and managers.
- Inserts in HAP payments, 1099s, owner workshops, classes, orientations, and/or newsletters.
- Signs in the HACN lobby and/or mass mailings which include model VAWA certification forms.

D. EMERGENCY TRANSFERS

HACN will allow tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to transfer to another unit assisted under the Housing Choice Voucher program if the tenant expressly requests the transfer and the tenant reasonably believes that they are threatened with imminent harm from further violence if they remain within the same dwelling unit (and in the case of a tenant who is a victim of sexual assault, the sexual assault occurred on the premises during the 90 day period preceding the request.)

These emergency transfers will be processed before all other voucher transfers and will be processed within two working days of the request.

HACN will require that all staff maintain confidentiality to ensure that they do not disclose the location of the dwelling unit to a person that commits an act of domestic violence, dating violence, sexual assault, or stalking against the tenant.

Information will not be entered into any shared database nor provided to any related entity, except to the extent that the disclosure (a) is requested or consented to by the individual in writing, (b) is required for use in an eviction proceeding, or (c) is otherwise required by applicable law.

HACN, when presented with a claim based on VAWA protections, will require that the individual making the claim document the abuse. The individual may satisfy HACN's request by providing any one of the following three forms of documentation:

- a. A completed and signed HUD-approved certification form (HUD-5382) which must include the name of the perpetrator if known and if safe to provide.
- b. A federal, state, tribal, territorial, or local police report or court record.
- c. Documentation signed by a person who has assisted the victim in addressing the abuse. This person may be an employee, agent, or volunteer of a victim service

provider; an attorney; or a medical professional. The person signing the documentation must attest under penalty of perjury to the person's belief that the incidents in question are bona fide incidents of abuse. The victim must also sign the documentation.

The documentation must be provided or an extension must be requested within 14 calendar days of HACN's request. HACN may extend the deadline 14 additional days.
