

RESOLUTION R2017-__

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF NAPA, STATE OF CALIFORNIA, APPROVING A JOINT POWERS AGREEMENT WITH NAPA COUNTY FOR THE DESIGN AND CONSTRUCTION OF MAINTENANCE REPAIRS AT THE TRANCAS STREET BRIDGE OVER THE NAPA RIVER IN THE AMOUNT OF \$5,047, AND DETERMINING THAT THE ACTIONS AUTHORIZED BY THIS RESOLUTION ARE EXEMPT FROM CEQA

WHEREAS, the State of California Department of Transportation (“Caltrans”) prepares biannual bridge inspections reports on all federal-aid highway bridges under the city’s jurisdiction; and

WHEREAS, the reports contain descriptions of physical changes to the structures, recommendations of work to be done and additional information not recorded in the previous bridge reports; and

WHEREAS, in April, 2006 the City was notified that Federal Highway Bridge Program (“HBP”) funds may be obligated for a new Local Assistance Bridge Preventive Maintenance Program (“BPMP”) to help local agencies extend the life of federal-aid highway bridges by performing certain work items; and

WHEREAS, City staff developed a BPMP plan listing Trancas Street Bridge as an eligible bridge with eligible work consisting of replacement of joint seals, deck surface treatment and restriping traffic lanes; and

WHEREAS, City and County jointly own, operate, maintain, and repair the Trancas Street Bridge over the Napa River (Bridge No. 21C-0003) because the City/County limit lies in the Napa River generally dividing ownership of the bridge in half at that location; and

WHEREAS, in May, 2014 City staff applied to the State of California (on behalf of City and County) for HBP funding to provide 87.64% of eligible project cost, with 12.36% of participating project costs and 100% of all non-participating project costs to originate from local funding sources (“local funding share”); and

WHEREAS, in August, 2016 the State of California secured HBP funding and authorized the City to proceed with the design phase of the repairs; and

WHEREAS, City and County shall enter into an agreement that delegates project design management and construction management authority to City and equally divides the local funding share; and
