Master Services Agreement (Governmental Entities)

Customer Tax Identification Number: _____

I, _____, HEREBY CERTIFY that I am _____
of _____ ("Customer"). I further certify that I have full power and lawful authority
to execute this Master Services Agreement ("MSA") on behalf of Customer. I further certify that Customer has taken all action
required by its resolutions and other organizational documents, records or agreements to authorize the individuals listed
below to act on behalf of Customer in all transactions contemplated under this MSA. Customer shall not be bound by the
terms and conditions for those specific services described, to the extent Customer elects not to use such service(s).
Customer hereby agrees as follows:

DEPOSIT ACCOUNTS:

1. U.S. Bank National Association ("Bank") is hereby designated as Customer's banking depository. Customer has received a copy of the deposit account terms and conditions and agrees that such terms shall govern the deposit account services provided by Bank. All transactions between Customer and Bank involving any of Customer's accounts at Bank will be governed by the deposit account terms and conditions, this MSA and other disclosures provided to Customer. Customer agrees to provide Bank with a copy of documents requested by Bank.
2. Any one (1) of the persons whose names and signatures appear in Appendix A (individually, an "Account Signer") are hereby authorized to open, add, modify, or close accounts in the name of Customer or its subsidiaries or affiliates, or if applicable, as an agent for another entity, and to sign, on behalf of Customer, its subsidiaries or affiliates or as an agent for another entity, checks, drafts or other orders for the payment, transfer or withdrawal of any of the funds or other property of Customer, whether signed, manually or by use of a facsimile or mechanical signature or otherwise authorized, including those payable to the individual order of the person or persons signing or otherwise authorizing the same and including also those payable to the Bank or to any other person for application, or which are actually applied to the payment of any indebtedness owing to the Bank from the person or persons who signed such checks, drafts or other withdrawal orders or otherwise authorized such withdrawals; and are also authorized to endorse for deposit, payment or collection any check, bill, draft or other instrument made, drawn or endorsed to the accounts governed by this MSA for deposit into these accounts. The authorization contained in the preceding sentence includes transfers of funds or other property of Customer to accounts outside of those accounts Customer maintains at Bank. Any one of the Contract Signers (as defined below) is also authorized to execute any documentation that Bank may require to add or delete Account Signers.
3. Unless Customer otherwise advises Bank in writing and Bank has a reasonable opportunity to act on such writing, the Account Signers listed in Appendix A will be Account Signers on any future deposit accounts that Customer maintains with Bank.
4. Customer acknowledges and agrees that Bank is not required to obtain the consent of or otherwise contact an Account Signer for transactions other than those listed in paragraph 2 above, including, but not limited to, transfers between accounts Customer maintains at Bank, advances on loans Customer has with Bank and transfers to pay down loans Customer has with Bank.

TREASURY MANAGEMENT SERVICES:

5. Bank's treasury management services ("Treasury Management Service(s)") are described in the U.S. Bank Services Terms and Conditions, any supplements thereto, any implementation documents, user manuals, operating guides and other related documentation and disclosures provided by Bank, and any addendum to any of the foregoing (collectively the "Services Agreement"). Customer has received and reviewed the Services Agreement and desires to use one or more of the Treasury Management Services.
6. Any one (1) of the persons whose names and signatures appear in Appendix B (individually, a "Treasury Management Signer") are empowered in the name of and on behalf of the Customer to enter into all transactions contemplated in the Services Agreement including, but not limited to, selecting Treasury Management Services, appointing agents to act on behalf of Customer in the delivery of Treasury Management Services, signing additional documentation necessary to implement the Treasury Management Services and giving Bank instructions with regard to any Treasury Management Service, including without limitation, wire transfers, ACH transfers, and any other electronic or paper transfers from or to any account Customer may maintain with Bank. Bank may, at its discretion, require Customer to execute additional documentation to implement or amend certain Treasury Management Services. In such cases, documentation necessary to implement or amend such Services shall be signed by a Treasury Management Signer. Customer further acknowledges and agrees that Bank may implement or amend Services based on the verbal, written, facsimile, voice mail, email or other electronically communicated instructions that it believes in good faith to have been received from a Treasury Management Signer. Any one of the Contract Signers (as defined below) is also authorized to execute any documentation that Bank may require to add or delete Treasury Management Signers.

MONEY CENTER AND SAFEKEEPING SERVICES:

7. Any one (1) of the persons referenced in Appendix M (individually, a "Money Center Signer") are each authorized and empowered in the name of and on behalf of the Customer to transact any and all depository and investment business through the Bank's Money Center division (the "Money Center") and any securities custodial business through the Bank's Safekeeping Department (the "Safekeeping Department"), which such person may at any time deem to be advisable, including, without limiting the generality of the foregoing, selecting any services that may from time to time be offered by the Money Center or the Safekeeping Department (collectively referred to herein as "Money Center Services" and "Safekeeping Services", respectively), appointing additional Money Center Signers or agents to act on behalf of Customer with respect to Money Center Services and Safekeeping Services, signing additional documentation necessary to implement the Money Center Services and Safekeeping Services and giving Bank instructions with regard to any Money Center Service and Safekeeping Service. Customer has received and reviewed the Services Agreement and may use one or more of the Money Center Services or Safekeeping Services from time to time. Bank may, at its discretion, require Customer to execute additional documentation to implement or amend certain Money Center Services or Safekeeping Services. In those cases, the required documentation shall be signed by a Money Center Signer. Customer further acknowledges and agrees that Bank may take any action with respect to any Money Center Services or Safekeeping Services requested by a Money Center Signer based on the verbal, written, facsimile, voice mail, email or other electronically communicated instructions that Bank believes in good faith to have been received from a Money Center Signer. Any one of the Money Center Signers is also authorized to execute any documentation that Bank may require to add or delete Money Center Signers.

FOREIGN EXCHANGE:

8. Bank is authorized by Customer to enter into foreign exchange transactions. Customer has received a copy of the Services Agreement and agrees that the terms contained in the Services Agreement, this MSA and other disclosures provided to Customer shall govern the foreign exchange services provided by Bank. Customer agrees to provide Bank with a copy of documents requested by Bank.

FOREIGN CURRENCY ACCOUNTS:

9. Bank is hereby designated as Customer's banking depository for one or more Foreign Currency Account(s) (the "Foreign Account(s)"). Any one (1) of the persons whose names and signatures appear in Appendix C (individually, a "Foreign Currency Account Signer") are hereby authorized to open, add, modify, or close any Foreign Account(s) in the name of Customer or its subsidiaries or affiliates and to make, on behalf of Customer, orders for payment or transfer of any of the funds or other property of Customer, whether signed, manually or by use of a facsimile or mechanical signature or otherwise authorized, including those payable to the individual order of the person or persons signing or otherwise authorizing the same. Customer hereby expressly authorizes and directs Bank to accept written and oral instructions any payment orders, by telephone or otherwise, consistent with the Services Agreement. Customer has received a copy of the Services Agreement and agrees that the terms contained in the Services Agreement, this MSA and other disclosures provided to Customer shall govern the Foreign Accounts. Any one of the Contract Signers (as defined below) is also authorized to execute any documentation that Bank may require to add or delete Foreign Currency Account Signers.

OTHER SERVICES:

10. A Contract Signer is authorized and empowered on behalf of Customer to transact any and all other depository and investment business with and through Bank, and, in reference to any such business, to make any and all agreements and to execute and deliver to Bank any and all contracts and other writings which such person may deem to be necessary or desirable.

GENERAL:

11. All Account Signers, Treasury Management Signers, Foreign Currency Account Signers and/or Money Center Signers (whether designated in this MSA or in a prior document [for example, a Certificate of Authority or a Treasury Management Services Agreement] executed by Customer) will remain in place until Bank receives written notice of any change and has a reasonable time to act upon Customer's written notice.

12. Any and all transactions by or in behalf of Customer with the Bank prior to the adoption of this MSA (whether involving deposits, withdrawals, Treasury Management Services, or otherwise) are in all respects ratified, approved and confirmed.

13. Customer agrees to furnish Bank with the names and signatures (either actual or any form or forms of facsimile or mechanical signatures adopted by the person authorized to sign) of the persons who presently are Account Signers, Treasury Management Signers, Foreign Currency Account Signers and/or Money Center Signers. Bank shall be indemnified and saved harmless by Customer from any claims, demands, expenses, loss or damage resulting from or growing out of honoring or relying on the signature or other authority (whether or not properly used and, in the case of any facsimile signature, regardless of when or by whom or by what means such signature may have been made or affixed) of any officer or person whose name and signature was so certified, or refusing to honor any signature or authority not so certified.

I. INTRODUCTION**1. Definitions.**

a. "Agent" means any director, officer, employee, representative, affiliate, third-party vendor or any other person acting on behalf of the Customer with the actual, implied or apparent authority of Customer. Bank may rely on any grant of authority until it receives written notice of its revocation and is given a reasonable amount of time to act upon such notice.

b. "Bank" means U.S. Bank National Association and each subsidiary or affiliate of U.S. Bank that provides Services to Customer.

c. "Business Day" means any day on which a majority of Bank's offices are open to the public for substantially all banking functions. Saturdays, Sundays, federal or state holidays or any day recognized by a Federal Reserve Bank as a holiday shall not be considered a Business Day, even if Bank's offices are in fact open.

d. "Customer" means the business entity and any parent company, subsidiary or affiliate for whom Bank provides a Service.

e. "Service" or "Services" means one or more global treasury management, foreign exchange, or money center and safekeeping services offered by Bank.

2. Other Agreements, Laws and Regulations. These terms and conditions and the Master Services Agreement (or existing Treasury Management Service Agreement or equivalent document executed by Customer) are collectively referred to herein as the "Agreement". The Services are provided to Customer subject to the following other documents, laws and regulations, which are hereby incorporated into and made part of this Agreement:

a. the set-up materials, user guides, and any supplement thereto required by Bank to implement a specific Service (referred to in the Agreement as the "Implementation Documents");

b. the most current fee and availability schedule and other fee disclosures provided to Customer, including account statements;

c. the provisions of the then current deposit account agreement and accompanying disclosures, which govern deposit accounts and other depository services;

d. the Uniform Commercial Code, as enacted in the State of Minnesota;

e. any applicable automated clearinghouse operating rules, including, without limitation, the National Automated Clearing House Association Operating Rules and Guidelines (the "NACHA Rules") and the rules promulgated by the Electronic Check Clearing House Organization (the "ECCCHO Rules"); and

f. federal, state and local laws and regulations applicable to Bank or Customer, including, without limitation, Regulation CC promulgated by the Board of Governors of the Federal Reserve System, 12 CFR Section 229.1, et seq. ("Regulation CC"), all Operating Circulars promulgated by the Board of Governors of the Federal Reserve System, and the regulations overseen by the Office of Foreign Assets Control ("OFAC").

3. Change of Terms. Bank may change the terms of this Agreement at any time upon reasonable written or electronic notice to Customer or by any other method permitted by law. Customer's continued use of the Services after the effective date of any change to the terms shall be deemed Customer's consent to the revised terms. Any other variations to this Agreement must be in writing and executed by Bank. In the event performance of the Services in accordance with the terms of this Agreement would result in violation of any present or future statute, regulation, government policy, or relevant clearing or central bank agreements or settlement systems to which Bank is subject, and which governs or affects the transactions contemplated by this Agreement, then this Agreement shall be deemed amended to the extent necessary to comply with such statute, regulation policy, agreement or systems, and Bank shall incur no liability to Customer as a result of such violation or amendment. No course of dealing between Bank and Customer will constitute a modification of this Agreement or constitute an agreement between the Bank and Customer regardless of whatever practices and procedures Bank and Customer may use.

4. No Third Party Beneficiaries/Third Party Claims. Services provided by Bank are for the sole and exclusive benefit of Customer, and no other persons or organizations shall have any of the rights and remedies arising under this Agreement. Customer agrees to indemnify, defend and hold Bank harmless from and against any and all claims, demands, expenses, losses, liabilities and damages of third parties of any nature whatsoever, including, without limitation, reasonable attorney fees and court costs at trial or appeal arising directly or indirectly from any Service delivered to Customer pursuant to this Agreement.

5. Images. Bank may create a microfilm, optical disk, or other electronic image of the Agreement or Implementation Document. Bank may store the electronic image of such Agreement and Implementation Document in its electronic form and then destroy the paper original as part of Bank's normal business practices, with the electronic image deemed to be an original.

6. Foreign Account Tax Compliance Act. If a payment made by either party under this Agreement is or could become subject to the U.S. Federal withholding tax imposed by Sections 1471 through 1474 of the Internal Revenue Code of 1986, as amended ("FATCA"), then (i) each party shall provide to the other party such information, and shall disclose to the applicable governmental authorities such information, as may be required in order for such party to comply with all applicable requirements of FATCA and to determine that the other party has complied with FATCA, and (ii) a party that fails to comply with FATCA shall indemnify the other party for all costs, damages, and liabilities arising out of such party's failure to comply with FATCA.

7. Disclaimer of Warranties. NOTICE: BANK MAKES NO WARRANTIES, EXPRESS OR IMPLIED, IN LAW OR IN FACT, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE AND OF MERCHANTABILITY, EITHER TO CUSTOMER OR TO ANY OTHER PARTY, WITH RESPECT TO THE SERVICES PROVIDED BY BANK OR ITS AGENTS OR WITH RESPECT TO SOFTWARE PRODUCTS PROVIDED OR MADE AVAILABLE TO THE CUSTOMER FOR ITS USE BY BANK IN CONNECTION WITH THIS AGREEMENT AND ANY SERVICE.

II. TERMS APPLICABLE TO ALL GLOBAL TREASURY MANAGEMENT, FOREIGN EXCHANGE AND MONEY CENTER AND SAFEKEEPING SERVICES

1. Services. Bank may provide Services that are not specifically included in the Services section of this Agreement. By accepting and using any Service, Customer agrees that the Service will be governed by this Agreement and any other conditions communicated to Customer by Bank. Certain Services included in this Agreement may not be available or may not be provided in certain market areas.

2. Proprietary Information. Customer acknowledges that this Agreement, all related documentation and computer programs and systems used in providing Services, and all information related thereto constitute proprietary property of Bank that is of great commercial value. Customer agrees that it shall not acquire any proprietary interest or rights therein as a result of its use of the Services and shall keep all such proprietary information strictly confidential.

3. Representations and Warranties. Customer and Bank each represent and warrant to the other, as of the date this Agreement is entered into and at the time any Service is used or performed, that: (a) it is validly existing and in good standing under the laws of the jurisdiction of its organization; (b) it has all requisite power and authority to execute and deliver, and to perform its obligations under, this Agreement and each Service used or performed by it; (c) this Agreement has been duly authorized and executed by it and constitutes its legal, valid and binding obligation; (d) any consent or authorization of any governmental authority or third party required to be obtained by it in connection with this Agreement or any Service used or performed by it has been obtained; and (e) the Services received are for business use only and are not primarily for personal, family or household use. In addition, Customer represents and warrants to Bank that this Agreement will not violate: (i) any law, rule, regulation, order, writ, judgment, injunction, decree or award binding on Customer; or (ii) the provisions of any agreement to which Customer is a party or is subject, or by which it, or its assets, is bound, or conflict with or constitute a default thereunder.

4. Financial Review. Bank's willingness to provide Services to Customer is dependent on the Customer's financial condition. Customer's financial condition is subject to review by Bank from time to time, and such reviews must be satisfactory to Bank in its sole discretion and opinion. Customer shall, upon request, provide to Bank any such information as Bank may require to perform any such review. Customer's failure to meet such standards or provide such information or assistance when requested shall constitute a breach of this Agreement and shall permit Bank to cease providing Services upon written notice to Customer.

5. Fees. Unless otherwise agreed by Bank in writing, Customer shall pay Bank the fees, charges and assessments set forth for the Services provided in the most current fee schedules and other fee disclosures provided to Customer (including account statements), plus additional fees and expenses for extraordinary Services. The price schedule for each Service shall be deemed accepted by Customer upon provision of the Service to Customer. In addition, Customer shall pay Bank the amount of any taxes levied or leased on fees charged pursuant to this Agreement, including, without limitation, federal, state, or local privilege excise or sales taxes based on gross revenue, any taxes or amount in lieu thereof paid or payable by Bank, excluding Bank's income taxes and any assessments charged to Bank directly as a result of providing the Services. Bank may change the amount or type of service charges from time to time. Fees for Services used by Customer may be charged in full to Customer's account(s) or may be offset through account analysis by applying earnings credit to Customer's service charges to determine a single monthly net service charge. The applicable earnings credit rate is established by the Bank and will change from time to time without advance notice to Customer. Customer's net service charge could be zero if such earnings credit exceeds total charges in a given month. If Customer's earnings credit is insufficient to offset the amount due hereunder, Customer agrees to pay such amount to Bank upon demand. Customer authorizes Bank to debit Customer's account(s) with Bank for any and all fees, expenses or other charges owed by Customer to Bank under this Agreement.

6. Deposit Accounts. Most Services require that Customer maintain one or more deposit accounts with Bank. All checks, wire transfers, ACH payments and other items deposited into such accounts are provisionally credited and taken subject to later verification by Bank and Bank's receipt of final settlement. Deposited items that are deposited and later returned unpaid will be charged against the account without prior notice. Customer agrees to pay Bank for any overdraft or overpayment in any of Customer's accounts. Customer authorizes Bank to charge any account Customer maintains with Bank for any amount remaining due under this section.

7. Security Interest. Customer grants to Bank a consensual possessory security interest in Customer's deposit accounts maintained with Bank and the funds held therein to secure payment of all of Customer's obligations under this Agreement.

8. Accuracy and Timeliness of Information. Bank will use reasonable efforts to provide the information requested through the Services in a prompt fashion, but shall not be liable for temporary failure to provide timely information. In such event, Customer shall be responsible for carrying out banking business through alternative delivery channels. Bank shall not be liable for any inaccurate or incomplete information with respect to transactions which have not been completely processed or posted to Bank's systems prior to being made available pursuant to the Services.

9. Authorized Signers and Users. Customer shall appoint certain Authorized Signer(s) in the U.S. Bank Master Services Agreement or in such other format or document as may be agreed by Bank. Customer agrees that Authorized Signers shall be authorized to act on behalf of Customer in all actions taken under this Agreement and may enter into all transactions contemplated in this Agreement, including, without limitation, selecting Services for the benefit of Customer, appointing initial system administrator(s), and signing additional documentation that may be necessary to implement Services and giving instructions with regard to any Service, including, without limitation, wire transfers, ACH transfers and other electronic or paper transfers from or to any account Customer maintains with Bank. The Authorized Signer(s) or Customer's designated system administrator(s) shall appoint Agents to use the Services provided for the benefit of Customer ("Authorized Users"). Authorized Users may act on behalf of Customer for a particular Service in accordance with the relevant Implementation Documents or other document(s) establishing the Authorized Users' responsibilities, or in accordance with the authority granted by Customer. Customer may revoke the authority of or change the Authorized Signers at any time upon prior written notice and execution of additional documentation required by Bank. Such change or revocation shall not be binding upon Bank until it has received the required written notice and has had a reasonable opportunity to act thereon. In any event, Bank may act on instructions that it believes in good faith were provided by an Authorized Signer or Authorized User, or anyone purporting to be an Authorized Signer or Authorized User.

10. Forms Approval and Service Implementation. Bank reserves the right to approve the form of Customer's checks, drafts, deposit slips and similar documentation. Prior to initiating a new account or Service, or at any other necessary time, Customer agrees to provide all information and conduct any test that Bank may reasonably request, including, without limitation, completing Implementation Documents, signature cards, corporate resolutions and other documents and assessing test tapes and transmissions. Customer acknowledges that Services will not commence or continue until such time as an approved item or test is provided to Bank and determined by Bank to be satisfactory. Customer shall be responsible for initial product installation, whether or not Bank provides telephone or on-site installation support.

11. Security Procedures.

a. Introduction. Bank and Customer shall agree to one or more security procedures that must be used in connection with certain Service(s). Customer acknowledges and agrees that it has been informed of and understands Bank's security procedures and that such security procedures are commercially reasonable. Customer agrees to be bound by any payment order, transaction or service change order that is acted upon by Bank in accordance with such security procedure. Customer understands that the security procedures are not for the purpose of detecting errors in the transmission or content of information controlled

by Customer. If Customer selects certain security procedures to use in connection with a Service and those security procedures provide less protection against unauthorized transactions or activity than other security procedures offered by Bank in connection with such Service, the security procedures selected by Customer shall be deemed commercially reasonable to the same extent as the security procedures offered by Bank that provide greater protection. Bank reserves the right to issue new security procedures and/or to cancel or change any security procedures by giving verbal or written notice to Customer. Bank also reserves the right to periodically audit Customer's security procedures and information technology processes, and to mandate controls or suspend Services until Customer complies with such security procedures.

b. Access. Customer shall be solely responsible for designating individuals authorized to access Services. Access to Services will be controlled through the use of user IDs, personal identification numbers, passwords, digital certificates/signatures, private keys or other security devices ("Codes"). Customer is solely responsible for maintaining its own internal security and agrees to use the utmost care in selecting any company or individual given access to use one or more of the Services. Codes that are assigned to individual Authorized Users shall not be shared with any other person, including other Authorized Users and Customer shall not disclose any information regarding the Services that an unauthorized user would find helpful to obtain access to all or part of any Service. Customer assumes all risk of accidental disclosure or inadvertent use of any Codes by any party, whether such disclosure or use is on account of Customer's negligent or deliberate acts or otherwise. If Customer or its Agents has reason to believe that any security procedures or Codes have or may become known by unauthorized persons (whether or not employed by Customer) or if Customer believes its network or computer systems have been compromised or its computers infected, Customer shall immediately notify Bank by telephone and confirm such verbal notification in writing to Bank within 24 hours. Bank will replace the security procedures and/or Codes in accordance with Bank's procedures. Customer shall be solely responsible for funds transfer instructions and other communications or transactions initiated before Bank received Customer's notice and had a reasonable time to act on such notice. Customer agrees to defend and indemnify Bank against any claims, losses, damages, costs, expenses, fines and other liabilities arising out of Customer's failure to maintain the security and confidentiality of the Codes or arising out of the unlawful use of any website or portal by Customer or any person who obtains access to a website or portal using the Codes.

c. Confidentiality. Customer and Bank represent, warrant and mutually agree that all confidential information concerning the other party or parties that comes into its possession in connection with any of the Services will be maintained in strictest confidence and shall not be used or divulged to any other party except as may be necessary or advisable for the due performance of any of the Services or as required by applicable law. Bank shall maintain physical, electronic, and procedural safeguards to keep Customer's confidential information secure. Customer's obligation to maintain the confidentiality of all security procedures shall survive the termination of any Service or this Agreement. Customer acknowledges that certain Services may involve the handling of confidential consumer information that may be subject to privacy laws and regulations, including unauthorized access or breach notification regulations. Customer agrees to notify Bank immediately if Customer sends or receives protected health information that requires the execution of a business associate agreement.

d. Verbal or Written Instructions. For some Services, Bank may choose to honor Customer's request to give Bank verbal or written instructions regarding the Services. Customer agrees that Bank may in good faith rely on such verbal or written instructions that purport to come from an authorized Agent of the Customer without independent verification by Bank.

e. Fraud prevention measures. Bank offers certain products and Services such as Positive Pay and account blocks or filters that are designed to detect or deter fraud. Failure to use such Services could substantially increase the likelihood of fraud. If Customer fails to implement any of these products or Services, or if Customer fails to follow these or other precautions reasonable for its particular circumstances, Customer agrees: (i) it will be precluded from asserting

any claims against Bank for paying any unauthorized, altered, counterfeit or other fraudulent item that such product, Service, or precaution was designed to detect or deter; (ii) Bank will not be required to re-credit Customer's account or otherwise have any liability for paying such items; and (iii) Customer will pay all costs and expenses incurred by Bank for all efforts undertaken by Bank to recover any losses incurred by Customer.

12. Unsecured Electronic Transmissions and Instructions. Bank shall transmit to Customer information related to Services via secure electronic transmissions. If Customer elects to send or receive instructions or reports from Bank via unsecured electronic means, including, without limitation, facsimile transmission, voice mail, unsecured e-mail, pager or other unsecured electronic or telephonic methods ("Electronic Transmission"), Customer acknowledges that such Electronic Transmissions are an inherently insecure communication method due to the possibility of error, delay and observation or receipt by unauthorized personnel. Bank may rely in good faith on Customer's instructions regarding how and to what number or e-mail address Electronic Transmissions should be sent and may rely on any Electronic Transmission that it reasonably believes to have been initiated by the Customer. Should Customer elect to send or receive unsecured Electronic Transmissions to or from Bank, Customer assumes all risks, and Bank shall not be liable for any loss, that results from the nonreceipt, disclosure, alteration or unauthorized access of any such unsecured Electronic Transmission.

13. Account Blocks and Filters. ACH debit blocks and check blocks prevent ACH debits and checks from posting to Customer's account. ACH filters and check filters enable Customer to set various criteria to authorize certain transactions to post to Customer's account while excluding others. If an ACH debit or check filter is established by Customer, any ACH debit entry or check presented that does not specifically meet the criteria will be dishonored or sent back to the originator of the transaction. Customer acknowledges that the effectiveness of the filters is dependent on the accuracy and timeliness of the information provided by Customer. In addition, certain ACH transactions such as returns or adjustments cannot be blocked per NACHA Rules. If Customer desires to modify a block or filter setting, Customer shall notify Bank at least 72 hours in advance of the changes taking effect.

14. Computer Equipment and Software. Many Services require the use of computer hardware and software or other equipment. Customer is responsible for maintaining its computer and equipment (including those provided by or through Bank for use with Services) in good working order. Customer shall ensure that computers and other equipment have the necessary compatibility and format to interface with Bank's systems, including, without limitation, the ability to support the Bank's security procedures. Customer agrees to install upgrades and other system enhancements within a reasonable time after being requested to do so by Bank. License agreements for necessary software shall either be embedded in the software or separately documented. Customer agrees to comply with all applicable software license agreements, whether or not such agreements have been executed by Customer. Customer has no rights or ownership in any software provided by or through Bank and shall not transfer, copy, alter, modify, reverse engineer, reproduce, or convey in any manner, in whole or in part, any such software. Customer shall return all software and user manuals associated with any software upon request. Bank makes no representations or warranties with respect to any equipment or software provided by Bank.

15. Transactions on Non-Business Days/Cutoff Times. Transactions, deposits, payment orders, entries or other requests by Customer received by Bank on a non-Business Day or after established cutoff deadlines may be treated by Bank as received on the next Business Day. Bank may change any cutoff time or other deadline at any time. Bank will make a reasonable effort to notify Customer of any changes in advance.

16. Customer-initiated Transactions and Instructions. Bank will honor Customer's transactions and instructions (including adjustments, amendments and cancellations) only when Customer has complied with this Agreement and related policies and procedures. Bank will be under no obligation to honor, either in whole or in part, any transaction or instruction that:

- a. exceeds Customer's collected or available funds on deposit with Bank;
- b. Bank has reason to believe may not be authorized by Customer;
- c. involves funds subject to a hold, dispute or legal process preventing their withdrawal;
- d. violates any provision of any applicable regulation of the Federal Reserve Bank or any other federal, state or local regulatory authority; or
- e. Bank has reasonable cause not to honor, for the protection of either Bank or Customer.

17. Inconsistent Name and Account Number. If Customer or third party acting on Customer's instruction initiates a fund transfer instruction or payment order ("Payment Order") to Bank that describes the person to receive the proceeds of such Payment Order (the "Beneficiary"), the Beneficiary's bank, or an intermediary bank by name and an account or other identifying number, Bank and subsequent parties to the Payment Order may rely on and act solely on the basis of such number, even though the name and number do not agree and even though Bank and subsequent parties know or have reason to know of the inconsistency. Customer's obligation to pay the amount of the Payment Order to Bank is not excused in such circumstances. With respect to incoming Payment Orders that do not include an account number recognizable to Bank, Bank may return the Payment Order to the sending financial institution without incurring any liability to Customer.

18. Intercompany Services/Authority to Transfer or Commingle Funds. In the event that Customer requests Bank to provide Services to a parent company, subsidiary, affiliate, or other commonly owned Company, Customer agrees that it shall be jointly and severally liable for such Company's obligations under this Agreement. Customer hereby represents and warrants to Bank that any and all transfers and commingling of funds required or permitted by any Service or requested by Customer, and all other aspects of the performance hereby by Bank and Customer, have been duly authorized by all necessary parties, including, without limitation, the account holder of each account, and that Customer has obtained and shall maintain in its regular business records and make available to Bank upon reasonable demand, for a period of seven (7) years after termination of the Service, adequate documentary evidence of such authorization from the account holder of each account, executed by the duly authorized officer(s) of each such account holder in accordance with that account holder's bylaws and/or board resolutions. Customer further represents and warrants that each transfer or commingling of funds authorized hereunder is not in violation of any agreement, bylaw or board resolution of Customer or any of its affiliates or subsidiaries, nor is it in violation of any applicable federal, state, local law, regulation, of any decree, judgment, order of any judicial or administrative authority. Each representation and warranty contained herein shall be continuing and shall be deemed to be repeated upon Bank's effecting each transfer and commingling of funds authorized hereunder.

19. Customer Records. This Agreement and the performance of Services by Bank shall not relieve Customer of any obligation imposed by law, clearinghouse rules (including the NACHA Rules and ECCHO Rules), or by contract regarding the maintenance of records or from employing adequate audit, accounting and review practices as are customarily followed by similar businesses. In addition, Customer shall retain and provide to Bank, upon request, all information necessary to remake or reconstruct any deposit, transmission, file or entry for thirty (30) days following receipt by Bank of the deposit, file, entry, transmission or other order affecting an account.

20. Account Communications and Review Period. Customer agrees to regularly and promptly review and verify all statements, reports, check payment records, wire transfer instructions, confirmations, adjustments, charges, and other transactions ("Account Communications"). Customer may receive or access Account Communications electronically, including without limitation, delivery by posting to a password protected Web site or database. Customer acknowledges that Account Communications provided by Bank through electronic delivery is deemed to constitute good and effective delivery when posted by Bank, regardless of whether Customer actually or timely receives or accesses the Account Communications. Unless a different review period is specified elsewhere in this Agreement, Customer shall, within a reasonable time, which in no

event shall be greater than thirty (30) calendar days following the day Bank first mails, electronically transmits or otherwise makes data available to Customer ("Review Period"), notify Bank of any error or discrepancy between Customer's records and any Bank notice or statement, or any transaction or transfer Customer believes was not authorized. If Customer fails to notify Bank of such unauthorized transaction within the Review Period, Customer agrees that the failure to report any such errors or unauthorized transactions shall relieve Bank of any liability for the unreported erroneous or unauthorized transaction. In accordance with NACHA Rules, Customer must report an unauthorized ACH debit entry to the Customer's account by the established deadline on the Business Day following the settlement date of the unauthorized entry. Otherwise, Customer's sole recourse is to the originator of the transaction.

21. Monitoring and Recording Communications. Customer acknowledges and agrees that Bank, or anyone acting on Bank's behalf, may monitor and/or record any communication between Customer, or its Agent, and Bank, or anyone acting on Bank's behalf, for quality control and other purposes. Customer also acknowledges and agrees that this monitoring or recording may be done without any further notice to Customer or its Agent. The communication that may be monitored or recorded includes telephone calls, cellular or mobile phone calls, electronic mail messages, text messages, instant or live chat, or any other communications in any form.

22. Limitation of Bank's Liability for Services. Customer acknowledges that Bank's fees for Services are very small in relation to the amounts of transfers initiated through these Services and consequently Bank's willingness to provide such Services is based on the liability limitations contained in this Agreement. In addition to greater limitations on Bank's liability that may be provided elsewhere in this Agreement, Bank's liability related to any Service shall be limited exclusively to actual proven damages arising directly from its own gross negligence or willful misconduct. Bank will not, under any circumstances, be liable for any special, incidental, indirect, consequential, punitive or similar losses or damages, whether or not the likelihood of such losses or damages was known by either party at the time Customer first obtains Services from Bank or at the time any instruction or order is given to a Bank pursuant to any Service, and whether such losses or damages arise from tort, contract or otherwise. Bank's maximum liability for any loss of interest shall be calculated using a rate equal to the average Federal Funds rate at the Federal Reserve Bank of New York for the period involved. Notwithstanding the foregoing, Bank shall not be liable for any losses or damages caused, in whole or in part, by the action or inaction of Customer, or any Agent or employee of Customer, whether or not such action or inaction constitutes negligence or a breach of this Agreement. Bank shall not be liable for any damage, cost, loss, liability or delay caused by a force majeure event, including but not limited to, accident, strike, labor dispute, fire, flood, war, riot, terrorist act, government restrictions, exchange or market rulings, extraordinary market volatility, suspension of trading, equipment breakdown, electrical, telephone, Internet, or mechanical failures, acts of nature, any cause which is attributable to a third party, or any other cause or event that was beyond Bank's reasonable control. Customer agrees that the fees charged for the performance of the Services shall be deemed to have been established in contemplation of these liability limitations.

23. Dispute Resolution.

a. Governing Law. Except as otherwise provided herein, this Agreement shall be governed by the laws of the State of Minnesota, without regard to conflicts of law principles.

b. Jury Trial Waiver. To the fullest extent permitted by law, Bank and Customer hereby agree to waive trial by jury in any judicial proceeding involving, directly or indirectly, any matter (whether in tort, contract or otherwise) in any way arising out of, related to or connected with these Services or this Agreement. Bank and Customer represent and warrant to each other that this jury trial waiver is knowingly, willingly and voluntarily given.

c. Jurisdiction and Venue. Customer consents to the jurisdiction of the courts of the State of Minnesota, waives any argument that such venue is inconvenient and agrees to bring litigation commenced in connection

with this Agreement in either the District Court of Hennepin County or the United States District Court, District of Minnesota, Fourth Division.

d. Collection Costs. Should Bank have to undertake any action to recover any amount due under this Agreement for the Services, including, without limitation, fees, overdrafts or overpayment, Customer will be liable to Bank for the cost of such effort, plus reasonable attorney fees.

e. Adverse Claims. If Bank receives an adverse claim against any account, and Bank reasonably believes that it will not be protected if the claim is ignored, Customer agrees that Bank may place a hold on the affected account. Any such hold will remain in place only so long as reasonably necessary to resolve the claim or employ legal remedies to allow a court to decide such claim. Assuming compliance with this section, Bank shall have no liability for dishonored transactions due to the hold, and Customer agrees to reimburse Bank all costs, including reasonable attorney fees, incurred due to such adverse claim.

24. Necessary Third Party Service Providers.

a. Third Party Networks. Some Services are provided by Bank through access to a third party network. Such Services are dependent upon the availability of the third party network on conditions acceptable to Bank. Bank reserves the right to discontinue the Service or provide the Service through an alternative third party network and shall have no liability should such network become unavailable. Bank does not warrant and shall not be responsible for Services received by Customer from any third party network.

b. Third Party Vendors. Some Services and/or computer equipment and software are provided to Customer by a third party vendor selected by Customer who is unaffiliated with Bank. In those cases, the third party vendor is acting as Customer's Agent rather than an agent of Bank, and Customer agrees to be bound by such third party's acts or omissions. Bank does not warrant and shall not be responsible for Services provided by unaffiliated third party vendors. Customer authorizes Bank to disclose to any third party vendor of Customer or Bank information concerning Customer to the extent required to deliver the requested Service. Customer acknowledges that Bank's third party vendors may perform certain services offshore.

25. Notices. All written notices to Bank shall be delivered or mailed to the address designated by Bank. Notices, including but not limited to, Account Communications sent to Customer shall be delivered or mailed to Customer's current lead account address or other known address if deemed more appropriate by Bank under the circumstances. Notices may be delivered to some Customers in electronic format, including posting to Bank's Web site, if requested or appropriate.

26. Severability. To the extent possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision shall be held to be invalid, illegal or unenforceable, such provision shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without rendering invalid, illegal or unenforceable the remainder of any such provision or the remaining provisions of this Agreement.

27. Waiver. A waiver by Bank or Customer of any term or provision shall not be construed as a waiver of such term or provision at any other time, or of any other term or provision. Bank's waiver of the enforcement of any of the terms of this Agreement with respect to any transaction or series of transactions will not affect Bank's right to enforce any of its rights with respect to other Customers or to enforce any of its rights with respect to later transactions with Customer.

28. Assignment. In addition to section 24 above, Bank may at any time assign or delegate its rights and duties under this Agreement. Customer may not assign or transfer its rights or obligations hereunder to any other person or entity without Bank's written consent, whose consent shall not be unreasonably withheld.

29. Termination. Any Services may be terminated by either party upon 30 days' prior written notice to the other. Bank may also terminate or suspend any Services immediately without notice to Customer if any of the following occurs: (a) Customer becomes insolvent or files, or has filed against it, any bankruptcy or other insolvency, reorganization, liquidation or dissolution proceeding of any kind; (b) a material adverse

change occurs in Customer's business or financial condition; (c) Bank has reason to believe that Customer has engaged in fraudulent or illegal activity; (d) Customer fails to maintain balances in accounts sufficient to cover overdrafts; (e) Customer violates, or is in default under, the terms of this Agreement or any other agreement with Bank; (f) Customer fails to comply with security procedures or fails to provide financial information reasonably requested by Bank; (g) Bank determines it is impractical or illegal to provide any Services because of changes in laws, regulations or rules; (h) Bank, in good faith, is unable to satisfy itself that any Services have been properly authorized by Customer; or (i) Bank, in good faith, deems itself insecure. Notwithstanding any termination, the terms of this Agreement shall apply to all transactions which have been initiated prior to termination.

III. TERMS APPLICABLE TO ALL INTERNET-BASED SERVICES

1. Introduction. Bank offers a number of Services over the Internet. If requested by Customer and agreed to by Bank, Bank will grant Customer access to one or more of Bank's Internet Services in the manner established by Bank. Customer agrees that its use of Services from time to time offered by Bank via the Internet (collectively, the "Internet Services") shall be governed by:

- (i) this Section and all other relevant sections of this Agreement, including, without limitation, sections governing the specific Services that are offered online;
- (ii) the other agreements, laws and regulations described in Section I.2. of this Agreement; and
- (iii) the applicable Terms of Use, as defined in Section III.2. below.

2. Terms of Use. Bank may post terms or rules of use ("Terms of Use") governing Customer's use of the Internet Services on Bank's Web site(s) for accessing such Services. Such Terms of Use shall supplement and amend the terms set forth in this section. In the event of a conflict between the Terms of Use and the rules set forth in this Agreement, the Terms of Use shall govern. Customer's initial use of an Internet Service shall constitute an acceptance of the Terms of Use posted on the Web site. Bank may change the Terms of Use for any Internet Service at any time by posting notice of such change via an alert or message on a broadcast or message page of the Web site ("Broadcast Message"). All changes shall have an effective date. Customer's use of the Internet Service after the effective date of any such change shall constitute an acceptance of the revised Terms of Use by Customer. Customer is responsible for establishing an internal procedure for reviewing the Broadcast Message page on a regular basis to obtain timely notice of changes to the Terms of Use. In the event that a specific Internet Service does not have Broadcast Message capability, Customer will be notified of any changes in accordance with section II.25 hereof. Neither Bank nor Customer will contest the validity, enforceability, or admissibility of hard copy printouts of the Terms of Use for any Web site or notices of changes to such Terms of Use provided in accordance with this section. Copies of such Terms of Use or notices, if introduced as evidence in tangible form in any judicial or administrative proceeding, will be admissible to the same extent and under the same conditions as other business records originated and maintained in documentary form.

3. Security Procedures. Customer agrees to use the Internet Services in accordance with the security procedures established by Bank. Bank reserves the right to reject any transaction or Service request that is not made in accordance with these procedures. Customer shall at all times use a Web browser that supports the level of encryption used by Bank as part of its security procedures. Due to emerging technologies and ensuing changes in security practices, Bank reserves the right to supplement or change its security procedures from time to time upon reasonable notice to Customer. Customer acknowledges and agrees that, notwithstanding anything to the contrary set forth in the Agreement, in matters of security, reasonable notice may be less than a day's notice or even, in some cases, notice after the fact. Customer is solely responsible for maintaining a secure work environment to ensure against the use of Internet Services by unauthorized individuals. Security procedures to be followed by Customer include, without limitation, informing Authorized Users that any passwords should not be shared and to secure physical access to the terminals used for Internet Services when an Authorized User has logged in to an application or system.

4. System Administrator. Customer shall designate one or more System Administrator(s). The System Administrator shall be responsible for setting up Internet Services and for establishing internal security procedures related to such Internet Services, which may be made available through applications or systems offered by Bank, including, without limitation, accepting delivery of software, system-wide configuration of Bank accounts, appointing Authorized Users, establishing authority levels, authorization requirements and payment limits, and distributing and re-setting IDs, passwords and other internal security devices related to the Internet Services. Company represents and warrants to Bank that any actions taken by the System Administrator in relation to the Internet Services including, without limitation, the

appointment of Authorized Users and the access and privileges granted to such Authorized Users, are duly authorized by Company.

5. Other Customer Responsibilities.

a. Equipment and Software. Customer is responsible for obtaining (from Bank, in some instances), installing and maintaining the computer and communications equipment (including, without limitation, personal computers and modems), software, Web browsers, Internet access and communications services necessary to access and use the Internet Services in accordance with this Agreement.

b. Use of Internet Services. Customer shall use its access to Internet Services and Web sites operated by or on behalf of Bank only to conduct its business through or with Bank and agrees to limit access to those Agents who require access to Internet Services.

c. Antivirus Protection. Customer agrees to run antivirus software before transmitting data to or through any Web site. Customer may use any commercially available, industry recognized antivirus software of the type that detects and disinfects viruses automatically, without the need for the Customer to execute virus scanning for each file manually. Customer shall update its antivirus software on a regular basis and in no event less often than once every week.

d. Anti-malware Protection. Bank may offer complimentary anti-malware software for use with certain Services that is designed to detect, deter or destroy different types of malware. Failure to install anti-malware software offered by Bank could substantially increase the likelihood of fraud and other losses. If Customer fails to install software offered by Bank, Customer agrees it will be precluded from asserting claims against Bank for any losses caused by malware which such software would have detected, deterred or destroyed. Bank will not be required to re-credit Customer's account or otherwise have any liability for such losses.

e. Network Security. Customer agrees to install and utilize current industry-standard network security for its information technology systems that access Services via the Web. Network security protection includes, but is not limited to, firewalls and intrusion detection systems. For certain Services, Bank may require Customer maintain specific network security protection in order to access the Services.

6. Disclaimer of Warranties. NOTICE: BANK PROVIDES ALL INTERNET SERVICES ON AN "AS IS," "AS AVAILABLE" BASIS AND MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND WITH RESPECT TO THE INTERNET SERVICES OR THE CONTENT OR SECURITY OF ANY WEB SITE. BANK DISCLAIMS ALL SUCH REPRESENTATIONS AND WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING, WITHOUT LIMITATION, ALL WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. WITHOUT LIMITING THE FOREGOING, BANK DOES NOT WARRANT THAT THE OPERATION OF ANY WEB SITE WILL BE UNINTERRUPTED OR ERROR-FREE. CUSTOMER IS RESPONSIBLE FOR TAKING APPROPRIATE PRECAUTIONS AGAINST DAMAGE TO ITS OPERATIONS WHICH COULD BE CAUSED BY INTERRUPTIONS OR MALFUNCTIONS OF ANY WEB SITE AND ASSUMES THE RISK OF SUCH OCCURRENCES.

IV. TERMS APPLICABLE TO SPECIFIC GLOBAL TREASURY MANAGEMENT SERVICES

The following are additional terms and conditions applicable to specific Treasury Management Services offered by Bank. Bank may change the number or type of Services offered at any time. Customer shall not be bound by the terms and conditions for the specific Services described in Sections IV, V and VI of this Agreement to the extent Customer is not using such Service(s).

A. E-PAYMENT SERVICE

Customer may select the E-Payment Service that would allow its customers ("Payers") to make convenient payments to Customer through the Internet, an Integrated Voice Response (IVR) system, a 'live' call center, a bill payment kiosk, or a walk-in cash payment channel. In addition, Customer may distribute electronic invoices, bills or statements to Payers who can pay such invoices, bills or statements via multiple payment channels accessible through the E-Payment Service. Customer agrees that this Service shall be governed by this Section and all other relevant sections of this Agreement.

1. Internet.

a. "Customer Payment Site" means the interactive Internet payment site hosted by Bank where Payers may make payments to Customer over the Internet. Bank will configure, implement, host and support the Customer Payment Site. If Customer provides the content for the Customer Payment Site, Customer agrees to indemnify and hold Bank harmless for any content that violates applicable law or payment network rules.

b. Customer License. Bank shall have the right and license to use Customer's name, trademarks, service marks, copyrights and logos and other textual information in connection with the Customer Payment Site solely for the purposes contemplated herein.

c. "Administrative Website" means the interactive Internet site hosted by Bank where Customer may access reports, initiate payments on behalf of Payers, or initiate refunds. Bank will configure, implement, host and support the Administrative Website. Customer shall be solely responsible for setting up Authorized Users, access entitlements and internal controls within the Administrative Website.

d. Links. Customer shall provide and maintain a secure link on its Web site to the Customer Payment Site. Customer shall be responsible for ensuring that the link to the Customer Payment Site takes Payer to the appropriate area within the Customer Payment Site. Customer shall be responsible for providing the agreed-upon data concerning Payer in a manner that meets Bank's encryption or security methods during the exchange. Customer and Bank agree to use industry-standard security procedures and technology to ensure the security of the Customer's Web site and the Customer Payment Site and to prevent data theft or unauthorized access.

e. Payer Authentication. Depending on the applicable payment processing channel, Customer shall be responsible for verifying the identity of each Payer prior to the time Payer is linked to the Customer Payment Site. Customer agrees that Payers shall not be granted access to the Customer Payment Site link until Customer has verified the identity of each Payer using a commercially reasonable fraud detection system. For every Payer that accesses the Customer Payment System, Bank may rely on Customer to have completed such verification.

2. Compliance with laws and regulations. Customer agrees to comply with all applicable laws, rules and regulations, including without limitation, those issued by: (i) the National Automated Clearing House Association; (ii) any governmental entity, including (without limitation) the requirements contained in the Electronic Fund Transfer Act, Regulation E, and the Electronic Signatures in Global and National Commerce Act; (iii) the American with Disabilities Act; and (iv) any other entity or association that issues or sponsors a payment device, including (without limitation) the requirements of the Payment Card Industry (PCI) Data Security Standard and any credit card association, including Visa and MasterCard. Customer further agrees to comply with all payment network regulations for ATM debit networks.

3. Integrated Voice Response (IVR). To make an automated payment via a touch-tone phone, Payers may access the IVR system by calling a toll-free number provided by Bank or Customer. Customer shall have previously submitted Payer registration data ("registration data") to Bank. In order to make a payment via the IVR system, Payers are required to input information that matches their user information submitted in the registration data.

4. Call Center. If this option is selected by Customer, Payers may make a payment by phone by calling a 24-hour call center and speaking to 'live' Bank personnel. Bank shall authenticate a Payer's identity in the manner specified by Customer, and agreed to by Bank, in the Implementation Documents. Customer acknowledges and agrees that the authentication of the Payer's identity in such manner shall constitute a commercially reasonable fraud detection system and Bank shall have no liability for all payments so authenticated.

5. Payer Authorization. If payment is made via the Internet, Payer will be prompted to authorize the payment and print a confirmation once Payer has reviewed the payment data and input the information necessary to complete the payment. If payment is made via the IVR or call center, the confirmation number will be read to Payer. Bank is not responsible for the detection of errors made by Payer or Customer and may rely on the information submitted or communicated by Payer or Customer.

6. Payment Processing. Payments shall be processed in the manner mutually agreed to between Bank and Customer, which may include ACH debit entries, debit cards, credit cards or other payment processing methods. Customer shall at all times be considered the originator of Payer's payment. Depending on the applicable payment processing channel, payment processing may also be subject to the terms of any other agreement between Bank and Customer and between Customer and the payment transaction processor supported by Bank. Payments may be initiated through the Customer Payment Site, IVR system or Administrative Terminal. Bank will notify Customer of the payments that were initiated either through the Administrative Terminal or by delivering a file in the manner set forth in the Implementation Documents. Customer acknowledges that all payments are subject to adjustment, return, reversal and/or chargeback in accordance with the rules governing the applicable payment processing channel. Customer agrees to be liable to Bank for any such adjustment, return, reversal or chargeback.

7. Recurring Payments. The E-Payment Service provides Customer with the ability to offer Payers the option of making fixed or variable recurring payments. If permitted by applicable regulations, Payers have the ability to initiate a payment that recurs semi-weekly, weekly, semi-monthly, monthly or quarterly. Payers must be pre-registered in order to initiate variable recurring payments.

8. Fees. In addition to Bank's standard fees, Customer agrees to pay additional fees and expenses for implementation of the E-Payment Service or other additional Services, if any, as may from time to time be disclosed to Customer by Bank. Customer also agrees to pay the applicable fees and expenses charged by the payment transaction processor supported by Bank, as set forth in Customer's agreement with such processor.

9. Convenience Fee.

a. If permitted by applicable regulations, the E-Payment Service offers a flexible convenience fee option that allows Customer or Bank to define and collect a convenience fee to be charged to Payers in connection with the payment transaction. Payers are provided with the opportunity to stop the payment process if they do not wish to pay the convenience fee.

b. If Customer desires to collect the convenience fee, Customer shall be responsible for ensuring that convenience fee assessments comply with the relevant laws, rules and regulations.

c. If agreed to by Bank and Customer, Bank may collect and retain the convenience fee. Customer agrees that Bank may, in its sole discretion, set, adjust, manage and collect the convenience fee as a means to wholly or partially offset Bank fees that may otherwise have been incurred by Customer. Bank's willingness to collect the convenience fee shall be based on Customer's projected payment volume, average ticket, type of transactions, or other considerations such as changes to

interchange fees and assessments. Bank may, in its sole discretion, establish or modify payment caps for sums paid by Payers. If the actual payment volume, average ticket or other considerations fail to meet Customer's stated projections or do not completely offset Bank fees, Customer agrees that Bank may, in its sole discretion, require Customer to wholly or partially reimburse Bank for any resulting shortfall in Bank fees.

10. Transaction Controls. Customer agrees to notify Bank of any material change or anticipated material change in daily dollar activity or type of transaction processing, and obtain Bank's consent to such change. Bank may, in its sole discretion, immediately upon written notice to Customer, place a maximum dollar limit on the E-Payment transactions or require Customer to provide reasonable security for Bank's continued handling of such transactions.

11. Bill Payment Kiosk. If selected by Customer and agreed to by Bank, Customers may deploy bill payment kiosks at their public locations to accept cash and card payments from Payers. Customer's kiosk payment data will be consolidated with their payment data from other E-Payment channels. While using the bill payment kiosk:

a. Customer is responsible for safeguarding the kiosk and agrees to hold harmless and indemnify Bank and its officers, agents and employees from and against any and all claims, losses, damages, liability, causes of action and costs (including but not limited to court costs and attorney's fees and disbursements), in any way relating to or arising out of the kiosk, including but not limited to bodily injury, property damage, damage to the kiosk, economic damages, fines and/or penalties. Customer agrees to protect the kiosk and its contents from damage, loss, or theft. Customer waives any rights of recovery against Bank arising from such loss, theft, damage, or destruction. Customer is solely responsible for providing security against theft at any kiosk location and Bank will have no liability to Customer in the event of theft or damage. Customer shall be responsible to physically inspect the kiosk at least weekly to insure that no tampering/skimming devices have been installed on the kiosk. Customer is responsible for any and all losses stemming from such occurrence.

b. Customer is solely responsible for ensuring that: (i) the location for the kiosk has adequate and uninterrupted power and broadband internet connectivity via ethernet or digital subscriber line; (ii) each network port for a kiosk has a public IP address; (iii) the location for the kiosk is secure and protected from weather and high or low temperatures beyond the design tolerances of the machine; and (iv) kiosk sites are free of old equipment, obstructions, and other material that may hinder proper placement of kiosk or end-user access to the kiosk.

c. Customer shall also be solely responsible for any site modifications and construction and for the removal of packaging and waste materials.

12. Walk-In Cash Payment Channel. If selected by Customer and agreed to by Bank, Customer may establish a walk-in cash payment channel wherein Payers may remit cash payments at any retail merchant location offering PayXchange services (the "PayXchange Merchant"), such cash payments to be credited to Customer's account at Bank. While using the Walk-In Cash Payment Channel:

a. Customer will receive an electronic message from Bank upon confirmation of a cash payment received by a PayXchange Merchant.

b. All cash payments received by the PayXchange Merchant will be sent via ACH to Customer's designated account at Bank.

c. Payers will be assessed a service fee by the PayXchange Merchant.

d. Customer acknowledges and agrees that Bank shall not be liable for any actions or inactions taken by any PayXchange Merchant and releases Bank for any and all claims related to any and all actions or inactions of any PayXchange Merchant.

13. Bill Presentment Services. If selected by Customer and agreed to by Bank, Customer may distribute electronic invoices, bills or statements to Payers who can pay such invoices, bills or statements via multiple payment channels accessible through the E-Payment Service. Customer represents and warrants that it will not include use or include any reference to untruncated credit card numbers, banking account

numbers, social security numbers or Personal Health Information (as defined in the Health Insurance Portability and Accountability Act of 1996) in any electronic invoice, bill or statement distributed via Bank's Bill Presentment Service. Customer shall indemnify and hold Bank harmless from and against any and all claims, demands, damages, losses, liabilities, penalties and expenses (including, without limitation, reasonable attorney fees and court costs at trial or on appeal) arising directly or indirectly from Customer's breach of the representation or warranty contained in this paragraph. In addition, Bank makes no representation or warranty regarding, and assumes no responsibility with respect to, any services performed or promised by any third party (including, without limitation, any other bank or financial institution) in connection with Customer's use of the Bill Presentment Services.

B. INFORMATION REPORTING AND TRANSACTION SERVICES

Information reporting and transaction Services may be provided by Bank to Customer through SinglePoint®, Global Trade or other applications or systems as may be introduced by Bank ("System(s)"). The System may also be used by Customer to automate many of the Services offered by Bank and also may provide access to other Bank systems that initiate transactions. Customer agrees that such use of the System shall be governed by this Section and all other relevant sections of this Agreement.

1. Introduction. If requested by Customer and agreed to by Bank, Bank will grant access to Bank's System(s) in the manner agreed to by Bank. Customer agrees to be bound by any terms of use and license agreements associated with these Systems.

2. Information Reporting. Bank is authorized to store, process, transmit and make available through Bank's agencies and Systems and through third party data processing providers ("Providers") information regarding accounts designated by Customer. Bank or Providers will transmit to Customer information regarding its account(s) and/or other financial data through the System on a periodic basis. Customer may elect to receive data through one or more delivery mechanisms, including, without limitation, the Internet, facsimile, CD-Rom or secure e-mail or other data transmission options supported by Bank. Section II.12. shall apply in the event Customer elects to receive facsimile reports via an Electronic Transmission. Balance and related information for Customer's account(s) held at other financial institutions may be made available by these financial institutions or Providers that input information into Bank's System. Bank will use reasonable care in submitting data into the System, but assumes no responsibility for the accuracy or timeliness of the account information and other financial data supplied by other financial institutions or Providers. Bank will make every reasonable effort to deliver information by the mutually agreed upon time, but does not guarantee a specific delivery time. Accordingly, Bank's responsibility to Customer with respect to the delivery of information shall be to deliver such work as close to the agreed time as may be reasonably practicable.

3. Transaction Services. Customer may use SinglePoint®, Global Trade, or other similar System to access treasury management or trade finance transaction Services offered by Bank for which Customer has enrolled. Depending on the type of Service or System feature offered by Bank and selected by Customer, access to the transaction Services may include, but are not limited to, ACH, cash vault, check payables, wire transfer payments, book transfers, positive pay services, investments, loan services, trust services, letter of credit services, adjustments, returns, and exceptions management, receivables management, transaction research and annotation, and system administration. Customer agrees that use of the System for transaction Services shall be governed by this Section B and all other sections of this Agreement that are applicable to the product or Service being accessed.

4. Security Procedures/System Administrator. Customer agrees to operate the System in accordance with Sections III. 3 and 4 of this Agreement.

5. Manuals. Bank will provide Customer with a manual in electronic format that will set forth the applicable System's policies and procedures with which Customer agrees to comply. Bank may, without prior notification, make amendments to any manual. Bank owns or has obtained all proprietary rights to the manuals and Customer agrees not to duplicate, distribute or otherwise copy Bank's manuals without Bank's prior written consent. Any manual will at all times remain the property of Bank and Bank reserves the right to request Customer to return all printed copies of such manual within thirty (30) days of termination of this Service.

6. Customer Responsibilities. Customer will purchase (from Bank, in some cases) and provide all equipment and software necessary to use the applicable System in accordance with this Agreement. Bank shall have no responsibility and makes no warranties for such equipment or software. Customer agrees to use the System solely to conduct its business with Bank and agrees to limit access to those Agents who require access to the System. Customer agrees that in addition to other limitations to Bank's liability elsewhere in this Agreement, Bank shall not be liable for any loss or damage arising directly or indirectly from the following:

- a. any inaccuracy or incompleteness in the input of an order or instruction from the Customer;
- b. any failure by Customer to obtain a confirmation of an order or instruction; or
- c. any cancellation or attempted cancellation by Customer of an order or instruction.

7. International Information Reporting. If requested by Customer and agreed to by Bank, Bank may provide incoming international information reporting through Providers or via SWIFT, which shall be governed by the terms of this Section B, other applicable sections of this Agreement, and other applicable agreements or law. Bank shall receive the international information reporting data through Providers or via SWIFT from Customer's account-servicing Bank ("Servicing Bank") and shall display such data to Customer using SinglePoint® or other similar System. If Customer makes a request to Bank for an off-schedule international information report from the Servicing Bank, Customer agrees that Bank shall have no liability if the Servicing Bank does not support the off-schedule request or does not respond to the request in a timely manner.

C. ELECTRONIC DEPOSIT SERVICES

Electronic Deposit Services provide Customer with the option of making electronic deposits using one or more products offered by Bank. Customer agrees that the Electronic Deposit Services shall be governed by this Section and other relevant sections of this Agreement.

1. Processing Options. Customer shall at all times maintain an account with Bank. Customer captures checks or check information received from its Payor Customers into Check Images, and transmits the same to Bank for processing and collection. Bank will seek to collect such Check Images through the check collection system by presenting or exchanging Check Images, or using Check Images to create a Substitute Check, or a Photo-In-Lieu ("PIL") for collection. If ACH processing is selected by Customer, checks that are eligible to be used as source documents to originate ARC entries, POP entries, or BOC entries are converted to ACH Entries and processed through the ACH system. Checks ineligible for ACH conversion are sent through the check collection in the manner previously described.

2. Definitions.

- a. "ACH Entry" means an ARC, POP or BOC debit entry originated to debit funds from a Payor Customer's account at a financial institution in accordance with the NACHA Rules.
- b. "Check Image" means an electronic image of the front and back of an original paper check (including a paper Demand Draft), or an electronic image of a Substitute Check that is created by Customer, Bank or another bank or depository institution in the check collection system.
- c. "Check Image Metadata" means information about the Check Image, as well as pointers to the actual image data (also known as image tags).
- d. "Customer System" means the computer hardware and/or software and/or Web-based applications located at Customer's site that is used by Customer to prepare Electronic Deposits and to access the Electronic Deposit Services.
- e. "Demand Draft" or "Remotely Created Check" means a paper item, other than a Substitute Check or PIL, which (i) is drawn on a Payor Customer account, (ii) does not bear the signature of the Payor Customer, and (iii) is authorized by the Payor Customer to be issued in the amount for which the item is drawn.
- f. "Electronic Deposit" means electronic information (including Check Images, Check Image Metadata, MICR Data, dollar amount or ACH Entry information), obtained from capturing information from an original paper check and remittance documentation that is transmitted to Bank for deposit, processing and collection.
- g. "Electronic Deposit Services" means an array of products and services that allow organizations that receive check payments and/or remittance payments to deposit all payments electronically at Bank, as further described in the applicable User Manual.
- h. "Electronic Deposit System" means Bank or its vendors' computer systems or databases that Customer may access in order to obtain Electronic Deposit Services.
- i. "MICR Data" means information from the Magnetic Ink Character Recognition stylized printing on the bottom of checks comprising of routing, transit, account and check serial numbers.
- j. "Payor Customers" means clients and/or customers of Customer that submit original paper checks or check information to Customer for payment obligations owed to Customer.
- k. "Photo-In-Lieu" or "PIL" means a photocopy of the front of an original paper check created from a Check Image.
- l. "Substitute Check" means a paper check document that meets the definition of a "substitute check" in the Check Collection for the 21st Century Act as implemented by Regulation CC of the Federal Reserve Board.

3. Customer Authorizations and Notifications. Customer shall adhere to any and all applicable laws, regulations and clearinghouse rules, including but not limited to, obtaining all necessary consents and authorizations from, and/or providing all necessary disclosures to its

Payor Customers concerning the creation of Demand Drafts or the conversion of Payor Customers' checks to ACH Entries. Customer is solely responsible for ascertaining the content, method, and frequency of any required authorizations and notifications.

4. Determination of Items Eligible for Electronic Deposit.

- a. Only original paper checks that qualify as a source document may be converted to an ACH Entry under NACHA Rules. Bank will apply certain automated internal edits and screens to the Electronic Deposit submitted by Customer to determine whether the original paper check is a source document that qualifies for conversion to an ACH Entry. Customer acknowledges and agrees that Customer is the Originator of such ACH Entries under NACHA Rules regardless of whether Customer or Bank initiates the ACH Entry into the payment system.
- b. Only a paper item, payable on demand, and drawn on or payable through or at an office of a bank, is eligible for deposit as a Check Image. Unless permitted by applicable law, Customer represents and warrants to Bank that Customer shall not use the Electronic Deposit Services to transmit electronically created payment orders (which are electronic images that are not captured from original paper checks). Without limiting the generality of the preceding sentence, the following items are not eligible for deposit as Check Images or an Electronic Deposit under the Electronic Deposit Services, and Customer must deposit these original paper items with Bank: (i) checks, including travelers checks, that are drawn on banks located outside of the United States; (ii) checks payable in a medium other than U.S. dollars; (iii) non-cash items (as defined under Section 229.2(u) of Federal Reserve's Regulation CC); (iv) promissory notes and similar obligations, such as savings bonds (unless explicitly permitted as an Electronic Deposit in the applicable User Manual); (v) checks issued by and drawn on Customer or an affiliate of Customer; and (vi) any other class of checks or drafts as identified by Bank to Customer from time to time in the User Manual.

5. Capture of Checks and Check Information.

- a. For certain Electronic Deposit Services, Customer shall use scanning hardware and/or software that meets Bank's specifications. Depending on the type of Electronic Deposit Service or processing option(s) selected by Customer, in the event the condition of a paper check precludes a complete automated read, Customer shall be responsible for visually inspecting the Check Image. Customer shall be responsible for the repair of any MICR Data (if applicable) and for ensuring that any and all information on the front and back of a paper check is accurately captured and legible in the resulting Check Image and otherwise complies with any Check Image or MICR Data quality standards and guidelines that may be established by the American National Standards Institute (ANSI), ECCHO Rules, the Federal Reserve, other applicable regulatory agency or clearinghouse, or which Bank may provide to Customer from time to time. Customer acknowledges that current image technology may not capture all security features (e.g. watermarks) contained in the original paper checks, and agrees to assume any and all losses resulting from claims based on security features that do not survive the image process.
- b. Customer further acknowledges that Bank does not verify the accuracy, legibility or quality of the Check Image prior to processing an Electronic Deposit. Bank may, in its sole discretion, reject, repair, alter, amend, re-format or convert the Check Image Metadata or MICR Data submitted in an Electronic Deposit in accordance with general check collection practices and industry presentment standards, but Bank shall have no obligation to reject, repair, alter, amend, re-format or convert the Check Image Metadata or MICR Data. If Bank requires that Customer comply with certain formatting standards or other guidelines outlined in the applicable User Manual when submitting Electronic Deposits (for example, requiring use of the external processing code for identifying Remotely Created Checks) and Customer declines to implement, or comply with, such standards or guidelines, Customer acknowledges that Bank shall not be liable for any error or loss that results from Bank processing such Electronic Deposit or from Bank's re-formatting or conversion of the Electronic Deposit prior to processing.

- c. Bank shall not be liable to Customer for failure to process an Electronic Deposit, or any error that results in processing or collecting an Electronic Deposit: (i) for which Customer has not provided Bank an accurate, complete and legible image of, or information from, the original

paper check; (ii) for which Customer has failed to comply with formatting standards or other guidelines required by Bank; or (iii) which would violate this Agreement, the User Manual or any other agreement between Customer and Bank.

d. If Customer desires to make an Electronic Deposit outside of the contiguous United States, Customer shall seek Bank's prior approval. Bank may reject a deposit transaction or terminate the Electronic Deposit Services immediately if Customer fails to obtain Bank's prior approval. If Customer chooses to access Electronic Deposit Services from locations outside the contiguous United States, Customer is responsible for compliance with local laws. Customer agrees not to use Electronic Deposit Services in any country that is subject to geographically-based restrictions imposed by OFAC.

6. Upload of Electronic Deposit to Bank.

a. Customer shall upload the Electronic Deposit transmission (containing one or more Electronic Deposits) to Bank prior to the daily cut-off time established by Bank from time to time for the receipt of Electronic Deposits. Any Electronic Deposit transmission received by Bank after its daily cut-off time shall be deemed to have been received by Bank at the opening of its next Business Day. Performance of the Electronic Deposit Services may be affected by external factors such as communication networks latency. Customer is responsible for the transmission of the Electronic Deposit until the Electronic Deposit System reports a successful acknowledgement of receipt of the transmission.

b. An Electronic Deposit is received when the entire Electronic Deposit transmission in which that Electronic Deposit is contained is received by Bank in accordance with section 6.a. above. If only a portion of that Electronic Deposit transmission is received by Bank for any reason, including without limitation a failure during the transmission to Bank, the Electronic Deposit transmission is deemed to have been not received by Bank with respect to any Electronic Deposit contained in that Electronic Deposit transmission (including any Check Image contained in the portion of that Electronic Deposit transmission that was received).

c. Bank will process Electronic Deposit transmission received from Customer either via ACH Processing, Check Image or Substitute Check collection in accordance with the processing options selected by Customer. For each Check Image sent to Bank in an Electronic Deposit transmission, Customer agrees not to deposit the original paper check nor re-deposit the Check Image at Bank or any other financial institution.

d. A per item limit, dollar limit, or deposit limit may be established by Bank in its sole discretion and communicated to Customer. If any such limit is established, Bank shall have no obligation to process items or files in excess of the limit.

7. Funds Availability. Customer agrees that the transmission of Check Images using Electronic Deposit Services is not subject to the funds availability requirements of Regulation CC. Bank may, at any time, and in its sole discretion, provide a one-time notification to Customer if Bank intends to delay funds availability beyond ordinary Regulation CC funds availability time frames for items submitted by Customer using Electronic Deposit Services. In such instance, funds deposited will be available for withdrawal 3 business days after electronic transmission to Bank. Bank may, but is not required to, make such funds available sooner.

8. Collection of Check Images. Notwithstanding anything to the contrary in this Agreement, Bank may in its sole discretion determine the manner in which Bank will seek to collect a Check Image deposited by Customer for check collection. Without limiting the generality of the preceding sentence, Bank may, at its option: (i) present or transfer the Check Image to the paying bank, a Federal Reserve Bank, check clearinghouse, image share/exchange network, or other bank; (ii) create a Substitute Check or a PIL from the Check Image and collect such item, or (iii) request that Customer provide to Bank the original paper check from which the Check Image was created and then collect the original paper check. Depending on the collection method, the Check Image or physical item is subject to the rules of that clearinghouse, Federal Reserve Bank, or image share/exchange network or financial institution agreement.

9. Representation of Returns. If Customer identifies to Bank a returned ACH Entry as being returned because the original paper check was ineligible as a source document for the ACH Entry, Bank shall use

reasonable efforts to collect the check related to the ACH Entry by creating, in Bank's sole discretion, a Substitute Check, or a PIL from the image of the original paper check.

10. Storage of Check Images. Bank shall store Check Images and other check information on the Electronic Deposit System in accordance with Bank's record retention schedule, and shall make such information available to Customer according to the applicable User Manuals and fee schedule. If the Electronic Deposit Services are terminated, Customer may obtain Check Images or check information at the price outlined in the fee schedule.

11. Franking, Retention and Destruction of Original Paper Checks. Depending on the requirements outlined in the applicable User Manual, Bank may require, or strongly recommend, that Customer frank or mark the face of each original check after successfully capturing each Check Image to help ensure that an item is not deposited more than once either as a Check Image or physical check. Customer shall destroy the original paper check based on guidelines identified in the applicable User Manual and shall employ commercially reasonable methods to securely store the original paper check until destruction. At Bank's request, Customer shall provide the original paper check to Bank if the original paper check has not been destroyed by Customer and Bank needs the original paper check to process a payment or resolve a dispute arising from an Electronic Deposit.

12. Representations and Warranties. With respect to each Check Image or Electronic Deposit that Customer transmits to Bank, Customer is deemed to make any representation or warranty that would have applied had Customer deposited the original paper check. In addition Customer is deemed to make to Bank any representation or warranty that Bank makes, under applicable law, clearinghouse rule, Federal Reserve Operating Circular, bi-lateral agreement or otherwise, to any person (including without limitation a collecting bank, a Federal Reserve Bank, a Receiving Depository Financial Institution, a paying bank, a returning bank, the drawee, the drawer, any endorser, or any other transferee) when Bank transfers, presents or originates a Check Image, Substitute Check, PIL, or ACH Entry created from the Electronic Deposit.

13. Customer Responsibility. With respect to each Check Image or Electronic Deposit that Customer transmits to Bank, Customer shall indemnify and hold Bank harmless from and against any and all claims, demands, damages, losses, liabilities, penalties and expenses (including, without limitation, reasonable attorney fees and court costs at trial or on appeal) arising directly or indirectly: (a) from Customer's breach of a representation or warranty as set forth in section 12 above; (b) as a result of any act or omission of Customer in the capturing, creation or transmission of the Check Image or Electronic Deposit, including without limitation the encoding of the MICR Data from the original paper check; (c) from any duplicate, fraudulent or unauthorized check, Check Image, Substitute Check, PIL or ACH Entry; or (d) for any loss caused by Bank's acceptance of a Check Image, or creation of a Substitute Check PIL or ACH Entry instead of presentment of the original paper check; or (e) from any other act or omission arising out of Bank's action or inaction taken pursuant to any request by Customer or pursuant to this Agreement. This section 12 shall survive termination of the Agreement.

14. User Manual. Bank will provide Customer with one or more user guides ("User Manual") in paper or electronic format that will set forth the policies and procedures for the relevant Electronic Deposit Services product with which Customer agrees to comply. Bank may, without prior notification, make amendments to any User Manual. Bank may require that certain employees of Customer attend periodic training as a condition to using the Electronic Deposit Services.

15. Security Procedures and Right to Audit. Customer shall comply with all security procedures for the Electronic Deposit Services that are established by Bank or set forth in the applicable User Manual. Customer is solely responsible for (i) maintaining its own internal security procedures; (ii) safeguarding the security and confidentiality of any information that is obtained from Payor Customers' checks, Check Images and other information that is either printed from, stored on, or downloaded to, the Customer System, Electronic Deposit System, or Customer's other computer/data systems or portable media; and (iii) preventing errors or unauthorized access to the Customer System or the Electronic Deposit System. Bank reserves the right to periodically audit

Customer's security procedures and information technology processes, and to mandate controls.

16. Mobile Remote Deposit Services ("Mobile Services"). Depending on the type of Electronic Deposit Service selected by Customer, Mobile Services is an optional add-on service that will allow Customer to make remote check deposits and obtain check deposit history made through the Mobile Services using a supported mobile device. If Customer selects Mobile Services, Customer will need to download and install a Mobile Service application on compatible and supported mobile phones, tablets or other devices (collectively, "Devices").

a. Description of Mobile Services. Mobile Services allow Customer to use a Device to take photographs of the front and back of the check and to transmit the Check Image to Bank in a secure data encrypted format using Customer's mobile service provider's cellular network or the Internet (collectively, "Network"). Certain Mobile Services may allow Customer to use a Device to enter remittance data and to take photographs of the front and back of remittance and general documents associated with the Check Image for reporting and research purposes.

b. Use of Mobile Services. Customer agrees to use Mobile Services in accordance with this Agreement, other user requirements provided in the User Manual, and the downloaded mobile application. Bank reserves the right to modify the scope of Mobile Services at any time, or change or upgrade Mobile Services from time to time, including the right to cease offering the Service on a previously supported Device. Bank also reserves the right to refuse any Electronic Deposit requested through the Service because a Check Image fails image quality standards, is detected as a duplicate item, or for any other reason in Bank's sole discretion. Customer understands and agrees that Mobile Services may not be accessible at all times due to Network connectivity or may have limited utility over some Networks, such as while roaming. Customer acknowledges and agrees that Bank may use geolocation technology to track that Mobile Services activity occurs within the contiguous United States.

c. Software. Customer agrees not to use Mobile Services or the content or information delivered through Mobile Services in any way that would infringe upon any third-party copyright, patent, trademark, trade secret, or other proprietary rights or rights of publicity or privacy, including any rights in the Mobile Services software. In the event Mobile Services is terminated or Customer's software license is revoked for any reason, Customer agrees to promptly delete the Mobile Services application from its Devices.

d. Service Limitations.

- i. Neither Bank nor Customer's mobile service providers can always foresee or anticipate technical or other difficulties related to Mobile Services, which may result in loss of data, personalization settings or other interruptions. Bank assumes no responsibility for the timeliness of any Mobile Services transmissions or communications, or the loss or failure to store any user data, communications or personalization settings in connection with a Device and Customer's use of Mobile Services.
- ii. Bank shall not be responsible for the operation, security, functionality, or availability of any Device or Network that Customer utilizes to access Mobile Services. Transmission of a Check Image shall not be deemed received unless the Device reports a successful acknowledgement of receipt of the transmission. Customer agrees to exercise caution when utilizing Mobile Services on Devices and to train its authorized users to exercise good judgment and discretion when accessing or transmitting information.
- iii. Information about activity is synchronized between the Mobile Services software and Bank's Electronic Deposit System, however, deposit information available via the Mobile Services application may differ from the information that is available directly through the Electronic Deposit System. Information and features available directly through the Electronic Deposit System may not be available via the Mobile Services application, and may be described using different terminology. The method of entering information via the Mobile Services application may also differ from the method of entering instructions through the Electronic Deposit System. Customer agrees that Bank shall not be liable for any errors or

delays in the content as a result of Customer's use of the Mobile Services software.

- iv. Customer acknowledges that its mobile service carrier or provider may provide for fees, limitations and restrictions such as data usage charges or data throttling which may have an impact Customer's use of or interaction with Mobile Services. Customer agrees to be solely responsible for all such fees, limitations and restrictions.

e. Security.

- i. If Customer permits its employees or agents to use their own personal mobile devices to access Mobile Services, Customer assumes any and all risks associated with the use of personal mobile devices, including but not limited to, any risk that compromises the integrity of Customer's corporate network or sensitive business data. Customer is solely responsible for implementing policies that will help mitigate the risk of allowing employees to use personally-owned mobile devices, which may include but are not limited to, requiring that Devices are configured and managed with information assurance controls commensurate with the sensitivity of the underlying data and employing Mobile Device Management (MDM) software or other software that secures, monitors, manages and supports mobile devices deployed across operators, service providers and enterprises.
- ii. Customer shall ensure that its employees or agents exercise appropriate precautions surrounding the use and safeguarding of the Devices at all times. Customer agrees not to leave Devices unattended when logged into Mobile Services and to log off immediately at the completion of each access. Customer agrees that a username and password are the agreed upon security procedures and that such security procedures are commercially reasonable. If these security procedures are used to access Mobile Services, Customer agrees that any transactions using Mobile Services are hereby authorized. If Customer permits other persons to use a Device, login information, or any other means to access Mobile Services, Customer will be responsible for the resulting transactions, and Bank shall have no liability for any damages Customer may incur.
- iii. Devices with internet capabilities are susceptible to viruses. Customer is responsible for ensuring that each Device is protected from and free from viruses, malicious software ("malware"), and other harmful components which could result in damage to programs, files, or the Device, or could result in information being intercepted by a third party. Bank shall have no liability for any damages which may result from such viruses, malware, or other harmful components.

D. ACH SERVICES

1. Introduction. If requested by Customer and agreed to by Bank, Customer or its Agent may initiate credit or debit Automated Clearing House ("ACH") transactions ("Entries") for payments ("Credit Entries") and/or collections ("Debit Entries") on Business Days to its accounts or the accounts of others ("Receivers") in accordance with Bank's security procedures and this Agreement. Bank will act as an Originating Depository Financial Institution ("ODFI") with respect to such Entries. Bank may process Entries directly, through one or more clearinghouses, or through the mechanism selected by Bank. Customer's rights and obligations with respect to such Entries are governed by applicable law and the NACHA Rules, as amended from time to time. Customer acknowledges that it shall be bound by NACHA Rules and agrees not to initiate any Entry in violation of the NACHA Rules or applicable federal, state or international law, regulation or clearinghouse rules, including, without limitation, Regulation E of the Board of Governors of the Federal Reserve System, regulations promulgated by the Office of Foreign Assets Control, FinCEN, rules governing the Canadian, Mexican and European payments systems, and Operating Circular 4 of the Federal Reserve Bank (collectively referred to herein as the "Rules"). Customer acknowledges and agrees that Bank shall have the right to examine Customer's books, records and systems to ensure Customer's compliance with the Rules and this Section IV, D and that Bank shall further have the right to suspend Services if Bank determines, in its sole and absolute discretion, that Customer is not complying with the Rules and/or this Section IV, D. Customer acknowledges that a copy of the NACHA Rules is available through NACHA at current NACHA prices. Capitalized terms not otherwise defined in this Agreement shall have the meanings ascribed to them in the NACHA Rules.

2. Entry Origination/Processing Dates/Deadlines. Customer may initiate Entries in the manner and format agreed to by Bank. ACH files transmitted to Bank shall be in an unbalanced file format. Bank has the right to restrict the standard entry class ("SEC") codes utilized by Customer. If notified by Bank of such restriction, Customer must cease use of the SEC code and the underlying transaction type. Customer agrees that all Entries (regardless of SEC Code) that involve the exchange or transmission of banking information via unsecured electronic networks shall be encrypted or transmitted via a secure session, using a commercially reasonable security technology that, at a minimum, is equivalent to 128-bit RC4 encryption technology. Bank will establish a deadline for the receipt of Entries from Customer ("Deadline"). Bank may establish different Deadlines for Entries depending on the method of delivery employed by Customer and all such Deadlines are subject to change. Bank must receive Customer's Entries at or prior to the Deadline for the Entries to be processed on the Business Day of receipt. Entries received after the Deadline, Entries that contain an Effective Entry Date that is invalid or stale, or Entries that are ineligible for Same Day ACH, will be processed on the next Deadline, which may be the next Business Day. Entries with settlement dates of more than thirty (30) calendar days from receipt will not be processed unless prior arrangements have been made. If Customer has opted-in for Same Day ACH, Customer acknowledges that any Entry using the current day's date as the Effective Entry Date that is submitted to the ACH Operator prior to the Deadline shall carry the Same Day ACH fee. If Customer has not opted-in for Same Day ACH and submits an Entry prior to the Deadline using the current day's date as the Effective Entry Date, Customer acknowledges that such Entry shall be processed on the next Business Day.

3. Content and Secondary Authorization. In submitting any Entry, Customer shall be responsible for providing all information required by Bank. Customer bears sole and exclusive responsibility to verify that the information set forth in Entries submitted to Bank is authentic, accurate and conforms to the Rules. The Services hereunder are only designed to respond to information provided by Customer. Accordingly, any inaccuracy in any information provided by Customer may result in unintended processing by Bank. Bank bears no responsibility for detecting or reporting any error in data supplied by Customer and shall not be liable to Customer for any information provided by Customer with respect to an Entry which is inaccurate, incomplete or otherwise incorrect. Bank strongly recommends that Customer utilize a second individual to review and approve ACH files prior to submission to Bank. Customer acknowledges and agrees that such a security procedure is commercially reasonable and that Customer's failure to use this

procedure substantially increases Customer's risk of an unauthorized ACH file.

4. Entry Limits and Payment. Customer agrees to comply with any applicable per transaction or aggregate Entry limits established by the Rules. Customer shall at all times maintain a settlement account with Bank for the purpose of funding Customer's Entries ("Account"). The total dollar amount of Entries initiated by Customer through Bank under all ACH Services and pending on a given day shall not exceed the lesser of collected or available balances in the Account or an exposure limit should one be established by Bank ("Exposure Limit"). Establishment of an Exposure Limit should not be interpreted or construed by Customer as a commitment or agreement to provide any credit or loans to a Customer and is subject to modification or termination at any time by Bank. Customer shall pay Bank for all Entries and authorizes Bank to charge its Account or any other account with Bank in the amount of such Entries. Bank shall have the right in its sole discretion to reject any or all Entries initiated by Customer without notice if Bank has reason to believe that there will be insufficient available funds on the relevant settlement date, even if Bank may have previously accepted Entries for processing with insufficient available funds in the Account. Customer will receive funds for any Debit Entry on the ACH settlement date. Bank shall credit the Account in any amount payable to the Customer, subject to Bank's right to make adjustments in accordance with this Agreement. Bank may establish, monitor and periodically review Customer's Exposure Limit and Customer's compliance thereof, and may, in Bank's sole discretion, cease processing Entries based on such review.

5. Prenotification. To the extent permitted by the Rules, Customer may elect to send a prenotification that it intends to initiate an Entry to a particular account in accordance with the procedures set forth in the Rules or by Bank. The prenotification can be returned or result in a Notification of Change ("NOC"). If the prenotification is returned, Customer shall research the problem and make any necessary corrections before transmitting another Entry. If the prenotification results in a NOC, Customer shall make the required change prior to initiating another Entry, or issue a Refused NOC. Bank offers an optional Service that allows Bank to track Customer's NOC on Customer's behalf. If Customer selects this option, Bank shall only manage the changes to the routing, transit and account numbers.

6. Notification of Change ("NOC"). A NOC is created by the Receiving Depository Financial Institution ("RDFI") to notify Customer (via Bank) that previously valid information contained in a posted Entry is outdated, or information contained in a prenotification or live transaction is erroneous or improperly formatted and should be corrected. Bank offers NOC Manager, which is a Service that allows Bank to track Customer's NOC on Customer's behalf. NOC Manager only manages the changes to routing numbers, account numbers and transaction codes. Bank, in its sole discretion, may require that Customer enroll in NOC Manager as part of ACH Services provided to Customer.

7. Data Breach Notification. Customer may have gathered personal or financial information of its customers for the purpose of initiating ACH transactions. Such information may include, without limitation, the customer's bank account number together with the bank routing number, or the customer's name together with the customer's social security number or tax identification number. Customer agrees to immediately report to Bank any loss, theft or unauthorized access of such information ("data breach") by or from Customer, its Agent, or third party service provider, if circumstances indicate that the misuse of such information has occurred or is reasonably possible. Customer acknowledges that Bank may have an obligation to report any data breaches to NACHA and other affected parties, and agrees to establish appropriate procedures to prevent, detect, investigate and report data breaches.

8. ACH Secured Funds Entries. Bank may, at any time, and in its sole discretion, require Customer to prefund some or all Credit Entries that Customer desires to initiate. Customer acknowledges and agrees that such funds are held solely for the benefit of Bank and that Customer will not be entitled to earn any interest thereon. Upon initiation of such Credit Entries, Bank is authorized to immediately charge the Account (in the total amount of such Entries). If ACH Secured Funds is used to initiate Debit Entries, funds will be credited to the Account on the settlement date of the transaction. However, such funds shall not be

available for withdrawal from the Account for two Business Days after the settlement date.

9. File Confirmation System. Customer shall at all times comply with applicable file confirmation procedures and any security procedures established by Bank. Such procedures are solely for the purpose of verifying the origination of Entries by Customer or Bank's receipt of the ACH file and/or batch (but not for errors in transmission or content).

a. Control Totals. If Customer elects to provide Bank with the total dollar value of Entries and any other necessary information ("Control Totals"), Customer must telephone Bank's Interactive Voice Response system or input Control Totals through SinglePoint each time it originates Entries. After Bank receives Customer's ACH file, Bank will compare the information in the ACH file to the Control Totals. If the information matches the Control Totals, Bank will process the ACH file. Bank will notify Customer if the Control Totals do not match the information in the ACH file, or if Bank receives an ACH file without receiving Control Totals or vice versa. Bank will not process an ACH file unless it receives conforming Control Totals before established Deadlines.

b. Confirmation of Receipt. If Customer elects not to provide Bank with Control Totals but elects to receive a confirmation report or file, Bank shall provide Customer with a confirmation that Bank received Customer's ACH file and/or batch. After Customer receives the confirmation report or file, Customer will compare the confirmation information to Customer's ACH transmission information. If the information does not match, Customer shall notify Bank before Bank's established deadline, failing which, Bank shall process Customer's ACH file and/or batch. Customer acknowledges that the confirmation report or file is for the sole purpose of verifying Bank's receipt of the file and does not signify any validation of data. Customer bears sole responsibility for any inaccurate or incomplete information provided to Bank if Customer fails to notify Bank prior to Bank's processing of Customer's file.

10. Rejected and Returned Entries, Unauthorized Entries. Bank may reject any Entry that is not initiated in accordance with this Agreement. In the event that an Entry is rejected, or returned by an ACH processor, for any reason whatsoever, it shall be Customer's responsibility to reinitiate the Entry. Bank will give Customer or its designated Agent notice of any rejected or returned Entry in the manner agreed to by the parties. Bank is authorized to debit/credit the Account for Entries that are returned to Bank. Unless the return is caused by Bank's failure to properly execute an Entry, Bank has no obligation to pay Customer interest on the amount of any returned Entry debited from the Account. A Receiver may, in some cases, have the right to have an unauthorized or erroneous Debit Entry credited to its account. Customer agrees that Bank may deduct the amount owing to the Receiver from Customer's Account upon Bank's receipt of proper notice from the Receiver's bank. Bank may charge back against Customer any Debit Entry that is returned or reversed by the RDFI.

11. ACH Redeposit Service.

If requested by Customer and agreed to by Bank, Bank will reinitiate (maximum of two times) each Debit Entry returned for insufficient or uncollected funds.

12. Amendment of Entries. Customer does not have the right to delete, reverse or amend any Entry (each, an "Adjustment Request") after it has been received by Bank. If Customer sends Bank an Adjustment Request via internet, secure email, or fax in accordance with the terms of this Agreement, Bank will make reasonable efforts to act on the Adjustment Request. All Adjustment Requests must be received by Bank prior to the established deadlines, and even if the Adjustment Request is made in a timely manner, Customer acknowledges that an Adjustment Request may prove unsuccessful (for example, if it is returned by the RDFI for non-sufficient funds). Customer agrees to indemnify Bank in connection with any Adjustment Request in accordance with applicable law.

a. Internet Option. If Customer has selected the Internet Option, Customer may use SinglePoint® to transmit information to Bank for the purpose of amending ACH files. Customer agrees to comply with any applicable software agreement, user guide and any established security procedures.

b. Secure Email Option. If Customer has selected the Secure Email Option, Customer may send an Adjustment Request to a designated shared mailbox at Bank.

c. Fax Option. If Customer has selected the Fax Option, Customer may transmit an Adjustment Request to Bank via facsimile to a designated facsimile number. Customer acknowledges that the Internet and Secure Email Options are substantially more secure than the Fax Option. Customer agrees to be bound by any instructions submitted via the Fax Option, whether or not authorized, issued in its name and accepted by Bank in accordance with the agreed procedures.

13. Customer Representations/Indemnity. Customer represents and warrants to Bank that each Entry: (i) complies with the terms of this Agreement and the Rules; (ii) does not breach any warranty of Customer or Bank contained in this Agreement and the Rules; (iii) complies with applicable state, federal and international laws and rules, including, without limitation, the Electronic Funds Transfer Act, Regulation E and regulations overseen by the Office of Foreign Assets Control; (iv) is accurate, timely, and authorized; and (v) that any Debit Entry is for a sum that on its settlement date is due and owing from the Receiver to Customer or is a correction of a previously transmitted erroneous Credit Entry. With respect to each ACH Entry (regardless of SEC Code), Customer is deemed to make to Bank any representation or warranty that Bank makes, under applicable law and the Rules to any person, RDFI, or any other transferee. Receiver authorizations shall expressly authorize Bank to transmit corrective entries to Receiver's accounts to correct a prior Entry and shall authorize Customer to release to Bank all information concerning its Receivers that is required by Bank to recover such Entries. Customer shall immediately cease initiating Entries upon receiving actual or constructive notice of the termination or revocation of the Receiver's authorization. Customer will retain each authorization received by Customer for such period of time as may be required by the Rules or applicable law and shall provide Bank with copies of such authorizations upon request. Customer will indemnify, defend and hold Bank harmless from and against any and all claims, demands, expenses, losses, liabilities, and damages, including without limitation, NACHA fines, reasonable attorney fees and court costs at trial or on appeal that arise directly or indirectly out of any Entry initiated by Customer in violation of this Agreement and the Rules.

14. Re-presented Check Entries. NACHA Rules allow Customer to initiate an Entry to collect certain checks that have been returned unpaid for insufficient or uncollected funds ("RCK Entry"). In the event that Customer initiates an RCK Entry to Bank for check collection purposes, Customer agrees that such RCK Entry will comply with all provisions of this Agreement and applicable Rules and makes the following additional representations and warranties regardless of which entity initiates the RCK Entry on its behalf:

a. Each check is eligible under NACHA Rules to be collected via an RCK Entry.

b. Customer has no knowledge of any insolvency and it has good legal title to the returned item.

c. All signatures on the returned item are authentic and authorized, and the returned item is without alteration, not subject to claims or defenses, and will not be presented to the paying bank.

d. The RCK Entry accurately reflects the item and any information encoded after issue in magnetic ink is correct. (RCK Entries cannot be used for collection fees.)

e. Any restrictive endorsement placed on the item is void or ineffective.

f. Customer has provided clear and conspicuous notice of its electronic check representation policy in advance of receiving the item to which the RCK Entry relates.

g. The Customer will provide to Bank immediately upon request a copy of the front and back of the returned item, provided that the request is made within seven (7) years of the settlement date of the RCK Entry.

15. Internet-Initiated Entries. NACHA Rules allow Customer to initiate a Debit Entry to a consumer Receiver's account pursuant to an authorization obtained from the Receiver via the Internet ("WEB Entry"). In the event that Customer initiates a WEB Entry to Bank, Customer

agrees that such WEB Entry will comply with all provisions of this Agreement and applicable Rules and makes the following additional representations and warranties regardless of which entity initiates the WEB Entry on its behalf:

- a. Customer has employed a commercially reasonable fraudulent transaction detection system to screen each WEB Entry.
- b. Customer has employed commercially reasonable methods of authentication to verify the identity of the Receiver.
- c. Customer has taken commercially reasonable steps to verify that routing numbers are valid.
- d. Customer has established a secure Internet session prior to the key entry by the Receiver of any banking information and through the transmission of the data to Customer. Currently, 128-bit RC4 encryption technology is the standard for financial transactions and is considered commercially reasonable. If technological advancements drive the commercially reasonable standard to change, Customer agrees to comply with the new standard.
- e. Customer has and will conduct an annual audit to ensure that the financial information that Customer obtains from Receivers is protected by security practices that include adequate levels of: (1) physical security to protect against theft, tampering, or damage, (2) personnel and access controls to protect against unauthorized access and use, and (3) network security to ensure secure capture, storage and distribution of financial information. Customer will provide proof of Customer's security audits to Bank upon request. Any such information provided to Bank shall be kept confidential. Bank may cease processing Entries for Customer if Bank in its sole discretion determines that Customer's security procedures are inadequate.

16. Telephone-Initiated Entries. NACHA Rules allow Customer to initiate a Debit Entry to a consumer Receiver's account pursuant to the Receiver's oral authorization and banking information obtained via the telephone ("TEL Entry"). In the event that Customer initiates a TEL Entry to Bank, Customer agrees that such TEL Entry will comply with all provisions of this Agreement and applicable Rules, and makes the following additional representations and warranties regardless of which entity initiates the TEL Entry on its behalf:

a. Receiver Authorization. Customer shall obtain the Receiver's explicit authorization prior to initiating a Debit Entry to the Receiver's account. In the event that Customer obtains the Receiver's authorization verbally, Customer will either tape record the Receiver's oral authorization or provide, in advance of the settlement date of the Entry, written notice to the Receiver that confirms the oral authorization. Customer agrees that, at a minimum, the following specific information is disclosed to, and acknowledged by, the Receiver during the telephone call:

- (i) the date on or after which the Receiver's account will be debited;
- (ii) the amount of the Debit Entry to the Receiver's account;
- (iii) the Receiver's name;
- (iv) a telephone number that is available to the Receiver and answered during normal business hours for customer inquiries;
- (v) the date of the Receiver's oral authorization; and
- (vi) a statement that the authorization obtained from the Receiver will be used to originate an ACH debit to the Receiver's account.

Customer shall retain either the original or a duplicate tape recording of the Receiver's oral authorization or a copy of the written notice confirming the Receiver's oral authorization for two years from the date of the authorization, and shall immediately provide same to Bank upon request.

If Customer chooses to provide the Receiver with written notice confirming the Receiver's oral authorization, Customer will disclose to the Receiver during the telephone call the method by which such notice will be provided.

b. Security Procedures. In addition to all other representations and warranties contained herein, Customer also represents and warrants the following each time it delivers a TEL Entry to the Bank that it has

(a) utilized a commercially reasonable security procedure to verify the identity of the Receiver, including name, address and telephone number; and (b) further that Customer has established commercially reasonable procedures to verify the accuracy of the RDFI's ABA routing and transit number.

17. Accounts Receivable and Back Office Conversion Entries.

NACHA Rules allow Customer to utilize ACH to collect consumer check payments received via U.S. mail or at a dropbox location ("ARC Entry"). NACHA Rules also enable Customer to convert during back office processing checks presented either at the point of purchase or a manned bill payment location ("BOC Entry"). In the event that Customer initiates an ARC or BOC Entry to Bank, Customer agrees that such ARC or BOC Entry will comply with all provisions of this Agreement and applicable Rules and makes the following additional representations and warranties regardless of which entity initiates the ARC or BOC Entry on its behalf:

- a. Prior to the receipt of each check, Customer has provided clear and conspicuous notice to the Receiver: (i) that receipt of the check is authorization for a payment as a check transaction or for a one-time ACH debit to the Receiver's account; and (ii) of Customer's phone number for inquiries regarding BOC Entries.
- b. Customer shall provide a copy of the notice to the Receiver at the time of the transaction if Receiver presents the check in-person.
- c. Each check is eligible as a source document under NACHA Rules to be collected via an ARC or BOC Entry.
- d. The amount of the entry, the routing number, the account number, and the check serial number are in accordance with the source document.
- e. The source document to which the ARC or BOC Entry relates will not be presented for payment.
- f. Customer has established policies and procedures to destroy the source document as soon as is reasonable and shall use commercially reasonable methods to securely store the source document until such destruction.
- g. Customer shall use commercially reasonable methods to securely store the banking information relating to the ARC or BOC Entry.
- h. Customer shall retain a reproducible and legible image, microfilm or copy of the front of the Receiver's source document for two years from the settlement date of each ARC or BOC Entry, and shall immediately provide same to Bank upon request.
- i. For BOC Entries, Customer has employed commercially reasonable procedures to verify the identity of each Receiver of BOC Entries.
- j. For BOC Entries, Customer maintains a working telephone number that is answered during Customer's normal business hours for Receiver inquiries regarding BOC transactions.

18. Point of Purchase (POP) Entries. NACHA Rules allow Customer to initiate a Debit Entry to a Receiver's account for in-person purchases made by check at the point-of-purchase ("POP Entry"). In the event that Customer initiates a POP Entry to Bank, Customer agrees that such POP Entry will comply with all provisions of this Agreement and applicable Rules and makes the following additional representations and warranties regardless of which entity initiates the POP Entry on its behalf:

- a. Customer has posted a notice in a prominent and conspicuous location at the point-of-purchase and provided Receiver with a written notice of same: (i) that when a check is provided as payment, it is authorization for payment as a check transaction or for a one-time ACH debit to the Receiver's account; and (ii) that funds may be withdrawn from the Receiver's account the same day payment is made.
- b. Each check is eligible under NACHA Rules to be collected via a POP Entry and the Receiver has not opted out of check conversion.
- c. Customer has returned the voided source document to the Receiver after capturing the necessary check information and the source document was not previously negotiated, voided, or provided by the Receiver for use in any prior POP Entry.

d. Customer has obtained the Receiver's authorization and provided a copy of same to Receiver, which: (i) is in writing and signed or similarly authenticated by the Receiver; (ii) is readily identifiable as an ACH debit authorization; (iii) clearly and conspicuously states its terms; and (iv) states that the check will not be processed.

19. International ACH Transactions (IAT) Entries. NACHA Rules allow Customer to initiate or receive international payment transactions transmitted via the ACH network.

a. In the event any part of an Entry originates from, or is transmitted to, a financial agency office located outside the territorial jurisdiction of the United States that handles the payment transaction ("IAT Entry"), Customer agrees that such IAT Entry will comply with all provisions of this Agreement and applicable Rules. Customer also makes the following additional representations and warranties regardless of which entity initiates the IAT Entry on its behalf:

- (i) Customer is in compliance with U.S. law, including, but not limited to, Customer's obligations under programs administered by OFAC and FinCEN.
- (ii) The origination of an outbound IAT Entry is in compliance with the laws and payment system rules of the receiving country.
- (iii) In the case of an IAT Entry to a non-consumer account, Customer has an agreement with the Receiver whereby the Receiver has agreed to be bound by the Rules.

IAT Entries may be processed by Bank through a correspondent bank. Bank assumes no liability for delays, non-delivery, late returns or other events resulting from processing delays by the correspondent bank or for other causes beyond Bank's control. Cancellation or amendment of an IAT Entry involving non-US dollar currency is subject to any rate exchange loss as determined by Bank. Customer agrees to sell any canceled or amended Entry to Bank at the then current applicable foreign currency buy rate.

b. Remittance Transfer Provider. If Customer is at any time classified as a Remittance Transfer Provider under Regulation E, Customer represents, warrants and agrees that:

- (i) Customer shall be responsible for performing and complying with the requirements of 12 CFR Part 1005, including, but not limited to, providing disclosures to the consumer (sender), the error resolution procedures, the provision of any remedies to the consumer, and the cancellation and refund of remittance transfers;
- (ii) Bank is acting as an agent and not as a Remittance Transfer Provider when performing activities on behalf of Customer; and
- (iii) Even if Bank is deemed a Remittance Transfer Provider under applicable law, Customer shall take all actions necessary to comply with the obligations of a Remittance Transfer Provider.

Customer agrees to indemnify and hold Bank harmless from and against any and all loss, liability, damage, costs and expenses (including attorneys' fees) that Bank may sustain in reliance on Customer's representations and warranties set forth herein.

20. Third Party Vendors. If Customer initiates Entries through a third party vendor or processor ("Vendor"), Vendor is the agent of Customer and not of Bank. If Customer uses a Vendor, Customer shall be deemed to have authorized Bank to follow the instructions of such Vendor to the same extent and under the same conditions as would apply if the instructions came direct from Customer and Customer shall be responsible for insuring that such Vendor fully complies with the Rules and this Agreement. Bank is not responsible for the acts or omissions of Vendor and Customer agrees to be liable for and hold Bank harmless from, any losses caused by the acts or omissions of Customer's Vendor.

21. Third Party Sender. If Customer is transmitting Entries as a third party vendor or processor on behalf of originators ("Third Party Sender"), Customer agrees to be bound by the applicable terms provided in this Section IV, D and NACHA Rules. Customer warrants to Bank that the originator has agreed to assume the responsibilities of an Originator under NACHA Rules and that ACH Entries shall not be initiated in violation of laws of the United States. Customer represents that it has

executed an ACH agreement with each Originator and that the agreement binds the Originator to the NACHA Rules. Customer shall provide Bank with the list of Originators, copies of the agreements, and other information deemed reasonably necessary to identify the Originators within two (2) Business Days of Bank's request. Bank reserves the right to review the list of Originators for which Customer is transmitting the Entries and to reject any in Bank's sole discretion. As Third Party Sender, Customer agrees to indemnify, defend and hold Bank harmless from and against any and all claims, demands, expenses, losses, liabilities, and damages, including reasonable attorney fees and court costs at trial or on appeal that arise directly or indirectly from the failure of the Originator to perform its obligations as an Originator under NACHA Rules. Customer further agrees to assume all applicable responsibilities, warranties and liabilities of the ODFI, as specified in the NACHA Rules. Customer shall cooperate fully and respond within five (5) Business Days to any inquiry from Bank relating to potential NACHA Rule inquiries or violations.

22. Cash Concentration/Deposit Reporting Services. Customer may request Bank to provide deposit reporting Services based on information provided by the Customer or its designated Agent. Information will be delivered to Bank at the time and location established by Bank. Bank has no responsibility for the accuracy of any information provided by Customer. Customer may authorize Bank to initiate Credit or Debit Entries to accounts designated by Customer at other financial institutions. Bank will initiate such Entries in accordance with agreed procedures. Customer agrees to authorize RDFIs to honor such transactions.

23. ACH Positive Pay Service. ACH Positive Pay Service assists Customer in detecting fraud by electronically matching incoming ACH transactions to authorizations that Customer can create and manage online. If ACH Positive Pay Service is selected by Customer, Customer shall designate the account(s) maintained at Bank that are to be used with the ACH Positive Pay Service ("Account"). Customer shall create authorizations for incoming ACH Credit and/or Debit Entries that it desires to post to the Account. Customer shall be responsible for the accuracy and completeness of all information provided to Bank. Bank will allow incoming Entries that match Customer's authorizations to post to Customer's Account. Incoming ACH transactions that do not match Customer's authorizations will be treated as exception items, and Customer agrees to monitor, review and make payment decisions on the exception items prior to Bank's established deadline. Bank is authorized to return all exception items unless Customer instructs bank to pay one or more exception items prior to the established deadline. Bank shall have no responsibility for any liability, loss or damage resulting from the return of any exception item to the Originator in accordance with this section or Customer's failure to meet Bank's established deadlines. Bank's failure to report a discrepancy will not discharge Customer's obligation with regard to any item, and shall not obligate Bank to return any item if it is otherwise authorized.

E. WIRE TRANSFER SERVICES**1. Introduction.**

a. Governing Law. Bank sends outgoing and receives incoming wire transfers through Fedwire (the funds transfer system owned and operated by the Federal Reserve Banks or other provider in accordance with section II.23.A.). All funds transfers are governed by this Agreement, Subpart B of Regulation J of the Federal Reserve Board, OFAC regulations, and all other applicable international, federal, state and local laws and regulations. Customer agrees not to initiate or receive a wire transfer payment order in violation of applicable federal, state or local law.

b. Authorized Users. Customer will designate to Bank in the form required by Bank those individuals authorized to instruct Bank regarding wire transfer Services including without limitation, individuals authorized to initiate payment orders and select advice methods, confirmation methods, and any or all authorizations and instructions that may be requested by Bank. Bank may rely on any such authorization until it has been revoked in writing by Customer. Bank shall have a reasonable time to process any revocation received pursuant to this section.

2. Routing/Time Deadlines. Bank may use any means of transmission, funds transfer system, intermediary bank, clearinghouse or route that Bank reasonably believes is suitable for each outgoing wire transfer. Bank will establish from time to time one or more deadlines after which Bank will not accept an incoming payment order to be processed on the day of receipt. Payment orders received after Bank's established deadline or on any non-Business Day, including any Saturday, Sunday, holiday or any day that Bank's wire department is not open will be considered received on the next Business Day.

3. Payment Orders.

a. Communication. Customer may communicate a payment order to Bank by the means and manner agreed to between the parties.

b. Content of Payment Orders. Customer will supply to Bank any information Bank may reasonably request regarding any payment order initiated by Customer, including, without limitation, money amounts, affected accounts, dates of transfer, the beneficiary's name and account number, the name and routing number or bank identifier code of the beneficiary's financial institution, such additional information as Bank may reasonably request and, if necessary, further evidence of any Agent's authority to transfer funds or to do any other act contemplated by this Service.

c. Execution of Payment Orders. Customer authorizes Bank to execute and charge Customer's account(s) with Bank for payment orders delivered to Bank in accordance with this Agreement. Bank has no obligation to execute a payment order if Customer's account to be charged has insufficient collected and available funds to cover the order.

d. Processing Payment Orders. The order in which Bank processes wire transfer payment orders is determined solely by Bank. Customer does not have the right to reverse, adjust or revoke any payment order after it has been received by Bank, provided, however, that Bank will make a reasonable effort to act on such a request by Customer. With respect to a payment order already transmitted to the beneficiary's financial institution, Bank shall, at Customer's request, request the financial institution to return funds previously transferred. Customer understands that the receiving institution is under no legal obligation to comply with this request.

e. Rejection of Payment Orders. Bank may reject a payment order from Customer if such payment order is not initiated in accordance with the applicable security procedure, if there is any inconsistency between a payment order and information previously supplied to Bank, if Bank is unable to obtain confirmation of such payment order satisfactory to Bank, if there are insufficient collected funds in Customer's specified account to fund the payment order, or if Bank has other reasonable grounds not to honor the payment order. Bank will notify Customer by telephone that it has rejected a payment order. Bank may also reject an incoming payment order if it has reasonable grounds to do so.

f. Standing Payment Orders. If requested by Customer and agreed to by Bank, Customer may initiate a standing payment order, which is one where the Customer pre-programs the beneficiary, the beneficiary's

financial institution, and the accounts to be debited and credited and such information remains constant for subsequent payment orders. Customer shall provide Bank with the necessary information to execute the standing payment order, including, without limitation, the dollar amount to be transferred or the desired peg balance, the frequency of the order and the day of week or month when the payment order is to be executed. Customer may terminate a standing payment order at any time upon receipt by Bank of a written notice. Bank shall have a reasonable time to act on such notice.

g. Batch Wire; Real-Time Wire Interface.

(i) Service Specifications. If requested by Customer and agreed to by Bank, the Batch Wire service and Real-Time Wire Interface service allows Customer to initiate payment orders from its computer to Bank's computer, subject to the provisions of this Agreement. In addition, the Real-Time Wire Interface service allows Customer to receive reports of incoming wire activity. Customer will comply with the relevant interface specifications established by Bank for these services, including, without limitation, file formats, means of data transmission, or establishing a secure connection (the "Specifications"). Bank may furnish Customer with modifications to the Specifications and Customer shall implement such modifications as soon as reasonably practicable.

(ii) Wire Transfer Software, Confidentiality. Customer or its Agent shall be solely responsible for creating the computer programs to implement the Specifications ("Wire Transfer Software"). Customer shall maintain the confidentiality of the Specifications and the Wire Transfer Software and permit access solely to those responsible for supporting the Wire Transfer Software or authorized to initiate payment orders. Customer shall implement passwords and other security devices commensurate with the highest level of security afforded by Customer to other computer programs and confidential information of Customer.

4. Confirmation of Outgoing Wire Transfers.

a. Confirmation Method. Customer and Bank shall agree to the method of confirming payment orders received from Customer. Customer shall designate Authorized Users to confirm payment orders. Bank recommends a minimum of three potential Authorized Users to confirm payment orders and that Authorized Users serve as an initiator or a confirmer, but not both. Notwithstanding Bank's recommendation, if Customer permits an Authorized User to act as both initiator and confirmer, Customer hereby authorizes Bank to process a wire initiated and confirmed by such Authorized User. Customer may add, change or delete the Authorized Users in accordance with Section II.9. of this Agreement. In the event the designated Authorized Users with authority to confirm are not available to confirm a payment order, Customer agrees that Bank may, at its discretion, elect to process the payment order initiated by an Authorized User. Customer agrees to be bound by any such payment order processed by Bank.

b. Waiver of Confirmation. Bank advises Customer not to waive confirmation. If Customer, however, chooses to waive confirmation, Customer agrees to be liable for all outgoing payment orders, except those payment orders where (1) Customer is able to conclusively prove that the unauthorized transfer could not have been prevented by the use of confirmation procedures; (2) Bank is unable to produce any evidence that the unauthorized transfer could have been prevented by the use of confirmation procedures; and (3) Customer is not otherwise liable for the transfer under this Agreement or applicable law. Customer acknowledges that not using confirmation procedures substantially increases Customer's risk of liability for an unauthorized wire transfer.

c. Confirmation of Wire Transfers Initiated through SinglePoint®, Batch Wire, or Real-Time Wire Interface (collectively, the "Customer Initiation Methods"). Customer represents and warrants that the confirmation of payment orders initiated through any of the Customer Initiation Methods shall be verified, initiated and confirmed by Customer prior to receipt by Bank. All payment orders shall be initiated and confirmed in accordance with the security procedures established for the relevant Customer Initiation Method.

5. Advices.

a. Advice Method. Customer will select the type of advice it wishes to receive after Bank receives an incoming wire transfer. If Customer selects telephonic advices, Customer may designate person(s) to be contacted and telephone numbers to be used for advice purposes. Bank shall not be required to make more than one attempt to reach Customer's designated location by telephone. If Bank is able to reach the Customer's designated location, but not Customer's designated Agent, Bank may leave a message containing the information to be conveyed.

b. Advices by Facsimile. If Customer selects advices by facsimile ("fax"), Customer shall exercise extreme care in maintaining its own security in the receipt of fax advices. Customer acknowledges that the information to be received by fax may include confidential information, including, without limitation, names, amounts, phone numbers, originating account information, and the text of incoming wires. Customer further acknowledges that it alone assumes full responsibility for maintenance of its internal security procedures to keep such information confidential. Customer agrees to indemnify, defend and hold Bank harmless against any and all claims, demands, expenses, liabilities and damages, including attorney fees at trial and on any appeal or petition for review, incurred by Bank arising directly or indirectly from the transmission by fax of an incoming wire transfer advice.

c. Waiver of Advice. Customer may waive its right under the Uniform Commercial Code to receive advices by so indicating on the applicable Implementation Documents.

6. International Wire Transfers.

a. General. Wire Transfers across country borders are customarily done by Bank through a correspondent bank. Outgoing US dollar payment orders to selected countries may be converted by Bank or its correspondent to the local beneficiary's currency at the applicable rate in effect at any point in the processing chain, unless Customer has instructed Bank not to convert the currency. Any fee, commission or charges assessed by Bank or the correspondent bank may be passed on to the Customer or deducted from the wire transfer amount by Bank or the correspondent bank, or such costs may be shared or split (that is, allocated to Customer and deducted from the wire transfer amount). Payment to a foreign country is subject to the laws of the foreign country involved. Bank assumes no liability for delays, non-delivery or other events resulting from causes beyond Bank's control. In refunding unexecuted payment orders, Bank shall be liable to Customer only to the extent it receives payment from the correspondent bank processing the transfer. Cancellation of a transfer involving non-US dollar currency is subject to any rate exchange loss as determined by Bank. Customer agrees to sell any canceled payment order to Bank at the then current applicable foreign currency buy rate.

b. Remittance Transfer Provider. If Customer is at any time classified as a Remittance Transfer Provider under Regulation E, Customer represents, warrants and agrees that:

- (i) Customer shall be responsible for performing and complying with the requirements of 12 CFR Part 1005, including, but not limited to, providing disclosures to the consumer (sender), the error resolution procedures, the provision of any remedies to the consumer, and the cancellation and refund of remittance transfers;
- (ii) Bank is acting as an agent and not as a Remittance Transfer Provider when performing activities on behalf of Customer; and
- (iii) Even if Bank is deemed a Remittance Transfer Provider under applicable law, Customer shall take all actions necessary to comply with the obligations of a Remittance Transfer Provider.

Customer agrees to indemnify and hold Bank harmless from and against any and all loss, liability, damage, costs and expenses (including attorneys' fees) that Bank may sustain in reliance on Customer's representations and warranties set forth herein.

7. Reverse Wire Transfers.

a. Authorized Debits. If requested by Customer and agreed to by Bank, Customer authorizes Bank to debit Customer's account(s) with Bank upon receipt of a Fedwire drawdown request, and to send funds to the

Requesting Bank. Each transfer will be done on the Business Day Bank receives the incoming request from the Requesting Bank if the request is received within a reasonable time to determine whether Customer's Account has sufficient available funds and to obtain access to the Federal Reserve network prior to the close of business.

b. Reverse Wire Funding. Customer acknowledges and agrees that Bank may reject any reverse wire request in excess of the collected and available balance. Requesting Bank will be notified if the request is rejected by Bank.

c. Wire Transfer Numbers. Customer's obligation to pay Bank the amount of the funds transfer in the event that the Fedwire message does not identify the same account or financial institution is not excused in such circumstances. When names and numbers are inconsistent, the numbers shall control. With respect to incoming wire transfers that do not indicate an account number recognizable to Bank, Bank may return the wire transfer to the sending financial institution without incurring any liability. Customer does not have the right to reverse, adjust, or revoke any Fedwire message after it is received by Bank; however, Bank will use reasonable efforts to act on such a request by Customer to reverse, adjust or revoke such message before Bank has sent the outgoing wire transfer. With respect to an outgoing wire transfer already transmitted by Bank, Bank shall, at Customer's request, request the receiving financial institution to return funds previously transferred. Customer understands and agrees that the receiving financial institution may or may not comply with any such request.

d. Authorizations. Customer's authorization for reverse wire requests shall remain in effect until Customer gives written notice to Bank. Bank will have a reasonable time to act on any written notice received from Customer.

e. Limitation on Bank's Liability. In consideration of Bank's compliance with this authorization, Customer agrees that Bank's treatment of any charge, and Bank's rights with respect to it, shall be the same as if the entry were initiated personally by Customer. Bank shall have no liability if any charge is dishonored.

8. Additional Limits on Bank's Liability. Bank is responsible only for performing the Services described in this Section. Bank shall not be responsible for the acts or omission of Customer, any Federal Reserve Bank or other financial institution, any transmission or communication, or any other person and no such person shall be deemed to be Bank's agent under this Agreement.

F. DATA TRANSLATION SERVICES

1. Introduction. Bank may provide electronic data integration, custom formatting, or data translation ("Data Translation Services") to electronically streamline the exchange of payments, remittance and other information between Customer and Bank and between Customer and its trading partners. If requested by Customer and agreed to by Bank, Bank will provide Data Translation Services in accordance with this Agreement and other procedures provided to the Customer. Customer agrees that Data Translation Services shall be governed by this Section and all other relevant sections of this Agreement.

2. Scope of Services. Data Translation Services may be used by Customer to initiate and receive payments using multiple payment channels or networks such as checks, wire transfers, ACH, credit card and SWIFT, and to provide and receive business communications such as remittance data, payment data, invoices, confirmations, orders, or other information in Customer's preferred format. In order to obtain Data Translation Services, Customer must maintain an analyzed demand deposit account with Bank.

3. Entry Origination/Processing Dates/Deadlines. Customer may from time to time deliver to Bank requests to format information for payments and/or other data translation via the agreed upon means (collectively, "Data Translation Request(s)"). All Data Translation Requests shall conform to the content, format, deadlines and other specifications that may be established by Bank or a third party software program approved by Bank for use with the Service. Bank may establish different deadlines for Data Translation Requests depending on the method of delivery employed by Customer and all such deadlines are subject to change. Bank must receive Customer's Data Translation Requests at or prior to the deadline established for processing on the Business Day of receipt. Data Translation Requests received after the deadline will be processed on the next Business Day. Customer will be notified if a Data Translation Request is rejected in accordance with procedures established by Bank. Customer represents and warrants that all information in each Data Translation Request delivered to Bank by Customer shall be accurate, timely, authorized and will otherwise comply with all applicable laws, rules and regulations.

4. Content and Transmission of Information. Data Translation Requests are only designed to respond to information provided by Customer. Accordingly, any inaccuracy in any information provided by Customer may result in unintended processing by Bank. Bank bears no responsibility for detecting or reporting any error in data supplied by Customer and shall not be liable to Customer for any information provided by Customer with respect to a Data Translation Request which is inaccurate, incomplete, duplicative, or otherwise incorrect. Customer shall retain data on file adequate to permit Customer to remake each request for at least ten (10) Business Days following the date a file is sent to Bank, and shall provide such data to Bank on request. Customer acknowledges that Bank has no obligation to maintain back-up copies of requests or other information delivered by Customer to Bank. Customer acknowledges that Data Translation Services may involve the transmission of confidential consumer information that may be subject to privacy laws and regulations, including breach notification regulations. Customer agrees to notify Bank if Customer sends or receives protected health information as part of Data Translation Services. If Customer is the recipient of misdirected information, Customer shall immediately notify Bank and return the information to Bank. Customer agrees not to retain, use, copy, distribute or otherwise disclose the information in any manner.

5. Payment Requests. Customer agrees that its requests to initiate payments utilizing Data Translation Services shall be governed by this Section, the sections of this Agreement governing the applicable payment mechanism, and all other applicable laws, rules and regulations governing the relevant payment mechanism. Customer authorizes Bank to execute all electronic and check payment requests ("Payment Requests"), and settle to the Customer's account all Payment Requests, delivered to Bank in compliance with the terms of this Agreement, including the security procedures. Customer is solely responsible for initiating the Payment Requests sufficiently in advance to meet Customer's contractual obligations to its vendors and/or its customers. Bank shall not be responsible for any late payment or finance charges that may result from Customer's failure to allow sufficient lead-time.

a. Electronic Payment Requests. Customer may from time to time request that Bank initiate electronic payments using the ACH network, the credit card network, the SWIFT network, the wire transfer system or other electronic funds transfer system ("Electronic Payment Requests"). Except as may be provided elsewhere, Customer may not amend or revoke Electronic Payment Requests after they have been received by Bank. Customer acknowledges that the rules of NACHA and other electronic funds transfer systems may make any credit provisional until the financial institution crediting the account of the beneficiary specified in an Electronic Payment Request receives final settlement and that if the financial institution does not receive final settlement, it is entitled to a refund and Customer shall be deemed not to have paid the beneficiary. Electronic Payment Requests with settlement dates of more than thirty (30) calendar days from receipt will not be processed unless prior arrangements have been made. Customer authorizes Bank to use whatever means Bank, in good faith, deems reasonable under the circumstances to execute each Electronic Payment Request, including selection of a funds transfer system, routing, and means of transmission.

b. Check Payment Requests. Customer may from time to time request that Bank print checks and related remittance information ("Check Payment Request(s)") and issue and distribute such checks and information. Customer shall designate the account(s) from which Bank is to make payment ("Payment Account") and shall maintain a sufficient balance in the Payment Account to fund its Check Payment Requests. To mitigate against fraud, Bank may require that Customer utilize Bank's Positive Pay Services in conjunction with the Payment Account. Customer agrees that checks drawn in a manner consistent with a Check Payment Request shall be duly authorized to the same extent as a check drawn and signed by Customer and is properly payable by Bank. Customer authorizes Bank to deduct the Payment Account in the amount of the Check Payment Request. If there are insufficient funds in the Payment Account to make a Check Payment Request, Bank may in its sole discretion either refuse to make the payment, or make the payment and overdraw the Payment Account. In either event, Customer shall incur fees as disclosed by Bank in the account agreement and related fee schedules and other disclosures. Customer has no right to reverse, adjust or revoke any Check Payment Request after it has been received by Bank. Bank will, however, make reasonable efforts to act on such a request by Customer. If Check Payment Requests relate to printing checks drawn on another financial institution's account ("Off-Us Checks"), Customer acknowledges that Bank shall not be liable for any fraudulent or unauthorized activity that may arise from the use of such Off-Us Checks. If Check Payment Requests relate to printing payroll checks, Customer acknowledges that Bank shall only print payroll checks and shall not be responsible for any other aspect of payroll processing, including, but not limited to, producing IRS Form W-2s, 1099s, or other payroll-related tax documents. In addition, Customer represents and warrants that it shall not include any social security numbers in the Check Payment Requests for payroll checks and agrees to indemnify and hold Bank harmless if the checks or check stubs are printed with social security numbers.

6. Security Procedures. Customer shall comply with all security procedures established by Bank for Data Translation Services. Customer agrees that all Data Translation Requests that involve the exchange or transmission of banking information shall only use secure transmission options supported by Bank. For some Services, such as ACH, Customer and Bank may establish alternative, comparable security procedures for accessing such Services when Data Translation Services are utilized. Customer is solely responsible for maintaining its own internal security procedures to prevent errors or unauthorized access to Customer's computer systems by unauthorized employees, vendors or customers. Bank has no responsibility for the security procedures employed by Customer's trading partners.

7. File Confirmation Procedures. Customer shall at all times comply with the applicable file confirmation procedures established by Bank. File confirmation procedures utilizing Data Translation Services are solely for the purpose of verifying Bank's receipt of the Payment Requests but not for identifying errors in transmission or content.

a. Control Totals. Customer shall call Bank's Audio Response Unit ("ARU") or send a data file to Bank providing the total items and dollar value of the Payment Requests and any other necessary information ("Control Totals"). After Bank receives Customer's Payment Requests,

Bank will compare the Payment Requests to the Control Totals. If the Control Totals match the Payment Requests, Bank will process the Payment Requests. Bank will not process the Payment Requests if Bank does not receive conforming Control Totals on or before the established delivery deadline. Bank will notify Customer if the Control Totals do not match the Payment Requests, or if Bank receives Payment Requests without receiving Control Totals or vice versa.

b. Payables File Manager. Payables File Manager is an elective Service that allows Customer to confirm that Bank has received Customer's files. Using SinglePoint® or other applications or systems as may be introduced by Bank, Customer may view the status of Data Translation files sent by Customer to Bank. If Customer selects this Service, Customer agrees to promptly and regularly review the status of all files displayed in the Payables File Manager and to notify Bank if any files sent by Customer were not received by Bank. Customer bears sole responsibility for any inaccurate or incomplete information sent to Bank if Customer fails to notify Bank prior to Bank's processing of Customer's files.

G. COURIER SERVICES

1. Introduction. Courier Services are offered by Bank for Customers who require ground transportation for the pick-up, transportation and delivery of non-cash banking transactions to Bank locations other than a cash vault. Bank has selected a third party courier ("Courier") to provide the transportation Services on Customer's behalf.

2. Deposit Contents. Customer acknowledges that the Courier Services is not an armored delivery service and agrees to tender check-only deposits to the Courier. Customer agrees that it shall not deposit any currency, securities, documents or other items which cannot be reconstructed or duplicated. Any deposits of cash using this Service shall be at Customer's peril and Customer agrees to assume any and all risk of loss associated with tendering cash deposits.

3. Courier as Agent of Customer. Customer acknowledges and agrees that the Courier is the Agent of Customer and not of Bank. Until Bank actually receives a delivery in accordance with section 7 below, Bank assumes no risk of loss or theft by third parties or employees of the Customer or the Courier. Bank makes no representation or warranty regarding, and assumes no responsibility with respect to, any services performed or promised by the Courier. The Courier maintains ultimate responsibility for scheduling, movement and routing.

4. Packaging. Customer agrees to tender deposits to the Courier using an undamaged and properly fastened bag. Customer shall prepare in duplicate, deposit tickets that list the deposit contents, the total dollar amount of the deposits, and the account or accounts of Customer at Bank to which the checks shall be deposited. Customer agrees to place the original deposit ticket in the bag, and to retain the duplicate ticket.

5. Reconstruction. Customer agrees to maintain a complete and accurate reconstructible deposit listing of each deposit given to the Courier. Customer agrees to reasonably and promptly cooperate with Bank and/or the Courier in the notification, identification and replacement of any damaged, lost or destroyed deposit items. Such cooperation shall include reasonable requests by Customer to the makers of the checks to issue duplicates for the damaged, lost or destroyed items. Customer shall notify Bank of any damaged, lost or destroyed items no later than sixty (60) days following the day the items were delivered to the Courier. Bank shall have no obligation to research any damaged, lost or destroyed items if Customer fails to notify Bank within the prescribed time.

6. Processing. Bank is authorized to open the bag and to process the contents in accordance with Bank's normal procedures and any applicable availability schedules. All deposits shall be subject to verification and adjustment by Bank. Bank's verification shall be deemed correct and binding upon Customer absent manifest error. If Bank discovers a discrepancy between the contents of the bag and the deposit ticket, Customer hereby authorizes Bank to process and deposit the contents, and to complete an adjustment ticket, which will be mailed or delivered to Customer.

7. Actual Receipt Required. Bank is not liable for any losses, damage or destruction of items that occur while in the custody of the Courier. Bank shall not be considered as an insurer of any deposits placed with the Courier until such time the deposits are received and acknowledged by Bank. Deposits delivered to the Courier are not considered received by Bank until they are actually delivered to Bank's processing center.

8. Delivery of Deposits. Deposits delivered by the Courier after Bank's deadline for the receipt of deposits, may, at Bank's discretion, be held and credited to the Customer's account the next Business Day. Courier Service deliveries on Saturdays, Sundays and on days recognized as bank holidays (when available), shall be held and credited to the Customer's account the next Business Day.

H. CASH VAULT SERVICES

1. Introduction. The Terms "cash", "coin" and "currency" as used herein shall refer to coin and currency of the United States, and certain foreign currencies accepted by Bank.

2. Foreign currency. Customer shall not deposit any foreign currency unless Customer has obtained Bank's prior approval. Bank reserves the right, in its sole discretion, to impose restrictions on, or discontinue acceptance of, foreign currency deposits. Sections H.5 and H.8 below do not apply to foreign currency processing. Foreign coin shall not be accepted for deposit by Bank under any circumstances.

3. Account. All deposits of coin, currency, and checks will be credited to, and all withdrawals of coin, currency, and checks will be debited against, Customer's deposit account at Bank (the "Account") which Customer has designated as being covered by the Services described herein. Customer agrees that it shall not deposit any items, instructions or objects other than coin, currency, and checks as outlined in this Agreement, and agrees to assume any and all risk of loss associated with tendering items not specified herein.

4. Deposits.

a. Customer shall supply and maintain tamper evident disposable plastic bags used for deposits. Plastic bags shall be sealed according to manufacturers' instructions and addressed to the appropriate secured facility specified by Bank. Customer will prepare deposits as follows: (i) currency will be batched separately from checks with each currency and check batch accompanied by a deposit ticket fully completed by Customer; (ii) currency will be banded with 100 notes of the same denomination whenever possible; (iii) deposits will be delivered by Customer's certified armored carrier to the secured facility specified by Bank; and (iv) to receive same day credit, deposits must be made prior to the daily deadline established by Bank from time to time, and any deposits received by Bank after its deadline may be considered to have been received on the next Business Day. Foreign currency deposits do not qualify for same day credit and are subject to Bank's prevailing exchange rates.

b. Bank will process Customer's deposits as follows: (i) deposits will be receipted and conditional (subject to verification) credit assigned based on the amount identified on the deposit ticket; (ii) deposit tickets that are missing, blank or do not contain legible "declared balances are subject to delayed ledger credit of one Business Day; and (iii) coins and currency will be counted and Bank's count will be the valid and controlling count.

c. For U.S. currency, if there is a coin and currency variance of more than USD 10 from the declared balance on Customer's deposit ticket, Bank shall adjust Customer's coin and currency deposits through a separate debit or credit to Customer's account. Any such adjustment shall not be reflected on Customer's deposit ticket. Deposit tickets containing a declared total that includes check deposits, may require a separate and additional adjustment for any variances to Customer's check deposits. If there is a coin and currency variance of USD 10 or less from the declared balance on Customer's deposit ticket, Bank shall not make any adjustment to Customer's currency and coin deposits, and shall credit Customer's account based on Customer's declared balance. Upon request, Bank will provide Customer with any available information that may assist Customer in reconciliation of the difference.

d. Deposited items are deemed received on the day of delivery if Bank receives the deposit prior to Bank's established deadlines. Deposits will be processed in accordance with normal Bank procedure and any applicable availability schedules. All deposits made by Customer shall be subject to verification and adjustment by Bank. Bank's verification shall be deemed correct and binding upon Customer for all purposes, absent manifest error.

e. If Customer chooses to pre-encode its checks or other items for deposit, Customer agrees to comply with the pre-encoded deposit procedures and specifications as may be established and revised by Bank. Customer shall be responsible for any of its encoding errors. Bank may treat certain deposits as unencoded deposits if there is an unacceptable rate of encoding errors.

5. Withdrawals.

a. Bank may provide Customer with United States currency and coin in designated denominations from time to time as requested by Customer through the Bank's automated ordering system ("Cash Orders"). Customer must comply with all of Bank's policies and procedures regarding the placement and delivery of Cash Orders, including, without limitation, the maintenance of a designated password. Customer shall be responsible for maintaining the confidentiality of Customer's password and restricting access to the system to authorized Agents. All Cash Orders will be charged to the account designated by Customer and must be picked up by Customer's Agent or sent by registered mail to a street address. Only armored couriers may pick up Cash Orders directly from a cash vault operated by Bank. Bank may release any Cash Order to any individual that Bank reasonably believes to be Customer's Agent. Customer shall be responsible for any Cash Order after receipt thereof by the Agent. Bank may specify a daily Cash Order limit and Customer agrees that it will not initiate a Cash Order in excess of the designated limit. In no event shall Customer initiate a Cash Order in excess of the immediately available funds in the designated account.

b. Customer may order currency and coin from Bank as follows:

- (i) The preferred order for currency is in standard full strap (100 banknotes) quantities only.
- (ii) Coin may be ordered in standard full box units (50 rolls), individual rolls or loose standard bags only.
- (iii) A charge for the face value of the monies ordered will be made to the Account on the day the order is processed by Bank.
- (iv) Orders for coin and currency may be placed no later than the deadline established by Bank from time to time for delivery on the next Business Day. Depending on Customer's location, select cash vault sites may require a minimum two-day lead time or more for coin and currency orders.
- (v) Bank must be notified of any discrepancies pertaining to coin or currency orders within two Business Days of receipt by Customer of such coin or currency. Customer must return documentation to back-up outages such as plastic change order bag, currency strap, coin wrapper and/or box.

6. Processing. Bank will provide processing on all days Monday through Friday, except for holidays on which Bank is closed. Cash Vault Services using third party vendor applications with time stamp data are for informational purposes only and may not reflect actual timing of receipt, posting or verification of Customer's deposits by Bank. Bank shall not be liable for any inaccurate or incomplete information with respect to such time stamp data provided to Customer.

7. Carrier Service. Any carrier service utilized to deliver or secure coin, currency or other property to or from Bank, including, without limitation, the United States Postal Service, will act as the agent of Customer and not of Bank. Customer and carrier shall agree upon the delivery days and times. Customer will bear the entire risk of loss of coins, currency or other property of Customer when in the custody or control of Customer's carrier service.

8. Remote Cash Deposit. The Remote Cash Deposit Service allows Customer to contract directly with one or more armored carriers to utilize a 'smart' safe at one or more Customer locations that will enable Customer to receive Bank-offered provisional credit for the currency residing in each safe. If this Service is selected by Customer and agreed to by Bank, the armored carrier is responsible for providing on-going maintenance for the safe, currency pickups, and delivery of the currency to Bank. Bank shall not be responsible for the safe or any aspect of the Service provided by Customer's armored carrier. Prior to Bank's established cut-off time, the armored carrier will provide Bank with an electronic presentment file of the currency amount at each safe location. Bank will post to Customer's Account the credits, debits or adjustments in the presentment files sent by the armored carrier. Bank shall provide provisional credit only for the declared values in the presentment file that were verified and accepted by the safe's currency acceptor. All coin, check, mutilated currency, or other similar items shall not be deposited in the safe, shall be handled by Customer as a separate deposit and will not be given provisional credit under the Remote Cash Deposit Service.

Customer must deliver the physical currency to Bank within applicable timeframes that are dependent on Customer's pickup frequency, which in no event shall be greater than fifteen calendar days after Customer receives the provisional credit. Any physical currency not received by Bank within the applicable timeframes will be debited from Customer's Account without further notice. Bank shall charge Customer's Account for any counterfeit currency deposited in the safe. Customer agrees to indemnify, defend and hold Bank harmless from and against any and all claims, demands, expenses, losses, liabilities and damages of any nature whatsoever, including, without limitation, reasonable attorney fees and court costs at trial or appeal arising directly or indirectly from Customer's failure to maintain sufficient funds in its Account to cover any obligations incurred hereunder. Customer acknowledges and agrees that all items deposited in the safe, including, but not limited to, all coin, currency, checks, securities, bonds, and other valuables (without limitation, "Safe Contents") are held in trust solely for the benefit of Bank. Customer has no right, title and interest in the Safe Contents after they are deposited in the safe and that Customer has no present ability and will not have the future ability to remove the Safe Contents from the safe. Customer further acknowledges and agrees that the provisions contained herein are enforceable against it regardless of whether Customer owns or leases the safe located at any Customer location.

9. Representations. Customer represents and warrants to Bank that (a) all funds deposited with Bank will be the proceeds of, and all funds ordered and withdrawn from Bank will be intended for use in, Customer's lawful activities and (b) all of Customer's transactions hereunder will be conducted solely on Customer's behalf and not on behalf of any other person or entity.

10. Regulatory Compliance. Customer shall provide Bank immediately upon request with any information, and otherwise shall cooperate with Bank in every way necessary in order to enable Bank to fulfill its obligations with respect to the reporting of transactions in coin and currency or any other regulatory requirement.

11. Agents. Bank from time to time may use a third party or agent to receive Customer's deposits, to deliver Customer's coin and currency orders, or to perform any other Services of Bank hereunder. Bank will provide Customer with all necessary instructions for contact with such third party or agent. Customer agrees to implement and properly use any and all other security procedures prescribed or recommended by any third party or agent providing this Service on Bank's behalf and agrees to hold Bank harmless from any claims or losses arising from Customer's failure to implement and properly use any security procedures prescribed or recommended by such third party or agent. If Customer uses its own agent or vendor to provide a specific service for Customer, Customer agrees Bank shall not be liable for the actions of such agent or vendor.

12. Use of and Access to Cash Vault Services. Customer acknowledges and agrees that Cash Vault Services are to be used exclusively for its benefit and, absent prior written approval by Bank, Customer will not permit third parties, including non-Customers or other Agents of Customer (excluding approved armored car carriers or agents making cash deposits into a Customer's account at Bank and agents ordering cash on behalf of a Customer), from accessing or otherwise using any Cash Vault Services offered by Bank.

I. U.S. BANK EASYTAXSM SERVICES

1. Authorization; Enrollment. If the EasyTax Service is requested by Customer and agreed to by Bank, Bank will electronically enroll Customer in the Electronic Federal Tax Payment System (EFTPS) if Customer desires to make federal tax payments via EFTPS. Electronic enrollment will allow Bank to process Customer's tax payments in compliance with EFTPS through Bank's tax payment system only. If Customer chooses to pay federal taxes by any other means, payments may not be EFTPS compliant. Customer understands that Bank's EFTPS enrollment form 8655 does not replace the EFTPS form 9779, which is sent to mandated companies by the Internal Revenue Service. Customer may also make state tax payments using EasyTax. Customer agrees that the EasyTax Service shall be governed by this Section and all other relevant sections of this Agreement.

2. Submission of Information. Customer shall furnish Bank with complete and accurate master file information which shall enable Bank to file tax deposits via ACH with the appropriate tax authorities in a timely manner. The Service provided by Bank hereunder shall be based solely upon the information furnished by Customer to Bank. Accordingly, any inaccuracy in any information provided by Customer may result in unintended processing by Bank. Customer bears sole and exclusive responsibility to verify that the information provided to Bank is complete and accurate. Bank bears no responsibility for detecting or reporting any error in data supplied by Customer and shall not be liable to Customer for any information provided by Customer with respect to information that is inaccurate, incomplete or otherwise incorrect. The Service provided hereunder does not relieve Customer of any duty imposed on Customer by law to maintain records or from verifying and, if necessary, immediately correcting in writing all data received from Bank relating to the Service. Customer agrees to be bound by any instructions, whether or not authorized, issued in its name and accepted by Bank in accordance with the agreed procedures. Customer shall indemnify and hold Bank harmless from and against all liability, loss and damage (including attorneys' fees and other costs incurred in connection therewith) arising out of the use of information provided by Customer.

3. Requests for Payment. Requests for payment to tax authorities must be made in accordance with instructions which Bank shall provide Customer, which may be amended by Bank from time to time at its discretion, and will be considered complete only if actually received by Bank. All tax deposits must be initiated at least one Business Day in advance of the due date, otherwise deposits may be subject to federal or state penalties. Any request by Customer to make tax deposits hereunder shall be submitted to Bank prior to the daily cut-off time established by Bank from time to time. Any such request received by Bank after its daily cut-off time may be processed on the next Business Day. In the event that an ACH Entry is rejected or returned by an ACH processor for any reason whatsoever, Bank will give Customer notice of any rejected or returned ACH Entry in the usual manner agreed to by the parties. Bank shall have no liability for any delay caused by strikes, telephone failure, equipment or electrical failure, or any other condition beyond the reasonable control of Bank.

4. Receipt of Funds. Funds received by Bank from Customer shall be held as a deposit liability of Bank to Customer until such time as such funds are due and paid to the appropriate tax authorities. Customer is not entitled to interest on such funds and Bank may invest such funds solely for Bank's benefit.

5. Account. Customer shall maintain with Bank a commercial demand deposit account in which Customer shall maintain immediately available funds in an amount sufficient to cover all tax deposits and fees charged by Bank for the Service hereunder. Failure by Customer to maintain such funds shall relieve Bank from providing such Service, notwithstanding any request by Customer to provide the Service.

6. Liability. Bank shall not be liable for any penalties assessed by reason of failure of Customer to make any tax payments. Interruption of the Service or performance hereunder for any reason shall not relieve Customer of its obligation to make any required tax deposits, and Bank shall not incur any liability to Customer for Customer's failure to make any such deposit. If Customer elects to make a tax deposit by any means other than through Bank, Bank shall not be liable for any penalties or interest arising from any error in due date or other calculations for deposits made within the period in which such other

deposit was made. Bank may choose to provide its EasyTax Service through a third-party vendor. Bank and its third party vendor's liability to Customer is limited to correcting any error made by the Bank or third-party vendor. The sole and exclusive remedy, at law or in equity, against Bank or third party vendor is limited to money damages in an amount not to exceed the total amount paid to Bank for EasyTax fees during the twelve (12) months preceding the event giving rise to the liability. Neither Bank nor third party vendor will be liable for special, incidental, or consequential damages. Customer acknowledges that the EasyTax Service would not be available or would be available at substantially increased rates without the liability and remedy limitations set forth in this agreement.

7. Codes. Customer shall keep confidential the Access and PIN codes issued to Customer in connection with the Service, and only Customer shall use such codes. If Customer suspects that any such codes have become known or otherwise accessed by unauthorized persons, Customer shall notify Bank immediately and follow up such notice with written confirmation. The occurrence of unauthorized access will not affect any deposits made in good faith by Bank before Bank has received such notification and had a reasonable time to act to prevent any unauthorized deposits.

J. PAPER-BASED DISBURSEMENT SERVICES

1. Controlled Disbursement.

a. Disbursement Account. If requested by Customer and agreed to by Bank, Customer will open and maintain a demand deposit account ("Disbursement Account") and a primary funding account ("Funding Account") at Bank. The disbursing bank may be a financial institution that is a subsidiary or affiliate of Bank or Bank itself. Bank reserves the right to require Customer to use Bank's Positive Pay Services in conjunction with the use of Disbursement Account(s). Customer hereby authorizes and directs Bank to act on its behalf and as its agent, as Bank in its sole discretion deems necessary or advisable, in performing any of the Controlled Disbursement Services and related Services.

b. Funding Procedures. On each Business Day, Bank shall electronically provide Customer with a report of the total aggregate amount of all presented disbursement checks, and ACH transactions posted in the early morning ACH window, net of the prior day adjustment and other charges to the Disbursement Account (the "Total Clearings"). Customer agrees to maintain sufficient collected balances in the Funding Account by the established deadline to fund the Total Clearings. Bank is hereby authorized to debit the Funding Account in an amount equal to the actual or estimated Total Clearings and to transfer funds in said amount for credit to the Disbursement Account. Bank reserves the right to convert the Disbursement Account into a standard prepaid checking account at any time upon notice to Customer.

c. Adjustments. Bank will compare the report of electronic presentments to the checks presented against the Disbursement Account. If the total dollar amount of checks electronically reported is less than the total dollar amount of checks presented, Bank will credit the Disbursement Account for the difference. Bank will add this difference to Customer's Total Clearings the next Business Day.

d. Daily Dollar Limit. A daily dollar limit (the "Dollar Limit") may be established from time to time by Bank with respect to the Disbursement Account in Bank's sole discretion. Bank shall have no obligation to pay disbursement checks and ACH transactions (collectively, "Items") in excess of the Dollar Limit. Bank may, at any time, either verbally or in writing (but shall not be deemed obligated to) notify Customer of any change made by Bank in the Dollar Limit. Establishment of the Dollar Limit should not be interpreted or construed by Customer as any commitment or agreement by Bank to provide any credit or loans to Customer, nor as an agreement or commitment to debit the Funding Account when doing so would create a negative balance therein.

e. Special Circumstances. Customer acknowledges that Bank, under some circumstances beyond its control, may at times be unable to provide a report of the total amount of its Total Clearings early enough for Customer to make a complete and acceptable funding of the accounts. Customer nevertheless agrees to fund the Funding Account completely by using an estimate of the Total Clearings.

f. Action Affecting Accounts. Should Bank receive any process, summons, order, injunction, execution, levy, lien, garnishment, or adverse claim notice (either by a governmental authority or third party) (hereinafter referred to as "Process"), which Bank reasonably believes will adversely affect the Funding Account or the Disbursement Account, Bank may, at its option and without liability, refuse to honor orders to pay or withdraw sums from any Disbursement Account and may either hold the Funding Account balance herein until such Process is disposed of to the satisfaction of Bank or pay the balance over to the source of the Process in accordance with applicable law.

g. Return of Items Unpaid. Bank reserves the right, in Bank's sole discretion, to return unpaid any or all Items presented for payment against the Disbursement Account in the event that:

- (i) there are insufficient collected and available balances on deposit in the Funding Account by the established deadline to fund the Total Clearings;
- (ii) debits cannot be posted because the Disbursement Account or Funding Account is frozen, blocked, closed or because of any other condition; or

- (iii) any communications failure or other condition prevents Bank from monitoring Customer's Dollar Limit and/or the Items presented for payment.

h. Stop Payment Orders. Customer may issue stop payment orders on Items drawn on the Disbursement Account in accordance with Bank's procedures.

2. Warrant Services

a. Warrant Account. If requested by Customer and agreed to by Bank, Customer shall open and maintain a demand deposit account upon which warrants shall be drawn and will be charged (the "Warrant Account"). Customer shall maintain on deposit sufficient collected and available balances to cover items drawn on the Warrant Account.

b. Warrant Format. All warrants shall contain on the face of the item the words "warrant," and "payable through U.S. Bank." Customer will also encode all warrants in accordance with Bank specifications. Customer agrees to immediately make any changes to the format of the warrants or encoding when requested to do so by Bank and will be solely responsible for its failure or refusal to comply with Bank's specifications. Any warrant drawn by Customer on the Warrant Account shall be treated by Bank as a warrant regardless of what appears on the face of the warrant and Customer shall hold Bank harmless as a result of so handling any such item.

c. Presentment and Return. Bank shall make warrants presented to Bank available to Customer via electronic presentment. Bank shall notify Customer by electronic means of the account number, warrant number and dollar amount of all presented warrants and provide Customer with a front and back image of each warrant received by Bank. Bank's delivery of the images shall constitute an electronic presentment under the Uniform Commercial Code, Federal Regulation CC and other applicable laws. Warrant Services are additionally subject to the Reverse Positive Pay terms contained elsewhere in this Agreement. Customer shall notify Bank of each warrant that should be returned in the form agreed to by Bank and Customer. If Customer does not specifically decline payment of a warrant by the deadline established by Bank, such warrant will be finally paid by Bank. Customer acknowledges that warrants payable through Bank are considered to be drawn on Bank for purposes of the expeditious return and notice-of-nonpayment requirements of subpart C of Regulation CC of the Federal Reserve Board. If Bank agrees to return a warrant following Bank's deadline, Customer agrees to be responsible for Bank's failure to return the warrant in an expeditious manner as prescribed in Regulation CC. Bank shall be deemed to have made timely presentment to Customer with respect to any warrants that Bank receives at a time when it is prevented from making presentment to Customer as a result of any force majeure event illustrated in Section II. 22.

d. Examination of Warrants. Bank shall have no responsibility to examine warrants prior to presentment to Customer for its payment decision. Bank will take ordinary care to see that the amount of each warrant as drawn is accurately posted to Customer's account. Bank will not make any attempt to verify signatures, endorsements or restrictive clauses on warrants. Bank will not examine the dates on which warrants have been drawn for undated, stale or post-dated items. Bank shall have no responsibility for any liability, loss or damage resulting from (i) a payment in accordance with this Section of any warrant that is altered or unsigned or that bears the forged or unauthorized signature of Customer or (ii) return of any check to the depository bank in accordance with this Section.

e. Encashment of Warrants. Unless otherwise instructed by Customer, Bank is authorized to pay warrants issued by Customer that are presented for encashment by payees. Bank will not be liable for the encashment of any warrant which contains, or is purported to contain, a forged signature of a maker or endorser, or any other unauthorized modification, as long as Bank exercises ordinary care in cashing the warrant.

K. POSITIVE PAY SERVICES

1. Introduction. Positive Pay Services are offered by Bank as the most effective way to minimize loss from fraudulent check issuance or payment. If Positive Pay Services are requested by Customer and agreed to by Bank, Customer and Bank agree that in the event of an inconsistency between this Agreement and applicable law, the provisions of this Agreement shall prevail to the extent permitted. Nothing in this Agreement is intended to limit Bank's right to return an item unpaid if there are insufficient available funds in the designated account.

2. Format Specifications. Customer shall comply at all times with Bank's format and data transmission standards for the Positive Pay Service. Customer agrees to issue checks, drafts, warrants or other items (collectively, "Items") in accordance with Bank's specifications and will change the Item format when requested to do so by Bank. Bank shall not be responsible for correcting or resolving processing problems caused by substandard quality magnetic encoding.

3. Positive Pay.

a. Customer Responsibilities. Customer shall designate to Bank all account(s) that are to be used with the Positive Pay Service ("Positive Pay Account(s)"). Customer will provide Bank with a file of all outstanding Items prior to activation of this Service. On each day that an Item is written against the Positive Pay Account, Customer shall supply Bank with all required Item issue information prior to the deadline established by Bank. Such information shall include, without limitation, the account number, the issue date, the Item number and the face amount. Customer shall be responsible for the accuracy and completeness of all information provided to Bank.

b. Bank's Responsibilities. In reliance on the information provided by Customer, Bank shall create a master issue file for each designated Positive Pay Account ("Issue File"). If ARP File Confirmation Service is selected by Customer, Bank shall process the Issue File and provide a confirmation to Customer that the Issue File was received and processed. Excluding valid stop payment orders and issue records voided by Customer request, all Items, including those that have been electronically converted, that match by Item number and dollar amount to Bank's Issue File will be deemed properly payable and Bank is authorized to pay all such Items.

c. Paid No Issues. Each Business Day, Bank shall make reasonable efforts to report to Customer any Item serial numbers that do not match the Issue File ("Paid No Issue") and, if requested and available, provide the front and back images of those Items for that day's presentment; provided, however, no images shall be provided in the case of electronically converted Items. Customer agrees to review and make payment decisions on the Paid No Issue Items prior to Bank's established deadline. If Customer selects the Positive Pay Same Day service for controlled disbursement accounts, Customer shall receive and may make payment decisions on Paid No Issue Items prior to the Items posting to the controlled disbursement accounts, or defer payment decisions until the established deadline on the next Business Day. If Customer's requested default setup is for Bank to pay all Paid No Issue Items, Bank is authorized to finally pay any Paid No Issue Item unless Customer has instructed Bank to return the Paid No Issue Item prior to the established deadline. If Customer's requested default setup is for Bank to return all Paid No Issue Items, Bank is authorized to return any Paid No Issue Item unless Customer instructs bank to pay a Paid No Issue Item prior to the established deadline. Bank may rely on any instructions received from Customer that Bank reasonably believes to be genuine. Bank shall have no responsibility for any liability, loss or damage resulting from:

- (i) payment in accordance with this section of any Paid No Issue Item that is altered or unsigned or which bears the forged or unauthorized signature of Customer;
- (ii) the return of any Paid No Issue Item to the depository bank in accordance with this section; or
- (iii) Customer's failure to meet Bank's established deadlines. Customer may be required to place a stop payment order on any returned Paid No Issue Item, which shall be subject to Bank's customary stop payment fee. Bank's failure to report a discrepancy will not discharge Customer's obligation with regard

to any Item, and shall not obligate Bank to return any Item if it is otherwise properly payable.

d. Teller Positive Pay. All Positive Pay Accounts will interface with the Bank's teller system unless otherwise agreed to by Bank. Bank will compare Items presented for cash at a branch of the Bank with Customer's Issue File. Customer acknowledges that under some circumstances issuance information submitted by Customer may not be reflected in Customer's Issue File until the opening of the following Business Day. Customer agrees to follow Bank's established procedures should it need to manually add an Item to the Issue File. Bank will make reasonable efforts to assist Customer, but Customer acknowledges that Bank may be unable to process such requests on a same-day basis. If a special handling process for teller-cashed items is selected by Customer and agreed to by Bank, Bank shall attempt to contact Customer for approval prior to the encashment of any item that does not appear in the Issue File. Customer agrees that Bank, in its sole discretion, may refuse to cash any Paid No Issue Item and such refusal will not be deemed to be a wrongful dishonor. In the event of dishonor, Bank will refer the presenter to Customer. In the event that Customer requests Bank not activate or temporarily deactivate teller positive pay, Customer agrees to assume all risk of loss for any Bank teller-cashed Item that would have been identified as a Paid No Issue Item prior to acceptance.

e. Payee Positive Pay. If Customer selects this option which is available only through SinglePoint®, Customer's Item stock may first be tested to ensure it meets Bank's payee name readability rate. Customer shall designate to Bank all Positive Pay Accounts that shall use Payee Positive Pay. In addition to the Issue File information provided by Customer for the Positive Pay Service, Customer shall include in the Issue File the payee name(s) for each Item issued by Customer. Customer shall be responsible for the accuracy and completeness of the payee information provided to Bank. In reliance on the payee information provided by Customer, Bank will compare the payee information on the Item with Customer's Issue File for Items presented or deposited at Bank. Customer acknowledges that Bank will not be able to validate payee information for electronically converted Items presented to Bank for payment. Bank may, in its sole discretion, impose variable parameters for which the payee information will not be reviewed for certain Items processed through the back office. If such parameters are imposed, Bank agrees to assume the risk of loss for an Item that would have been identified as a Paid No Issue solely on the basis of the payee information.

f. Teller Payee Positive Pay. All Positive Pay Accounts will interface with the Bank's teller system unless otherwise agreed to by Bank. In addition to the Issue File information provided by Customer for the Positive Pay Service, Customer shall include in the Issue File the payee name(s) for each Item issued by Customer. Customer shall be responsible for the accuracy and completeness of the payee information provided to Bank. In reliance on the payee information provided by Customer, Bank will compare the payee information on the Item presented for encashment at a Bank teller line with Customer's Issue File. Customer acknowledges that under some circumstances issuance information submitted by Customer may not be reflected in Customer's Issue File until the opening of the following Business Day. Customer agrees to follow Bank's established procedures should it need to manually add an Item to the Issue File. Bank will make reasonable efforts to assist Customer, but Customer acknowledges that Bank may be unable to process such requests on a same-day basis. If a special handling process for teller-cashed items is selected by Customer and agreed to by Bank, Bank shall attempt to contact Customer for approval prior to the encashment of any item that does not appear in the Issue File. Customer agrees that Bank, in its sole discretion, may refuse to cash any Paid No Issue Item, including where the payee name is not an exact match and such refusal will not be deemed to be a wrongful dishonor. In the event of dishonor, Bank will refer the presenter to Customer.

4. Reverse Positive Pay.

a. The Paid File. Customer shall identify all accounts subject to Reverse Positive Pay ("Reverse Positive Pay Account"). When an Item is presented for payment against an identified Reverse Positive Pay Account, Bank shall notify Customer prior to the designated time, and in no case later than the Business Day following the day of presentment, of

the Reverse Positive Pay Account number, Item number and amount of the presented Item (the "Paid File") and, if requested and available, shall provide Customer with the front and back images of the Items. By electing Reverse Positive Pay, Customer assumes all fraudulent and other risks associated with teller-cashed Items unless Customer provides standing instructions to Bank to disallow encashment at the teller line.

b. Payment Instructions. Customer shall compare the information provided by Bank with Customer's Item issuance records. Customer shall notify Bank prior to the deadline established by Bank of Customer's decision on any reported Items that should be dishonored. Bank may rely on any instructions received from Customer that it reasonably believes to be genuine. Bank is authorized to finally pay any Item listed on the Paid File unless the Customer instructs Bank to return the Item prior to the established deadline. Bank shall have no responsibility for any liability, loss or damage resulting from (i) a payment in accordance with this section of any Item that is altered or unsigned or which bears the forged or unauthorized signature of Customer or (ii) return of any Item to the depository bank in accordance with this section. Bank reserves the right to require Customer to place a stop payment order on any Item to be returned. Any such orders will be subject to Bank's customary stop payment fee. Customer shall notify Bank by the designated deadline if the Paid File has not been received from Bank. Bank will make reasonable efforts to provide the Paid File to Customer and honor Customer's instructions. Bank's failure to provide a Paid File will not discharge Customer's obligation with regard to any Item that was otherwise properly payable at the time of presentment.

L. LOCKBOX SERVICES

Customer agrees not to provide any form of prepaid business reply mail envelopes for use with the Lockbox Services.

Customer shall not duplicate, sell, or use in any manner such programs or documentation without the prior written consent of Bank.

5. Collections/Availability. Unless otherwise agreed, while Customer receives Lockbox Services, all collected funds held in the Lockbox Account shall be deemed to be Customer's funds for all purposes, including adjustment, attachment, execution, garnishment and other forms of legal process. The crediting and collection of items will be handled under the same agreement as applied to other commercial deposits and shall be subject to Bank's then current funds availability schedule.

6. Transmission of Information. Bank may transmit to Customer remittance information or other information received at the lockbox ("Lockbox Information") via secure electronic transmission. Customer further acknowledges that Bank has a duty to protect Lockbox Information and ensure that it is safely delivered to Customer and that Bank has deemed secure electronic transmissions to be the safest mechanism for delivery. If Customer elects to receive the Lockbox Information using other delivery means including paper reports, Internet delivery, CDs, DVDs, or other portable electronic media, Customer acknowledges that such delivery means are inherently more insecure and agrees to assume all risk, and hold Bank harmless from, any obligations, liability or losses that results from the nonreceipt, disclosure, dissemination, alteration or unauthorized access of the Lockbox Information. If Customer is the recipient of misdirected Lockbox Information, Customer shall immediately notify Bank and return the information to Bank. Customer agrees not to retain, use, copy, distribute or otherwise disclose the information in any manner.

7. Image Delivery Services. Bank shall electronically store check images, check information, remittance information or other information received at the Lockbox in accordance with Bank's record retention schedule. Customer may obtain such images or information via Internet access, CDs, DVDs or file transmission, if available, at the price outlined in the fee schedule. If the images or information are sent via CD or DVD, Customer agrees to verify the contents of the CD or DVD upon receipt and request a replacement, if necessary, within 10 days of receipt. Customer is solely responsible for safeguarding the security and confidentiality of all images and information that is stored on Customer's

computer systems, or printed or downloaded from the Internet, CDs, DVDs, other portable media, or file transmissions.

8. Credit/Debit Card Processing. If Customer desires to provide its customers with the option of making their payments via credit card or non-PIN based debit card, Customer shall first secure approval from a payment transaction processor that Bank is able to support. Credit/debit card processing shall be subject to applicable laws, rules and regulations, and the terms of any other agreement between Customer and the payment transaction processor. Customer acknowledges that Bank is acting on behalf of Customer to merely initiate the authorization of payments at the Lockbox site, and that Bank shall have no responsibility for chargebacks, processing fees, payment disputes or other matters related to the credit/debit card transaction. Bank shall enter the credit/debit card information using its best efforts and if adjustments are subsequently required, Customer shall be responsible for handling all adjustments.

9. Foreign currency-denominated items and items drawn on foreign banks. If Customer desires to have non-US dollar items processed by Bank, or items denominated in US dollars but drawn on a foreign bank, Bank shall handle the items within parameters established by Bank based on amount, the type of currency and other considerations outlined in the Implementation Documents. If the item does not fall within Bank's parameters for processing, Bank shall return the item unprocessed to Customer or forward the item for handling as a foreign cash letter collection. If Bank provides Customer with credit at the US dollar conversion rate in effect, and if the item is subsequently returned by the drawee Bank, Bank shall charge Customer's account for the prevailing exchange rate in effect at the time of the chargeback.

10. Compliance with Applicable Law. If specific lockbox handling requirements are required in order for Customer to comply with law or regulations applicable to Customer (for example, Regulation Z), Customer agrees to immediately notify Bank of any such requirements. If Bank is unable to accommodate Customer's specific requirements, Bank or Customer may immediately terminate the Lockbox Services.

11. Customer Responsibility. With respect to each item received at the Lockbox, Customer shall indemnify and hold Bank harmless from and against any and all claims, demands, damages, losses, liabilities, penalties and expenses (including, without limitation, reasonable attorney fees and court costs at trial or on appeal) arising directly or indirectly: (i) from Customer's breach of a representation or warranty under applicable law, clearinghouse rule, Federal Reserve Operating Circular, or other similar rules or regulations; or (ii) from any other act or omission arising out of Bank's action or inaction taken pursuant to any request by Customer or pursuant to this Agreement. a. Check Date. Bank will not examine any checks or other items with respect to check dates.

b. Check Amount. If Bank is unable to determine the amount of a check, such check will be forwarded unprocessed to Customer as an exception.

c. Payee. Checks made payable to the Acceptable Payees listed in the Implementation Documents or any reasonable derivation thereof are acceptable for deposit. Checks made payable to others may be returned by Bank as exceptions. Customer warrants that each Acceptable Payee is either Customer, its affiliate, or an entity that has authorized Customer to act on its behalf for the Services provided herein. If the Acceptable Payee is an affiliate of Customer or an entity which authorized Customer to act on such entity's behalf, Customer represents and warrants that such affiliate or entity has authorized checks payable to it to be credited to the Lockbox Account. Bank may require written authorization from any Acceptable Payee or written evidence that an Acceptable Payee has authorized Customer to act on its behalf. If Customer designates 'Accept

All Payees' in the Implementation Documents and Bank accepts such designation, Bank shall process all checks for credit to the Lockbox Account regardless of the payee name on the check. Such designation may be subject to additional Bank fees. Customer agrees to indemnify and hold Bank harmless for any claims, fines, expenses, and damages that arise out of Bank's processing of checks based on Customer's 'Accept All Payees' designation.

d. Missing Signature. In the absence of a signature, Bank will process the check. Customer agrees to reimburse Bank if the check is subsequently returned.

e. Exceptions. If a check is treated as an exception, it will be forwarded by Bank to Customer with the remittance data, and not deposited or otherwise reflected in the account of Customer.

f. Correspondence. Any correspondence, invoices and miscellaneous enclosures which are included with a payment, as well as any envelope that does not contain a check, will be returned to Customer unless Customer specifies different instructions in the Implementation Documents.

g. Notation. Customer agrees that Bank shall disregard any notation on a check containing "paid in full", "lien waiver" or other restrictive notation, whether preprinted or handwritten, and treat any such check as though such notation did not appear thereon. If Customer instructs Bank not to process checks with restrictive notations, Bank will use its best efforts to detect checks bearing such notations, but Bank shall not be liable to Customer for failure to detect any such notation.

h. Document Order. Bank shall use its best efforts to process documents that are not in logical order, are difficult to identify, or which are received in unorganized large packages.

13. Lockbox Remote Capture Services. Lockbox Remote Capture Services is an optional add-on service to the Wholesale Lockbox Processing service which provides eligible customers the ability to scan and transmit to Bank lockbox payments received at office locations. Customer shall adhere to any and all applicable laws, regulations and clearinghouse rules, including but not limited to, obtaining all necessary consents and authorizations from, and/or providing all necessary disclosures to, its customers concerning the conversion of such customers' checks to ACH Entries. Customer is solely responsible for ascertaining the content, method, and frequency of any required authorizations and notifications.

Only original paper checks that qualify as a source document may be converted to an ACH Entry under NACHA Rules. Bank will apply certain automated internal edits and screens to determine whether the original paper check is a source document that qualifies for conversion to an ACH Entry. Customer acknowledges and agrees that Customer is the Originator of such ACH Entries under NACHA Rules regardless of whether Customer or Bank initiates the ACH Entry into the payment system. Bank shall not be liable to Customer for failure to electronically process checks if such processing would violate this Agreement, or any other agreement between Customer and Bank. If an ACH Entry is returned because the original paper check was ineligible as a source document for the ACH Entry, Bank shall use reasonable efforts to collect the check related to the ACH Entry by presenting the original paper check (if not destroyed), the check image, or a substitute check.

The purchase, installation, testing and maintenance of any and all equipment used to receive and process information from Bank is the responsibility of Customer. As soon as possible, and in any event, no later than 48 hours after Bank transmits the remittance data to Customer, Customer agrees to process all such data and to inform Bank of any incorrect, unidentifiable or unprocessable information (collectively, "Returns").

c. Bank's Responsibilities. Bank shall develop a program to process and transmit remittance data received from the Network in Customer's preferred file format. Bank shall transmit Returns to the Network when Customer provides Bank with the Return information. Bank will credit Customer's account in an amount equal to the payments received and debit Customer's account in an amount equal to any Returns and, if applicable, any Reversals (defined below).

d. Reliance on Network. Customer acknowledges that Bank's ability to process payments and remittances are dependent upon the continued use and support of the Network and third party computers housing the Network and its associated communications network. In the event that access to the Network or its computer communications system is terminated or suspended for any reason, Bank shall not be liable to Customer for any disruptions or failure to provide any part of this Service. Bank assumes no responsibility for the accuracy, timeliness or the completeness of data delivered from the Network to Bank.

e. Optional Reversal Transactions. Reversals are Network-initiated debit messages from payment originators informing of the cancellation of previous transactions. In the event of any conflict between the terms of such Confirmation and this MRA, this MRA shall prevail.

4. Margin Maintenance.

a. If at any time the aggregate Market Value of all Purchased Securities subject to all Transactions in which a particular party hereto is acting as Buyer is less than the aggregate Buyer's Margin Amount for all such Transactions (a "Margin Deficit"), then Buyer may by notice to Seller require Seller in such Transactions, at Seller's option, to transfer to Buyer cash or additional Securities reasonably acceptable to Buyer ("Additional Purchased Securities"), so that the cash and aggregate Market Value of the Purchased Securities, including any such Additional Purchased Securities, will thereupon equal or exceed such aggregate Buyer's Margin Amount (decreased by the amount of any Margin Deficit as of such date arising from any Transactions in which such Buyer is acting as Seller).

b. If at any time the aggregate Market Value of all Purchased Securities subject to all Transactions in which a particular party hereto is acting as Seller exceeds the aggregate Seller's Margin Amount for all such Transactions at such time (a "Margin Excess"), then Seller may by notice to Buyer require Buyer in such Transactions, at Buyer's option, to transfer cash or Purchased Securities to Seller, so that the aggregate Market Value of the Purchased Securities, after deduction of any such cash or any Purchased Securities so transferred, will thereupon not exceed such aggregate Seller's Margin Amount (increased by the amount of any Margin Excess as of such date arising from any Transactions in which such Seller is acting as Buyer).

c. If any notice is given by Buyer or Seller under subparagraph (a) or (b) of this Paragraph at or before the Margin Notice Deadline on any Business Day, the party receiving such notice shall transfer cash or Additional Purchased Securities as provided in such subparagraph no later than the close of business in the relevant market on such day. If any such notice is given after the Margin Notice Deadline, the party receiving such notice shall transfer such cash or Securities no later than the close of business in the relevant market on the next Business Day following such notice.

d. Any cash transferred pursuant to this Paragraph shall be attributed to such Transactions as shall be agreed upon by Buyer and Seller.

e. Seller and Buyer may agree, with respect to any or all Transactions hereunder, that the respective rights of Buyer or Seller (or both) under subparagraphs (a) and (b) of this Paragraph may be exercised only where a Margin Deficit or Margin Excess, as the case may be, exceeds a specified dollar amount or a specified percentage of the Repurchase Prices for such Transactions (which amount or percentage shall be agreed to by Buyer and Seller prior to entering into any such Transactions).

f. Seller and Buyer may agree, with respect to any or all Transactions hereunder, that the respective rights of Buyer and Seller under subparagraphs (a) and (b) of this Paragraph to require the elimination of a Margin Deficit or a Margin Excess, as the case may be, may be exercised whenever such a Margin Deficit or Margin Excess exists with respect to any single Transaction hereunder (calculated without regard to any other Transaction outstanding under this MRA).

5. Income Payments. Seller shall be entitled to receive an amount equal to all Income paid or distributed on or in respect of the Securities

that is not otherwise received by Seller, to the full extent it would be so entitled if the Securities had not been sold to Buyer. Buyer shall, as the parties may agree with respect to any Transaction (or, in the absence of any such agreement, as Buyer shall reasonably determine in its discretion), on the date such Income is paid or distributed either (i) transfer to or credit to the account of Seller such Income with respect to any Purchased Securities subject to such Transaction or (ii) with respect to Income paid in cash, apply the Income payment or payments to reduce the amount, if any, to be transferred to Buyer by Seller upon termination of such Transaction. Buyer shall not be obligated to take any action pursuant to the preceding sentence (A) to the extent that such action would result in the creation of a Margin Deficit, unless prior thereto or simultaneously therewith Seller transfers to Buyer cash or Additional Purchased Securities sufficient to eliminate such Margin Deficit, or (B) if an Event of Default with respect to Seller has occurred and is then continuing at the time such Income is paid or distributed.

6. Security Interest. Although the parties intend that all Transactions hereunder be sales and purchases and not loans, in the event any such Transactions are deemed to be loans, Seller shall be deemed to have pledged to Buyer as security for the performance by Seller of its obligations under each such Transaction, and shall be deemed to have granted to Buyer a security interest in, all of the Purchased Securities with respect to all Transactions hereunder and all Income thereon and other proceeds thereof. In all Transactions, Seller is acting as agent for Buyer. In the event of Seller's default under the MRA, Buyer has the right to either: (i) direct Seller to sell the Securities, or (ii) sell the Securities, and, following any sale pursuant to this sentence, apply the proceeds in satisfaction of Seller's liability hereunder.

7. Payment and Transfer. Unless otherwise mutually agreed, all transfers of funds hereunder shall be in immediately available funds. All Securities transferred by one party hereto to the other party (i) shall be in suitable form for transfer or shall be accompanied by duly executed instruments of transfer or assignment in blank and such other documentation as the party receiving possession may reasonably request, (ii) shall be transferred on the book entry system of a Federal Reserve Bank, or (iii) shall be transferred by any other method mutually acceptable to Seller and Buyer.

8. Segregation of Purchased Securities. To the extent required by applicable law, all Purchased Securities in the possession of Seller shall be segregated from other securities in its possession and shall be identified as subject to this MRA. Segregation may be accomplished by appropriate identification on the books and records of the holder, including a financial or securities intermediary or a clearing corporation. All of Seller's interest in the Purchased Securities shall pass to Buyer on the Purchase Date and, unless otherwise agreed by Buyer and Seller, nothing in this MRA shall preclude Buyer from engaging in repurchase transactions with the Purchased Securities or otherwise selling, transferring, pledging or hypothecating the Purchased Securities, but no such transaction shall relieve Buyer of its obligations to transfer Purchased Securities to Seller pursuant to Paragraph 3, 4 or 11 hereof, or of Buyer's obligation to credit or pay Income to, or apply Income to the obligations of, Seller pursuant to Paragraph 5 hereof.

Required Disclosure for Transactions in Which the Seller Retains Custody of the Purchased Securities

Seller is not permitted to substitute other securities for those subject to this MRA and therefore must keep Buyer's securities segregated at all times, unless in this MRA Buyer grants Seller the right to substitute other securities. If Buyer grants the right to substitute, this means that Buyer's securities will likely be commingled with Seller's own securities during the trading day. Buyer is advised that, during any trading day that Buyer's securities are commingled with Seller's securities, they [will]** [may]** be subject to liens granted by Seller to [its clearing bank]** [third parties]** and may be used by Seller for deliveries on other securities transactions. Whenever the securities are commingled, Seller's ability to re-segregate substitute securities for Buyer will be subject to Seller's ability to satisfy [the clearing]** [any]** lien or to obtain substitute securities.

On the Purchase Date for any Transaction Buyer and Seller shall each be deemed to repeat all the foregoing representations made by it.

a. The non-defaulting party may, at its option (which option shall be deemed to have been exercised immediately upon the occurrence of an Act of Insolvency), declare an Event of Default to have occurred hereunder and, upon the exercise or deemed exercise of such option, the Repurchase Date for each Transaction hereunder shall, if it has not already occurred, be deemed immediately to occur (except that, in the event that the Purchase Date for any Transaction has not yet occurred as of the date of such exercise or deemed exercise, such Transaction shall be deemed immediately canceled). The non-defaulting party shall (except upon the occurrence of an Act of Insolvency) give notice to the defaulting party of the exercise of such option as promptly as practicable.

b. In all Transactions in which the defaulting party is acting as Seller, if the non-defaulting party exercises or is deemed to have exercised the option referred to in subparagraph (a) of this Paragraph, (i) the defaulting party's obligations in such Transactions to repurchase all Purchased Securities, at the Repurchase Price therefore on the Repurchase Date determined in accordance with subparagraph (a) of this Paragraph, shall thereupon become immediately due and payable, (ii) all Income paid after such exercise or deemed exercise shall be retained by the non-defaulting party and applied to the aggregate unpaid Repurchase Prices and any other amounts owing by the defaulting party hereunder, and (iii) the defaulting party shall immediately deliver to the non-defaulting party any Purchased Securities subject to such Transactions then in the defaulting party's possession or control.

c. In all Transactions in which the defaulting party is acting as Buyer, upon tender by the non-defaulting party of payment of the aggregate Repurchase Prices for all such Transactions, all right, title and interest in and entitlement to all Purchased Securities subject to such Transactions shall be deemed transferred to the non-defaulting party, and the defaulting party shall deliver all such Purchased Securities to the non-defaulting party.

d. If the non-defaulting party exercises or is deemed to have exercised the option referred to in subparagraph (a) of this Paragraph, the non-defaulting party, without prior notice to the defaulting party, may: (i) as to Transactions in which the defaulting party is acting as Seller, (A) immediately sell, in a recognized market (or otherwise in a commercially reasonable manner) at such price or prices as the non-defaulting party may reasonably deem satisfactory, any or all Purchased Securities subject to such Transactions and apply the proceeds thereof

to the aggregate unpaid Repurchase Prices and any other amounts owing by the defaulting party hereunder or (B) in its sole discretion elect, in lieu of selling all or a portion of such Purchased Securities, to give the defaulting party credit for such Purchased Securities in an amount equal to the price therefore on such date, obtained from a generally recognized source or the most recent closing bid quotation from such a source, against the aggregate unpaid Repurchase Prices and any other amounts owing by the defaulting party hereunder; and (ii) as to Transactions in which the defaulting party is acting as Buyer, (A) immediately purchase, in a recognized market (or otherwise in a commercially reasonable manner) at such price or prices as the non-defaulting party may reasonably deem satisfactory, securities ("Replacement Securities") of the same class and amount as any Purchased Securities that are not delivered by the defaulting party to the non-defaulting party as required hereunder or (B) in its sole discretion elect, in lieu of purchasing Replacement Securities, to be deemed to have purchased Replacement Securities at the price therefore on such date, obtained from a generally recognized source or the most recent closing offer quotation from such a source. The parties acknowledge and agree that (1) the Securities subject to any Transaction hereunder are instruments traded in a recognized market, (2) in the absence of a generally recognized source for prices or bid or offer quotations for any Security, the non-defaulting party may establish the source therefore in its sole discretion and (3) all prices, bids and offers shall be determined together with accrued Income (except to the extent contrary to market practice with respect to the relevant Securities).

e. As to Transactions in which the defaulting party is acting as Buyer, the defaulting party shall be liable to the non-defaulting party for any excess of the price paid (or deemed paid) by the non-defaulting party for Replacement Securities over the Repurchase Price for the Purchased Securities replaced thereby and for any amounts payable by the defaulting party under Paragraph 5 hereof or otherwise hereunder.

f. For purposes of this Paragraph 11, the Repurchase Price for each Transaction hereunder in respect of which the defaulting party is acting as Buyer shall not increase above the amount of such Repurchase Price for such Transaction determined as of the date of the exercise or deemed exercise by the non-defaulting party of the option referred to in subparagraph (a) of this Paragraph.

h. To the extent permitted by applicable law, the defaulting party shall be liable to the non-defaulting party for interest on any amounts owing by the defaulting party hereunder, from the date the defaulting party becomes liable for such amounts hereunder until such amounts are (i) paid in full by the defaulting party or (ii) satisfied in full by the exercise of the non-defaulting party's rights hereunder. Interest on any sum payable by the defaulting party to the non-defaulting party under this Paragraph 11(h) shall be at a rate equal to the greater of the Pricing Rate for the relevant Transaction or the Prime Rate.

i. The non-defaulting party shall have, in addition to its rights hereunder, any rights otherwise available to it under any other agreement or applicable law.

12. Single Agreement. Buyer and Seller acknowledge that, and have entered hereinto and will enter into each Transaction hereunder in consideration of and in reliance upon the fact that, all Transactions hereunder constitute a single business and contractual relationship and have been made in consideration of each other. Accordingly, each of Buyer and Seller agrees (i) to perform all of its obligations in respect of each Transaction hereunder, and that a default in the performance of any such obligations shall constitute a default by it in respect of all Transactions hereunder, (ii) that each of them shall be entitled to set off claims and apply property held by them in respect of any Transaction against obligations owing to them in respect of any other Transactions hereunder and (iii) that payments, deliveries and other transfers made by

13. Notices and Other Communications. Any and all notices, statements, demands or other communications hereunder may be given by a party to the other by mail, facsimile, telegraph, messenger or otherwise to the address specified by Bank, or so sent to such party at any other place specified in a notice of change of address hereafter received by the other. All notices, demands and requests hereunder may be made orally, to be confirmed promptly in writing, or by other communication as specified in the preceding sentence.

14. Entire Agreement; Severability. This MRA shall supersede any existing agreements between the parties containing general terms and conditions for repurchase transactions. Each provision and agreement herein shall be treated as separate and independent from any other provision or agreement herein and shall be enforceable notwithstanding the unenforceability of any such other provision or agreement.

15. Nonassignability; Termination.

a. The rights and obligations of the parties under this MRA and under any Transaction shall not be assigned by either party without the prior written consent of the other party, and any such assignment without the prior written consent of the other party shall be null and void. Subject to the foregoing, this MRA and any Transactions shall be binding upon and shall inure to the benefit of the parties and their respective successors and assigns. This MRA may be terminated by either party upon giving written notice to the other, except that this MRA shall, notwithstanding such notice, remain applicable to any Transactions then outstanding.

b. Subparagraph (a) of this Paragraph 15 shall not preclude a party from assigning, charging or otherwise dealing with all or any part of its interest in any sum payable to it under Paragraph 11 hereof.

16. Governing Law. This MRA shall be governed by the laws of the State of New York without giving effect to the conflict of law principles thereof.

17. No Waivers, Etc. No express or implied waiver of any Event of Default by either party shall constitute a waiver of any other Event of Default and no exercise of any remedy hereunder by any party shall constitute a waiver of its right to exercise any other remedy hereunder. No modification or waiver of any provision of this MRA and no consent by any party to a departure herefrom shall be effective unless and until such shall be in writing and duly executed by both of the parties hereto. Without limitation on any of the foregoing, the failure to give a notice pursuant to Paragraph 4(a) or 4(b) hereof will not constitute a waiver of any right to do so at a later date.

18. Use of Employee Plan Assets.

a. If assets of an employee benefit plan subject to any provision of the Employee Retirement Income Security Act of 1974 ("ERISA") are intended to be used by either party hereto (the "Plan Party") in a Transaction, the Plan Party shall so notify the other party prior to the Transaction. The Plan Party shall represent in writing to the other party that the Transaction does not constitute a prohibited transaction under ERISA or is otherwise exempt therefrom, and the other party may proceed in reliance thereon but shall not be required so to proceed.

b. Subject to the last sentence of subparagraph (a) of this Paragraph, any such Transaction shall proceed only if Seller furnishes or has furnished to Buyer its most recent available audited statement of its financial condition and its most recent subsequent unaudited statement of its financial condition.

c. By entering into a Transaction pursuant to this Paragraph, Seller shall be deemed (i) to represent to Buyer that since the date of Seller's latest such financial statements, there has been no material adverse change in Seller's financial condition which Seller has not disclosed to Buyer, and (ii) to agree to provide Buyer with future audited and unaudited statements of its financial condition as they are issued, so long as it is a Seller in any outstanding Transaction involving a Plan Party.

19. Intent.

a. The parties recognize that each Transaction is a "repurchase agreement" as that term is defined in Section 101 of Title 11 of the United States Code, as amended (except insofar as the type of Securities subject to such Transaction or the term of such Transaction would render such definition inapplicable), and a "securities contract" as that term is defined in Section 741 of Title 11 of the United States Code, as amended (except insofar as the type of assets subject to such Transaction would render such definition inapplicable).

b. It is understood that either party's right to liquidate Securities delivered to it in connection with Transactions hereunder or to exercise any other remedies pursuant to Paragraph 11 hereof is a contractual right to liquidate such Transaction as described in Sections 555 and 559 of Title 11 of the United States Code, as amended.

c. The parties agree and acknowledge that if a party hereto is an "insured depository institution," as such term is defined in the Federal Deposit Insurance Act, as amended ("FDIA"), then each Transaction hereunder is a "qualified financial contract," as that term is defined in FDIA and any rules, orders or policy statements thereunder (except insofar as the type of assets subject to such Transaction would render such definition inapplicable).

d. It is understood that this MRA constitutes a "netting contract" as defined in and subject to Title IV of the Federal Deposit Insurance Corporation Improvement Act of 1991 ("FDICIA") and each payment entitlement and payment obligation under any Transaction hereunder shall constitute a "covered contractual payment entitlement" or "covered contractual payment obligation", respectively, as defined in and subject to FDICIA (except insofar as one or both of the parties is not a "financial institution" as that term is defined in FDICIA).

20. Disclosure Relating to Certain Federal Protections. The parties acknowledge that they have been advised that:

a. In the case of Transactions in which one of the parties is a broker or dealer registered with the Securities and Exchange Commission ("SEC") under Section 15 of the Securities Exchange Act of 1934 ("1934 Act"), the Securities Investor Protection Corporation has taken the position that the provisions of the Securities Investor Protection Act of 1970 ("SIPA") do not protect the other party with respect to any Transaction hereunder;

b. In the case of Transactions in which one of the parties is a government securities broker or a government securities dealer registered with the SEC under Section 15C of the 1934 Act, SIPA will not provide protection to the other party with respect to any Transaction hereunder; and

c. In the case of Transactions in which one of the parties is a financial institution, funds held by the financial institution pursuant to a Transaction hereunder are not a deposit and therefore are not insured by the Federal Deposit Insurance Corporation or the National Credit Union Share Insurance Fund, as applicable.

Customer is solely responsible for initiating Transfer Requests sufficiently in advance to meet Customer's contractual obligations to its vendors and/or customers. Bank shall not be responsible for any late payment or finance charges that may result from Customer's failure to

allow sufficient lead-time to make a Transfer Request. Bank and any other financial institution may rely on the account, routing, or BIC numbers in the Transfer Requests even if such numbers do not correspond to the name of Customer, the Beneficiary or the Beneficiary Bank.

4. Amendment or Cancellation of Transfer Requests. Customer does not have the right to reverse, adjust or revoke any Transfer Request after it has been received by Bank; provided, however, that Bank will make a reasonable effort to act on such a request by Customer. With respect to a Transfer Request that has already been Executed, Bank shall, at Customer's request, request that the Beneficiary Bank return all or a portion of the funds. Bank may also provide Customer with information on accounts maintained at Bank. If Customer elects to receive notifications and other account information via SWIFT, Customer shall exercise extreme care in maintaining its own security in the receipt of the notifications or information. Customer acknowledges that the data received via SWIFT may include confidential information, including, without limitation, names, amounts, phone numbers, and account information. Customer further acknowledges that it alone assumes full responsibility for maintenance of its internal security procedures to keep such information confidential.

7. Limits on Bank's Liability. Bank will use reasonable efforts to provide notifications and information in a prompt fashion, but shall not be liable for the temporary failure to provide timely data. Bank assumes no responsibility for any delays caused, or for inaccurate or incomplete information provided, by the SWIFT network or third party banks with respect to payments and related information. Bank shall not be responsible for the acts or omission of Customer, the SWIFT network, other financial institution, or any other person. Payment to a foreign country is subject to the laws of the foreign country involved. Bank assumes no liability for foreign exchange risk, delays, non-delivery or other events resulting from causes beyond Bank's control.

8. SCORE. If Customer accesses the SWIFT-Related Services using SCORE, Customer shall additionally comply with applicable SWIFT agreements, documentation, user guides and all other instructions and recommendations provided by SWIFT or by Bank in relation to the use of SCORE or the SWIFT-Related Services. Customer acknowledges that Bank does not regulate the set-up and provision of SWIFT membership, joining the SWIFT network or SCORE, the SWIFT network security, or the facilities necessary to access and use them. Customer represents that it is, and will throughout the term of this Service remain, an authorized SWIFT participant. Customer authorizes Bank to act on any instruction contained in a SWIFT message received by Bank through SCORE which appears to have been sent by Customer. network. FileAct supports both interactive (real-time) and store-and-forward modes. Prior to implementation, Customer shall verify that Bank is capable of supporting the file formats and transaction types that Customer wishes to transmit. If the file format and transaction type is supported by Bank, Customer agrees that the processing of each file shall be additionally subject to all applicable Sections of the Agreement.

V. TERMS APPLICABLE TO SPECIFIC FOREIGN EXCHANGE SERVICES

The following are additional terms and conditions applicable to all Foreign Exchange Services offered by Bank. Bank may change the number or type of Services offered at any time.

1. Conflicting Provisions. With respect to all foreign exchange transactions or other derivative products entered into by Customer, to the extent that any provision of this Agreement conflicts with a provision of any ISDA Master Agreement by and between Customer and Bank or any documents related thereto (the "ISDA"), the ISDA terms shall govern.

2. Foreign Exchange Risk. Many banking and finance transactions carry risk. All foreign exchange transactions, including but not limited to, swaps, options, forwards, foreign exchange transactions currency accounts, and other similar derivatives and related products involve unique risks specific to the nature of these types of transactions and the currency market. These types of transactions are not suitable for all Customers. Customer should fully understand the nature and extent of exposure to risk of loss, if any, which in some circumstances may significantly exceed the amount of any initial payment made by or to Customer. All decisions to enter into foreign exchange transactions should be made by Customer giving appropriate consideration to Customer's experience, objectives, financial resources and business environment.

3. Arm's Length Transactions. Bank is acting solely in the capacity of an arm's length contractual counterparty and not in the capacity of financial advisor to Customer or fiduciary unless otherwise explicitly agreed in writing and then only to the extent so provided.

A. FOREIGN EXCHANGE WEB

1. Introduction. Bank may provide foreign exchange services to Customer in connection with U.S. Bank Foreign Exchange Web, a private Internet site owned and operated by Bank ("USB FX Web"). If requested by Customer and agreed to by Bank, Bank will provide USB FX Web services in accordance with this Agreement and other procedures provided to the Customer. Customer agrees that Customer's use of USB FX Web and all transactions initiated thereby shall be governed by this Section, all other relevant sections of the Agreement, and any other related disclosures provided to Customer, in either paper or electronic format. USB FX Web shall be available only during normal business hours as established by Bank, which may vary by day or location. Notwithstanding anything to the contrary herein, Bank does not confirm that the person authorizing any USB FX Web transaction is an Authorized Signer or is otherwise authorized to conduct any USB FX Web transaction on behalf of Customer.

2. Access Devices. USB FX Web shall be available only during normal business hours as established by Bank, which may vary by day or location. Once Bank has granted Customer access to USB FX Web, System Administrator(s) designated by Customer in the Implementation Documents will be provided with one or more access devices, which may include cards, identification numbers and/or passwords. Customer shall use USB FX Web in accordance with the security procedures set forth in this Agreement.

3. Trades.

a. General Procedures. By clicking one or more buttons in USB FX Web, Customer informs Bank that Customer wishes to purchase or sell a stated amount of currency against a second currency on a designated date ("Settlement Date") either unconditionally or at a displayed exchange rate, if one may be obtained ("Trade"). Any transaction that results following the submission of a Trade shall be Customer's legally binding obligation. Trades submitted to Bank via USB FX Web shall be effective only upon acceptance by Bank. Bank will establish from time to time specific times of day after which Trades will not be processed on a "same-day" or "next-day" basis. Trades submitted after Bank's deadline will be considered received on the next business day. Deadlines will differ depending on the Trade currency and other factors. Customer is solely responsible for the accuracy and completeness of any settlement instructions delivered to Bank through USB FX Web and such settlement instructions are subject to the concurrence of Bank. Bank shall make reasonable efforts to provide information and status of the terms of any Trade on the USB FX Web site, or by other means established by Bank. Failure by Bank to confirm a Trade for any reason, including without limitation computer malfunction, shall not excuse Customer's obligations related to any Trade. Bank's internal records with respect to each Trade shall constitute conclusive evidence of the terms of each Trade. The terms of each Trade shall be incorporated into and become part of this Agreement.

b. Payment. Once a Trade has been made, Customer agrees to make payment or delivery of currency to Bank on the Settlement Date of the Trade in accordance with the settlement instructions provided by Customer, plus any applicable fees or charges. Should Customer instruct Bank to settle a Trade by debiting an account, Customer agrees to maintain sufficient available funds in the account to settle on the Settlement Date. Should funds be insufficient to settle the trade on the Settlement Date, Bank reserves the right in its sole discretion to debit any of Customer's account with the Bank in the amount of Trade, subject to applicable account fees and charges, or to cancel the Trade.

c. Cancellation or Change. Customer acknowledges and agrees that Customer shall have no right to cancel or reverse a Trade once submitted. Bank will, however, make reasonable efforts in its sole and complete discretion to cancel or amend the terms of a Trade upon Customer's request. Should a Trade be successfully canceled or amended, or in the event that a Trade is canceled due to failure by Customer to make settlement on the Settlement Date or failure to provide Bank with complete settlement instructions prior to the Settlement Date of a Trade, Customer agree to reimburse Bank for any breakage costs and other expenses incurred by Bank to cancel or amend the Trade, including any fees imposed for this extraordinary service. Bank reserves the right to adjust the exchange rate on any

Trade requiring a new Settlement Date to reflect any costs associated with carrying that Trade to a new Settlement Date.

4. Orders.

a. General Procedures. Bank may offer and agree to accept conditional instructions from Customer to Bank to buy or sell a stated amount of foreign exchange against U.S. dollars based upon exchange rate target prices ("Orders") via USB FX Web. All Orders requests submitted to the Bank through USB FX Web will not become active until accepted by the Bank. Bank in its sole discretion may decline to accept any Order. All Orders must be in liquid, actively traded currencies, and must contain a U.S. dollar component. If an expiration date is not specified, Orders will remain open until filled. Orders must be for an amount of currency equivalent to at least \$100,000 U.S. dollars, based upon the exchange rate contained in the Order. Either Bank or Customer may cancel an Order that has been accepted by Bank at any time prior to the execution of that Order. Cancellations, however, must be effected by direct telephone communication between Bank and Customer. Bank shall have a reasonable time to act on any request for cancellation. An Order that has been filled will be binding on the Customer, even if it has not yet been communicated to the Customer as filled. Customer shall have no right to cancel an Order once filled by Bank. Note that there is no single facility, exchange, or system for the exchange of currencies and therefore, prices that fulfill the requirements of Orders may be reached at some place in the world at some time of day that is not apparent to Bank or its agents. Bank and its agents monitor markets and systems that are generally best representative of the primary market for foreign exchange, and can only be responsible for filling Orders based upon prices traded or available in those markets or systems.

b. Types of Orders. Two types of Orders may be transacted via USB FX Web.

- (i) Limit/Profit Orders.** Limit/Profit Orders are Orders placed above the current exchange price for sellers and below the current exchange price for buyers. A Limit/Profit Order to sell foreign currency would yield more dollars at the Order price than at the current exchange price and are filled only if wholesale buyers begin bidding for the foreign currency specified in the Order against U.S. dollars at a price equal to or higher than the price stated in the Order. A Limit/Profit Order to buy foreign currency would cost fewer dollars at the Order price than at the current exchange price and are filled if wholesale sellers begin offering the foreign currency specified in the Order against U.S. dollars at a price equal to or less than the price stated in the Order. All Limit/Profit Orders are filled only when they can be filled at a price equal to or better (for the Customer) than the Order price. Limit/Profit Orders for \$5,000,000 U.S. dollar equivalent or less will be executed in full, should all the conditions of the Order be met. If Bank or its agents cannot find sufficient liquidity to fill the complete Order at the requested price Limit/Profit, Orders for more than \$5,000,000 U.S. dollars may be filled for less than the Order amount, but in no event for less than \$5,000,000 U.S. dollars. Orders larger than \$5,000,000 U.S. dollar equivalent with an "all or none" limitation may not be placed through USB FX Web.
- (ii) Stop/Loss Orders.** Stop/Loss Orders are Orders placed below the current exchange price for sellers, and above the current exchange price for buyers. A Stop/Loss Order to sell foreign currency would yield fewer dollars at the Order price than at the current exchange price and becomes a market Order to be executed at the next available price(s), when actual wholesale market trades are observed to have been executed at or below the Order price. A Stop/Loss Order to buy foreign currency would cost more dollars at the Order price than at the current exchange price and becomes a market Order to be executed at the next available price(s), when actual wholesale market trades are observed to have been executed at or above the Order price. The fill price may be better than, equal to, or worse than the Order price. A Stop/Loss Order may also be filled at multiple prices. The Customer bears all market risk on a Stop/Loss Order.

c. Limited Liability. Bank will rely on market information that it deems adequate and appropriate to determine if, when, and how an Order

should be executed. However, Order execution is on a best-efforts basis, and no assurance is given that Bank's traders or agents can or will have access to or even observe every bid, offer, or trade available in the over-the-counter foreign exchange market. Except for manifest error, Bank's decisions, prices, execution, or non-execution of Orders will be final and conclusive.

5. Foreign Currency Drafts. Bank may offer and agree to provide a service whereby Bank shall act as Customer's agent to arrange for the payment of foreign drafts issued by the Customer via USB FX Web ("Foreign Drafts"), which are drawn on the Bank's accounts at various banks with which Bank has a correspondent relationship (each a "Drawee Bank"). Foreign Drafts may not exceed the monetary draft limit communicated to Customer by Bank from time to time in writing. Customer shall draw Foreign Drafts only in accordance with the terms of this Agreement and any related procedures.

a. Stop Payment Orders. Upon receipt of a stop payment order, Bank shall make reasonable efforts to ascertain whether the Foreign Draft has been paid by the Drawee Bank. If such Foreign Draft has not been paid, Bank will send a stop payment notice to the Drawee Bank. Bank shall have no liability for the Drawee Bank's payment of a Foreign Draft over a stop payment order processed by Bank or if the stop payment order does not prevent a Foreign Draft from being legally enforceable for any reason.

b. Refund; Replacement Foreign Drafts. Customer may request Bank to refund the amount of a Foreign Draft or issue a replacement Foreign Draft (the "Replacement Foreign Draft") if the original Foreign Draft and duplicate, if any, are surrendered to U.S. Bank properly endorsed. If the original Foreign Draft is unavailable, Bank will refund the amount of the Foreign Draft or issue a Replacement Foreign Draft in accordance with the terms of the applicable Lost, Stolen or Destroyed Foreign Drafts Affidavit. Any refund shall be at the U.S. dollar equivalent of the amount of the Foreign Draft based upon Bank's buying rate on the date of the refund, and Bank shall deduct from such refund all expenses or fees incurred by Bank or the Drawee Bank in connection with the refund. If Bank determines that there is no ready market for the currency specified in the Foreign Draft, Bank may decline to make such refund unless and until Bank determines such a market exists. Any Replacement Foreign Draft issued shall be priced at the selling rate for the original Foreign Draft.

c. Liability. In addition to liability limitations elsewhere in this Agreement, Bank's liability for any loss or damage shall not exceed the total amount of the fee charged to Customer related to the particular Foreign Draft which gave rise to the loss or damage. Neither Bank nor the Drawee Bank shall be liable for any loss, cost or expenses resulting from the delay in presenting the Foreign Draft for payment or from the refusal or inability of the Drawee Bank to pay the Foreign Draft by reason of any law, decree, moratorium, regulation, compulsion or control of public authority or of domestic or foreign government, de jure or de facto, or any agency thereof, or resulting from declared or undeclared war, censorship, blockade, revolution, insurrection or civil commotion.

d. Drafts; Safekeeping. Bank may deliver to Customer from time to time blank draft forms. Customer shall hold all such draft forms and completed drafts in safekeeping until their use in an authorized transaction by authorized personnel. Customer must destroy all canceled or otherwise used forms and notify Bank in accordance with the procedures.

e. Fees. Customer agrees to pay any service charges incurred by Bank in connection with this service and charges for special services, such as stop payment orders or expenses incurred in attempting to recover the proceeds of erroneously paid Foreign Drafts.

f. Indemnification. Except to the extent caused by Bank's gross negligence or willful misconduct, and except to the extent recovered from the Drawee Bank, the payee or its transferee, Customer shall be liable for and shall indemnify Bank, its directors, officers, employees and agents against any loss, cost or expense (including attorney's fees) arising out of or relating to a Foreign Draft drawn by Customer, including without limitation, the unauthorized completion or use of a Foreign Draft, conversion of a Foreign Draft, regardless of whether the conversion occurs while the Foreign Draft is held by Customer in safekeeping or thereafter, the use of a Foreign Draft for any illegal purpose, the Drawee

Bank's payment of a Foreign Draft to a party other than the payee or an authorized transferee, the placement of a stop payment order, the Drawee Bank's failure to honor a timely stop payment order, the Drawee Bank's failure or refusal to pay the Foreign Draft upon presentment, loss of use of funds while recovering a canceled Foreign Draft, errors in the payment of the Foreign Draft, conditions beyond the reasonable control of Bank, exchange rate fluctuations, the insolvency of the Drawee Bank, foreign exchange disruption or suspension caused by political or economic conditions in the Drawee Bank's country or the United States. In the event of any such loss, cost or expense where recovery may be made against persons in the Drawee Bank's country, Bank will make reasonable efforts to assist Customer in attempting to obtain a recovery from those persons; provided, however, that Customer agrees to pay the expense of such recovery efforts, including attorney's fees, and assumes the risk of loss if the recovery efforts do not succeed. Customer's indemnity obligations shall survive any termination of this Agreement.

6. Funds Transfers. Customer authorizes Bank to execute and charge the designated Customer account(s) for wire transfer payment orders delivered to Bank via USB FX Web. Customer agrees that all such wire transfer payment orders will be governed by the relevant Sections of this Agreement.

7. Representations and Warranties. Customer represents and warrants to Bank as of the date of this Agreement and as of the date of each Trade that: (i) Customer is authorized to enter into this Agreement and any Trade, (ii) the persons entering into the Agreement (and each Trade) on Customer's behalf have been duly authorized to do so, (iii) the Agreement (and each Trade) is binding and enforceable against Customer in accordance with its terms, (iv) no Termination Event has occurred or is continuing and (v) Customer is acting as principal with respect to each Trade.

8. Close-Out Events. Each of the following events shall constitute a close-out event under this Agreement (each a "Close-Out Event"): (i) failure by Customer to pay Bank for any amounts due under this Agreement or any Trade, (ii) any voluntary or involuntary insolvency proceeding (including without limitation any proceeding under any bankruptcy, insolvency or other similar laws governing the operations of Customer) shall have been commenced against Customer, (iii) Customer fails, or is otherwise unable, to pay its debts as they become due, (iv) Customer disaffirms, disclaims or repudiates any Trade, (v) any representation made by Customer under this Agreement shall prove to have been false or misleading in any material way at the time that it was made, (vi) Customer shall be in default of any agreement between Customer and Bank or its subsidiaries or affiliates.

9. Rights Upon Close-Out Event. If a Close-Out Event has occurred, Bank shall have the right to terminate this Agreement and, upon notice to Customer, close out all outstanding Trades on a date specified by Bank (the "Close-Out Date"). In such event, Bank shall liquidate such Trades by calculating in good faith the gain or loss of all Trades as follows: (i) determine the close out amount of each Trade, which shall be equal to the sum of the face value of each Trade in a particular currency with a Settlement Date that is the same or later than the Close-Out Date and the face value of each Trade in the same currency with a Settlement Date prior to the Close-Out Date, plus interest at the overnight LIBOR rate from and including the Settlement Date, but excluding the Close-Out Date, (ii) convert the close out amount of each group of like currency Trades into United States Dollars at the rate of exchange at which, at the time of the calculation, Bank may buy U.S. Dollars with or against currency of each closed out Trade and (iii) determine for each Trade the sums that would have been owed by Customer to Bank and the sums that would be owed by Bank to Customer (adjusted to present value by discounting the gain or loss at overnight LIBOR from and including the Settlement Date, but excluding the Close-Out Date). The preceding amounts shall be aggregated, so that all such amounts are netted into a single liquidated amount payable to or by Bank. Customer shall pay on demand any amounts owing to Bank pursuant to this section and Bank's calculations shall be conclusively binding against Customer, absent manifest error.

B. FOREIGN CURRENCY ACCOUNTS

1. Introduction. If requested by Customer and agreed to by Bank, Customer may open a Foreign Currency Account ("FCA") at either U.S. Bank National Association ("Standard FCA") or U.S. Bank National Association, Cayman Branch ("Cayman FCA").

2. Permitted Deposits. Bank may accept the following for deposit into a FCA:

- a. Proceeds of matured foreign exchange purchase contracts;
- b. Proceeds of foreign currency denominated letters of credit or collection;
- c. Incoming international funds transfers;
- d. Proceeds of loan disbursements; or
- e. Checks and other items subject to collection may not be available until funds are received by Bank.

Bank will not accept currency or coin for deposit into a FCA. Deposits not specifically enumerated above may be allowed if agreed to by Bank in writing. Only collected and verified funds can be deposited into a FCA, whereupon funds will be immediately available for withdrawal or transfer by Customer.

3. Withdrawals. Customer can make withdrawals out of a FCA in the following ways:

- a. Settlement of a foreign currency exchange sale contract;
- b. Negotiation of foreign currency denominated letters of credit or collection;
- c. Outgoing international funds transfers by wires initiated in accordance with Bank procedures; or
- d. Payment of a foreign currency loan.

Each of these methods of making a withdrawal will result in an immediate debit to the FCA for the entire amount Customer has elected to withdraw from such FCA.

4. Interest. Interest rates offered on Standard FCAs and Cayman FCAs are determined in Bank's discretion based on the applicable currency. Such interest rates may be set at zero or at a negative interest rate. Interest is calculated based on the average daily balance method. The average daily balance method is an annualized rate that reflects the relationship between the amount of interest each fiscal month and the average daily balance in the account for such fiscal month.

5. Denomination. Customer will elect the denomination of each FCA on a separate account opening document. Transfers of funds into and out of a FCA in the currency in which that particular FCA is denominated will be made without regard to the equivalent value of that sum of foreign currency in U.S. Dollars or other foreign currencies. Transfers of funds into and out of a FCA in a currency other than the currency in which that particular FCA is denominated may be accommodated by the Bank in its discretion. Such transfers will be made at the prevailing exchange rate determined by Bank.

6. Non-Business Days. In addition to Non-Business Days specified in the Agreement, there will occasionally be other days on which Bank cannot process or complete a transaction due to holidays in foreign countries (including, but not limited to, Cayman Island holidays with respect to Cayman FCAs).

7. Other Terms. Bank may refuse a deposit, limit the amount which Customer may deposit, return all or any part of a deposit, or require that Customer close a FCA at any time. Bank may also close a FCA without prior notice and remit to Customer any balance remaining after taking into account all pending debits and charges against such FCA..

8. Foreign Currency Account Risks. Investing in any currency other than the base currency of the Customer carries risk. The value of the balances in such accounts may be significantly affected by changes in currency exchange rates. Some other risks of maintaining foreign currency balances include, but are not limited to: the effects of a different economic system in a foreign country, future political and economic developments, possible imposition of exchange controls or

other government restrictions, and with respect to certain countries, the possibility of expropriation or confiscatory taxation, political or social instability, or diplomatic developments which could adversely affect the value of the currency. Should Bank's balances in a foreign country become blocked or withdrawals by Bank become otherwise restricted, Customer's funds in the FCA will likewise be blocked or otherwise restricted.

WHILE DEPOSITS IN STANDARD FCAS MAY BE INSURED BY THE FEDERAL DEPOSIT INSURANCE CORPORATION ("FDIC") UP TO A MAXIMUM AMOUNT ALLOWED BY LAW, CUSTOMER IS NOT PROTECTED BY BANK AGAINST FOREIGN CURRENCY EXCHANGE RATE FLUCTUATIONS OR FROM INABILITY TO ACCESS FUNDS FROM FOREIGN REGULATIONS BY THE FDIC INSURANCE, OR ANY OTHER INSURANCE OR GUARANTY PROGRAM. CUSTOMER ASSUMES ALL RISK OF LOSS ARISING FROM ANY ACTION TAKEN WITH RESPECT TO THE CAYMAN FCAs BY THE GOVERNMENT OF THE CAYMAN ISLANDS OR ANY SOVEREIGN OR MILITARY POWER (DE FACTO OR DE JURE). IN THE UNLIKELY EVENT OF BANK FAILURE, THE BALANCES RESIDING IN CUSTOMER'S CAYMAN FCA WILL NOT BE DEEMED "DEPOSITS" UNDER RULES PROMULGATED BY THE FDIC AND WILL THEREFORE NOT BE INSURED BY THE FDIC. CUSTOMER'S CLAIM FOR FUNDS HELD IN THE CAYMAN FCA WILL BE TREATED AS UNSECURED GENERAL CREDITOR CLAIMS.

9. Limitations on Liability.

In addition to other limitations on liability set forth in this Agreement, Customer expressly releases and holds harmless Bank, and its affiliates, agents and employees, from any liability, loss, damage or claim related to currency exchange rates or fluctuations in value of the currency in which the applicable FCA is denominated with respect to the U.S. Dollar and other currencies. Customer hereby assume all risks related to currency exchange rates and fluctuations in currency values, including that the foreign currency in a FCA might be worthless, in U.S. Dollars or other foreign currencies, than the U.S. Dollar or other foreign currency equivalent of such funds at the time deposited into the FCA. Bank makes no warranty and no representation about the value of any FCA balance at any time.

VI. TERMS APPLICABLE TO SPECIFIC MONEY CENTER AND SAFEKEEPING SERVICES

The following are additional terms and conditions applicable to specific Money Center and Safekeeping Services offered by Bank. Bank may change the number or type of Services offered at any time. Customer shall not be bound by the terms and conditions for the specific Services described in this Section VI to the extent Customer is not using such Service(s).

A. INVESTMENT AND DEPOSITORY SERVICES

From time to time, Customer may purchase through or from and/or sell to or through Bank certain Securities (defined below), or may make Time Deposits (defined below) at Bank through Bank's Money Center Department (the "Money Center Department"). All such transactions shall be effected upon the following terms and conditions.

1. Definitions.

a. "Securities" means all bankers' acceptances, certificates of deposit issued by financial institutions other than Bank, commercial paper, government securities as defined by the Securities Exchange Act of 1934 ("Act"), municipal securities (as defined by the Act), securities sold subject to repurchase agreements, and all other investment securities or products now or hereafter offered by Bank to Customer, other than Time Deposits.

b. "Time Deposit" means any time deposit now or hereafter maintained by Bank for Customer through the Money Center Department.

c. "Confirmation" means the confirmation statement described in paragraph 6 of this Section VI(A) below.

d. "Settlement Account" means any settlement account designated by Customer in a written notice delivered to Bank.

e. "Variable Debit" means the amount by which a debit to a Settlement Account differs from the amount of the immediately preceding debit.

2. Capacity of Bank; Compensation.

a. In General. In any transaction governed by this Section VI(A), Bank may be acting as principal, riskless principal, or agent. Bank's capacity in any transaction involving Securities is indicated on the Confirmation.

b. Transactions as Principal. When acting as a principal in transactions involving Securities, Bank will either buy Securities for its own account or sell for its own account Securities owned by Bank, whether such Securities are bought before or after receiving Customer's order. In such transactions, Bank's compensation, if any, is reflected in the price at which Bank buys and sells the Securities.

c. Transactions as Riskless Principal. When acting as a riskless principal in transactions involving Securities, Bank will, after receiving an order to buy or sell Securities from Customer, buy or sell Securities for its own account to offset a contemporaneous sale to or purchase from Customer. In such transactions Bank's compensation, if any, is reflected in the price at which Bank buys and sells the Securities.

d. Transactions as Agent. When acting as Customer's agent, Bank will buy or sell Securities solely for Customer's account. In such transactions, Bank's compensation due from Customer, if any, is the amount of agency service charge indicated on the Confirmation.

e. Additional Fees. In addition to compensation received as a principal, riskless principal, or an agent, Bank (and the financial institution maintaining the Settlement Account, if other than Bank) may charge additional fees for services related to a transaction as specified in the current fee schedule as provided to Customer, which may be amended from time to time upon notice to Customer.

f. Other Compensation. Bank shall not be prohibited from contracting for and receiving a fee or other compensation from any other party in connection with any transaction hereunder, and any such fee or compensation from such other party shall be in addition to, and shall not be applied as a reduction of, any fee or compensation due from Customer to Bank. Such additional compensation may include, without limitation, applicable advisory, custodial, distribution and/or shareholder service fees (which may be paid as 12b-1 service fees) that Bank or its

affiliates may receive from various mutual funds and/or mutual fund service providers, based upon moneys invested in the funds, and Customer acknowledges that those fees may be paid to Bank for such services.

3. Transaction Requests. Each transaction will be made pursuant to Customer's verbal or written request, or electronically via a trading system provided or approved by Bank. Customer may give written instructions to Bank via email by sending such instructions to Bank's email address of record, in accordance with the delivery requirements of this Section VI(A), as designated from time to time by Bank. In the event transaction requests are submitted to Bank via email, Bank is authorized to act upon any such transaction request received immediately upon receipt thereof. Bank is under no obligation to deliver to Customer acknowledgement that it has received Customer's transaction request received via email. Bank may reject, refuse to honor, or reverse all or any portion of any transaction request with or without notice. All claims against Bank for failure to properly follow the instructions of Customer must be made within sixty (60) days from the date on which the instructions were received by Bank or such claims are expressly waived by Customer. Customer acknowledges that with respect to certain money market, mutual fund or other similar investments that Customer may acquire through Bank, such funds may from time to time have an ownership interest in securities issued by Bank or its affiliates. If on or before the settlement date, Customer fails to pay in full for any security purchased or fails to deliver security sold, Bank is authorized in its discretion and without notice or demand to take any one or more of the following actions: cancel the transaction; sell the securities covered thereby; 'buy-in' securities or other property required to make delivery; charge Customer's Settlement Account for the amount due; hold Customer liable for any resulting loss, including but not limited to, the interest cost to carry any securities purchased; or impose fees.

4. Settlement Account. Unless otherwise specified, Customer unconditionally authorizes, empowers, and directs Bank (and any financial institution maintaining the Settlement Account) to: (i) debit the Settlement Account on the settlement date indicated on the Confirmation for the full amount of each transaction effected under this Section VI(A) (including all fees and charges payable hereunder), notwithstanding that such debit may cause the Settlement Account to be overdrawn; and (ii) credit the Settlement Account with interest payments, maturity payments or other appropriate payments. Customer represents that no party other than the individuals designated from time to time by Customer to Bank as having such authority is required to authorize the Money Center Department to debit or credit the Settlement Account. Customer authorizes the financial institution maintaining the Settlement Account to accept debit and credit entries to the Settlement Account until this authorization is cancelled in writing through written notification of its termination in sufficient time and in such manner as to allow the financial institution maintaining the Settlement Account and the Money Center reasonable opportunity to act on it. If Customer is a consumer, Customer acknowledges that it has the right to receive notice from the Money Center Department of a Variable Debit (as defined above) 10 days prior to such debit, however, Customer hereby elects not to receive such notice when the Variable Debit is between \$1 and \$100,000,000.

5. Delivery. Pursuant to instructions given in a manner consistent with paragraph 3 of this Section VI(A), Customer shall direct the delivery of any Securities purchased hereunder to any account set forth in such instructions, which account may be a safekeeping account maintained at Bank, in which case such Securities will be held in accordance with the Safekeeping Terms And Conditions set forth in Section VI(B) below. If Customer shall otherwise direct the delivery of any Securities that are being sold by Bank subject to a repurchase agreement, Bank shall have the right to require that such Securities be delivered to a third-party bailee selected by Bank to hold such Securities, subject to the rights and obligations of Customer and Bank hereunder. With respect to Time Deposits, Bank will issue no certificate, passbook, or any other evidence of deposit except for the Confirmation.

6. Confirmation Statements. Promptly after effecting any transaction pursuant to this Section VI(A), Bank will deliver to Customer (via mail, fax, email, or other electronic means, including without limitation posting to a password protected website) a confirmation statement (the "Confirmation") which shall identify Bank and Customer and specify the trade and settlement dates of the transaction, the issuer and par amount

of any Securities or the principal amount of any Time Deposit, the interest rate or discount rate applicable to any Securities or Time Deposit, the maturity date of the transaction, the capacity of Bank as principal, riskless principal or agent, any terms and information required by applicable law, and any other terms and information which Bank may include at its sole and absolute discretion. The information contained on the Confirmation shall be considered true and correct and conclusively binding upon Customer unless Customer notifies Bank of any error therein within three (3) business days after the date the Confirmation is deemed as delivered to Customer pursuant to paragraph 14 of this Section VI(A) below.

7. Disclosures, Notices and Other Account Information. All disclosures, notices and other Customer account information from Bank may be delivered to Customer in electronic form (including, without limitation posting to a password protected website) to the extent Customer elects to receive such information through electronic delivery, subject to the Terms and Conditions of Electronic Delivery set forth in Section VI(C) below. Customer agrees that sending information in this manner will constitute good and effective delivery of the information to Customer, regardless of whether Customer actually accesses the website or other electronic medium containing the information.

8. No Representation or Warranty. Customer acknowledges and agrees that Bank makes no representation or warranty, express or implied, with respect to the validity, enforceability, collectability, or investment quality of any Securities sold hereunder.

9. Interest on Time Deposits. All Time Deposits will earn interest from the date of deposit until their respective maturity dates computed at the rate and in the manner established by Bank from time to time. Bank will advise Customer of the applicable interest rate at the time that the request for the Time Deposit is made.

10. Early Withdrawal of Time Deposits. Customer agrees that each Time Deposit will remain on deposit with Bank until the maturity date thereof. A penalty may be imposed if Customer withdraws the principal of any Time Deposit before the maturity date thereof. The amount of such penalty will be specified in the current fee schedule, which may be amended from time to time.

11. Repurchase Transactions. Customer shall not be entitled to purchase any Securities which are government securities, subject to Bank's agreement to repurchase, and to be held by Bank for the account of Customer, unless Customer shall first have executed and delivered to Bank a written repurchase agreement, in substance satisfactory to Bank, governing such repurchase transaction. In the event of any conflict between the terms of such written repurchase agreement and the terms of this Section VI(A), the terms of such written repurchase agreement shall control.

12. Joint Accounts. In the event that any account opened hereunder is a joint account for more than one Customer (each such Customer hereafter called a "Co-Tenant"), all Co-Tenants jointly and severally agree that any one Co-Tenant shall have authority on behalf of the joint account (i) to buy, sell, and otherwise deal in Securities at Bank and to establish Time Deposits at Bank through Bank; (ii) to receive on behalf of such joint account Confirmations and all other demands, notices, reports, statements of account and communications of every kind; and (iii) to deal with Bank on behalf of such joint account as fully and completely as if such Co-Tenant alone were interested therein, all without notice to the other Co-Tenant(s). Bank is authorized to follow the instructions of any Co-Tenant given in accordance with paragraph 3 of this Section VI(A) in every respect concerning such joint account and is under no duty to inquire into the purpose or propriety of any such instruction. The liability of each Co-Tenant with respect to such joint account shall be joint and several. Any notice sent to one Co-Tenant shall be deemed to be notice to all Co-Tenants. If conflicting instructions are received from a Co-Tenant (whether one or more), Bank may, at its sole and absolute discretion, take any of the following actions: (a) choose which instructions to follow and which to disregard; (b) suspend all action in the account until written instruction signed by all owners is received; (c) close the account and deliver all securities and other property, net of debits or liabilities, to the address of record; and/or (d) take other appropriate legal action.

13. Amendment; Termination. Notwithstanding the provisions set forth in paragraph 28 of Section II above, Bank may amend the terms set forth in this Section VI at any time in any respect, effective upon thirty (30) days prior notice to Customer and Customer or Bank may terminate the Service(s) described in this Section VI at any time effective upon notice to the other party. If any Service described in this Section VI is terminated for any reason, Customer will continue to be responsible for any obligation incurred by Customer prior to termination.

14. Notices. All Confirmations, notices, or other disclosures or communications from Bank to Customer shall be deemed delivered upon transmission of fax, email, or other electronic communication to Customer or upon five (5) business days after the date of deposit in the United States mail, postage prepaid, and addressed to the mailing or email address provided to Bank. All written confirmations, notices, instructions, or other communications from Customer to Bank shall be sent to the attention of Customer's Money Center Department representative at such address designated by Bank from time to time.

15. No Investment Advice. Customer acknowledges that Bank will not provide supervision, recommendations or advice to Customer in connection with the investment, purchase, sale, retention, or other disposition of any Securities.

16. ERISA. If assets of an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), are intended to be deposited, invested or used by Customer in a transaction under this Section VI(A), Customer shall notify Bank prior to effecting that deposit, investment or transaction and will provide Bank with any additional information as Bank may reasonably request. Customer represents and warrants to Bank that any deposit, investment, or transaction pursuant to this Section VI(A) shall not result in a prohibited transaction under ERISA or shall otherwise be exempt, and Customer further agrees to indemnify and hold Bank harmless from any loss or claim arising therefrom.

B. SAFEKEEPING TERMS AND CONDITIONS

From time to time, Customer may open a safekeeping account or accounts through Bank's Safekeeping Department (the "Safekeeping Department") to hold Securities, including Securities purchased to or through the Money Center, and Bank and Customer agree that such accounts and any Securities held therein will be subject to the following terms and conditions.

1. Custody of Securities. Bank agrees to hold and keep as custodian hereunder all securities that Bank has agreed to accept for the account of Customer ("Safekept Securities") and to deliver such Safekept Securities as Customer directs pursuant to the terms and conditions as described below. Bank in its discretion may refuse to accept any security for safekeeping and in any case will not accept any security for safekeeping unless it is fully paid for or good funds are available to Bank to pay for any such unpaid security.

2. Customer Instructions. Bank is authorized to accept, act upon and rely upon all written instructions given by Customer or those Authorized Users designated from time to time by Customer to Bank as having such authority as provided in accordance with this Agreement. Customer hereby represents and warrants that each Authorized User is authorized to give instructions to Bank. Customer may give written instructions to Bank via email by sending such instructions to Bank's email address of record (as may be designated from time to time by Bank) and Bank is authorized to act upon any such transaction request received immediately upon receipt thereof. Bank is under no obligation to deliver to Customer acknowledgement that it has received such instructions via email. Bank shall not be liable in any manner if it executes any oral or written instruction that comes from Customer or its Authorized User. All claims for failure to properly follow the instructions of Customer or the Authorized User must be made within thirty (30) days from the date on which the instructions were received by Bank or such claims are expressly waived by Customer.

3. Securityholder Information. Unless otherwise required by law or pursuant to written instructions, in no event shall Bank be responsible to take any action concerning any puts, calls, conversions, exchanges, reorganizations, offers, tenders or other corporate actions or similar matters relating to Safekept Securities other than to forward to Customer or its Authorized User all information received by Bank relating to any such transaction. Customer agrees that its instructions to Bank with respect to any such actions shall be in writing and delivered to Bank within sufficient time for Bank to act thereon if any action is required. Bank shall forward to Customer at Customer's address so provided to Bank any proxies, financial statements or written notices received by Bank relating to Safekept Securities held on behalf of Customer. All proxies and proxy material received by Bank relating to Safekept Securities are to be voted by Customer or per Customer's timely written instructions to Bank. Safekept Securities called for redemption prior to maturity will be presented for payment provided the trustee gives Bank adequate notice of redemption. Should any Safekept Security be called for partial redemption by the issuer of such security, Bank is authorized to accept the allocation applied by any central depository. If Bank has to allocate any redemption among its accounts, Bank shall allot the redemption proceeds in any manner it deems fair and equitable in its sole discretion.

4. Registration and Third Party Depositories. Bank shall register Safekept Securities in nominee name, and may from time to time change the registration of Safekept Securities from nominee name to Customer's name or vice versa; provided that Customer timely completes any necessary documentation provided by Bank to change the registration of the Safekept Securities. Safekept Securities held in nominee name may be deposited with The Depository Trust Company or other third party depository acceptable to Bank. Securities that are depository eligible will be held at the depository in the depositor's nominee name.

5. Collection of Income and Principal. Bank shall collect and receive the interest, principal and other income payable in connection with the Safekept Securities and shall pay any amounts so collected or received to, or credit the account of, Customer so specified to Bank or any other settlement account subsequently designated by Customer to Bank (the "Settlement Account"). Bank shall not be obligated (a) to pay to or credit the account of Customer with any payment of interest, principal or other income until Bank receives such payment in immediately available funds,

or (b) to institute or participate in any collection proceedings or other proceedings to enforce Customer's rights relative to any Safekept Securities or to pursue any remedies on behalf of Customer. Bank is authorized to sign on behalf of Customer any declarations, affidavits, certificates of ownership or other documents relating to securities held by Bank in nominee name that are now or may hereafter be required with respect to all coupons, registered interest, dividends or other income.

6. Settlement Account. Unless otherwise specified, Customer unconditionally authorizes, empowers, and directs Bank (and any financial institution maintaining the Settlement Account) to (i) debit the Settlement Account on the settlement date indicated on the confirmation for the full amount of each transaction effected under this Section VI(B) (including all fees and charges payable hereunder), notwithstanding that such debit may cause the Settlement Account to be overdrawn and (ii) credit the Settlement Account with interest payments, maturity payments or other appropriate payments. Customer represents that no party other than those individuals so designated from time to time as having such authority is required to authorize the Safekeeping Department to debit or credit the Settlement Account. Customer authorizes the financial institution maintaining the Settlement Account to accept debit and credit entries to the Settlement Account until this authorization is cancelled in writing through written notification of its termination in sufficient time and in such manner as to allow the financial institution maintaining the Settlement Account and the Safekeeping Department reasonable opportunity to act on it. If Customer is a consumer, Customer acknowledges that it has the right to receive notice from the Safekeeping Department of a Variable Debit (as defined below) 10 days prior to such debit, however, Customer hereby elects not to receive such notice when the Variable Debit is between \$1 and \$100,000,000. "Variable Debit" means the amount by which a debit to a Settlement Account differs from the amount of the immediately preceding debit.

7. Return of Payments. Customer will repay Bank, or Bank may credit Customer's Settlement Account, in the event that for any reason: (i) Bank is required to return to the issuer or to a third party any payments; (ii) Bank fails to receive from the issuer or appropriate other party a payment Bank paid to Customer in respect of Safekept Securities; or (iii) Bank must return to the issuer or appropriate other party a payment Bank paid to Customer in respect of Safekept Securities.

8. Receipt and Delivery of Securities. Bank shall not be liable or responsible for or on account of any act or omission of any broker or other Agent designated by Customer or, in the absence of such designation, selected by Bank to receive or deliver Securities for the account of Customer.

9. Withdrawal of Securities. Any and all Safekept Securities may be withdrawn from Bank at any time upon a written order or receipt signed by Customer or its Authorized User. Withdrawal or delivery of securities is subject to availability (e.g., among other reasons, securities involved in a corporate action or in frozen status, restricted securities, or pledged securities may not be available for withdrawal or delivery).

10. No Investment Advice. Customer acknowledges that Bank will not provide supervision, recommendations or advice to Customer in connection with the investment, purchase, sale, retention or other disposition of the Safekept Securities.

11. Standard of Care. Bank shall use reasonable care in carrying out its duties under this Section VI(B). For purposes of this Section VI(B), "reasonable care" shall mean the same degree of care and protection that Bank gives to its own property. Customer shall indemnify and hold harmless Bank, its directors, officers, employees and agents, for and against all claims, losses, liabilities and expenses of any nature or kind, including, without limitation, Bank's reasonable legal fees and any and all expenses arising from any claim of any party resulting from any actions taken by Bank pursuant to this Section VI(B). Bank shall not be liable, directly or indirectly, for any damages or expenses arising out of the services Bank provides in accordance with this Section VI(B) except where Bank fails to act in good faith or in accordance with reasonable commercial standards of banking business. In no event shall Bank be liable for special, consequential or punitive damages even when Bank has been advised of the possibility of such damages.

12. Fees and Expenses. Customer shall pay to Bank such fees as shown on the current fee schedule, which may be amended from time to

time by Bank. If the fee schedule is amended, the amended fees will apply to any Safekept Securities being held in safekeeping at that time. In addition, Customer shall reimburse Bank for its commercially reasonable out-of-pocket expenses, including, but not limited to: postage, insurance, registration fees, wire fees, and other fees incurred by Bank in connection with the Safekept Securities and its services provided under this Section VI. If Customer fails to pay Bank any sums due under this Section VI within 30 days after a written late notice is sent to Customer by Bank, Bank shall be entitled to exercise any one or more of the following options:

- a. to offset any sums due against any funds of Customer on deposit with Bank;
- b. to offset any sums due against any interest, principal or other income received or to be received for Customer's safekeeping account or accounts maintained pursuant to this Agreement;
- c. to terminate this Agreement and return the Safekept Securities to Customer at Customer's expense; and
- d. to avail itself of any other remedy it may have in law or in equity.

13. Record and Taxes. Bank shall maintain records of Customer's account and provide Customer with a Confirmation/Custody Receipt for all Safekept Securities following delivery to Bank and periodic statements of Safekept Securities on deposit with Bank. Bank will also send to Customer such notices and reports required by law. Customer understands and agrees that it is Customer's obligation to prepare and file all required tax returns and to pay all taxes due on any income Bank collects for Customer.

14. Subaccounts. If Customer notifies Bank that Customer's account is a master account for multiple underlying accounts (the "Subaccounts") of Customer's customers or other parties, the underlying owners of the Subaccounts shall not be deemed as third-party beneficiaries under this Safekeeping Agreement and Bank shall have no duties or obligations to those parties. Bank will conduct tax reporting as if Customer, and not Bank, was the applicable payor of the Subaccounts and Customer will be responsible for all fees and penalties imposed by relevant taxing authorities due to inaccurate reporting.

15. Amendment or Termination of Services.

a. Except as provided in paragraph 12 of this Section VI(B), the provisions of this Section VI(B) may be amended only by written amendment executed by both Customer and Bank; provided, however, that the terms of this Section VI(B) may also be amended by Bank if Bank gives written notification of such amendment to Customer and Customer does not terminate its use of Services described in this Section VI(B) within 30 days of such notification. Customer agrees that failure to so terminate such Services constitute consent to such amendment. The Services provided pursuant to this Section VI(B) may be terminated at any time either by Customer or by Bank upon written notification to the other, whereupon all Safekept Securities shall be delivered or surrendered to Customer upon a written order or receipt signed by Customer or its Authorized User; provided, however, that Bank may offset any sums due Bank as provided in paragraph 12 of this Section VI(B). Such delivery and the termination of Services shall release Bank from all further liability and responsibility under this Section VI(B).

b. The provisions of this Section VI(B) shall be continuous and shall survive any temporary or intermittent closing of any safekeeping accounts with Bank, and shall replace and substitute any prior agreement regarding the subject matter hereof between Bank and Customer despite language in such prior agreement that such prior agreement was continuous.

c. The provisions of this Section VI(B) or any of Bank's rights and obligations hereunder shall be assignable by Bank to any entity affiliated by common control with Bank or to any successor of Bank upon merger, consolidation, reorganization or otherwise. This Agreement shall not be assignable by Customer. The provisions of this Section VI(B) shall inure to the benefit of and be binding upon Bank, its successors and assigns and Customer, his/her heirs, administrators, executors, successors and assigns.

16. Written Confirmation, Notices, Instructions and Other Communications.

All Confirmations, notices, or other disclosures or communications from Bank to Customer shall be deemed delivered upon transmission of fax, email, or other electronic communication to Customer or upon five (5) business days after the date of deposit in the United States mail, postage prepaid, and addressed to the mailing or email address provided to Bank. All written confirmations, notices, instructions, or other communications from Customer to Bank shall be sent to the attention of Customer's Safekeeping representative at such address designated by Bank from time to time.

C. TERMS AND CONDITIONS FOR ELECTRONIC DELIVERY

The following sets forth the terms and conditions of use of Bank's electronic delivery and notification service (the "Electronic Delivery Service") in connection with account(s) with the Money Center Department or Safekeeping Department.

The Electronic Delivery Service described in this Section VI(C) shall constitute an Internet Service as defined in Section III of this Agreement and shall be subject to the terms set forth therein, as well as any other agreements between Customer and Bank and any applicable laws or regulations. If there is a conflict between the terms and conditions set forth in this Section VI(C) and the terms and conditions of any other section of this Agreement or any other agreement between you and us as they relate to the Electronic Delivery Service, the terms and conditions set forth herein will control.

1. Electronic Delivery of Documents. Customer may elect to receive Account Communications (defined below) related to your account(s) electronically. All Account Communications will be delivered electronically by posting to Bank's password protected website designated for Customer's account(s) or, at Bank's election, delivered via electronic mail to the email address provided by Customer to Bank. "Account Communications" include, without limitation, all current and future account statements, trade confirmations, security notices, maturity notices, prospectuses, offering and disclosure documents, shareholder communications (such as quarterly, semi-annual and annual reports, proxy statements, etc.), regulatory communications and other information, documents, data, notices and records regarding Customer's account(s) with Bank. Bank may, from time to time, designate additional Account Communications that are then eligible for electronic delivery through the Electronic Delivery Service, the delivery of which will then be subject to these terms and conditions. From time to time, Bank may add to, modify or delete any feature of the Electronic Delivery Service or Account Communications eligible for delivery through the Electronic Delivery Service at its sole discretion. Customer acknowledges and agrees that by being enrolled in the Electronic Delivery Service, Customer will no longer receive Account Communications by mail that is otherwise available for delivery as part of the Electronic Delivery Service.

2. Accessing Account Communications. Bank will notify Customer via email when Account Communications are posted. Bank may also provide, in its sole and absolute discretion, Account Communications directly via email. Customer may access all Account Communications for at least thirty days from the date of initial posting. Customer acknowledges and agrees that all Account Communications will be deemed to constitute good and effective delivery to Customer upon posting, regardless of whether Customer actually or timely receives or accesses the Account Information, or if Account Communications are delivered directly to Customer via email, when so delivered.

3. Changes in Delivery Method. Customer must notify Bank if it wishes to discontinue the Electronic Delivery Service. Following Bank's receipt of such notice and after Bank has a reasonable opportunity to act on such notice, Customer will thereafter begin to receive mailed Account Communications beginning with your next statement cycle and/or mailed confirmation statements.

4. Reporting Unauthorized Transactions or Erroneous Statements. Customer agrees to promptly and carefully review all Account Communications as and when delivered and notify Bank via telephone within three business (3) days of delivery (unless otherwise expressly provided for in the applicable customer agreement or safekeeping agreement) if Customer objects to the information provided. Absent such timely objection, Bank shall treat such information as accurate and conclusive.

5. Third Party Services. Customer acknowledges and agrees that receipt of email notifications when Account Communications are posted may be delayed, or prevented by factors affecting Customer's or Bank's Internet service provider(s), phone operator(s), and such other similar entity ("Third Party Service Providers"). Bank makes no representations or warranties whatsoever with regard to the products and services offered by such Third Party Service Providers and shall not be liable for any loss caused, in whole or in part, by a Third Party Service Provider.

6. International Use. Bank makes no representations or warranties that any content or use of the Electronic Delivery Service is appropriate or

available for use in locations outside the United States and accessing the Electronic Delivery Services from territories where its contents or use is illegal and is prohibited by Bank. If Customer accesses the Electronic Delivery Service from locations outside the United States, Customer does so at its own risk. Customer is responsible for compliance with all local laws.

7. Proprietary Rights; Materials; Trademarks. TERMS APPLICABLE TO ALL DEPOSIT ACCOUNTS

THIS IS AN AGREEMENT

Welcome to U.S. Bank and thank you for opening an account with us. This booklet provides the general rules that apply to the account(s) you have with **U.S. Bank**. Additional rules will be provided in:

1. disclosures we give you when you open your account (for example our *Consumer Pricing Information and Business Pricing Information* brochure) and other fee disclosures;
2. disclosures we give to you when you use additional products and services (for example our *Online Banking and Mobile Financial Services Agreement*);
3. periodic statements;
4. user guides;
5. Consumer Privacy Pledge brochure;
6. any appropriate means such as direct mail and notices on or with your statement, including statements delivered electronically; and
7. disclosures we give you about ATM and Debit Card Overdraft Coverage (applicable to certain consumer accounts, refer to the Insufficient Funds and Overdrafts section on page 6 for details).

These things, together, are an agreement between you and **U.S. Bank**.

Please read this carefully and retain it for future reference. This brochure is revised periodically, so it may include changes from earlier versions.

By providing a written or electronic signature on a signature card or other agreement or contract, opening, or continuing to hold an account with us, you agree to the most recent version of this Agreement, which is available to you at your local U.S. Bank branch, at www.usbank.com, or by calling U.S. Bank 24-Hour Banking at a number listed on the last page of this booklet.

This Agreement represents the sole and exclusive agreement between you and us regarding the subject matter described herein and supersedes all previous and contemporaneous written or oral agreements and understandings. If there is a conflict between this Agreement and the terms of any other disclosure or agreement regarding your deposit account(s), this Agreement will control in resolving those inconsistencies. While we may permit limited variations to this Agreement, such variations must be in writing either on the signature card for your account or in some other document.

If you have any questions, please call us. Our most commonly used phone numbers are printed on the back of this booklet.

DEFINITIONS

The following definitions apply in this Agreement except to the extent any term is separately defined for purposes of a specific section. The words “**we**,” “**our**,” and “**us**” mean **U.S. Bank National Association (“U.S. Bank”)**. We are a national bank. We are owned by **U.S. Bancorp**.

U.S. Bancorp and U.S. Bank own or control other companies, directly and indirectly. The members of this family of companies are our “**affiliates**.”

The words “**you**” and “**your**” mean each account owner and anyone else with authority to deposit, withdraw, or exercise control over an account. If there is more than one owner, then these words mean each account owner separately, and all account owners jointly.

The term “**account**” means any savings, transaction (for example, checking, Consumer Now Account), and time deposit (for example, certificate of deposit or CD) account or other type of account you have with us, wherever held or maintained.

An “**owner**” is one who has the power to deal with an account in his, her or its own name. An “**agent**,” in contrast, is one whose power to withdraw from an account comes from, or is on behalf of, the owners. Authorized signers, designated corporate officers, trustees, attorneys-in-fact, and convenience signers are examples of agents.

Entities such as corporations, limited liability companies, partnerships, estates, conservatorships, and trusts are not natural persons, and can only act through agents. In such cases, it is the “**entity**” that is the owner.

“**Personal accounts**” are accounts in the names of natural persons (individuals). They are to be distinguished from “**non-personal accounts**” which are accounts in the name of corporations, partnerships, trusts and other entities.

Except where it is clearly inappropriate, words and phrases used in this document should be interpreted so the singular includes the plural and the plural includes the singular.

CELLULAR PHONE CONTACT POLICY

By providing us with a telephone number for a cellular phone or other wireless device, including a number that you later convert to a cellular number, you are expressly consenting to receiving communications—including but not limited to prerecorded or artificial voice message calls, text messages, and calls made by an

automatic telephone dialing system—from us and our affiliates and agents at that number. This express consent applies to each such telephone number that you provide to us now or in the future and permits such calls for non-marketing purposes. Calls and messages may incur access fees from your cellular provider.

MONITORING AND RECORDING COMMUNICATIONS

You acknowledge and agree that we, or anyone acting on our behalf, may monitor and/or record any communication between you and us, or anyone acting on our behalf, for quality control and other purposes. You also acknowledge and agree that this monitoring or recording may be done without any further notice to you. The communication that may be monitored or recorded includes telephone calls, cellular or mobile phone calls, electronic mail messages, text messages, instant or live chat, or any other communications in any form.

WAIVERS AND PRECEDENTS

Our Agreement with you gives us rights and duties. If we don't take advantage of all our rights all the time that does not mean we lose them. For example:

- if we make funds available to you for withdrawal ahead of schedule, that does not mean we have to do it again.
- if we pay a check that is more than your account balance, that does not mean we have to do it again.

CUSTOMER IDENTIFICATION PROGRAM NOTICE

(USA PATRIOT ACT)

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you

When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see other identifying documents like a driver's license or documents showing your existence as a legal entity.

Existing customers

Even if you have been a customer of ours for many years, we may ask you to provide this kind of information and documentation because we may not have collected it from you in the past or we may need to update our records.

Failure to Provide Information

If, for any reason, any owner is unable to provide the information necessary to verify their identity, their account(s) may be blocked or closed, which may result in additional fees assessed to the account(s).

OWNER'S AUTHORITY

Each owner of a personal account, or an agent for a non-personal account, acting alone, has the power to perform all the transactions available to the account. For example, each owner can:

1. make withdrawals by whatever means are available for the account;
2. make deposits by whatever means are allowed for the account;
3. obtain and release information about the account;
4. sign or authenticate any document in connection with the account (for example, an owner can endorse a check payable to a co-owner for deposit to a joint account); and
5. give rights to others to access the account (for example, any owner could grant a power of attorney to have access to the account).

In addition, if you share ownership of an account with someone else (for example, you have a joint or multi-party account), then each of you can endorse items for deposit to the account on behalf of another owner. If there is shared ownership of an account, it is the intention of all owners that each of you has complete and separate access and withdrawal rights to all the funds in the account irrespective of who had deposited the funds in the account.

AUTHORIZED ACCESS AND POWER OF ATTORNEY

Each owner of your account is independently permitted to authorize someone else to access your account. For example, the following persons will have access to your account:

1. Any person listed on a signature card, resolution, or certificate of authority as being authorized to make withdrawals or transfers, by check or otherwise, from your account;
2. Any person that you authorize to make withdrawals or transfers from the account by whatever means the account allows (for example, pre-authorized withdrawals, wire transfers, ATM card, or debit card transactions);
3. Any person you give rights to act on your behalf, such as a power of attorney;
4. Any person to whom you make your checkbook or your checking account number available for purposes of transacting business on the account. We discourage this type of "authorization" because it is possible that we will detect such transactions and treat them as unauthorized. If you give any such person "authority," we are not responsible whether we honor the transactions or dishonor them; and
5. Any person to whom you make your ATM card or debit card personal identification number (PIN) available. By allowing this type of "authorization," the person to whom you make your personal identification number (PIN) available may be able to access all of your accounts held with us by using the telephone, ATM, online or other banking access channels. If you give any person such "authority," we are not responsible for actions they take with respect to your accounts.

We will use the word "agent" to mean any person who you authorize to act on your behalf, whether by following the process we require (for example, by designating an authorized signer on a signature card), or on your own (for example, by creating a power of attorney). If you name such an agent:

1. we may require that you use forms we approve and require each owner to sign the form to be effective;
2. the powers you give to your agent, and any limitations on those powers, are between you and your agent, even if we have express written notice of those powers. You understand and agree that we have no duty or responsibility to monitor the acts of your agent or ensure that the acts of your agent are for your benefit. For example, if you only give your agent authority to pay your bills and your agent exceeds that authority, we are not responsible for that breach of authority;
3. you agree not to hold us responsible for any loss or damage you incur as a result of us following instructions given to us by your agent;
4. the owners of the account are responsible to us for any actions of your agent, regardless of whether those actions exceed the authority given or whether the agent is formally nominated by all the owners or less than all the owners;
5. the agency will end if the owner dies **and** we get notice of that death, or if there is more than one owner, the agency will end after the death of the last owner and we get notice of that death and, in either case, once we've had reasonable opportunity to act on it;
6. the agency will end after the owner notifies us in writing to end the agency and we have had a reasonable opportunity to act on it; and
7. if you authorize any third person, such as a bookkeeping service, an employee, or agent of yours to retain possession of or prepare items, you agree to assume full responsibility for any errors or wrongdoing performed or caused by such third person or any of its agents or employees if we should pay any such item.

YOU CANNOT TRANSFER AN ACCOUNT

You may not transfer an account to someone else without our express written permission. This does not limit your right to access your account by any permissible means.

CHANGE IN AUTHORIZED SIGNERS

Any owner, including one of the owners of a joint account, may add owners or authorized signers to an account; however, we have the right to require the signature of all owners to make the change. Only under special circumstances and subject to prior approval by us may an owner remove another owner or authorized signer from an account.

No change in owners or authorized signers is effective until we have received written notice of the change and have had adequate time to approve and act on it.

ADJUSTMENTS

If we (or you, or you and us together) make an error on your account, we can fix the error without first notifying you. For example, if:

- the dollar amount of your check is paid for the incorrect amount;
- a deposit is added incorrectly;
- we apply a deposit to the wrong account;

we can fix the error without any special notice to you, though such a correction will normally appear on your statement if the error and the correction occur on different business days. We might not adjust for insignificant errors unless you request it.

LIABILITY FOR CHARGES AND OVERDRAFTS

All account owner(s) are responsible to repay to us any overdraft amount **and** any overdraft fees charged to an account, no matter which owner caused it or why. That repayment is due immediately, and we will take it from your next deposit or whenever funds become available in your account. If there is more than one owner, each owner is separately, and all owners are jointly, responsible for an overdraft and any account fees. (This means we can collect the total from any owner(s), on any of the owner(s) accounts, but we won't collect it more than once). An **overdraft** occurs if you take more money out of your account than is available to you for withdrawal, or if it is available to you but is later reversed. This can happen for example:

- by writing a check without enough money in a checking account to pay the check, and we decide to cash it;
- by making a withdrawal from your account that exceeds your available balance;
- by making a deposit, withdrawing money based on that deposit, and having that deposit reversed because the deposited item is later returned to us unpaid;
- by withdrawing money from your account and not having enough money left to pay the charges you incur; or
- when money is deposited in your account by mistake, and you withdraw money based on that deposit and the deposit is reversed.

We list the charges that you may incur on your account in separate pricing information brochures or agreements for your account. For more information on overdrafts please refer to the section titled Insufficient Funds and Overdrafts.

TRANSACTION POSTING ORDER

We reserve the right to decide the order of the items we will pay and which items will be returned (if any). Generally, we post the following three transaction types after the close of each business day in the following order:

1. Deposits we receive before the daily cut off time will be posted before any withdrawals.
2. Your non-check withdrawals will be posted in date/time order, based on the date and time associated with each transaction. A date and time (if one is available) will be assigned to each transaction based on one of the following: (1) when the transaction was preauthorized (for example a debit card or ATM transaction was approved); **or** (2) when the transaction was processed by U.S. Bank (for example an ACH, or Bill Pay transaction for which there is no pre-authorization). If a date and time is not available, these transactions are posted to your account after all transactions with a valid date and time or check number are complete, and posted to your account in order of amount, starting with the lowest transaction amount first (frequently referred to as low-to-high).
3. Your checks will be posted in check number order, starting with the lowest number. (For example: on Monday we may receive and post check # 107; on Tuesday we may receive check # 102 and # 105, and those would be posted on Tuesday in the order of lowest check number (i.e., # 102) posting first).

DEPOSITS

When you make a non-cash deposit to your account, we give you credit for that deposit, but that credit is provisional (temporary). If the deposit needs to be collected from another financial institution, we must be paid before the credit becomes final. After a credit is final it may still be reversed if the funds cannot be collected. See the sections titled **Returned Deposited and Cashed Items** and **Funds Availability**. All deposit receipts are issued subject to our count and verification of the items deposited.

Foreign Currency: If you make a deposit in the form of, or payable in a foreign currency, that deposit has to be converted (exchanged) into U.S. dollars. That takes time, there may be additional expenses, and your final credit will be adjusted to reflect the final exchange rate as well as any fees imposed by the entity that makes the conversion.

Deposits by Mail: If you make a deposit by mail, we have to receive it and have time to record it before it becomes effective. (See our **Funds Availability** section.)

Cutoff Time: A deposit made after our daily cutoff time on a business day, or on a day we are not open for all forms of business, will be considered deposited on the next full business day. (Refer to our **Funds Availability** section for cutoff time description.) The cutoff time applies to all accounts (savings, certificate of deposits, payments, etc.), not just checking accounts.

Endorsement: If you make a deposit to an account and you fail to endorse the item, we may add an endorsement on any item and you will be responsible for the item as if you endorsed it yourself.

We can refuse to accept any item for deposit for any reason, or no reason, or impose conditions on a deposit. For example, we can treat a deposit as an "inquiry" or take an item for "collection" instead of deposit.

RETURNED DEPOSITED AND CASHED ITEMS

The funds you deposit to your account are subject to normal collection processes even after we make the funds available to you for withdrawal (i.e., the check has "cleared"). If we do not collect the funds, or we need to return the funds, your deposit will be reversed and become your responsibility. **Returned items** are charged back to your account and a Return Item Advise is mailed to the primary account address.

For example:

- the deposit amount of the check is recorded incorrectly to your account. The person who wrote the check catches the error, and reports it to their bank, who in turn reports it to us. We would reverse the incorrect portion of the deposit and correct the mistake.
- a check you deposit has a forged endorsement. The person who wrote the check notices the forgery and reports it to their bank, who reports it to us. We would reverse the deposit and collection of the check would become your responsibility.
- this also applies to checks we might cash for you that you don't deposit. For example, if you bring a check to us and take cash back from a deposit, or we simply cash the check and if that check "bounces" (is returned to us unpaid), we can take the money from your account to reimburse us for the check and you will have to collect it through other channels. There will be a Returned Deposited Item or Cashed Check fee for such a transaction as well as applicable overdraft fees if sufficient funds are not in your account to cover your items.

CHECK 21

Check processing is getting faster as banks begin to process checks "electronically." We are required by law to provide the notice in the following section ("SUBSTITUTE CHECKS AND YOUR RIGHTS"), which explains the differences between your original check (which might not be returned) and a substitute check, and your rights in the event the substitute check causes a loss that would have been avoided if the original check was still available.

SUBSTITUTE CHECKS AND YOUR RIGHTS

What is a substitute check?

To make check processing faster, federal law permits banks to replace original checks with "substitute checks". These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of the substitute check states: "This is a legal copy of your check. You can use it the same way you would use the original check." You may use the substitute check as proof of payment just like the original check.

Some or all of the checks that are returned to you from us may be substitute checks. This notice describes your rights you have when you receive substitute checks from us. The rights in this notice do not apply to original checks, photocopies of original checks, or to electronic debits to your account. However, you have rights under other laws with respect to those transactions.

What are my rights regarding substitute checks?

In certain cases, federal law provides a special procedure that allows you to request a refund for losses you suffer if a substitute check is posted to your account (for example, if you think that we withdrew the wrong amount from your account or that we withdrew money from your account more than once for the same check). The losses you may attempt to recover under this procedure may include the amount that was withdrawn from your account and fees that were charged as a result of the withdrawal (for example, overdraft fees).

The amount of your refund under this procedure is limited to the amount of your loss or the amount of the substitute check, whichever is less. You are also entitled to interest on the amount of your refund if your account is an interest-bearing account. If your loss exceeds the amount of the substitute check, you may be able to recover additional amounts under other law.

If you use this procedure, you may receive up to \$2,500 of your refund (plus interest, if your account earns interest) within ten business days after we received your claim and the remainder of your refund (plus interest, if your account earns interest) not later than 45 calendar days after we received your claim.

We may reverse the refund (including any interest on the refund) if we later are able to demonstrate that the substitute check was correctly posted to your account.

How do I make a claim for a refund?

If you believe that you have suffered a loss relating to a substitute check that you received and that was posted to your account, please call U.S. Bank 24-Hour Banking (see last page for phone numbers) or write to us at **U.S. Bank, 60 Livingston Ave, EP-MN-WS5D, St. Paul, MN 55107**. You must contact us

within 40 calendar days of the date that we mailed (or otherwise delivered by a means to which you agreed) the substitute check in question or the account statement showing that the substitute check was posted to your account, whichever is later. We will extend this time period if you were not able to make a timely claim because of extraordinary circumstances.

Your claim must include:

1. a description of why you have suffered a loss (for example, you think the amount withdrawn was incorrect);
2. an estimate of the amount of your loss;
3. an explanation of why the substitute check you received is insufficient to confirm that you suffered a loss; and
4. a copy of the substitute check or identifying information such as the check number and the name of the person to whom you wrote the check.

COPIES OF DOCUMENTS

We do not typically keep the original paper documents (like deposit slips) associated with your account for a long time. We make copies of most of the documents that end up with us and destroy the paper originals. Electronic images is one type of media that is used, but as technology changes, there are and will be other copying techniques. You agree that such copies will be sufficient for all purposes.

See the section titled **CHECK 21**. To facilitate check imaging and electronic check collection, it is important that you take care with the transactions you create on paper. When completing a check, you must:

1. write clearly;
2. use black or dark blue ink in the date, pay to, amount, and signature fields; and
3. use only the space provided for your part of a transaction. (See the section on **ENDORSEMENT STANDARDS**.)

You agree to reimburse us for any losses and costs we incur as a result of a poor check image caused by a deficiency in the written check, whether due to your failure to follow these guidelines or otherwise. You also agree to reimburse us for any losses and costs we incur as a result of a poor check image caused by a deficiency in the written check that you accepted and deposited as the payee.

NIGHT DEPOSITORY

If you arrange for night depository services, you must comply with the following two rules and also comply with the rules in any separate night depository agreement.

1. **Use of Containers.** Each deposit placed in the depository must be contained in a sealed envelope, or in a bag or pouch that has been approved or supplied by us. Deposits are only processed to accounts held at U.S. Bank.
2. **Care.** You must take appropriate care when you put the container in our night depository or other facility to make sure the container is received by us. Our responsibility for the security of the container and the drawer or facility is to use reasonable care. This means we are not automatically liable for just any loss, only for losses that result from our own negligence, only to the extent we caused a loss, and reduced by your contribution to any loss. In legal terms, we are a “bailee” until the point:
 - when we open the container and inventory its contents (if that is what we are asked to do); or
 - until you sign the receipt for or take custody of the container (if we do not open the container).

CHECKS

Post-Dated Checks. We are not responsible to you if we pay a check before its date, even if we have noticed that it is post-dated. If we, at our option, refuse to pay a check because it is presented before its date, you will have to pay, if applicable, the fee we charge for an overdraft. If you want to be sure we do not cash it before its date, you must stop its payment by following our rules for stop payments in the **STOP PAYMENTS** section of this Agreement and follow our procedures for revoking a stop payment request.

Stale-Dated Checks. A “stale-dated” check is one that is brought to us for payment more than six months after its date. We may pay, or refuse to pay, a check brought to us (“presented”) more than six months after its date. (The general rule is we will pay the check or may return the check for insufficient funds.) In addition, the check would be subject to an overdraft. If you do not want us to pay a stale-dated check, you must place a stop payment order on the check.

Check Legends. We are not required to honor any legends or memos you put on your checks, even if we are aware of them. By a “legend” or “memo” we mean a message, such as “not valid for more than \$50” or “do not pay more than ten days after date” or “paid in full”.

Check Forms. Checks are sorted and copied by high speed equipment. If you don’t buy your checks through us, you must get them approved by us or we will not be responsible if your checks do not process correctly. See the section titled **COPIES OF DOCUMENTS** for additional information on inks and related issues.

Deposits of Checks at ATMs

We reserve the right to refuse to credit your account for ATM deposits of the following items. If an item is refused it may be returned via mail to the primary account address.

1. For items greater than \$2,500, not endorsed by payee (if single payee) or by all payees (if more than one payee);
2. Improperly endorsed (e.g., different endorser than payee);
3. Restrictive wording (on the deposited item);
4. Post dated (greater than one day after the ATM network business day);
5. No date or incomplete date;
6. Altered in any way;
7. Photocopy of item;
8. Not signed by maker;
9. Traveler’s check with different counter signature;
10. Drawn on a foreign bank (other than Canada);
11. Missing the numeric amount and/or the written amount;
12. Numeric amount and written amount do not match;
13. No payee listed;
14. Federal tax refund checks not endorsed by payee or payees; and
15. Any other instrument which is not a check or negotiable instrument.

ENDORSEMENT STANDARDS

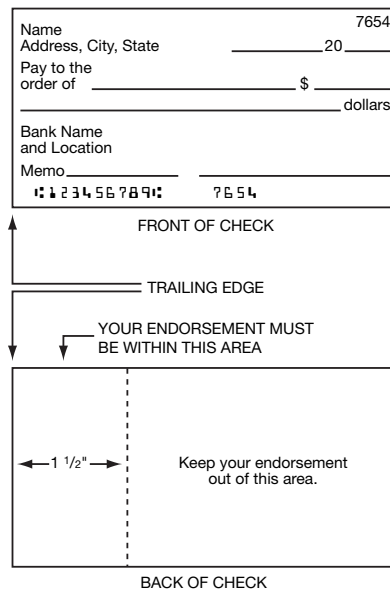

The payee of a check (the person to whom a check is payable) must sign (endorse) the check on the back in the space shown in the picture. If a check is transferred to someone else before it gets deposited or cashed, that person (the transferee) may also be required to sign the check.

Every bank that handles a check on its way to the bank that is asked to pay it also has to identify itself on the back of the check. The space for those banks is to the right of the space shown for the payee and other “holders” (see picture below).

When you endorse a check, you must:

1. clearly sign your name;
2. use black or dark blue ink if possible;
3. never use a faint color, like red, pink or any pastel, or a gel ink (these do not copy well);
4. sign near the top of the space provided, or just below any other signature in that space;
5. stay out of the area below the space for endorser (most check forms have a line separating the endorsement area); and
6. keep any stamp within the area set aside for handwritten signatures.

The picture on this page shows you the correct endorsement area.

Why is this important?

If your endorsement of a check, or the endorsement of someone from whom you took the check, either:

1. causes a delay in a necessary notice to someone else, or
2. prevents someone from being identified quickly enough (and therefore cannot get notice or cannot get it in time)

you will be responsible for the check and the loss that occurs because it is not paid. It will then be up to you to try and recover from someone else who might be liable.

INSUFFICIENT FUNDS AND OVERDRAFTS

“Insufficient funds” means you don’t have enough available funds in your account to pay the withdrawals you are attempting from that account.

Having insufficient funds in your account could lead to returned items, which refers to any withdrawal or transfer that we return because it exceeds your available balance on a given day. Examples of these withdrawals may include any of the following:

- check,
- pre-authorized withdrawal,
- Online bill payment,
- ATM cash withdrawal or ATM card purchase,
- debit card purchase,
- Online banking transfer,
- telephone transfer, or
- any other debit from your account where we return it because it is for more than the available funds you have in your account at the time the transaction is posted to your account.

“Overdraft” means a transaction has caused the available balance on an account to become a negative number. An overdraft can happen, for example,

- by writing a check without enough money in a checking account to pay the check, and we pay the item;
- by making a withdrawal from your account that exceeds your available balance;
- by making a deposit, withdrawing money based on the credit received from that deposit, and then having that deposit reversed because the deposited item is later returned to us unpaid;
- by withdrawing money from your account and not having enough money left to pay any related charges posted to the account; or
- when funds are credited to your account in error and you use the funds, and the reversal of the credit results in an overdraft.

Our Options: You do not have the right to withdraw funds that exceed the available balance on your account. When an item of yours overdraws an account, we can either pay or return the item. You have no right to choose which items we pay or return.

If we get a **batch, or multiple batches**, of such items in a day (for example, checks, ATM purchase transactions, and debit card purchase transactions typically come in batches), and if one, some or all of them would overdraw the account if paid, we will post items in accordance with the **“Transaction Posting Order”** section listed within this Agreement. This may result in processing larger dollar items before smaller dollar items, even though this would have the effect of reducing your available balance more quickly.

Our Fees: We charge an Overdraft Returned Fee for each withdrawal (e.g., in-person, ATM, automatic payment, or other paper or electronic withdrawal transaction) we return because it exceeds your available balance on a given day. An Overdraft Paid Fee is assessed for each item or transaction we pay that causes the available balance to become negative or occurs while the available balance is negative on the checking account. We may charge you an extended overdraft fee if your account remains negative for an extended period of time. See the current pricing information brochure for information on fees and how fees will be assessed. If you want to avoid the inconvenience and extra expense of overdraft fees, refer to the section titled Overdraft Protection Plans on the following page for information.

Your responsibilities for overdrafts: If you have an overdraft on your account, you must deposit enough money into your account to pay both the overdraft amount and the fees we charge, and you must do so immediately. If you share ownership of your account with someone else, you are responsible to us for the overdraft, whether or not you personally caused the overdraft or benefited from it. **RETURN ALL OPTION:** You have the option to direct us to not authorize and/or return all overdraft items, but you may still be charged an Overdraft Returned Fee for returned items. You may also be charged fees by the merchant or service provider. If you wish to request that all overdraft items be returned, contact a local U.S. Bank branch or call U.S. Bank 24-Hour Banking (see last page for phone numbers). Please be aware it may take up to five business days to implement your request.

ATM and Debit Card Overdraft Coverage: Certain accounts are subject to a consumer’s election/choice to **opt-in** to receive ATM and Debit Card Overdraft Coverage. These accounts include most consumer checking and money market accounts. Ask your U.S. Bank representative for details about account eligibility. Upon account opening you will receive a notice advising you of your choice to **authorize (“opt-in”)** U.S. Bank to authorize and pay ATM and everyday (non-recurring) debit card (sometimes referred to as a check card) transactions that may cause your account’s available balance to become negative. If you do not opt-in, we will not authorize payment of an ATM or everyday (non-recurring) debit card transaction that could result in an overdraft status. **In limited circumstances, your ATM or every day debit card transaction may be processed and your account results in a negative available balance, even if you have not opted-in to overdraft coverage for these transactions.** These situations may include, but are not limited to, debit card transactions that post that are processed by the merchant when the merchant does not first obtain an authorization from U.S. Bank. If this situation occurs, you will not be charged an Overdraft Paid Fee for paying the transaction if you have **not** elected to Opt-In to ATM and Debit Card Overdraft Coverage. **If you wish to change your account election, contact a local U.S. Bank branch or call U.S. Bank 24-Hour Banking or visit usbank.com. Please be aware it may take up to five business days to implement your request.**

OVERDRAFT PROTECTION PLANS

Consumer Overdraft Protection

U.S. Bank offers Overdraft Protection Plans to help you avoid the inconvenience of having a check returned, and/or a debit card purchase rejected, resulting in the expense of overdraft fees. These Overdraft Protection Plans allow an eligible account to be linked to a U.S. Bank Personal Checking Account(s) ("checking account(s)") to cover overdraft situations when the available balance is insufficient to cover checks presented for payment **and/or** available balance has been reduced due to pending authorized debit card transactions, as specified in subsection "Debit Card Transactions".

U.S. Bank lets you choose which eligible accounts are linked to your checking account for Overdraft Protection, and the order in which those accounts are accessed to transfer funds to your checking account.

You can choose to link up to three eligible U.S. Bank accounts to your checking account for Overdraft Protection. Owner(s) who are signers on the checking account must also be signers on the account(s) linked for Overdraft Protection.

Eligible accounts include:

- U.S. Bank savings account
- U.S. Bank Reserve Line
- U.S. Bank Credit Card
- A secondary U.S. Bank personal checking account
- U.S. Bank Premier Line
- U.S. Bank Home Equity Line of Credit
- Other U.S. Bank Lines of Credit

If you have linked eligible accounts, and the negative available balance in your checking account is \$5.01 or more, the advance amount will transfer in multiples of \$50. If, however, the negative available balance is \$5 or less, the amount advanced will be a maximum of \$5 **and** the Bank's fee will be waived.

If the account linked for Overdraft Protection does not have enough funds to cover the overdrawn amount, the remaining available balance will be transferred to reduce the overdrawn amount.

If there is more than one account linked for Overdraft Protection and the available balance of the first linked account is not enough to cover the overdrawn balance, the next linked account will transfer funds in multiples of \$50 to cover the remaining overdrawn balance.

For each day an Overdraft Protection transfer occurs, a Bank fee (refer to the *Consumer Pricing Information* brochure – Overdraft Protection Transfer Fee for fee amount) will be charged to the checking account that received the transfer. While no fee will be charged to your U.S. Bank savings account or secondary checking account, U.S. Bank Reserve Line, U.S. Bank Credit Card, U.S. Bank Premier Line, or U.S. Bank Home Equity Line of Credit, for any automated advance to cover an overdraft to your associated deposit account, you will incur an interest charge according to the terms of your agreement governing your credit account. Please refer to your U.S. Bank Reserve Line, U.S. Bank Credit Card, U.S. Bank Premier Line or U.S. Bank Home Equity Line of Credit for information regarding interest charges.

When the Bank accesses funds from an eligible savings account(s), these types of transfers are also subject to transaction limitations and the fee noted in the *Consumer Pricing Information* brochure regarding Federal Regulation D governing savings and money market transaction limitations and also noted in subsection "Savings Accounts".

When the Bank accesses funds from an eligible line of credit or credit card, these types of transfers may be subject to additional charges such as annual fees. In addition, you may be subject to interest that will accrue on the amounts advanced in accordance with your line of credit or cardmember agreement.

Small Business Overdraft Protection

U.S. Bank offers Overdraft Protection Plans to help you avoid the inconvenience of having a check returned, and/or a debit card purchase rejected, resulting in the expense of overdraft fees. These Overdraft Protection Plans allow an eligible account to be linked to a U.S. Bank Business Checking Account(s) ("checking account(s)") to cover overdraft situations when the available balance is insufficient to cover checks presented for payment and/or available balance has been reduced due to pending authorized debit card transactions, as specified in subsection "Debit Card Transactions".

U.S. Bank lets you choose which eligible accounts are linked to your checking account for overdraft protection. Only one deposit product and one credit product may link to a business checking account. If the checking account has both a credit product and a deposit product linked as overdraft protection, the system will always advance first from the credit product. Funds only draw from the deposit product if the credit product has insufficient available funds.

The name of the business on the business checking account must match the name of the business on the business credit overdraft protection plan account. The name(s) of the account signer(s) on the business checking account may also be required to match the account signer(s) on the business overdraft protection plan account.

Eligible accounts include:

- U.S. Bank Business Reserve Line
- U.S. Bank Business savings or money market account
- A secondary U.S. Bank business checking account
- U.S. Bank Business Credit Card
- U.S. Bank Cash Flow Manager

Or Advantage Line

If you have a U.S. Bank Business Reserve Line linked as overdraft protection, any automatic advances will be in \$200 increments made to cover the overdraft. If you have a U.S. Bank Cash Flow Manager linked as overdraft protection, any automatic advances will be in \$100 increments made to cover the overdraft. While no overdraft protection transfer fee is charged for the Business Reserve Line and Cash Flow Manager accounts, for any automated advance to cover an overdraft to your associated deposit account, you will incur an interest charge according to the terms of your agreement governing your credit account. Please refer to your U.S. Bank Business Reserve Line or U.S. Bank Cash Flow Manager agreement for information regarding interest charges.

If you have a U.S. Bank Business Credit Card linked as overdraft protection, any automatic advances will be in \$25 increments made to cover the overdraft. Advances on a U.S. Bank Business Credit Card overdraft protection plan account are subject to the standard cash advance interest rate, as well as the current cash advance fee. Please refer to your cardmember agreement for information regarding charges and fees.

If you have a U.S. Bank business savings, money market account, or secondary U.S. Bank business checking account linked as Overdraft Protection, any automatic advances will be in \$200 increments made to cover the overdraft. Each time overdraft protection plan funds transfer to the checking account, an overdraft protection plan transfer fee (per item paid) applies. The transfer fee amount posts as a separate transaction to the checking account. Refer to the *Business Pricing Information* brochure for current fees.

When the Bank accesses funds from an eligible savings or money market account, these types of transfers are also subject to transaction limitations and the fee(s) noted in the *Business Pricing Information* brochure regarding Federal Regulation D governing savings and money market transaction limitations and also noted in subsection "Savings Accounts". When the Bank accesses funds from an eligible line of credit or credit card, these types of transfers may be subject to additional charges such as annual fees. In addition, you may be subject to interest that will accrue on the amounts advanced in accordance with your line of credit or cardmember agreement.

Business Overdraft Protection Agreements

U.S. Bank also offers certain business customers overdraft protection through separate written agreement. The terms of such agreement shall govern those business overdraft protection plans.

REFUSING PAYMENT ON YOUR CHECKS

You must fill in an amount (in words and numbers) correctly and clearly, and sign your name on checks you write. You should fill in the date and name a payee on your checks. If you don't name a payee, anyone can cash the check. If you fail to follow these rules, we may refuse to honor your checks.

When a check you write is presented to us by another bank for payment, we will generally accept the endorsements on the check, *but* if an endorsement is missing or forged, we have rights against the other bank that protect us. When a check of yours comes to us *other than through another bank*, we might not cash it if we are not comfortable with the endorsements on it or the identity of the person who presents it. This is especially true with an endorsement in the name of a business entity.

We may require anyone who presents a check for payment in person (other than an account owner presenting a check on his or her own account) to:

- pay a fee to cash the check if applicable; and
- give a fingerprint or thumbprint, and identification, as a condition of cashing a check.

If the presenter of the check refuses to comply with these requirements, or complies but later asserts that these requirements infringed on their legal rights, you understand and agree that imposing these requirements will not be considered a “wrongful dishonor” of your checks.

FUNDS TRANSFERS

Unless we have entered into a specific written agreement with you that provides otherwise, payment orders you give to us for the transfer of funds out of the account by wire transfer or otherwise, and payment orders we receive for the transfer of funds into the account, will be governed by this paragraph. In addition your rights and obligations with respect to a payment order, and our rights and obligations, will be governed by (a) any separate written agreement with us; then (b) this section; and then, to the extent not specified in a separate written agreement or this Agreement; (c) by Article 4A of the Uniform Commercial Code (“UCC4A”) as enacted in the state in which you have your account with us.

We reserve the right to refuse to accept any payment order. Payment orders are accepted when they are executed by us. We may process any payment order request (as well as any amendment or cancellation request concerning a payment order) that we believe is transmitted or authorized by you if we act in compliance with a security procedure agreed upon by you and us. Such payment orders will be deemed effective as if made by you, and you will be obligated to pay us in the amount of such orders, even though they are not transmitted or authorized by you. Unless we agree on another security procedure, you agree that we may confirm the authenticity and content of a payment order (among other ways) by placing a telephone call to you. If we cannot reach you, or if the payment order is not confirmed or approved in the manner we require, we may refuse to execute the payment order.

YOU AGREE THAT IF A PAYMENT ORDER OR CANCELLATION THEREOF IDENTIFIES THE BENEFICIARY BY BOTH NAME AND AN IDENTIFYING NUMBER, AND THE NAME AND NUMBER IDENTIFY DIFFERENT PERSONS OR ACCOUNT HOLDERS, EXECUTION AND PAYMENT TO THE BENEFICIARY OR CANCELLATION MAY BE MADE SOLELY ON THE BASIS OF THE IDENTIFYING NUMBER. YOU ALSO AGREE THAT IF A PAYMENT ORDER IDENTIFIES AN INTERMEDIARY BANK OR THE BENEFICIARY’S BANK BY BOTH NAME AND AN IDENTIFYING NUMBER AND THE NAME AND NUMBER IDENTIFY DIFFERENT PERSONS, EXECUTION OF THE PAYMENT ORDER BY ANY BANK MAY BE MADE SOLELY ON THE BASIS OF THE IDENTIFYING NUMBER.

If we receive a funds transfer into any account you have with us, we are not required to give you any notice of the receipt of the funds transfer. The funds transfer will appear on your next periodic statement. To confirm the completion of funds transfers, please contact U.S. Bank 24-Hour Banking or visit our Online Banking site at usbank.com. Prior to the acceptance of an outgoing payment order, the outgoing payment order may be cancelled, but may not be amended or modified, if the beneficiary’s bank is located within the United States of America and the outgoing payment order is to be paid in U.S. dollars. Other outgoing payment orders may not be cancelled, amended or modified. We must receive your cancellation in a reasonable time prior to the time we execute the outgoing payment order. Payment orders sent by Fedwire will be subject to the Federal Reserve’s Regulation J, and payment orders sent via other payment systems will be subject to the rules of those systems. You agree that we may record all telephone conversations and data transmissions received from, made for or made on behalf of you pursuant to or in connection with a payment order.

YOU AGREE THAT IF A PAYMENT ORDER, OR ANY CANCELLATION OR AUTHORIZATION RELATING THERETO, BUT FOR THE APPLICABILITY OF THE ELECTRONIC FUND TRANSFERS ACT OF 1978 (AS IN EFFECT FROM TIME TO TIME), CONSTITUTES A PORTION OF A FUNDS TRANSFER AS DEFINED IN UCC4A, ALL ACTIONS AND DISPUTES CONCERNING SUCH PAYMENT ORDER, CANCELLATION OR AUTHORIZATION SHALL BE DETERMINED PURSUANT TO UCC4A AND THIS AGREEMENT TO THE FULL EXTENT PERMITTED BY LAW. If an outgoing payment order in a foreign currency cannot be completed, the exchange rate that will apply to any refund due you will be the exchange rate in effect at the time on the day the refund is made. Additional fees may be deducted from a payment order amount by other banks involved in the funds transfer process.

We may route payment at our own discretion for each outgoing wire transfer. A wire transfer is irrevocable once payment has been transmitted to the beneficiary’s bank. At your request, we may request that the beneficiary’s bank return funds previously transferred. However, you acknowledge that the beneficiary’s bank is under no obligation to comply with this request.

WITHDRAWAL RIGHTS, OWNERSHIP OF ACCOUNT, AND BENEFICIARY DESIGNATION

The following rules govern the ownership and withdrawal rights of deposit accounts with the various titles given to them.

There are two primary issues that these rules control. The first is “withdrawal rights” and the second is “ownership.”

By “withdrawal rights” we mean who has access to the funds in the account for all purposes. These withdrawal rights will control, for example, whose instructions we must follow, whose checks we must pay, and whose withdrawal requests we must honor. These withdrawal rights do not control who actually owns the funds, as between multiple parties to an account.

By “ownership” we generally mean who owns the funds in the account. In particular, by selecting a particular ownership, you are expressing your intention of how and to whom your interest in the funds in the account should pass in the event of your death.

If you create a type of account, you retain the right to change or close the account to the extent of the withdrawal rights you retain in your own name.

We make no representations as to the appropriateness or effectiveness of any particular ownership or beneficiary designations. Our only responsibility is to permit access to the account as provided by the withdrawal rights. You must consult with your own attorney or financial advisor as to whether and how to effect any change in actual ownership of funds in the account.

Individual Account. This is an account in the name of one person. Such an account is also referred to as a “single ownership” account.

Withdrawal Rights. The holder of such an account is the only person who has the right to withdraw from the account, unless we permit the holder to designate an agent or attorney-in-fact to the account.

Ownership. The holder of such an account is presumed to be the owner. Holding such an account, by itself, creates no additional ownership rights nor survivorship rights (nor does such type of ownership create or extinguish any community property rights). In almost all instances this type of account will pass, on the death of the owner, through the estate of the owner. (You must consult your own estate planner to be sure.)

Agents and “Attorneys-in-Fact.” The owner of this type of account can nominate an authorized signer or attorney-in-fact.

Joint Account - With Survivorship. This is an account in the names of two or more natural persons, with the following features:

Withdrawal Rights. Each joint tenant has complete and separate access to the funds and withdrawal rights, and each authorizes the other(s) to endorse for deposit any item payable to the joint tenant. Upon the death of any joint tenant, any surviving joint tenant will have complete withdrawal rights to the balance of the account. If there is more than one surviving joint tenant, such survivors remain as joint tenants with right of survivorship with the same withdrawal rights provided in this section.

Each joint tenant reserves the right to change the ownership of the account to the extent of that owner’s withdrawal rights.

Ownership. Each joint tenant is presumed to “own” the funds in proportion to that person’s net contribution to the account. Each joint tenant intends upon his or her death that the funds owned by such person will be owned by the survivor. If there is more than one survivor, the “ownership” of the decedent’s funds will be shared equally with such survivors.

Other Titles. In some states, it is advisable to add either “not as tenancy in common” or “not as a tenancy by the entirety” or both to insure the intention described above.

Agents and “Attorneys-in-Fact.” Any joint tenant can nominate an authorized signer or attorney-in-fact who can hold all the same withdrawal and deposit rights as the authorizing owner, except the authorized signer or attorney-in-fact will not be an owner (a joint tenant).

Joint Account with Survivorship - Arizona. A Joint Account with Survivorship in Arizona has a unique feature that will change the “ownership” rights on the death of one of the joint owners if there is more than one surviving joint tenant and one of the surviving joint tenants is the surviving spouse of the deceased joint tenant.

Withdrawal Rights. This rule will not change the withdrawal rights to the account on the death of a joint tenant; it only affects the actual ownership of the account balance, which will only affect the survivors, and will not affect our responsibilities under the account.

Ownership. If two or more parties survive and one is the surviving spouse of the deceased party, the amount to which the deceased party, immediately before death, was beneficially entitled by law belongs to the surviving spouse. If two or more parties survive and none is the spouse of the decedent, the amount to which the deceased party,

immediately before death, was beneficially entitled by law belongs to the surviving parties in equal shares, and augments the proportion to which each surviving party, immediately before the deceased party's death, was beneficially entitled under law, and the right of survivorship continues between the surviving parties.

Tenancy in Common Accounts. A Tenancy in Common account is another form of joint account without the survivorship feature. A Tenancy in Common account is also in the name of two or more individual owners.

Withdrawal Rights. Each joint tenant has complete and separate access to the funds and withdrawal rights, and each authorizes the other(s) to endorse for deposit any item payable to the joint tenant. Until we receive notice of the death of any joint tenant, any tenant in common will have complete withdrawal rights to the entire account balance.

If more than one tenant in common survives the death of another tenant in common, such survivors remain as tenants in common between them.

Each tenant in common reserves the right to change the ownership of the account to the extent of that owner's withdrawal rights.

Ownership. Each tenant in common is presumed to "own" the funds in proportion to that person's net contribution to the account. However, because of the extreme difficulty in determining such proportions over time, you agree that upon the death of one tenant in common, the balance in the account at the time immediately before the death of the tenant in common will be deemed to be owned in equal shares between all tenants in common. After death and our receipt of notice of such death, the decedent's share will be set aside for the estate of the decedent, and the survivor's share in the account balance will be at the disposal of the surviving tenant in common.

Other Titles. In some states this account is referred to as Joint Tenancy WITHOUT Right of Survivorship.

Agents and "Attorneys-in-Fact." Any tenant in common can nominate an authorized signer or attorney-in-fact who can hold all the same withdrawal and deposit rights as the authorizing owner, except the authorized signer or attorney-in-fact will not be an owner (a tenant in common).

Marital Account (Wisconsin). This account is an account established by two persons in Wisconsin who claim to be husband and wife. This account is, for such persons, the same as the Tenancy in Common account described above.

Marital Account with P.O.D. Beneficiaries (Wisconsin). This account is, first, the same as a Wisconsin Marital Account (which is, in turn, the same as a Tenancy in Common account described above).

Withdrawal Rights. During the lives of both parties to the marriage, the withdrawal rights will be the same as for the Marital Account. The beneficiaries have no withdrawal rights until the death of one of the marriage partners.

Ownership. Upon the death of one of the spouses, the surviving spouse owns 50% of the funds on deposit, and the P.O.D. beneficiary named by the deceased party (if that beneficiary is then surviving) owns the other 50%. Each spouse can name his or her own beneficiary.

If there is more than one beneficiary who is named by a party who survives, the shares of those beneficiaries will be equal.

On the death of one of the marriage partners, the account will have to be retitled and beneficiary shares will have to be redeposited or withdrawn.

Pay-on-Death Account. This is an account where one or more persons create the account and name one or more living persons as beneficiaries. Frequently the account title is A.B. Pay-on-Death to C.D. beneficiary.

Withdrawal Rights. The person who creates this type of account retains complete withdrawal rights in such an account during his or her lifetime and for his or her own benefit. The named beneficiary has no withdrawal rights to the account during the lifetime of the creator of the account. The owner can change or close the account, and change beneficiaries at any time.

On the death of the creator of the account, the beneficiary (on proof of death of the creator and proof of the identity as the named beneficiary), can withdraw the entire account balance. If there is more than one beneficiary who is named and survives the creator, the surviving beneficiaries acquire and can withdraw an equal share with the other surviving beneficiaries, without survivorship rights between beneficiaries. If a beneficiary dies before the creator, neither the beneficiary's estate nor heirs acquire anything on the death of the owner.

If more than one person creates such an account, then such creators have complete and separate withdrawal rights between them during their joint lives, and the survivor of them will have complete withdrawal rights upon the death of the other creator. Named beneficiaries can withdraw a share of the account balance only upon the death of the last creator and only if such beneficiaries are then alive (and upon proof of the deaths of the creators and their own identity as the named beneficiaries). In effect, if more than one person creates this type of account, with one or more beneficiaries, the account has first all the incidents of a "Joint Account with Survivorship" and only after there is but one joint tenant does the account have the incidents of a "Pay-on-Death" account.

Ownership. The creator of this type of account is presumed to own the funds during his or her lifetime and intends that ownership to pass to the beneficiary only upon his or her death and only if the named beneficiary survives him or her. If there is more than one creator, the ownership between such creators is the same as that between joint tenants with right of survivorship, with the same incidents upon the death of a joint tenant.

If there is more than one beneficiary who is named and survives the creator(s), the creators intend his, her or their ownership rights to pass to the then surviving beneficiaries in equal shares, with no survivorship rights between them.

Other Titles. This type of account has other names such as "Tentative Trust," "Totten Trust," "In Trust For" and "Revocable Trust." In states where one of these trust accounts is recognized, the creators of such accounts will be referred to as a "settlor" or "grantor." Nevertheless, all the incidents of such an account, the rights of the grantor(s) and beneficiaries are exactly the same as described for "Pay-on-Death" accounts above. Only the names have been changed.

Revocable Trust or Pay-on-Death Account (not subject to the Nonprobate Transfers Law of Missouri)

In Missouri, a Revocable Trust or Pay-on-Death account may include an appendage to its title "not subject to the Nonprobate Transfers Law of Missouri." This appendage does not change the features of the account as described above for Pay-on-Death accounts.

Registration in Beneficiary Form - Missouri

Adding the acronym *LDPS* (which stands for lineal descendants, per stirpes) to a Revocable Trust or Pay-on-Death account in Missouri, changes the rights of beneficiaries of such accounts. LDPS designation means that if a named beneficiary of such an account dies before the account owner, then the unnamed lineal descendants of that deceased beneficiary will acquire the share of the deceased beneficiary on the death of the owner per stirpes.

UTMA (Uniform Transfers to Minors Act) Account

This is an account in the name of an adult custodian (or possibly a corporate custodian) for the benefit of a person who is a minor at the time the account is created.

Withdrawal Rights. During the minority of the child (as defined under applicable UTMA laws), the custodian has all withdrawal rights, but is required by law to exercise those rights solely for the benefit of the child. We, however, have no duty or agreement whatsoever to monitor or insure that the acts of the custodian are for the child's benefit.

The custodian is required to turn over the account balance when the child reaches the age of majority. The custodian authorizes us, at our discretion, to exercise the custodian's duty to transfer funds to the child at the child's request upon reaching the age of majority.

Ownership. The child/beneficiary is at all times the owner of the funds in the account.

UGMA (Uniform Gifts to Minors Act) Account

A few states have not adopted the Uniform Transfers to Minors Act. These few states have, for our purposes, an equivalent statute known as the Uniform Gifts to Minors Act, which has the same incidents as those described above for the UTMA account.

Fiduciary Account

A fiduciary account is an account opened by or taken over by an executor, administrator, personal representative, guardian, conservator, trustee, or other fiduciary in such capacity. Any fiduciary named as a signer on a fiduciary account shall be solely responsible for acting in accordance with the terms of the applicable laws, will, court order or trust instrument establishing and covering the fiduciary relationship, and we are not responsible for examining, or insuring compliance with the provisions of any such law or instrument.

Corporate, Partnership, Limited Liability Company and other Organizational Accounts

These are accounts opened by any business organization or association. We reserve the right to require the account holder(s) to furnish us with such resolutions, agreements or documents as we may reasonably request to evidence the authority of individuals to act on behalf of the account holder(s). We will honor such an authorization until we receive written notice of change from the governing body of the organization. It is mutually agreed that the power and authority of each person named as authorized to take action with respect to the account shall continue in full force and effect until we receive actual written notice of revocation, whether the same be brought about by dissolution of the account holder or otherwise.

PLEDGES AND SECURITY INTERESTS IN FAVOR OF OTHERS

You cannot give a security interest or pledge your account to someone other than us without first getting our express written consent. We are not required to give consent to a security interest or pledge to someone else.

Unless we agree in a separate writing otherwise a security interest or pledge to someone else must be satisfied or released before any right to withdraw from the account can be exercised, including any right that arises by surviving the death of an owner (for example, a surviving joint tenant or beneficiary of a pay-on-death account).

ACCRUAL OF INTEREST

We will begin to accrue interest on deposits drawn from other banks at the time we get credit for the deposit in the collection process, which is not necessarily the same time as the time we make funds available for withdrawal.

If your account (for example a savings account) earns a variable rate of interest, we can change that rate at any time without notice to you, except as specifically provided in writing in the account disclosure or agreement.

You can find out our current rates on accounts that earn interest in our branches, from U.S. Bank 24-Hour Banking, or at usbank.com. The telephone number is at the end of this booklet.

STOP PAYMENTS

Unless otherwise provided, the rules in this section cover stopping payment of items such as checks and drafts drawn on your account. Rules for stopping payment on other types of transfers of funds, such as consumer electronic fund transfers, are covered elsewhere in the **Electronic Banking Agreement For Consumer Customers** section.

Here is what you must do to stop a payment:

ACH Check Conversion

An ACH Check Conversion is a transaction that starts as a paper check that you give to a merchant. The merchant converts the check, using the information on the paper, to send an electronic message to a bank to immediately take the money from your account. The merchant is required to post a notice about ACH Check Conversion in a prominent and conspicuous location at the time of the transaction. You can stop payment on an ACH Check Conversion only if it has not yet been presented by the merchant.

Electronic Fund Transfers

You can stop payment of certain types of electronic transactions. Please refer to the Electronic Banking Agreement section for details.

Checks and drafts

If you want to stop payment of a check, you must stop by a U.S. Bank branch or call U.S. Bank 24-Hour Banking (see last page for phone numbers). Writing to us will take too much time and we will not have time to act on your request before the check is paid. We will need the following information:

1. the account number the check is written on;
2. the check number;
3. the dollar amount;
4. the date; and
5. the name of the person you wanted to pay.

This information must be exact and correct. If it is not, we will not be responsible if the item is paid.

Who can stop a payment and for how long?

1. Any owner can stop payment of any check on the account whether that owner wrote the check or not (and assuming the item can still be stopped).
2. A stop payment order is effective for twenty-four months or longer, as determined at the time the stop payment order is placed. You must renew it prior to the expiration of the stop payment effective period or the item could get paid. We will not notify you when the stop payment effective period ends. Fees may be assessed for placing a stop payment order.
3. Only the owner who made the stop payment order can release it.
4. You must give us sufficient notice so that we have a reasonable period of time to act upon your request and verify that the item has not been paid.

Effect of a stop payment

When you stop payment of a check, you may still be obligated to the payee, and the payee may still have the right to collect on the check or the underlying transaction. If we have to defend ourselves for letting you stop payment on a check, you have to protect us by paying our expenses, including our reasonable attorney's fees.

What if we don't stop payment?

We cannot stop payment of a check that has already been paid.

If you ask us to stop payment of a check and we pay it anyway, we gain whatever rights the payee has against you. This means, if the check should have been paid, or the payee has the right to collect from you anyway, we can collect from you. Therefore, if we pay an item that should have been stopped, before we recredit your account, you will have to prove to us that by our payment you have suffered a loss and the cause is our failure to stop the payment.

What kinds of checks does this NOT apply to?

This section does not apply to items not drawn on your account, such as teller's checks, official (cashier's) checks, and accepted checks (e.g., certified checks). We have no responsibility to honor your request to stop payment of items not drawn on your account. If we agree to stop payment on these items, we may require you to provide us with additional security (for example, a bond or collateral) and you agree to indemnify us for any damages and costs we incur as a result of stopping payment of such items.

Fee

To stop a payment you must pay our fee, the amount of which is disclosed in the pricing information brochure or agreement for your account.

DORMANT ACCOUNTS AND ESCHEAT

A **dormant account** is an account that has been inactive. Generally, subject to state law, "inactive" means there has been no deposit, withdrawal or other communication from you about the account for the period of time as follows:

1. after 11 months for a checking account;
2. after 23 months for a savings account including those that offer limited (no more than six per month) check writing options.

For security reasons, we may refuse a withdrawal or transfer from an account we internally classify as inactive if we cannot reach you in a timely fashion to confirm the transaction's authorization.

We charge a dormant account fee. The amount and frequency is disclosed in our pricing information brochure.

If your account has a zero balance, we reserve the right to close it. Any accounts linked as overdraft protection will be de-linked as part of the closure process. Refer to **CLOSING YOUR ACCOUNT** for additional information.

Escheat is the term that is used to describe the process of transferring an account balance to the state government after an account has been dormant for a long time and if our attempts to find you fail.

The time period after which funds must escheat to the state varies from state to state. Once the funds are transferred to the state, you may be able to recover the funds from the state itself, but not from us.

We may charge a fee to transfer to the state.

CONSUMER ELECTRONIC CHECK REPRESENTMENT

If you write a check on a personal account that we return unpaid because of insufficient or uncollected funds, the depositor of the check or the depositor's bank may resend ("represent") the check to us electronically. That is, the depositor or the depositor's bank may send us an electronic instruction ("electronic represented check") to charge your account in the amount of the check.

Our Handling of Electronic Represented Checks. If we receive an electronic represented check from the depositor or the depositor's bank, we will pay or return the electronic represented check as if the original paper check were being represented to us. The section titled "**Electronic Fund Transfers**" will not apply to any electronic represented check.

Ineligible or Unauthorized Electronic Represented Checks. For an electronic represented check to be charged to your account, all of the following must be true:

- the electronic represented check must relate to a paper check drawn on a personal account that we returned unpaid because of insufficient or uncollected funds;
- the paper check must not have contained an unauthorized signature or an alteration and must not have been a counterfeit;
- you must not have placed a stop payment on the paper check after we returned it unpaid but before it was collected electronically;

- the paper check must have been less than \$2500 in amount;
- the paper check must have been dated 180 days or less before the date on which the electronic represented check is sent to us;
- the electronic represented check must be for the face amount of the paper check only and may not include any collection fee charged by the depositor, the depositor's bank, or a collection agency;
- the payee of the paper check must have given you notice that, if we returned the paper check unpaid because of insufficient or uncollected funds, the fee could be collected electronically; and
- the electronic represented check must have been sent to us no more than twice after the first time we returned the paper check, or no more than once after the second time we returned the paper check.

You may have the right to reverse any ineligible or unauthorized electronic represented check that we charged to your account. If you want to reverse an electronic represented check because you placed a stop payment on the paper check to which the electronic represented check relates after we returned the paper check unpaid but before it was collected electronically, you must notify us within 15 days after we send or make available to you the periodic statement that reflects payment of that electronic represented check. If you want to reverse an electronic represented check for any other reason, you must give us an ACH Claim Form within 15 days after we send or make available to you the periodic statement that reflects payment of that electronic represented check. An ACH Claim Form may be obtained by contacting U.S. Bank 24-Hour Banking or a local U.S. Bank branch. In your claim form, you must declare and swear under oath that the electronic represented check was ineligible or unauthorized. If we receive your notice or claim form within the 15-day period, we will recredit your account with the amount of the charge but will not be responsible for any other damages associated with the transaction.

Stop Payment. If you wish to stop payment of any electronic represented check, you must follow the procedures contained in the rules for stopping payment of checks, not the procedures contained in the rules for stopping payment on electronic loan or bill payments.

CHECKING ACCOUNTS AND "SUBACCOUNTS"

For regulatory accounting purposes we may designate two sub-accounts for a checking account; one sub-account is a savings (non-transaction) account and the other is a checking account. Checks and other third party transfers are paid from the checking (transaction) account. As necessary, we transfer funds from the savings sub-account to the checking sub-account automatically. You cannot access the savings sub-account directly. This accounting device does not affect either the appearance or the operation of your checking account in any way.

TELEPHONE TRANSFERS

If you have more than one account with us, including a credit card or open end loan account, you can transfer funds between your accounts by telephone. You will need to have a PIN, and enter your account numbers, and other qualifications, but if you meet them,

1. you can transfer funds between your accounts by calling our telephone transfer service, and
2. telephone transfers may be made by the same account owners/signers and usually under the same conditions as generally applicable to withdrawals made in writing or by other means.

A transfer made by telephone is not immediately completed. It may take as long as one business day for us to verify the transaction, and make the transfer.

REQUIRED SIGNATURES

Signature Comparison. We process certain items mechanically, based on information encoded on checks and other transaction items, and we are not required to examine items and debits drawn on your account. We collect your signature to obtain your agreement to the rules we establish for your account, but this does not create any responsibility on our part to verify signatures on items and other charges to your account.

Number of Signatures. You agree that if you

1. require the signatures of two or more persons to open an account;
2. have an account in which more than one signature is required to complete a transaction;
3. authorize someone to transact some but not all transactions on your account;
4. authorize someone to transact business on your account for limited purposes and no others; or
5. use checks that require two or more signatures,

such arrangements are strictly between you and the other person(s) you authorize, whether we have notice of your arrangement (including in a form we provide you) or not. You cannot assert a claim against us for permitting a transaction so long as any one of the owners or authorized persons sign or initiate the transaction, even if a person exercises more authority than you have given.

CHANGES TO OUR AGREEMENT WITH YOU

We may change any term of this Agreement. We will give you reasonable notice in writing or by any other method permitted by law. You agree that in any event 30 days written notice is reasonable.

If we notify you that the terms of your account have changed and you continue to have your account after the effective date of the change, you have agreed to the new terms. For consumer customers, rules governing changes in interest rates are provided for separately in the Truth-in-Savings disclosure or in another document.

CLOSING YOUR ACCOUNT

This section does not apply to an active time deposit (or certificate of deposit) account.

If you intend to close your account: If you intend to close your account with us, you should tell us; simply transferring all the money in your account and reducing your account balance to \$0.00 is insufficient notice and may result in additional fees charged to your account.

If you close your account,

1. you are still responsible for transactions you arranged for, including those that arrive after the account is closed;
2. you should pay special attention to pre-authorized electronic deposits to your account and payments from that account; you should reroute the deposits to another account and make other arrangements for the payments, with us and the other institutions involved;
3. you should not close your account until all the transactions you arranged for have been cleared, and you should leave enough funds to clear them and the fees that might be due; and
4. if it is an interest-bearing account, accrued interest will not be paid.

We can close your account:

We can close your account for any reason or for no reason at all. If we close your account, we will send you notice within ten days after closing and/or indicate the closure on your next account statement. We will send the collected account balance to you at your last known address as reflected in our account records. At our sole discretion we may, but are not required to, withhold a sufficient sum to cover any outstanding items and likely fees. If we withhold any money for such contingencies, we will refund that to you after we are satisfied that no further withholding is necessary.

As part of the account closure, any accounts linked to the Checking Account as overdraft protection will be de-linked. If a U.S. Bank Reserve Line is linked as overdraft protection to a Checking Account that is automatically closed, the Reserve Line will also be closed and you must repay any remaining balance according to the monthly payment coupon included in your future periodic statements.

STATEMENTS AND NOTICES

Statements. We will periodically make available to you a paper or on-line statement of your checking or savings account. These statements show the transactions that occurred in the time period covered by the statement. If you elect **not** to receive or review your statement, you are still responsible for having access to the information provided in the statement. At our option, a statement will not be produced in any statement period in which service charges, fees, reversals, refunds or interest are the only transactions on the account. When other activity exists, such as a deposit or withdrawal, a statement will be available to you and will include all transactions which have occurred since the last statement (this includes any service charges, fees, reversals, refunds or interest that occurred since the last available statement). At a minimum, all accounts will receive an annual statement. Regardless of how frequently a statement is made available, monthly service charges and other account fees will continue to be deducted from the account. In addition, applicable interest will continue to accrue and be paid periodically as disclosed in the product pricing information brochure.

Combined Statements. If you have multiple accounts with us, we may at any time automatically combine your accounts on a single, easy-to-read monthly statement. We will only combine statements for accounts that have common ownership (meaning at least one owner is common across multiple accounts) and the same address and Social Security Number.

If you prefer to continue receiving separate statements, please contact U.S. Bank within 30 days of receiving your combined statement. You may reach us by calling one of the numbers listed on the back of this brochure, sending a letter to U.S. Bank, 60 Livingston Ave, EP-MN-WS5D, St. Paul, MN 55107, or sending a secured email by logging on to usbank.com and selecting "Contact Us". Please include the following information in your correspondence: your name, account number(s) and the reference code "CMBSTMN."

Your address. You must give us your correct address, and if you move or change your address, you must keep us advised. You are responsible for messages and statements we send to the most recent address you have given us. We may also update your address in our records without a request from you if we receive an address change notice from the U.S. Postal Service or if we receive updated address information from our mail services vendor.

If you agree to accept mail electronically, you must give us your accurate email address and keep us up to date with any changes to your address. You are responsible for keeping your email functioning properly, or advising us if it does not work.

Multiple owners. Periodic statements and notices that we make available to one owner or agent/signer of an account will be the same as providing statements and notices to all owners of an account. You agree to designate the primary address for purposes of receiving statements and other account correspondence. Each account owner agrees that we may send any legal notice or legal process affecting any owner or the account to the primary address designated on the account. Each account owner agrees to notify the other owners of any legal notice received at that address pertaining to such other account owner or to the account.

Your Duty to Examine Your Statement. As used in this section, the term "problem" means any error, alteration, counterfeit check, or unauthorized transaction (including, but not limited to, forged or missing signatures and excluding consumer electronic banking transactions) related to your account. Because you are in the best position to discover any problem, you agree to promptly examine your statement and report to us any problem on or related to your statement. You agree that we will not be responsible for any problem that:

1. you do not report to us in writing within a reasonable time not to exceed 30 calendar days after we mail the statement (or make the statement available) to you;
2. results from a forgery, counterfeit or alteration so clever that a reasonable person cannot detect it (for example, unauthorized checks made with your facsimile or other mechanical signature device or that look to an average person as if they contain an authorized signature); or
3. as otherwise provided by law or regulation.

You agree to waive any rights to recovery you may have against us if you do not provide notice to us in the manner and within the time required by this Agreement. You may not start a legal action against us because of any problem unless: (a) you have given us the above notice and (b) the legal action begins within one year after we send or make your statement available to you. If you make a claim against us in connection with a problem, we reserve the right to conduct a reasonable investigation before re-crediting your account and you agree to fully cooperate in such investigation. Within 30 days of the date of mailing, you agree to complete and return an affidavit of unauthorized paper debit on the form we provide you along with any other information we may request. You further agree to file a police report if we request. If you refuse to sign such an affidavit or fail to return the affidavit and other requested documentation within 30 days of the date we mail it to you, you agree that we may consider the matter resolved and reverse any provisional credit provided. At our sole discretion, we may, but are not obligated to, provisionally credit your account during the investigation for all or a portion of the amount claimed. Any provisional credit to your account may be reversed if you fail to fully cooperate in our investigation or, if as a result of our investigation, we determine that the charge to your account was proper. You agree to pay any fees assessed or accrued against your account during the investigation or that may arise upon reversal of any provisional credit.

For problems involving an electronic banking transaction, please refer to the "**Electronic Banking Agreement**" sections of this brochure.

This time period for you to examine your statement and report problems to us are without regard to our level of care or the commercial reasonableness of our practices, and without regard to whether cancelled checks are supplied to you.

Contact us if you do not receive your regular statement. If this is a business account, you agree that you will have at least two people review your statements, notices, and returned checks, or in the alternative, the person who reviews these will be someone who does not have authority to transact business on the account.

RETURN OF CANCELLED CHECKS

For some specific consumer and small business checking accounts we currently offer three plans, with respect to the return of cancelled checks:

1. Check Safekeeping: paid checks that are not returned - your statement will show the check number, the amount, and the date it is paid;
2. Image Checks on Statement: paid checks that are not returned - your statement will include a reduced image of the front of the check or front and back of a check in addition to the number, amount and date the check is paid as part of the statement; (See the **CHECK 21** section; the images sent with your statement are **not** substitute checks themselves, but some may be images of substitute checks.) and
3. Returned Checks in Statement: paid checks that are returned with the statement - At our option the paid checks may be a full size image of the front and back of the paid check in addition to the number, amount and date the check is paid as part of the statement. (See the **CHECK 21** section for more information about substitute checks.)

Option 1 is what you will get unless you specifically ask for option 2 or 3. The checking accounts for which these options are available vary. The products and our fee structures for each option are disclosed in the *Consumer Pricing Information* or *Business Pricing Information* brochure or agreement for your account.

If you take option 1 or 2, and you have need for a specific paper check, we can provide a substitute copy to you upon request.

CHECKS, CHECKING ACCOUNTS AND SAVINGS ACCOUNTS WITH DRAFT ACCESS

Consumer NOW Accounts: Consumer transaction accounts are Consumer NOW Accounts on which you can write negotiable orders of withdrawal. Negotiable orders of withdrawal look and function like checks, and the rules governing checks also apply to them. Depending on account features, Consumer NOW Accounts may or may not bear interest. Although we have no intention of exercising this right, federal regulations require that we reserve the right to require at least seven days' written notice prior to withdrawal or transfer of any funds on your Consumer NOW Account.

SAVINGS ACCOUNTS

By the term "savings" account we mean an account that earns interest, but has no specific maturity date or required notice period. (A maturity date or a required notice period is a characteristic of a time deposit or certificate of deposit.)

We will provide you with a periodic (quarterly, monthly, annually based on your account type and account activity) statement for your savings account and you must examine your statement for errors or forgeries just as you should for your checking account.

Withdrawals:

You can make withdrawals from a savings or money market account in many ways, such as:

1. in person by withdrawal slip;
2. at ATMs with an ATM card or debit card; (See section titled **Electronic Banking Agreement**. You must have a card and a PIN, and you must select your saving account as the account you want to access on the screen.)
3. by automatic (electronic) payment to a loan account with us; (You would have to set this up in advance.)
4. using your debit card with a merchant, online or in person; (This will only apply if the savings account is the only account that is attached to your debit card.)*
5. by automatic (electronic) payment to others; (You would have to set this up in advance.)*
6. by telephone transfer to another account of yours with us; (You will need a PIN to use our automated system.)*
7. online transfers to other accounts with us; (You would need to arrange for online transactions.)*
8. online transfers to others; (You would need to arrange for online transactions.)*
9. by check. (You would need to select a savings account that permits access by check.)*

Federal Regulation D limits certain types of withdrawals and transfers made from a savings or money market account to a combined total of six per account cycle. This includes withdrawals made by check or draft to third parties; debit or ATM card point-of-sale (POS) purchases; and pre-authorized withdrawals such as automatic transfers for overdraft protection and transfers made by telephone, online banking, mobile banking, bill pay, wire and facsimile. Withdrawals and/or transfers exceeding the six per account cycle allowance will result in an excessive withdrawal fee per transaction (refer to the *Consumer Pricing Information* or *Business Pricing Information* brochure). Withdrawals and transfers made in person at a U.S. Bank branch or at an ATM are not included in the limit of six per account cycle.

If limitations are continuously exceeded, we may:

1. convert your account to a checking account, and price it accordingly; or
2. close your account; and

3. charge you a fee (refer to the *Consumer Pricing Information* or *Business Pricing Information* brochure for Excessive Withdrawal Fee, in Attachment 1) or (2) above. We reserve the right to require seven days' notice before any withdrawal from any savings account, though it is very unlikely we will require such notice and, if we do, we will require it for all savings accounts.

S.T.A.R.T. PROGRAM AGREEMENT

Will not be accepting new enrollment as of November 15th 2015.

Savings Today And Rewards Tomorrow®

S.T.A.R.T. is a program offered by U.S. Bank to help you achieve and maintain your savings goals. The following information provides the terms of the S.T.A.R.T. Program (the "Program"), the details you need to know to enroll in and manage your savings plan, as well as the terms for earning rewards under the Program. We may change these terms at any time, in which case we will provide you notice of those changes. Please read these terms carefully and contact us if you have any questions. By enrolling in the Program, you agree to these terms.

Enrollment Process and Eligibility

To be eligible for the Program, you must meet, and continue to meet, the following three requirements:

1. Open and/or maintain an active U.S. Bank Package, including:
 - A Silver, Gold or Platinum Package Checking account AND
 - A Package Money Market Savings account

Note: Account ownership must be identical for both the package checking and package money market savings accounts.
2. Enroll in the Program.
3. Schedule and maintain a qualifying transfer from your Package Checking account to your Package Money Market Savings account.

Qualifying Transfers Options

*A qualifying transfer must occur at least once per month from your Package Checking account ("checking account") to your Package Money Market Savings account ("savings account"). **Three transfer options** are available for you to choose. You are required to set up at least one option, but can utilize all three choices.*

Note: Qualifying transfers will not be processed if your checking account has a negative available balance or if your balance would become negative as a result of the transfer.

1. Scheduled Transfer option: A recurring regularly scheduled transfer based on a specific amount transferred from the Package Checking to the Package Money Market Savings on a specific date(s) you select.

- Transfers can occur daily, weekly, every other week, or can be based on a specified date(s) or day(s) during the month. One-time or same-day transfers do not qualify.
- Example: Schedule a transfer of \$10 from your checking account to your savings account on the 1st of each month.

2. Transfers Based on Debit Card Purchases: A recurring transfer from the Package Checking account to the Package Money Market Savings account based on each number of U.S. Bank Debit Card purchases you make, transferred on the business day after the transaction is posted.

- Select a dollar amount between \$.25 and \$5.00 to transfer for each purchase transaction.
- The total number of debit card purchase transactions posted to your checking account each day will be multiplied by the per transaction dollar amount selected. That amount will be transferred from your Package Checking account to your Package Money Market Savings account.
- The debit card must be associated with the enrolled checking account. For joint checking accounts, more than one debit card can be designated and a separate transfer will occur for the activity of each card.
- Example: You have selected a transfer amount of \$.50. If five debit card purchases post on Tuesday, a transfer of \$2.50 will occur on Wednesday (from your checking account to your savings account).

3. Transfers Based on Credit Card Purchases: A recurring transfer based on the number of U.S. Bank Credit Card purchases you make, transferred on the business day after the transaction is posted.

- Select a dollar amount between \$.25 and \$5.00 to transfer from the Package Checking account to the Package Money Market Savings account for each credit card purchase transaction.
- The total number of credit card purchase transactions posted to your credit card each day will be multiplied by the dollar amount selected. That amount will be transferred from your Package Checking account to your Package Money Market Savings account.
- The credit card owner's name must also be an owner on the enrolled S.T.A.R.T. checking account. For joint checking accounts, more than one credit card can be designated, and a separate transfer will occur for the activity of each card.
- All U.S. Bank-branded, co-branded or affinity credit cards are eligible.
- If more than one credit card is enrolled in S.T.A.R.T. for this transfer option, separate transfers will occur for the total purchases posted to each card.
- Example: You have selected a transfer amount of \$3.00. If two credit card purchases post on Monday, a transfer of \$6.00 will occur on Tuesday (from your checking account to your savings account).

S.T.A.R.T. Goals and Rewards

The Program offers two rewards that can be earned by achieving and maintaining a specific account balance – called your Goal Balance – in your savings account. Your Goal Balance is the account balance of your Package Money Market Savings account at time of enrollment, plus \$1,000. You must reach Goal 1 before you become eligible for Goal 2.

S.T.A.R.T. Goal 1: When you reach the Goal 1 Balance in your Package Money Market Savings account AND a qualifying transfer occurs within 35 days of meeting the Goal 1 Balance, you will earn a \$50 U.S. Bank Rewards Visa Card.

S.T.A.R.T. Goal 2: When you maintain the Goal Balance in your Package Money Market Savings account for 12 consecutive months from the date of meeting Goal 1, you will earn a \$50 U.S. Bank Rewards Visa Card.

Note: Reward(s) will be sent to the primary savings account holder within 30 days of goal verification. Rewards will be reported as interest earned on IRS Form 1099-INT. The account holder is responsible for any applicable taxes. If your savings account is subject to State or Federal tax withholding, the amount of your U.S. Bank Rewards Visa Card will have taxes withheld. A customer is eligible to earn only one of each goal type, for a maximum reward of \$100.

Terms and conditions and fees may apply to Rewards Cards. The U.S. Bank Rewards Visa Card cannot be reloaded with additional funds, nor can it be used at an ATM. For complete terms and conditions, see the "U.S. Bank Rewards Visa Card Agreement" available at www.usbankrewardscard.com. Lost or stolen cards can be replaced if the card number is available; some restrictions apply.

Think Twice™ Savings Feature Option

- If you select the *Think Twice* option, you will receive a message giving you the opportunity to "think twice" before you make a withdrawal from your enrolled Package Money Market Savings account.
- This *Think Twice* message will be presented when a request for transfer or withdrawal is made through U.S. Bank ATMs, U.S. Bank branches, Online Banking and U.S. Bank 24-Hour Banking.
- *Think Twice* can be enabled or turned off anytime at a U.S. Bank branch, online via Online Banking or on the phone with U.S. Bank 24-Hour Banking.

Monitor and Make Changes to your S.T.A.R.T. Selections

You can make changes to any transfer option, add or delete transfer selections, and monitor your goal progress: by accessing your account via Online Banking, speaking with a banker at a participating branch, or calling U.S. Bank 24-Hour Banking (see last page for phone numbers). Additionally, S.T.A.R.T. Mobile or Email Alerts can be set-up through Online Banking, and your monthly statements will provide S.T.A.R.T. progress information.

Program Termination

Your participation in S.T.A.R.T. will end if:

- You notify your banker that you no longer wish to participate in the Program.
- Your Package Checking account or Package Money Market Savings account is closed, is transferred to another product, or the account ownership does not match on both the checking and savings accounts.
- A qualifying transfer is not scheduled for six consecutive months when working towards Goal 1 achievement.

TIME DEPOSITS

A time deposit is more commonly known as a certificate of deposit or CD. With a time deposit, you agree to keep your deposit with us for a specified period of time, or agree to give a required advance notice prior to withdrawal, and we agree to pay you interest at an agreed upon rate, or an agreed formula for a rate, for that period of time.

We are not required to permit an early withdrawal from a time deposit, and if we do, it will be on condition that you pay an early withdrawal fee and penalty. The amount of that penalty will be disclosed to you when you open such an account.

All the features of your time deposit will be disclosed to you when you open the account. You can call 24-Hour Banking, visit a local U.S. Bank branch, or go to usbank.com to find out what CD products and terms we offer.

If your time deposit remains inactive for a long time and our attempts to find you fail we may transfer or escheat your funds to the state as required.

Escheat is the term that is used to describe the process of transferring an account balance to the state government after an account has been dormant for a long time and if our attempts to find you fail.

The time period after which funds must escheat to the state varies from state to state. Once the funds are transferred to the state, you may be able to recover the funds from the state itself, but not from us.

We may charge a fee to transfer funds to the state.

LIMIT OF LIABILITY

We process millions of transactions every day, with the help of complicated technology and other companies. If we make a mistake and charged you more than we should have, or failed to give you credit you were due, we will correct the error, so long as you give us sufficient and timely notice and an opportunity to fix it. See the section above titled **Statements and Notices**, for your duty to pay attention to your statement and report any errors.

You agree – to the extent allowed by law – to waive any indirect, incidental, special, consequential and punitive damages for errors or mistakes we make in good faith. This includes damages that might otherwise be available in a tort or contract action, and whether the consequences are foreseeable or not.

ELECTRONIC MESSAGES AND AGREEMENTS

Many customers use the Internet and email as their primary form of communication with us. For example, we offer Online Banking and the ability to obtain periodic account statements online.

You agree that we may make agreements with you by electronic means. Your authorization and consent to such an agreement, or your delivery of instructions, may be made by use of certain numbers, codes, marks, signs, personal identification numbers (PINs), public or private keys or other means, acceptable to you and to us, to establish your identity and acceptance of the electronic communications. All electronic communications that meet these requirements will be deemed to be valid and authentic and you intend and agree that those electronic communications will be given the same legal effect as written paper communications signed by you. You agree that electronic copies of communications are valid and you will not contest the validity of the originals or copies, absent proof of altered data or tampering.

You are not required to accept electronic communications; we want you to be aware that this is an option for you to accept. **We will never ask you for sensitive account information, such as, passwords, PINs, Social Security numbers or account numbers via email. If you receive an email that appears to be from U.S. Bank asking for this type of information, immediately forward the email in its entirety (not as an attachment) to fraud_help@usbank.com.**

LEVIES, GARNISHMENTS AND OTHER LEGAL PROCESS

We are a national bank with many locations. You agree that for purposes of this part, we may treat your funds as existing at any and all locations where legal process can be served upon us or on an appointed agent of ours on our behalf. You understand and agree that a creditor or governmental agency may attach your account by service of legal process on any of our locations, at any site designated by us for acceptance of service of process, on any appointed agent of ours, or any other method authorized by law, court rule, or regulation.

If we are served with a garnishment, levy, execution, or other legal process of apparent validity (together referred to as “legal process”), you understand and agree that we will pay all amounts in the account in satisfaction of the legal process and in compliance with our understanding of applicable law. If your account is a joint account, for purposes of responding to legal process, we will consider each joint owner to have an undivided interest in the entire account. Therefore, you agree we may pay all amounts in the account in satisfaction of any legal process, even if it attaches to the interest of fewer than all the account owners. You agree that we may process a levy, garnishment, or other legal process served on us even if we do not process it on the same day it was received. If you believe your funds are exempt from legal process, or otherwise should not be subject to the legal process (for example, if you own funds and the legal process applies to another joint owner, you believe the court, garnishor, or levying authority lacks jurisdiction over you or the property, or you believe the garnishment or levy names the wrong party as garnishee), you agree that it is your responsibility to raise any defense to the legal process against the party who originated the legal process or seek reimbursement from a joint owner, and you agree that we have no obligation to do so.

If we are served with any legal process that tries to attach or in some way prevent you from freely using your funds, you give us the right, but we have no obligation, to hold any portion of the funds during any time necessary to determine to our satisfaction who has the legal right to the funds. If we are not able to determine whether the funds are subject to the legal process, you agree that we may deposit the funds with any court which we deem to have jurisdiction over us or the property in your account and ask that court to determine to whom the funds belong. You consent to the jurisdiction of such court to determine the legal right to the property in your account and agree to reimburse us for our expenses, including attorney’s fees and expenses, arising out of the service of the legal process on us and our response to it.

All legal process is subject to our rights of setoff and our security interest in your account. We will assess a service fee against your account for any legal process served on us regardless of whether the process is subsequently revoked, vacated, or released. Unless expressly prohibited by law, we will set off or enforce our security interest against your account for such fee prior to our honoring the legal process. We will not be liable to you if an attachment, a hold, or the payment of our fee from your account leaves insufficient funds to cover outstanding items. You agree to hold us harmless from any claim relating to or arising out of how we handle legal process pursuant to this part.

RESOLVING ACCOUNT DISPUTES AND ADVERSE CLAIMS

If a dispute arises concerning your account (including, for example, a dispute over who is an authorized signer or owner), or if we believe we have a claim against you or we have or receive a claim by a third party (including our affiliates) to all or a portion of the property (including money, certificates of deposit, securities and other investment property, financial assets, etc.) in your account, or if we have concerns regarding your account or the use of your account, we have the right to hold any portion of the property in your account until the dispute, claim, or concern is resolved to our satisfaction. We will not be liable to you if the hold we place on your account leaves insufficient funds to cover outstanding items. For purposes of this section, “account” includes any account you have with us or any of our affiliates (including, without limitation, agency, custody, safekeeping, brokerage, and revocable trust accounts). If the dispute, claim or concern remains unresolved, you agree that we may at our option deposit the property in your account with a court and ask the court to determine to whom the property belongs. If we deposit your property with a court, you agree that we may charge your account for our costs, including attorney’s fees and expenses.

INCREASED COSTS TO MAINTAIN YOUR ACCOUNT

If your account becomes subject to a receivership, court order or bankruptcy, and we are required to implement changes as to your account that increase our costs to maintain your account (for example, a requirement for us to pledge property to secure your account above the amount of any deposit insurance on your account), you agree to reimburse us for the additional costs and any expenses incurred by us (including legal fees) to implement such required changes as to your account.

CONSUMER REPORT DISPUTES

We may report information about negative account activity on deposit accounts to Consumer Reporting Agencies (CRA). As a result, this may prevent you from obtaining services at other financial institutions. If you believe we have inaccurately reported information to a CRA, you may submit a dispute by calling 844.624.8230 or by writing to: U.S. Bank Attn: CRA Management, P. O. Box 3447, Oshkosh, WI 54903-3447. In order for us to assist you with your dispute, you must provide: your name, address and phone number; the account number; the specific information you are disputing; the explanation of why it is incorrect; and any supporting documentation (e.g., affidavit of identity theft), if applicable.

ACCOUNT INFORMATION

Our Privacy Pledge discloses the information we share with other entities for marketing purposes. We also may be required to provide information about you and your account when and as required or permitted by law for other purposes, such as, for example:

1. reporting of interest you earn to federal and state tax authorities;
2. reporting of cash transactions that are at reportable limits;
3. investigating and reporting of transactions that we reasonably determine to be suspicious; and
4. responding to subpoenas, court orders, or government investigations.

SETOFF

We have the right under the law to set off amounts you owe us against your accounts with us. For purposes of this section, "account" includes any account you have with us or any of our divisions, department, and affiliates (including, without limitation, agency, custody, safekeeping, securities, investment, brokerage, and revocable trust accounts) and "you" includes, without limitation, your revocable trust, any partnership in which you are a general partner, any prior or successor entity by way of an entity conversion, and any other series of your series limited liability company (as applicable). In addition to this legal right, you give us and our affiliates the contractual right to apply, without demand or prior notice, all or part of the property (including money, certificates of deposit, securities and other investment property, financial assets, etc.) in your accounts, against any debt any one or more of you owe us or our affiliates. If your account is a joint account, you agree we may consider each joint owner to have an undivided interest in the entire account, so we may exercise our contractual right of setoff against the entire account. This includes, for example, debts that now exist and debts that you may incur later, your obligations under a guaranty, and also includes all fees you owe us or our affiliates. We will not be liable to you if enforcing our rights of setoff against your account(s) leaves insufficient funds to cover outstanding items or other obligations. You agree to hold us harmless from any claim arising as the result of our enforcement of our rights of setoff in, or enforcement of our rights of setoff against, your account(s).

Our contractual right of setoff does not apply:

1. to an account that is an IRA or other tax-deferred retirement account;
2. to a debt that is created by a consumer credit transaction under a credit card plan (but this does not affect our rights under any consensual security interest); or
3. if our records demonstrate to our satisfaction that the right of withdrawal that a depositor/debtor has with us only arises in a representative capacity (for example, only as an authorized signer, attorney-in-fact or a fiduciary) for someone else.

This right of setoff is in addition to any security interest that we or an affiliate of ours might have in your deposit account.

SECURITY INTEREST IN ACCOUNTS

You grant to us a security interest in all your accounts with us, and all property in your accounts (including money, certificates of deposit, securities and other investment property, financial assets, etc.), to secure any amount you owe us or our divisions, department, and affiliates, now or in the future. This includes, for example, debts that now exist and debts that you may incur later, your obligations under a guaranty, and also includes all fees you owe us or our affiliates. For purposes of this section, "account" includes any account you have with us or any of our affiliates (including, without limitation, agency, custody, safekeeping, securities, investment, brokerage, and revocable trust accounts) and "you" includes, without limitation, your revocable trust, any partnership in which you are a general partner, any prior or successor entity by way of an entity conversion, and any other series of your series limited liability company (as applicable).

If your account is a joint account, you agree we may consider each joint owner to have an undivided interest in the entire account, so we may exercise our security interest against the entire account. We may enforce our security interest without demand or prior notice to you. You agree, for purposes of this security interest, that our affiliates may comply with any instructions we give them regarding your accounts held with them, without further consent. You also agree that we may comply with any instructions regarding your accounts that we receive from our affiliates pursuant to a security interest they have in your accounts with us. We will not be liable to you if enforcing our security interest against your account(s) leaves insufficient funds to cover outstanding items or other obligations.

You agree to hold us harmless from any claim arising as the result of our security interest in, or enforcement of our security interest against, your account(s).

SECURITY

It is your responsibility to protect the account numbers, including card numbers and electronic access devices (e.g., an ATM card, debit card, username and password or PIN) we provide to you for your account(s). Do not discuss, compare, or share information about your account number(s) with anyone unless you are willing to give him or her full use of your money. An account number can be used by thieves to encode your number on a false demand draft which looks like and functions like an authorized check.

If you furnish your access device and grant actual authority to make transfers to another person (a family member, coworker or employee, for example) who then exceeds that authority, you are liable for the transfers unless we have been notified that transfers by that person are no longer authorized.

Your account number can also be used to electronically remove money from your account. If you provide your account number in response to a telephone solicitation for the purpose of making a transfer (to purchase a service or merchandise, for example), payment can be made from your account even though you did not contact us directly and order the payment.

You must also take precaution in safeguarding your blank checks. Notify us at once if you believe your checks have been lost or stolen. As between you and us, if you are negligent in safeguarding your checks, you must bear the loss entirely yourself or share the loss with us (we may have to share some of the loss if we failed to use ordinary care and if we substantially contributed to the loss).

We reserve the right to place a hold on your account if we suspect irregular, fraudulent, unlawful or other unauthorized activity involved with your account. We may attempt to notify you of such a hold, but we are not required to provide notice prior to placing the hold. You agree that we may maintain such a hold until all claims against you or us to the funds held in your account, whether civil or criminal in nature, have been resolved fully in our sole satisfaction.

ARBITRATION

This section does not apply to any dispute in which the amount in controversy is within the jurisdictional limits of, and is filed in, a small claims court. These arbitration provisions shall survive closure of your account or termination of all business with us. If any provision of this section is ruled invalid or unenforceable, this section shall be rendered null and void in its entirety.

Arbitration Rules: In the event of a dispute relating to or arising out of your account or this Agreement, you or we may elect to arbitrate the dispute. At your election, the arbitration shall be conducted by either JAMS or the American Arbitration Association ("AAA") (or, if neither of these arbitration organizations will serve, then a comparable substitute arbitration organization agreed upon by the parties or, if the parties cannot agree, chosen by a court of competent jurisdiction). If JAMS is selected, the arbitration will be handled according to its Streamlined Arbitration Rules unless the Claim is for \$250,000 or more, in which case its Comprehensive Arbitration Rules shall apply. If the AAA is selected, the arbitration will be handled according to its Commercial Arbitration Rules. You may obtain rules and forms for JAMS by contacting JAMS at 1.800.352.5267 or www.jamsadr.com and for the AAA by contacting the AAA at 1.800.778.7879 or www.adr.org. Any arbitration hearing that you attend will take place in the federal judicial district in which you reside. Without regard to which arbitration body is selected to resolve the dispute, any disputes between you and us as to whether your claim falls within the scope of this arbitration clause shall be determined solely by the arbitrator, and not by any court.

Arbitration Process: Arbitration involves the review and resolution of the dispute by a neutral party. The arbitrator's decision will generally be final and binding. At your request, for claims made to consumer accounts, we will advance your filing and hearing fees for any claim you may file against us; the arbitrator will decide whether we or you will ultimately be responsible for those fees. Arbitration can only decide our or your dispute and cannot consolidate or join claims of other persons who may have similar claims. There will be no authority or right for any disputes to be arbitrated on a class action basis.

Effects of Arbitration: If either of us chooses arbitration, neither of us will have the right to litigate the dispute in court or have a jury trial. In addition, you will not have the right to participate as a representative or member of any class of claimants, or in any other form of representative capacity that seeks monetary or other relief beyond your individual circumstances, pertaining to any dispute subject to arbitration. There shall be no authority for any claims to be arbitrated on a class action or any other form of representative basis. Arbitration can only decide your or our claim, and you may not consolidate or join the claims of other persons who may have similar claims, including without limitation claims for public injunctive or other equitable relief as to our other customers or members of the general public. Any such monetary, injunctive, or other equitable relief shall be limited solely to your accounts, agreements, and transaction with us. Notwithstanding the foregoing, any question as to the validity and effect of this class action waiver shall be decided solely by a court of competent jurisdiction, and not by the arbitrator.

ATTORNEY'S FEES

Where used, "attorney's fees" includes our attorney's fees, court costs, collection costs, and all related costs and expenses. Notwithstanding any provision in this Agreement to the contrary, any provision for attorney's fees in this Agreement shall not be enforceable in any dispute governed by the laws of California or Oregon.

FUNDS AVAILABILITY: YOUR ABILITY TO WITHDRAW FUNDS – ALL ACCOUNTS ATTACHMENT 4

This funds availability policy applies to deposits into a checking or savings account made at a branch or ATM. This policy may not apply to deposits made remotely through a mobile or other electronic device.

Some sections of this disclosure apply to all accounts and all customers. There are special sections for New Accounts, Commercial Accounts, Private Client Accounts and Retail Consumer and Small Business Accounts. We will make that clear in the section headings.

Funds “availability” means your ability to withdraw funds from your account, whether those withdrawals are to be in cash, by check, automatic payment, or any other method we offer you for access to your account. If deposited funds are not “available” to you on a given day, you may not withdraw the funds in cash and we may not use the funds to pay items that you have written or honor other withdrawals you request. If we pay items that you have written or honor other withdrawals before funds are available to you, we may charge a fee for this. Please review the product pricing information brochure for information regarding overdraft fees associated with your accounts.

Please remember that even after the item has “cleared,” we have made funds available to you, and you have withdrawn the funds, you are still responsible for items you deposit that are returned to us unpaid and for any other problems involving your deposit. See our **Returned Deposited and Cashed Items** section.

DETERMINING THE AVAILABILITY OF A DEPOSIT – ALL ACCOUNTS

The day funds become available is determined by counting business days from the day of your deposit. Every day is a business day except Saturdays, Sundays, and federal holidays. If you make a deposit in person before our “cutoff time” on a business day we are open, we will consider that day to be the day of your deposit for purposes of calculating when your funds will become available. However, if you make a deposit after the cutoff time, or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

Our cutoff times vary from branch to branch. The earliest cutoff time at any of our branches is 2:00 p.m. (local time at the branch).

In addition, cutoff times may also vary depending on whether it is a deposit envelope ATM or a no deposit envelope ATM. If you make a deposit before 6:00 p.m. (local time, at the ATM location) for a deposit envelope ATM or before 8:00 p.m. (local time, at the ATM location) for a no deposit envelope ATM on a business day we are open, we will consider that day to be the day of your deposit. If you make a deposit at a deposit envelope ATM on or after 6:00 p.m. (local time), or on or after 8:00 p.m. (local time) for a no deposit envelope ATM or on a day we are not open, we will consider the deposit to be made on the next business day we are open.

Deposits you send by mail are considered deposited on the business day it arrives if it arrives by the cutoff time at the branch of deposit. In all cases, availability of any deposit assumes that a requested withdrawal will not overdraw the account.

IMMEDIATE AVAILABILITY – ALL ACCOUNTS

The following types of deposits will usually be available for withdrawal immediately under normal circumstances:

- Cash (if deposited in person to an employee of ours);
- Electronic direct deposits;
- Wire transfers; and
- The first \$200 from the total of all other deposits made on any given day.

Cash and wire transfer deposits are subject to the **Special Rules for New Accounts** and the \$200 availability is subject to the rule in the section titled **Longer Delays May Apply**.

LONGER DELAYS MAY APPLY

Government Checks, Cashier's Checks, and Other Types of Special Checks. If you make a deposit of one of the following items in person to one of our employees, our policy is to make the funds from those deposits available no later than the first business day after the day of deposit:

- State and local government checks that are payable to you;
- Cashier's, certified, and teller's checks that are payable to you; and
- Federal Reserve Checks, Federal Home Loan Checks, and U.S. Postal Money orders that are payable to you.

If you do not make your deposit in person to an employee of the bank (for example, if you mail us the deposit), funds from these deposits may be available no later than the second business day after the day of deposit. However, we may delay funds for a longer period of time, see section titled **Longer Delays May Apply – Safeguard Exceptions**.

Case-by-Case Delays. In some cases, we will not make all of the funds that you deposit available to you as provided above. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first \$200 of your deposit, however, will be available no later than the first business day after the day of deposit, and usually immediately.

If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees (including a deposit made at an ATM) or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

Safeguard Exceptions. In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

Foreign Checks. Checks and other items drawn off a foreign financial institution, whether negotiable in a foreign currency or in U.S. dollars, may require special funds collection processing by us. As a result funds availability may be delayed. If you deposit such an item, you agree that we may delay funds availability at our discretion until we are satisfied that we have received final payment of the item.

RETAIL CONSUMER, SMALL BUSINESS AND COMMERCIAL ACCOUNTS

Our general availability policy for these accounts is to make funds available to you on the first business day after the day of deposit. We generally make some portion of a day's deposits available for withdrawal immediately. See the previous section for the types and amounts of deposits that are available immediately.

PRIVATE CLIENT ACCOUNTS

Our general availability policy for **Private Client Accounts** is to make funds you deposit available to you immediately. This immediate availability policy includes all deposits at any ATM. The section above titled **Longer Delays May Apply** also applies to your accounts. If we impose a delay as provided in that section, then the sections titled **Cashing Checks and Other Accounts** may also apply.

DEPOSITS AT AUTOMATED TELLER MACHINES – RETAIL CONSUMER, SMALL BUSINESS AND COMMERCIAL ACCOUNTS

Our Machines. If you make a deposit at an ATM identified as ours with the U.S. Bank name, your deposit will generally be available on the first business day after the day of deposit. However, in certain circumstances, and at U.S. Bank's discretion, the funds may not be available until the second business day after the day of deposit.

Other Machines. If you make a deposit at an ATM that is not identified as ours with the U.S. Bank name, your deposit will not be available until the fifth business day after the day of deposit. New customers cannot make deposits at ATMs we do not own or operate within the first 90 days of the account relationship.

SPECIAL RULES FOR NEW ACCOUNTS – RETAIL CONSUMER AND SMALL BUSINESS ACCOUNTS

If you are a new customer, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits and deposits of cash and wire transfers to your account will be available on the day we receive the deposit. The first \$5,000 of a day's total deposits of cashier's, certified, teller's, traveler's, on-us checks (checks drawn on U.S. Bank), and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special

deposit slip). The excess amount over \$5,000 will be available on the fifth business day after the day of your deposit. If your deposit of funds in excess (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will generally be available on the fifth business day after the day of your deposit. In certain instances, we may hold funds from other check deposits for longer than five business days. For example, if we receive a check that falls within the Safeguard Exception description above, we may delay funds for up to seven business days. If we do so, we will provide you with a hold notice at the time of deposit or when we learn that we will hold the funds from the deposit.

CASHING CHECKS

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

OTHER ACCOUNTS

If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the day the deposited item would have been available, which will usually be the first business day after the day of deposit.

BUSINESS ACCOUNT ISSUES

All other sections of this booklet apply to consumer and business accounts alike, (except when a rule specifically says it will apply to consumers). These next eight apply to accounts used primarily for business purposes.

UNLAWFUL INTERNET GAMBLING AND OTHER ILLEGAL TRANSACTIONS

You agree that you, or anyone acting on your behalf, will not use your account, access device or banking relationship with us to facilitate illegal transactions such as those prohibited by the Unlawful Internet Gambling Act of 2006, or otherwise violate any law, rule or regulation applicable to you. If we identify a suspected illegal transaction, we may block such transactions, and further we may close your account or terminate our banking relationship with you.

DEPOSIT OF PRE-AUTHORIZED DRAFTS

A pre-authorized draft is an arrangement whereby you get authority from a person (a customer, usually) to access a deposit account owned by that person to pay a debt that person owes you. You deposit these "drafts" into a deposit account with us, and we collect them from your customers, who may have accounts with us or other banks. (These "drafts" are checks you create based on information your customer provides you, such as the customer's name and account number, and the express permission your customer gave you to draw on his account.)

When you deposit these pre-authorized drafts, you make the following agreements and warranties:

1. You have express, verifiable and binding authorization from your customer to access his, her or its account for the amount you ask us to collect;
2. You will keep the proof of your authorization in retrievable form for not less than two years from: (a) the date of the authorization of a one-time draft; or (b) from the date of revocation of the authorization of recurring drafts. You agree to provide us with such proof upon our request;
3. We may reverse any credit given to you for any draft deposited to your account and returned to us regardless of when it is returned or the reason for the return. We may take funds in your account to pay the amount you owe us, and if there are insufficient funds in your account, you will still owe us the remaining balance.

EARNINGS CREDIT

Fees for services used by you may be assessed in full to your accounts or may be offset through account analysis by applying earnings credit to your service charges to determine a single monthly net service charge. Your earnings credit rate is established by us and will change from time to time. Your net service charge could be zero if your earnings credit equals or exceeds your total charges in a given month. If your earnings credit is not sufficient to offset the amount due hereunder, you agree to pay such amounts to us upon demand.

WAIVER OF NOTIFICATION OF REDEPOSITED CHECKS

When you deposit checks to your account, you have a right to be notified whenever a check you deposit is returned unpaid. We offer a plan (to businesses who elect it) whereby we will automatically redeposit checks returned unpaid due to insufficient funds. To simplify collection of these items, you give up this right to notification for those items we redeposit. If these items are returned unpaid a second time, you will receive standard notification.

We may withhold the availability of funds represented by a redeposited check. We will notify you of such delay.

CHECKS AND CHECKING ACCOUNTS AND SAVINGS ACCOUNTS WITH DRAFT ACCESS

NOW Accounts. Sole proprietors, government agencies, fiduciaries and nonprofit business enterprises may open transaction accounts ("Business NOW" accounts) on which you can write negotiable orders of withdrawal, and theoretically earn interest. Negotiable orders of withdrawal look and function like checks, and the rules governing checks also apply to them. Depending on account features, Business NOW accounts may or may not bear interest. Where applicable, interest on Business NOW accounts is normally paid on investment-eligible balances. Although we have no intention of exercising this right, federal regulations require that we reserve the right to require at least 7 days' written notice prior to withdrawal or transfer of any funds in your Business NOW account.

FACSIMILE SIGNATURES

You may wish to use a facsimile signature stamp or other mechanical signature device to sign checks or other orders relating to your accounts. If you do, we will, without contacting you, debit your account for items bearing an imprint that looks substantially like your authorized mechanical signature, whether or not such items bear the actual facsimile signature stamp. You agree to notify us and give us a sample imprint if you plan to use such a device. If you do not give us a sample, this section still applies to your use of the device. You are responsible for the security of any mechanical signature device. We will not be responsible for payment of unauthorized items bearing an imprint from, or similar to, your authorized mechanical signature.

DEPOSITS

Truncation, Substitute Checks, and Other Check Images: If you truncate an original check and create a substitute check or other replacement document, or other paper or electronic image of the original check, you warrant that no one will be asked to make payment on the original check, a substitute check or any other electronic or paper image, if the payment obligation relating to the original check has already been paid. You also warrant that any substitute check you create conforms to the legal requirements and generally accepted specifications for substitute checks. You agree to retain the original check in conformance with the time requirements as outlined in your Remote Deposit Capture Agreement with us. You agree to indemnify us for any loss we may incur as a result of any truncated check transaction you initiate. We can refuse to accept substitute checks that have not previously been warranted by a bank or other financial institution in conformance with the Check 21 Act. Unless specifically stated in a separate agreement between you and us, we do not have to accept any other electronic or paper image of an original check.

Deposit Preparation, Sorting, and Endorsements: You agree to properly prepare, sort, and endorse all deposits according to requirements specified in any applicable user guides and Federal Regulation CC. You agree to indemnify us for any loss we incur that results from your failure to comply with these requirements.

Requalification: If you elect to have another bank or entity receive and process all of your returned checks, such other bank's endorsement may be obscured by our depository bank endorsement. You understand and agree that any other endorsement placed on your checks that identify another bank as the depository bank or the bank to which checks should be returned may result in illegible or double endorsements, which may delay the return of your checks. You agree we shall not be liable for any such delays.

FRAUD PREVENTION MEASURES. We offer certain products and services, such as "positive pay," and account blocks and filters that are designed to detect or deter fraud. Failure to use such services could substantially increase the likelihood of fraud. If you fail to implement any of these products or services, or if you fail to follow these or other precautions reasonable for your type of account or circumstances, you agree that you will be precluded from asserting any claims against us for paying any unauthorized, altered, counterfeit or other fraudulent item that such product, service or precaution was designed to detect or deter, and we will not be required to re-credit your account or otherwise have any liability for paying such items.

ELECTRONIC BANKING AGREEMENT FOR CONSUMER CUSTOMERS

This section applies to payment orders and funds transfers governed by the Electronic Fund Transfer Act. When you enroll in online or mobile banking we will provide you with the U.S. Bank Online and Mobile Financial Services Agreement that governs the use of all online and mobile services ("Online Services").

If you have any questions regarding electronic banking transactions or believe that an unauthorized transaction has occurred, please call U.S. Bank 24-Hour Banking (see last page for phone numbers), visit a local U.S. Bank branch or write to:

U.S. Bank 24-Hour Banking
EP-MN-WS5D,
60 Livingston Ave.,
St. Paul, MN 55107

Please read this disclosure carefully because it tells you your rights and obligations for the transactions listed. You should keep this notice for future reference.

TYPES OF TRANSACTIONS

These are the types of Electronic Fund Transfers that you can accomplish with us (assuming you make arrangements to do so).

Electronic Fund Transfers Initiated by Third Parties. You may authorize a third party to initiate electronic fund transfers between your account and the third party's account. These transfers to make or receive payment may be one-time occurrences or may recur as directed by you. These transfers may use the Automated Clearing House (ACH) or other payments network. Your authorization to the third party to make these transfers can occur in a number of ways. In all cases, these third party transfers will require you to provide the third party with your account number and bank information. Thus, you should only provide your bank and account number information (whether over the phone, the Internet, or via some other method) to trusted third parties whom you have authorized to initiate these electronic fund transfers. Examples of these transfers include, but are not limited to:

Direct Deposits. You can arrange for direct deposits to your checking or savings account(s).

Preauthorized Payments. You can arrange to pay certain recurring bills from your checking or savings account(s).

Electronic check conversion. You may authorize a merchant or other payee to make a one-time electronic payment from your checking account using information from your check to pay for purchases or pay bills.

Electronic returned check charge. You may authorize a merchant or other payee to initiate an electronic fund transfer to collect a charge in the event a check is returned for insufficient funds.

"Access" means use of a card or account number and PIN to conduct a transaction or obtain information at ATMs, over the telephone, through personal computer banking, or any other available method. If the card or PIN is for a joint account, that card or PIN can be used to access all the accounts linked to the card or PIN account, whether joint or individual. Expanded Account Access is also applicable to your Online Services.

Fees and Charges for Expanded Account Access. There are no additional fees or charges just for Expanded Account Access, but fees applicable to each applicable account will continue to apply in accordance with the terms of the applicable account agreements. The fees and terms for each of your accounts will be as disclosed in the *Consumer Pricing Information* brochure. You should have received one and they are also available at any of our branches in your state.

The fees and terms for your personal credit cards and lines of credit are disclosed in the applicable cardmember agreement.

How to Cancel. You can visit a branch or call the U.S. Bank 24-Hour Banking number at any time to cancel Expanded Account Access. If you cancel Expanded Account Access for any account, that account will not be accessible by any card or PIN other than the card or PIN specifically designated for that account.

- Transfer funds from your account associated with your card.
- Make payments to credit card or line of credit accounts from a deposit account associated with your card.
- Check the current balance of your linked checking, savings, credit card and line of credit accounts.
- Request a statement showing your most recent deposit account transactions. (Refer to the *Consumer Pricing Information* brochure regarding any fees for purchasing statements at ATMs.)
- Purchase stamps at participating locations.
- Make certain charitable contributions from a deposit account associated with your card.

Some of these transactions are not available at all ATMs.

Purchases at Merchants

You may use any of your U.S. Bank Debit Cards to make purchases at Visa® merchants that accept debit cards. You may use your U.S. Bank ATM Card and any of your U.S. Bank Debit Cards to make purchases by entering your PIN at participating merchants. You may also get cash from a merchant, if the merchant permits. Purchases made with your card will result in debits to your "primary" checking account. These transactions will be itemized on your monthly statement, including the merchant name, location, the date of purchase and the amount of the purchase.

Returns at Merchants

Returns of purchases made with your U.S. Bank Debit Card are limited to \$1,500 per day.

Other Electronic Transactions

In addition to transactions initiated by using your U.S. Bank Debit Card, there are other electronic banking transactions that you may arrange through your account. These include:

- Telephone/personal computer activated transfers of funds from your accounts with us to other accounts with us or to third parties. These include but are not limited to transfers made by telephone, text, online and mobile banking.
- Automatic transfer of funds between checking and savings accounts.
- Automatic periodic payments to third parties or us from checking or savings accounts (for example, monthly mortgage payments, installment loan payments, insurance payments, utility payments).
- Direct deposit to checking or savings accounts (for example, payroll checks, social security payments).
- Electronic check conversions from your checking account using a blank, partial or fully completed personal check at merchant locations.
- Payments made to your account through your U.S. Bank Debit Card.
- You can also use any of your U.S. Bank Debit Cards to obtain a cash advance from your checking account at any Visa® member bank anywhere in the world.

LIMITS ON TRANSFERS

The terms of your deposit account may restrict the number of withdrawals you may make from your account each month. Restrictions described earlier in this brochure and in other disclosures and agreements you received at the time your account was opened or when additional products or services were accessed, will also apply to your electronic withdrawals and electronic payments unless specified otherwise.

New Accounts

For the first 90 days of opening a new account, you cannot make deposits at a non-U.S. Bank ATM. After this initial period, you can make deposits at any participating ATM.

Security

For security reasons, there are limitations on the transactions that you may perform with any of your U.S. Bank Debit Cards or U.S. Bank ATM Cards per day. There are limitations on the dollar amount of cash withdrawals at ATMs and/or cash that you receive from merchants over the amount of your purchase. There are also limitations on the total dollar amount of purchases at merchants and/or cash advances at Visa® member banks you may perform during each 24-hour period beginning at 9:00 p.m. Central Time. Our standard transaction limits for ATM cards are \$300 per day for cash withdrawals and \$1,000 per day for purchases. Our standard transaction limits for debit cards are \$500 per day for cash withdrawals and \$1,000 per day for purchases and/or cash advances at banks. Our standard transaction limits for receiving money through your U.S. Bank Debit Card are \$3,000 per transaction and \$10,000 per day. We may change these limitations based on periodic risk assessments and we reserve the right to make such changes without notice to you. Transfer limits are also subject to temporary reductions to protect the security of customer accounts or transfer systems.

Debit Card Transactions

When we receive an electronic notice that a U.S. Bank Debit Card Visa® transaction has been authorized against your account, we will place a hold on your account for that amount. For some types of merchants (e.g., hotels, restaurants, gas stations, car rental agencies) an estimate will be made of the amount of the anticipated purchase for the purpose of determining an authorization amount. As a result, the amount held against your account may be less or greater than the final transaction amount presented. Your available account balance will be reduced by the amount held for all pending debit card Visa® purchases from the time we receive the notice until the item is presented, a completion message is received, or three business days, whichever occurs first. If we release a hold due to the expiration of three business days, your account may still be debited if and when the transaction is presented to us for processing. During that time, sufficient funds may not be available to pay checks or other electronic transactions, and you may be subject to an overdraft fee.

FEES

We will charge you fees for electronic fund transfers in accordance with the information found in our *Consumer Pricing Information* brochure. The fees may be changed at any time, subject to our giving you any notice required by law.

ATM Surcharges. When you use an ATM that is not identified as ours with the U.S. Bank name, you may be charged a fee by the ATM operator or any network used to complete the transfer.

USING YOUR CARD FOR INTERNATIONAL TRANSACTIONS

You may use your U.S. Bank Debit Card or ATM card for retail purchases with international merchants, for international cash advances and all transactions performed at international ATMs that bear any of the network logos found on your card. Refer to our *Consumer Pricing Information* brochure for fee information. We may block transactions in certain foreign countries. Call us at 800.872.2657 for more information. Some merchant and ATM transactions, even if you and/or the merchant or ATM are located in the United States, are considered international transactions under the applicable network rules, in which case we will add International Processing Fees to those transactions.

U.S. Bank does not control how these merchants, ATMs and transactions are classified for this purpose. If the transaction requires a currency conversion, the exchange rate in effect when processed may differ from the rate in effect on the date of the transaction or the date of the posting to your Account.

Transactions processed through the Visa® system will be converted according to the applicable rules established by Visa®. The foreign currency transaction will be converted to U.S. Dollars by multiplying the amount of the foreign currency times (a) a rate selected by Visa® from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa® itself receives, or (b) the government-mandated rate in effect for the applicable central processing date. For transactions processed through other networks, the international currency transaction will be converted by that network in accordance with their rules.

Additional fees may apply. If you need to contact us about your card while outside of the United States, call us collect at 503.401.9991.

ADVISORY AGAINST ILLEGAL USE

You agree not to use your card(s) for illegal gambling or any other illegal purpose. Display of a payment card logo by, for example, an online merchant does not necessarily mean that transactions are lawful in all jurisdictions in which you may be located; therefore, we reserve the right to decline all online (Internet) gambling transactions.

DOCUMENTATION

Terminal transfers. You can get a receipt at the time you make any transfer to or from your account using automated teller machines or point-of-sale terminals. However, you may not get a receipt if the amount of the transfer is \$15 or less.

Pre-authorized credits. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call U.S. Bank 24-Hour Banking or visit our Online Banking site at usbank.com to find out whether or not the deposit has been made.

Periodic statements. You will get a monthly account statement unless there are no transfers in a particular month. In any case, you will get the statement at least quarterly for an account to or from which you have arranged for electronic access. In the event your account has become inactive as defined in the section titled Dormant Accounts and Escheat (refer to page 10) and you have had no electronic activity, you will receive an annual statement.

PREAUTHORIZED PAYMENTS

If you have arranged for automatic periodic payments to be deducted from your checking or savings account and these payments vary in amount, you will be notified by the person you are going to pay ten calendar days prior to the payment date of the amount to be deducted. If the date upon which your payment is scheduled to be deducted changes, the person you are going to pay will notify you seven calendar days prior to the new scheduled date. To confirm the completion of automatic transfers, payments and/or direct deposits, please contact U.S. Bank 24-Hour Banking or visit our Online Banking site at usbank.com.

Right to Stop Payment of Preauthorized Transfers

To stop a preauthorized electronic payment or transfer, please call U.S. Bank 24-Hour Banking (see last page for phone numbers). You must call in time for us to receive your request and to be able to act upon it, which in the case of these electronic payments, is at least three business days before the transfer is scheduled to occur. We may also require you to put your request in writing and forward it to us within 14 days after you call.

If you order us to stop one of these payments at least 3 business days before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

OUR LIABILITY

Liability for failure to make transfers. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

1. If, through no fault of ours, you do not have enough money in your account to make the transfer.
2. If you have an overdraft line and the transfer would go over the credit limit.
3. If the automated teller machine where you are making the transfer does not have enough cash.
4. If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
5. If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
6. There may be other rules/limitations stated in our agreement(s) with you that excuse our failure to make a requested transfer (for example, the monthly limit on certain transfers out of non-transaction savings accounts; refer to Savings Accounts, Withdrawal section on page 12 for additional details).

Authorized Transactions

We assume that all transactions performed with your U.S. Bank ATM Card or any of your U.S. Bank Debit Cards and/or your personal identification number (PIN) are authorized unless you promptly notify us to the contrary. If you intentionally provide another person with the means to perform electronic banking transactions using your account, any resulting transactions will be treated as if they were performed and authorized by you. Such treatment will continue until you notify U.S. Bank Fraud Liaison Center (see below) that the other person is no longer authorized to use your card and/or PIN (in which case the card and PIN will have to be deactivated).

UNAUTHORIZED TRANSACTIONS AND LOST OR STOLEN CARDS

An unauthorized transaction is one that another person conducts without your permission and from which you receive no benefit.

In order to avoid unauthorized transactions, please observe the following basic precautions:

- Do not keep your U.S. Bank ATM Card or U.S. Bank Debit Card and personal identification number (PIN) together. Do not write your PIN on your card.
- Do not provide your card or reveal your PIN to another person. If you do so, you authorize that person to conduct transactions using your card or PIN. You are liable for that person's transactions until you notify U.S. Bank Fraud Liaison Center (see below) that the person is no longer authorized to use your card or PIN.
- Notify U.S. Bank Fraud Liaison Center or any U.S. Bank branch of the loss, theft or unauthorized use of your card or PIN.
- Notify U.S. Bank Fraud Liaison Center or any U.S. Bank branch if you think an electronic banking transaction is incorrectly reported on a receipt or statement. Failure to promptly notify U.S. Bank Fraud Liaison Center or any U.S. Bank branch of the loss, theft, or unauthorized use of your card or PIN will result in inconvenience to you and will hinder the efficient operation of your account.

We reserve the right to cancel, block, and not renew your access device for any reason, with or without prior notice. Reasons for suspension of access may include, for example:

- Detection of suspicious or fraudulent activity;
- Lack of usage;
- Misuse; or
- Access devices returned as undeliverable by postal service.

CONSUMER LIABILITY FOR UNAUTHORIZED TRANSFERS

Zero Liability for All Transactions. Except as provided in the next paragraph, you are generally protected from all liability for unauthorized use of any of your U.S. Bank Debit Cards, the associated account numbers printed on them (including purchases made over the phone or online) and your ATM card or its associated personal identification number (PIN). You still need to report the loss or theft of these cards, PINs, and any unauthorized transactions to us as soon as you can. This is necessary so you can get any unauthorized transactions reversed, prevent further unauthorized transactions, and avoid liability for subsequent purchases we could have prevented had you given us notice. This policy also protects you from liability for other types of electronic fund transfers. Please follow the section entitled **Error Resolution Notice** to report any unauthorized activity on your account.

After 60 Days from Statement Notice. If you fail to give us notice of an unauthorized electronic fund transfer within 60 days of when we first deliver a statement to you that discloses that unauthorized transaction, you will be liable for all fund transfers that occur after that 60 day period expires if we could have prevented such transaction had you reported it to us within the 60 day period. This rule applies to all forms of electronic fund transfers (including but not limited to ATM transactions, preauthorized withdrawals, Online transactions, and purchases with any of your U.S. Bank Debit Cards, etc.) that occur after the 60 day period following the first statement notice.

If a good reason (such as a long trip or hospital stay) kept you from telling us, we may extend this time period.

MINNESOTA LIABILITY DISCLOSURE

If our records assign your account to a branch located in the State of Minnesota, you may bring a civil action against any person violating the consumer privacy and unauthorized withdrawal provisions of Minnesota Statutes § 47.69, and may recover, in addition to actual damages or \$500, whichever is greater, punitive damages when applicable, and the court costs and reasonable attorney's fees incurred.

BUSINESS DAYS

Bank "business days" are Monday through Friday. Federal holidays are not included.

CONFIDENTIALITY

We will disclose information to third parties about your account as permitted by law or the transfers you make:

1. where it is necessary for completing transfers; or
2. in order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or
3. in order to comply with government agency or court orders; or
4. if you give us your written permission; or
5. according to our privacy pledge, which generally permits us to share information with companies that perform marketing or other services on our behalf.

ERROR RESOLUTION NOTICE

In case of errors or questions about your electronic transfers, call U.S. Bank 24-Hour Banking at a number on the last page, visit any U.S. Bank branch or write us at the address listed below, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your dispute or question in writing within ten business days. We will determine whether an error occurred within ten business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your dispute or question. If we decide to do this, we will credit your account within ten business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your dispute or question in writing and we do not receive it within ten business days, we might not provisionally credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your dispute or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation. Write to us at:

NOTICE OF ATM/NIGHT DEPOSIT FACILITY USER PRECAUTIONS

As with all financial transactions, please exercise discretion when using an automated teller machine (ATM) or night deposit facility. For your own safety, be careful. The following suggestions may be helpful:

1. Prepare for your transactions at home (for instance, by filling out a deposit slip) to minimize your time at the ATM or night deposit facility.
2. Mark each transaction in your account record, but not while at the ATM or night deposit facility. Always save your ATM receipts. Do not leave them at the ATM or night deposit facility because they may contain important account information.
3. Compare your records with the account statements you receive.
4. Do not lend your ATM card to anyone.
5. Remember, do not leave your card at the ATM. Do not leave any documents at a night deposit facility.

6. Protect the secrecy of your Personal Identification Number (PIN). Protect your ATM card as though it were cash. Don't tell anyone your PIN. Don't give anyone information regarding your ATM card or PIN over the telephone. Never enter your PIN in any ATM that does not look genuine, has been modified, has a suspicious device attached, or is operating in a suspicious manner. Don't write your PIN where it can be discovered. For example, don't keep a note of your PIN in your wallet or purse.
7. Prevent others from seeing you enter your PIN by using your body to shield their view.
8. If you lose your ATM card or if it is stolen, promptly notify us. You should consult the other disclosures you have received about electronic fund transfers for additional information about what to do if your card is lost or stolen.
9. When you make a transaction, be aware of your surroundings. Look out for suspicious activity near the ATM or night deposit facility, particularly if it is after sunset. At night, be sure that the facility (including the parking area and walkways) is well lighted. Consider having someone accompany you when you use the facility, especially after sunset. If you observe any problem, go to another ATM or night deposit facility.
10. Do not accept assistance from anyone you do not know when using an ATM or night deposit facility.
11. If you notice anything suspicious or if any other problem arises after you have begun an ATM transaction, you may want to cancel the transaction, pocket your card and leave. You might consider using another ATM or coming back later.
12. Do not display your cash; pocket it as soon as the ATM transaction is completed and count the cash later when you are in the safety of your own car, home, or other secure surrounding.
13. At a drive-up facility, make sure all the car doors are locked and all of the windows are rolled up, except the driver's window. Keep the engine running and remain alert to your surroundings.
14. We want the ATM and night deposit facility to be safe and convenient for you. Therefore, please tell us if you know of any problem with a facility. For instance, let us know if a light is not working or there is any damage to a facility. Please report any suspicious activity or crimes to both the operator of the facility and local law enforcement officials immediately.

ELECTRONIC BANKING AGREEMENT FOR BUSINESS CUSTOMERS

This section governs transactions initiated by you or your employees using a U.S. Bank Business Edge Debit Card or ATM Card or other U.S. Bank card products offered to business customers from time to time by U.S. Bank ("Business Edge Debit Card(s)"). Your use of business debit cards are subject to the fees and terms of your checking and savings accounts as set forth elsewhere in this Agreement and in related brochures and fee schedules, which are available at any branch in your state. Some ATM networks impose an additional transaction fee unrelated to our fees and charges and may be assessed to your account. Other electronic transactions against your account, whether or not initiated or authorized by you will be governed by the specific Agreement between us related to such transactions and/or all applicable rules and regulations governing such transactions, including without limitation, the rules of the National Automated Clearing House Association (NACHA) as may be amended from time to time.

Under NACHA rules we cannot return an unauthorized electronic transaction (ACH debit) unless you notify us no later than 5:00 p.m. Central Time on the business day following the settlement date of the transaction. Otherwise, your sole recourse is to the originator of the transaction.

ACCOUNT ACCESS

Any business debit card or personal identification number (PIN) issued to or selected by you, except sole proprietors who choose to have a sole proprietor business debit card, may access only related business checking or business savings accounts (for example, accounts with the same name or tax identification number). Sole proprietor business debit cards, however, can access up to five checking accounts, five savings accounts, and five line of credit or credit card accounts through Expanded Account Access. Sole proprietor cards may access business and personal accounts. For more information on Expanded Account Access, see the Consumer Electronic Banking Agreement.

Access methods will differ depending on the business debit card selected by you and approved by us. All business debit card services may not be available depending on the access method selected.

LIMITS ON TRANSFERS

The terms of your deposit account may restrict the number of withdrawals you may make from your account each month. Restrictions described on page 18 and in other disclosures and agreements you received at the time your account was opened or when additional products or services were accessed, will also apply to your electronic withdrawals and electronic payments unless specified otherwise.

New Accounts

For the first 90 days of opening a new account, you cannot make deposits at a non-U.S. Bank ATM. After this initial period, you can make deposits at any participating ATM.

Security

For security reasons, there are limitations on the transactions that you may perform with any of your business debit cards per day. There are limitations on the dollar amount of cash withdrawals at ATMs and/or cash that you receive from merchants over the amount of your purchase. There are also limitations on the total dollar amount of purchases at merchants and/or cash advances at Visa® member banks you may perform during each 24-hour period beginning at 9:00 p.m. Central Time. Our standard transaction limits for business ATM cards are \$500 per day for cash withdrawals and \$2,500 per day for purchases. Our standard transaction limits for business debit cards are \$500 per day for cash withdrawals and \$10,000 per day for purchases and/or cash advances at banks. Our standard transaction limits for receiving money through your U.S. Bank Debit Card are \$3,000 per transaction and \$10,000 per day. We may change these limitations based on periodic risk assessments and we reserve the right to make such changes without notice to you. Transfer limits are also subject to temporary reductions to protect the security of customer accounts or transfer systems.

Debit Card Transactions

When we receive an electronic notice that a Business Debit Card Visa® transaction has been authorized against your account, we will place a hold on your account for that amount. For some types of merchants (e.g., hotels, restaurants, gas stations, car rental agencies) an estimate will be made of the amount of the anticipated purchase for the purpose of determining an authorization amount. As a result, the amount held against your account may be less or greater than the final transaction amount presented. Your available account balance will be reduced by the amount held for all pending debit card Visa® purchases from the time we receive the notice until the item is presented, a completion message is received, or three business days, whichever occurs first. If we release a hold due to the expiration of three business days, your account may still be debited if and when the transaction is presented to us for processing. During that time, sufficient funds may not be available to pay checks or other electronic transactions, and you may be subject to an overdraft fee.

Account Access at Automated Teller Machines

You may use any of your Business Debit Cards (except as noted below in **Employee Debit Cards and ATM Cards**) to make the following transactions at ATMs:

- Make cash withdrawals from your checking and savings accounts.
- Get cash advances from your credit card or line of credit account. (Refer to your cardmember agreement for any cash advance fees and finance charges that may apply.)
- Deposit funds to checking and savings accounts.
- Transfer funds from your account associated with your card.
- Make payments to credit card or line of credit accounts from a deposit account associated with your card.
- Check the current balance of your linked checking, savings, credit card and line of credit accounts.
- Request a statement showing your most recent deposit account transactions. (Refer to your account fee disclosures regarding any fees for purchasing statements at ATMs.)
- Purchase stamps at participating locations.
- Make certain charitable contributions from a deposit account associated with your card.

Some of these transactions are not available at all ATMs.

Purchases at Merchants

You may use any of your Business Debit Cards (except as noted below in **Employee Debit Cards and ATM Cards**) to make purchases at Visa® merchants that accept debit cards. You may use any of your business debit cards to make purchases by entering your PIN at participating merchants. You may also get cash from a merchant, if the merchant permits. Purchases made with your card will result in debits to your "primary" checking account. These transactions will be itemized on your monthly statement, including the merchant name, location, the date of purchase and the amount of the purchase.

Returns at Merchants

Returns of purchases made with your U.S. Bank Business Debit Card are limited to \$1,500 per day.

Employee Debit Cards and ATM Cards

Business debit cards issued to employees only allow ATM deposits at an automated teller machine. They do not allow ATM cash withdrawals or cash over the purchase amount at merchants. Employee ATM cards do not have purchase access at merchants.

Other Electronic Transactions

In addition to transactions initiated by using your business debit card, there are other electronic banking transactions that you may arrange through your account. These include:

- Telephone/personal computer activated transfers of funds from your accounts with us to other accounts with us or to third parties. These include but are not limited to transfers made by telephone, text, online and mobile banking.
- Automatic transfer of funds between checking and savings accounts.
- Automatic periodic payments to third parties or us from checking or savings accounts (for example, monthly mortgage payments, installment loan payments, insurance payments, utility payments).
- Direct deposit to checking or savings accounts (for example, payroll checks, social security payments).
- Electronic check conversions from your checking account using a blank, partial or fully completed personal check at merchant locations.
- Payments made to your account through your U.S. Bank Debit Card.
- You can also use any of your Business Debit Cards to obtain a cash advance from your checking account at any Visa® member bank anywhere in the world.

FEES

We will charge you fees for electronic fund transfers in accordance with the information found in our *Business Pricing Information* brochure. The fees may be changed at any time, subject to our giving you any notice required by law.

ATM Surcharges. When you use an ATM that is not identified as ours with the U.S. Bank name, you may be charged a fee by the ATM operator or any network used to complete the transfer.

USING YOUR CARD FOR INTERNATIONAL TRANSACTIONS

You may use your business debit card for retail purchases with international merchants, for international cash advances and all transactions performed at international ATMs that bear any of the network logos found on your card. Refer to our *Business Pricing Information* brochure for fee information. (We may block transactions in certain foreign countries. Call us at 800.673.3555 for more information.) Some merchant and ATM transactions, even if you and/or the merchant or ATM are located in the United States, are considered international transactions under the applicable network rules, in which case we will add International Processing Fees to those transactions. U.S. Bank does not control how these merchants, ATMs, and transactions are classified for this purpose. If the transaction requires a currency conversion, the exchange rate in effect when processed may differ from the rate in effect on the date of the transaction or the date of the posting to your Account.

Transactions processed through the Visa® system will be converted according to the applicable rules established by Visa®. The foreign currency transaction will be converted to U.S. Dollars by multiplying the amount of the foreign currency times (a) a rate selected by Visa® from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa® itself receives, or (b) the government-mandated rate in effect for the applicable central processing date. For transactions processed through other networks, the international currency transaction will be converted by that network in accordance with their rules.

Additional fees may apply. If you need to contact us about your card while outside of the United States, call us collect at 503.401.9991.

BALANCE REQUIREMENTS

Transactions using your business debit card will be completed only if sufficient funds are available in the applicable account balance, overdraft protection or other linked credit facility to fully perform the transaction.

UNAUTHORIZED TRANSACTIONS AND LOST OR STOLEN CARDS AND SECURITY

You are solely responsible for maintaining the security of your business debit cards and PINs and their use by you and your employees and other agents. You shall be liable for the acts of your employees and agents related to your business debit cards, including business debit card applications and other service requests. If you provide another person with the means to perform transactions related to your accounts using your business debit card or PIN, any resulting transactions will be treated as if they were performed and authorized by you.

You are generally protected from all liability for unauthorized use of your business debit card.

The U.S. Bank Zero Liability policy is subject to certain conditions. If we determine that the unauthorized transaction was caused by your gross negligence or fraud, the U.S. Bank Zero Liability policy will not apply. You still need to report the loss or theft of these cards, PINs, and any unauthorized transactions to us as soon as you can. This is necessary so you can get any unauthorized transactions reversed, prevent further unauthorized transactions, and avoid liability for subsequent purchases we could have prevented had you given us notice.

You must report an unauthorized debit card transaction to us within a reasonable time, not to exceed 60 days, from the day we send or make your account statement available to you on which an unauthorized transaction is first reported. If you fail to give us notice of an unauthorized debit card transaction within 60 days of when we first deliver a statement to you that discloses that unauthorized transaction, you will be liable for all debit card transactions that occur after that 60 day period expires if we could have prevented such transaction had you reported it to us within the 60 day period.

Please be aware that consumer rights governed by the Electronic Fund Transfer Act do not apply to business accounts and we are not liable to reimburse you for unauthorized or erroneous transactions that may occur on your business account via electronic fund transfer.

If you believe that an erroneous or unauthorized transaction has occurred using your business debit card, or if your card has been lost or stolen, or if you want to cancel a business debit card issued to you or your employee/agent, or if you want to change your PIN, you must immediately telephone us at:

SAFE DEPOSIT BOX LEASE AGREEMENT

This Safe Deposit Box Lease Agreement ("Safe Deposit Box Agreement") applies if you have rented a safe deposit box from U.S. Bank. It completely replaces any earlier lease or rental terms. The words "we," "our," and "us" refer to U.S. Bank, and the words "you" and "your" refer to each and all of the renters of that safe deposit box.

Insurance. Safe deposit boxes and their contents are **not** covered by FDIC-Insurance or U.S. Bank's insurance policy. The Federal Deposit Insurance Corporation (FDIC) insures deposits in deposit accounts. Safe deposit boxes are considered storage space provided by the bank and do not fall under these insurance laws. Therefore, when considering whether to rent a safe deposit box, please check with your personal insurance carrier to determine whether safe deposit box contents are covered under your existing policy or if you will require additional insurance.

Term. The box is rented for a one-year period payable in advance. If you signed a safe deposit contract, then that one-year period begins on the date of that contract. Otherwise, the period ends on the due date shown on your safe deposit statement. This lease will be automatically renewed for a one-year term each time it expires unless you or we terminate as provided below or unless you fail to pay the rental amount for the renewal term in advance.

Rental Fees. We reserve the right to change the safe deposit box rental amount for any renewal term by billing you for the changed amount. Your rent, along with any tax that might be due, is payable in advance before the beginning of any renewal period. If we do not receive your rental payment or any other amount you owe us within 15 days after it is due, it may be charged against any deposit or credit account you have with us. Also, you agree to give us a lien on all contents of the box for any rent or other amount that you may owe us. You also agree to pay the fees outlined in the Safe Deposit Box Fees schedule, as shown in the *Consumer Pricing Information* brochure, which

may be amended from time to time and are a part of this Safe Deposit Box Agreement. You agree to pay the late payment fee if you do not pay when due. We also reserve the right to charge fees for any changes or other activity in connection with your box.

Our Duty. Our duty is to use reasonable care to prevent anyone from opening the box other than you or your appointed deputy (agent) or court-appointed representative, except as we may otherwise be required or permitted by law. You, your deputies (agents), or other designated representatives agree to comply with our requirements for accessing the box.

Keys. You must immediately notify us if you lose one or more keys, or the combination, to your box. You also agree, in such a case, to pay all the expenses of opening the box, changing the lock, and replacing the keys.

Items Stored. You agree not to store any:

- guns, ammunition, explosives, or other items we may believe to be dangerous, or
- liquids, or
- items that we may conclude would interfere with the operation of the safe deposit vault, or
- property the possession of which would be a violation of law.

If we know or have reason to suspect you store these items, we may turn the box's contents over to the police or other legal authorities, or permit those authorities to inspect the box's contents, including any items stored in violation of this lease.

Access. If you are late making any payment due under this Safe Deposit Box Agreement, we can deny you access to the box. We may also deny access as required by law or if we reasonably believe we may be so required, or if there is a dispute over ownership or access rights, or if we have a reasonable doubt as to who is entitled to access.

If you die, become bankrupt, or are incapacitated, we may permit access to the box to the persons, and for the purposes, as the law allows or requires. You agree that if anyone having access to the box dies, you will give us notice of that death and provide documentation as required by State law before you seek access to the box. If we allow access to the box, and except as otherwise required by law, we have the right to require all owners (or their legal representatives) to be present. We reserve the right to charge a fee for access to the box.

If we know or have reason to suspect you store items in this box in violation of this Safe Deposit Box Agreement, we may block access to the box pending an investigation.

Deputies (Agents). You may appoint another person or persons, except for one of our officers or employees, as a deputy (agent) on your box. To appoint a deputy (agent) the individual renter or all joint renters must be present, along with the deputy, to sign the revised Safe Deposit Box contract. The renter or any co-renter may independently revoke the deputy appointment by signing the Access Revoked section of the deputy designation area of the contract. Deputies are permitted to access or close the safe deposit box without the presence of the renter(s). We may admit any deputy (agent) to the box until we either: (1) receive your authorization to revoke the deputy by signing the Access Revoked section of the contract, or (2) receive notice of the death or incapacity of the renter or one of the co-renters who appointed the deputy. You agree to be responsible for the actions of your deputies (agents) and to hold us harmless against any of their actions.

Joint Rental. If there is more than one renter on the safe deposit box, each person will have access to the safe deposit box. Each of you has the right to exchange the box or terminate the lease (surrender the box), and consent to an increase in box rent. Each of you will be liable for the full amount of payment due under this Safe Deposit Box Agreement.

Corporate and Other Organization Renters. A business safe deposit box may be rented to any Sole Proprietorship, Partnership, Association/Organization, or Corporation. In order to open a box in a business name, the business must provide appropriate legal documents (e.g., Articles of Incorporation, Partnership Agreement) and complete a 'Business Safe Deposit Box Resolution'. Entry to the box will only be permitted to those parties you authorize based on the documentation we have on file. We reserve the right to require a new contract to be created and a new 'Business Safe Deposit Box Resolution' if authorized signers change on a business owned box.

Vault Hours. Our vault is open only on banking days during our regular business hours or only during such other hours as we may set. In addition, we have the right to close or deny access to the vault temporarily if, in our judgment, it would be prudent to do so. For example, an event where we may deny access to the vault may include fire, unusual crowds, national emergency, malfunction of the vault door, and inclement weather.

Location. You agree that if we close the bank office or the safe deposit vault at the office where your box is located, you authorize us to move the box to another branch of the bank or we may require you to exchange your box for one at another branch of the bank. Upon acceptance of that exchange, you agree to move the contents from the old box to the new box within 30 days from receipt of notice from us. If you do not accept the exchange, then the lease shall be treated as terminated by us. In either case, you will remove the contents from the old box and return all keys or the combination to us in person within that 30-day period.

Mailing Address. You must notify us immediately in writing if you change your mailing address. We will regard the last address you have given us in our safe deposit vault record as correct, unless you have notified us in writing of any changes.

Escheat. You understand and agree that, should your box remain in a delinquent payment status for a length of time designated by law, we may have to turn over the contents of the box to the state. You further agree that we continue to have a lien on all contents of the box for any rent or other amount that you may owe us.

Notice. Any mailed notice that we may give to you shall be effective upon our putting that notice in the mail.

Termination. We may terminate this lease by giving you 30 days' written notice, whether or not you have paid all amounts due to us. During that period, you must return all keys or the combination to us. You must also remove the contents of the box and pay past due rent or other amounts, if any. We will then give you a prorated refund of any rent you may have paid in advance. If you do not surrender all keys or combination in person and pay all amounts due when the lease expires or is terminated, we may forcibly open the box in accordance with applicable law and remove and store its contents for you at your expense. We may turn over to the police or other legal authorities, or permit those authorities to inspect, any item stored in violation of this lease. We will have no liability for the safekeeping of any contents. We will charge rent even after the lease is terminated, until you return all keys or combination to us.

If you wish to terminate this lease, you must remove all contents of the box, surrender all keys or the combination to us, and sign the surrender portion of the Safe Deposit Box contract. However, you will not receive a refund of any rent you have paid.

Changes in Terms. We may change the terms of this Safe Deposit Box Agreement by mailing you notice of the changes, publishing them in a newspaper, or posting them in our bank office. The changes shall become effective 15 days after such mailing, publishing or posting, unless before that 15th day you remove all contents from the box and surrender the box to us by returning all keys or the combination to us. You shall then be entitled to a refund of any unearned rent.

Liability. Although your safe deposit box is designed to be fire- and water-resistant and burglar-resistant, we do not guarantee absolute safety, nor are we liable for any contents which are claimed to be lost. Except for the duty specifically stated above, we have no liability for any damage to the contents of your box even if the damage resulted from our negligence. Under no circumstances do we serve as a bailee of anything you may put in it. You also agree to keep money, jewelry and other untraceable items in the box at your own risk.

Our Costs and Losses. You agree to reimburse us, upon our request, for any amounts we incur in connection with the removal and storage of box contents for which rent has not been paid, any failure to return all keys or combination upon termination, or lawsuits related to your box.

ARBITRATION

This section does not apply to any dispute in which the amount in controversy is within the jurisdictional limits of, and is filed in, a small claims court. These arbitration provisions shall survive closure of your account or termination of all business with us. If any provision of this section is ruled invalid or unenforceable, this section shall be rendered null and void in its entirety.

Arbitration Rules: In the event of a dispute concerning your account or this Agreement, you or we may elect to arbitrate the dispute. At your election, the arbitration shall be conducted by either JAMS or the American Arbitration Association ("AAA") (or, if neither of these arbitration organizations will serve, then a comparable substitute arbitration organization agreed upon by the parties or, if the parties cannot agree, chosen by a court of competent jurisdiction.) If JAMS is selected, the arbitration will be handled according to its Streamlined Arbitration Rules unless the claim is for \$250,000 or more, in which case its Comprehensive Arbitration Rules shall apply. If the AAA is selected, the arbitration will be handled according to its Commercial Arbitration Rules. You may obtain rules and forms for JAMS by contacting JAMS at 1.800.352.5267 or www.jamsadr.com and for the AAA by contacting the AAA at 1.800.778.7879 or www.adr.org. Any arbitration hearing that you attend will take place in the federal judicial district in which you reside. Without regard to which arbitration body is selected to resolve the dispute, any disputes between you and us as to whether your claim falls within the scope of this arbitration clause shall be determined solely by the arbitrator, and not by any court.

Arbitration Process: Arbitration involves the review and resolution of the dispute by a neutral party. The arbitrator's decision will generally be final and binding. At your request, for claims relating to consumer accounts, we will advance the first \$375 of the filing and hearing fees for any claim you file against us; the arbitrator will decide whether we or you will ultimately pay those fees. Arbitration can only decide our or your dispute and cannot consolidate or join claims of other persons who may have similar claims. There will be no authority or right for any disputes to be arbitrated on a class action basis.

Effects of Arbitration: If either of us chooses arbitration, neither of us will have the right to litigate the dispute in court or have any other legal remedy. In addition, you will not have the right to participate as a representative or member of any class of claimants, or in any other form of representative capacity that seeks monetary or other relief beyond your individual circumstances, pertaining to any dispute subject to arbitration. There shall be no authority for any claims to be arbitrated on a class action or any other form of representative basis. Arbitration can only decide your or our claim, and you may not consolidate or join the claims of other persons who may have similar claims, including without limitation claims for public injunctive or other equitable relief as to our other customers or members of the general public. Any such monetary, injunctive, or other equitable relief shall be limited solely to your accounts, agreements, and transactions with us. Notwithstanding the foregoing, any question as to the validity and effect of this class action waiver shall be decided solely by a court of competent jurisdiction, and not by the arbitrator.

U.S. BANK CONSUMER RESERVE LINE AGREEMENT

Interest Rates and Interest Charges	
Annual Percentage Rate	21.9%
Paying Interest	Your due date is 20 days after the close of each billing cycle. There is no interest-free period.
Fees	
Annual Fee	None
Penalty Fees • Late Payment	\$20

How We Will Calculate Your Balance: We use a method called "average daily balance (including new purchases)." See your account agreement for more details.

Billing Rights: Information on your rights to dispute transactions and how to exercise those rights is provided in the account agreement.

This Reserve Line Agreement ("Reserve Line Agreement") describes the U.S. Bank Consumer Reserve Line account. This is an open end line of credit that is (or can be) attached to a U.S. Bank checking account and provides "overdraft" protection (up to your credit limit).

If you accept the offer of a Reserve Line (overdraft protection) feature for your checking account, you agree to the terms below. Your acceptance will be further evidenced and confirmed the first time you access the account or by failing to cancel this account within 30 days after we mail notice to you of the creation of the account.

DEFINITIONS

In this Reserve Line Agreement, the words, "YOU" and "YOUR" mean the borrower(s) under this Reserve Line Agreement who are also the account holders of the associated deposit account. If there is more than one, these words mean each borrower separately and all borrowers jointly. Your address, telephone number, and other identification information are as recorded in the associated deposit account records. You confirm that such deposit account information is accurate, and you promise to keep it so.

"WE" and "OUR" mean U.S. Bank.

The "associated deposit account" is the deposit account to which this line of credit account is attached.

Your credit limit under this Reserve Line Agreement will be provided to you by separate notice.

The account number we give you for your deposit account will be the same number for your line of credit.

USE OF ACCOUNT

You can access this line of credit by requesting a withdrawal from your associated deposit account that, if allowed, would create an overdraft to that account (but for an advance under this Reserve Line Agreement).

This means you can access the line of credit by any method by which you can access your associated deposit account. Therefore, if you can access your deposit account through an ATM card, check, debit card, online transaction, preauthorized withdrawal, telephone or any other method of withdrawal, then you can access this line of credit by such method.

Your access to this line of credit is also subject to any limits on your ability to access your deposit account as well. (For example, your ATM machine daily withdrawal limit will indirectly limit your access to the loan account by that method of withdrawal.)

U.S. BANK OVERDRAFT PROTECTION

This section is part of the Agreements only if you have specifically requested and have obtained an Overdraft Protection Plan by linking the Account with a designated U.S. Bank personal checking account ("checking account"). An "Overdraft Protection Advance" is an advance of funds to your designated checking account from this Account that will help cover overdrafts on your checking account. Any Overdraft Protection Advance will post and be charged interest as an Advance drawn on the Account. Please refer to the U.S. Bank Deposit Account Agreement (entitled, "Your Deposit Account Agreement") for full Overdraft Protection Plan terms and the *Consumer Pricing Information* Brochure for fees that apply for Overdraft Protection Advances. We may cancel Overdraft Protection privileges under the Account, even if the Account remains open for other purposes.

CREDIT LIMIT

You agree not to allow your unpaid principal balance to exceed your credit limit.

If you attempt a withdrawal that would cause you to exceed your credit limit:

- we are under no obligation to make the loan; if we reject the advance, you will incur the fee on the deposit account for an insufficient funds item;
- if we make the loan and you thereby exceed your credit limit, this does not increase your credit limit, and we are not obligated to permit you to exceed your credit limit later; and
- if we make the loan, the excess over your limit is immediately due, can be taken from your deposit account when funds are available and, if not sooner paid, you agree to increase your next periodic payment by the amount you exceed your credit limit.

CREDIT REVIEW

We may periodically review your creditworthiness. In doing so, we may review your credit reports and any other credit information that we believe to be relevant. We may request, and you agree to provide, any information regarding your financial condition that we believe appropriate for purposes of this review.

We reserve the right to periodically re-evaluate your account and, based on our credit criteria for determining the likelihood of repayment, increase or decrease your credit limit.

STATEMENTS

Your billing cycle for this account is monthly. Each billing cycle in which there is a transaction or a balance we will send you (or make available) a statement which will show all loans, finance charges, payments and credits made to your account during the billing cycle and the date and amount your minimum payment is due.

PAYMENT

You may repay your entire balance at any time, but if you do not, you must make a minimum monthly payment that will be equal to the greater of:

- \$25.00 or the remaining balance, if less; or
- 1% of your principal plus accrued interest and fees.

If your loan balance is over your credit limit, your minimum monthly payment will be as described above increased by the amount your balance exceeds your credit limit.

AUTOMATIC PAYMENT

You authorize us to automatically deduct your minimum monthly payment from your associated deposit account on the due date shown on your statement. It is your responsibility to ensure that there are sufficient available funds in that deposit account to cover the minimum monthly payment due. If you do not have sufficient funds in your associated deposit account to make your minimum monthly payment, and we do not receive your minimum monthly payment by the payment due date, you will be charged a late payment fee of \$20.00.

APPLICATION OF PAYMENTS

All payments will be applied first to any unpaid Finance Charges that have accrued through the end of the preceding billing cycle, then to any other charges, and then the unpaid principal balance.

If we cannot collect on your check or other payment item you send us to pay on your Account, we may post as an Advance transaction an amount equal to the credit previously given to you for such check or payment item and we may charge interest on this amount from the date your Account originally was credited for the payment. After a payment has been made, we reserve the right to withhold available credit in the amount of the payment for 7 business days. Any credit available before the payment is made will continue to be available for use during this time.

INTEREST CHARGES AND FEES**Fees**

- **Late Payment Fee:** If we do not receive your minimum monthly payment by the due date, you will be charged a late payment fee of \$20.00.

Interest Charge

You agree to pay an INTEREST CHARGE on the unpaid balance of your U.S. Bank Consumer Reserve Line loans beginning on the date the funds are advanced to your checking account. We determine the INTEREST CHARGE for the billing cycle by taking the applicable daily periodic rate of 0.06% (corresponding **ANNUAL PERCENTAGE RATE** of 21.9%) and multiply that rate by the number of days in the billing cycle and multiplying that result by the Average Daily Balance for the billing cycle.

Average Daily Balance

We determine your Balance Subject to Interest Rate by using the dates and balances provided in the Reserve Line Balance Summary section of your monthly statement. The date next to the first Balance Subject to Interest is day one for that balance and is applicable up to (but not including) the date of the next balance (if there is one). We multiply the Balance Subject to Interest by the number of days it is applicable and add them up to get the same number of days in the billing cycle. We then divide the result by the number of billing days in the cycle. This is your Balance Subject to Interest Rate. Any unpaid interest charges and unpaid fees are not included in the Balance Subject to Interest. The INTEREST CHARGE begins from the date of each advance.

APPLICABLE LAW

You understand that we are a national bank located in Ohio. The law that will apply to this Reserve Line Agreement as to issues related to interest and related charges will be the law of the State of Ohio.

SECURITY INTEREST IN ASSOCIATED DEPOSIT ACCOUNT

You grant to us a security interest in the associated deposit account to secure the payment of this line of credit.

For purposes of this security interest, you and we agree that the law of the state of North Dakota will control as to the creation, perfection, and effect of perfection of the interest granted in this paragraph.

ADDITIONAL PARTIES

You shall not add a person to your deposit account with authority to make withdrawals unless that person agrees to assume responsibility for this Reserve Line Agreement, including any outstanding balance at that time, unless you pay off any balance and terminate this Reserve Line Agreement.

FOR EXECUTIVE OFFICERS

Notwithstanding any other provision of this Reserve Line Agreement, we have the option to terminate this account and make the entire outstanding balance immediately due and payable if:

1. You are or become an executive officer of ours, and
2. Your indebtedness to any bank or number of banks, in the aggregate, exceeds the amount (in any regulated category) permitted to an executive officer under Federal law.

“Federal law” includes regulations and interpretations of federal agencies. “Your indebtedness” includes any debts attributed to you by Federal law.

DEFAULT

You will be in default on this loan:

1. If your associated deposit account is assigned to a branch in **Iowa**, you fail to make a payment in full within 10 days of when it is due;
 2. If your associated deposit account is assigned to a branch in **Wisconsin**,
 - a. You fail to pay in full when due on 2 occasions within any 12-month period; or
 - b. Your spouse sends us notice of termination of this plan;
 3. If your associated deposit account is assigned to a branch in any other state (neither Iowa nor Wisconsin) you fail to make a payment in full when it is due;
- Or, regardless of the state of the branch to which your associated deposit account is assigned,**
4. You fail to keep any other promise in this Reserve Line Agreement or the associated deposit account, and that failure materially impairs your ability to pay amounts due under this Reserve Line Agreement.

If any of you are in default on this Reserve Line Agreement we may exercise our remedies against any of you separately or all of you together.

REMEDIES: YOUR RIGHTS IF YOU DEFAULT

The remedies we have in the event of your default are, in some states, dependent on a limited right to cure a default, and to get notice of that right. We will provide the notice, which will explain your limited right, and permit you to cure a default, if and when required by state law.

If you are in default (and subject to any right to cure) we may:

- require you to pay the entire unpaid balance of principal and accrued interest before the scheduled due date;
- set off the debt against any amount we may owe you in the associated deposit account or any other deposit account interest you may have with us;
- enforce our security interest, if applicable;
- terminate or suspend your right to further advances under this Reserve Line Agreement; and
- pursue any other method permitted by law to collect a debt.

COSTS OF COLLECTION

You agree to pay the costs we incur to collect this debt in the event of your default. In the event we have to collect this note through your bankruptcy proceeding, voluntary or otherwise, and without regard to your state of residence, these costs will include our reasonable attorney's fees, for an attorney who is not our salaried employee, in the bankruptcy proceedings.

The following additional fees and issues will depend on where you reside at the time this line of credit is signed. (If attorneys' fees are permitted, this would be for attorneys who are not our salaried employees.)

In **Arizona, Illinois, Kentucky, Michigan, Minnesota, Montana, Nevada, Pennsylvania, South Dakota, Tennessee, Utah, Virginia, Washington and Wyoming** these costs will include our reasonable attorney's fees.

In **Arkansas**, these costs will include our reasonable attorney's fees not to exceed 10% of the amount of principal and accrued interest.

In **Colorado**, these costs will include our reasonable attorney's fees not to exceed 15% of the unpaid debt after default.

In **Idaho**, these costs will include our reasonable attorney's fees. This provision for attorney's fees does not apply if this loan is a consumer loan with a principal amount of \$1,000.00 or less.

In **Indiana**, these costs will include our reasonable attorney's fees; and in any collection efforts, we waive any relief we might be entitled to from evaluation and appraisal;

In **Iowa**, if the credit limit is greater than \$25,000 then these costs include our reasonable attorney's fees to collect this note, including such fees on appeal.

In **California, Nebraska, North Dakota, Ohio, Oregon and West Virginia** these costs will not include attorney's fees.

In **Kansas**, these costs will include our reasonable attorney's fees or collection agency fees, up to 15% of the unpaid amount due and payable under this note. We are entitled to the collection of attorneys' fees or collection agency fees, but not both. This provision is applicable only if collection is handled by someone other than a salaried employee of ours.

In **Missouri**, these costs will include our reasonable attorney's fees, if it is necessary to bring suit, of 15% of the amount due and payable under this note.

In **Oklahoma**, these costs will include our reasonable attorney's fees not to exceed 15% of the unpaid debt after default; this provision for attorney's fee does not apply to certain supervised loans as provided in Okla. Statutes 14A §3-514.

In **Wisconsin**, you agree to pay the charges we incur as authorized by Wis Stat Chaps. 421 to 427.

DELAY IN ENFORCEMENT

We can delay enforcing our rights under this Reserve Line Agreement without losing them and we will still be able to recover all amounts you owe us. We can also release one borrower from the responsibilities of this Reserve Line Agreement without releasing any other.

CANCELING OR AMENDING THIS RESERVE LINE AGREEMENT

We may cancel or amend this Reserve Line Agreement at any time by notifying you at least 15 days (or such longer period as required by law) in advance in writing. Where permitted by law, the changes will apply to all existing and future balances. You have the same right to cancel for any reason or if you do not agree with our amendment, but your obligation to repay the amount owed continues. If more than one rate applies to your account, we will apply payments to the oldest rate's unpaid Finance Charge and unpaid principal balance first.

FINANCIAL STATEMENTS

When we agree to make loans to you, we are relying on information you gave us on your application. You guarantee that this information is true and correct and that any information you give us in the future will also be true and correct.

You agree to provide us with additional financial statements as we may reasonably require. You agree that annual statements of this nature are reasonable, and that such annual statements may be used to adjust the credit limit for this account.

CONSUMER REPORT DISPUTES

If you believe we have inaccurately reported information on your credit history to a Consumer Reporting Agency (CRA), you may submit a dispute by calling 1.844.624.8230 or by writing to:

U.S. Bank, Attn: CRA Management, P. O. Box 3447, Oshkosh, WI 54903-3447. In order for us to assist you with your dispute, you must provide: your name, address and phone number; the account number; the specific information you are disputing; the explanation of why it is incorrect; and any supporting documentation (e.g., affidavit of identity theft), if applicable.

YOUR BILLING RIGHTS - KEEP THIS DOCUMENT FOR FUTURE USE

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

WHAT TO DO IF YOU FIND A MISTAKE ON YOUR STATEMENT

If you think your statement is wrong, or if you need more information about a transaction on your statement, you must write us (on a separate sheet) as soon as possible at:

**U.S. Bank
P.O. Box 64991
St. Paul, MN 55164-9505**

In your letter, you must give us the following information:

- Account Information: Your name and account number.
- Dollar Amount: The dollar amount of the suspected error.
- Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

You have authorized us to automatically deduct payments from your checking account to apply on your line of credit. You can stop payment on any amount which you think is wrong by mailing your notice so that we receive it three business days before the payment is scheduled to occur.

WHAT WILL HAPPEN AFTER WE RECEIVE YOUR LETTER

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

1. If we made a mistake: You will not have to pay the amount in question or any interest or other fees related to that amount.
2. If we do not believe there was a mistake: You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

DISCLAIMER OF ORAL AGREEMENTS

Oral agreements or commitments to loan money, extend credit or to forbear from enforcing repayment of a debt including promises to extend or renew such debt are not enforceable. To protect you (borrower(s)) and us (creditor) from misunderstanding or disappointment, any agreements we reach covering such matters are contained in this writing, which is the complete and exclusive statement of the agreement between us, except as we may later agree in writing to modify it.

Spousal notices: Wisconsin Residents Only:

Married Borrower: The obligation evidenced by this note is incurred in the interests of your marriage or family.

ACCEPTANCE

I accept the terms of this agreement. My acceptance will be further evidenced and confirmed the first time I access the account created and explained in this form, or, by failing to cancel this account within 30 days after you have mailed this disclosure to me (if I have not accessed the account before then).

U.S. BANK BUSINESS RESERVE LINE AGREEMENT

ATTACHMENT 4

In this agreement, “I” “me” or “my” refers to the customer who has applied for or accepted a pre-approved offer for a U.S. Bank Business Reserve Line account (the “account”). “You” or “your” refers to U.S. Bank. “Applicant(s)” refers to the person or persons who requested the account on my behalf. “We” “our” or “us” refers jointly to me and each of the individual applicants. Use of the account or not canceling the account within thirty days after receipt of credit approval indicates our acceptance of the terms outlined below, including the personal guaranty by each of the applicants. “Credit limit” refers to the amount you disclose to me by separate communication as my credit limit. It is the maximum amount of money I am able to borrow under this agreement. “Checking account” means the checking account listed on my application or my pre-approved offer for the account. If you agree to make loans to me, you may rely on information, which I have submitted to you. We guarantee that this information is true and correct.

1. Persons Liable For the Account. We agree that we are jointly and severally liable for amounts due under the account. This liability extends to account balances due by the use of the account by (a) any person authorized to draw on the checking account (for account access by check overdraft) or (b) any person requesting an advance by other permitted means and believed by you to be authorized by me to request an advance, regardless of whether or not actually authorized by me to access the account. Any use of this account constitutes acceptance of the terms of this agreement for which we will each be responsible.

2. Guaranty. Applicant agrees to be personally responsible for any credit granted under the terms of this agreement. Each applicant is a co-obligor with the customer and is primarily, jointly, and severally liable for the obligations of the customer.

3. Using the Account. You agree to make loans to me under the account. I may request a loan by overdrawing my checking account, by phone, in person, by debit card or in any other way you approve. You will make each loan by advancing money in units of \$200 into my checking account. A request for a different amount will be rounded to the next higher \$200 but not more than the unused portion of my credit limit.

4. Credit Limit. We agree not to allow our unpaid principal balance to exceed my credit limit. Although you are not required to lend me any amount over my credit limit, you may make a loan if you choose. If I go over my credit limit, you may treat it as a loan under this account, except that we must repay any amount in excess of our credit limit immediately without notice or demand from you.

5. Business Purpose. Advances by U.S. Bank will be used exclusively for business purposes, and not for any personal, family, or household purposes.

6. Credit Review. You may periodically review our creditworthiness. In doing so, you may review our credit reports and any other credit information that you believe to be relevant. You may request, and we agree to provide, any information regarding our financial condition that you believe appropriate for purposes of this review. You reserve the right to periodically re-evaluate my account and, based on your credit criteria for determining the likelihood of repayment, increase or decrease my credit limit, including reducing my credit limit to zero.

7. Statements. Each month my regular checking account statement will contain a Business Reserve Line account section. It will state all loans, payments, credits, and finance charges during the billing cycle and the date my minimum payment is due.

8. Payments. We jointly and severally promise to pay you all amounts loaned under this account plus finance charges and any other amounts we may owe you. If my statement shows a balance due, I may: (a) pay the full amount; (b) make the minimum payment based on the standard rate; (c) make a fixed payment based on the standard minimum rate for a fully utilized credit limit; (d) elect the Zero Balance Option (if available to me) by authorizing you to debit my Demand Deposit Account daily to make payment on my Business Reserve Line account balance. On the day my normal payment is due, if the total of the daily payments taken is less than the minimum standard payment, I authorize you to debit the balance due to meet the minimum payment required from my Demand Deposit Account; (e) elect to use my skip payment option (if available to me); or (f) pay any amount greater than the minimum payment due. The minimum payment will be due on or before the day indicated on my monthly statement, and will be equal to the greater of \$25.00 or 3% of the balance due. If less than \$25.00 remains due, we will pay the full balance. For example, if I owe \$1500.00, my minimum monthly payment would be \$45.00. If any of us is an Executive Officer as defined by Regulation ‘O’, we understand you reserve the right to require us to repay on demand, either in whole or in part, the principal amount outstanding on loans made under this account.

9. Interest Charge. You will charge an interest charge for each day a balance is outstanding on the account. The interest charge begins to accrue on the date each loan posts to the account and will continue until paid in full.

The ANNUAL PERCENTAGE RATE of interest applicable to the account shall be a fixed rate of 21.9%.

10. BALANCE COMPUTATION METHOD

You determine my Balance Subject to Interest Rate by using the dates and balances provided in the Reserve Line Balance Summary section of your monthly statement. The date next to the first Balance Subject to Interest is day one for that balance and is applicable up to (but not including) the date of the next balance (if there is one). You multiply the Balance Subject to Interest by the number of days it is applicable and add them up to get the same number of days in the billing cycle. You then divide the result by the number of billing days in the cycle. This is my Balance Subject to Interest Rate. Any unpaid interest charges and unpaid fees are not included in the Balance Subject to Interest. The INTEREST CHARGE begins from the date of each advance.

11. Annual Fee. An annual fee of \$20 will be debited the first statement cycle date after account initiation and annually thereafter from my checking account. This annual fee will not be pro-rated if the account is closed during the year.

12. Default. We will be in default if: (a) we do not make a payment on time; or (b) we violate any provision of this agreement or any other agreement between us and U.S. Bank or (c) any of our checking accounts with you is garnished, levied against, or is closed for any reason; or (d) an Applicant dies; or (e) any of us becomes insolvent, assigns any property for the benefit of creditors, or goes into bankruptcy, receivership or anything similar; or (f) any of us fails to provide a financial statement, tax returns or any other financial information that you may reasonably request; or (g) any of us gives you any false information or acts dishonestly in connection with this account; or (h) anything happens which you feel increases the risk that any payment will not be made on time.

13. Restriction – Payroll Accounts. We understand and agree that we may not use our Business Reserve Line account for paying employee wages. We further acknowledge that you do not authorize or allow such uses, and that to use the account directly or indirectly for employment compensation is a violation of this agreement.

14. Remedies. If any of us is in default, you will give me notice of my right to cure the default if required by law. If we do not cure the default within the time stated in the notice, you may: (a) declare the entire balance of this account immediately due and payable without demand or notice to us; or (b) exercise any legal remedy available. Your remedies include, but are not limited to, exercising your right of setoff against any deposit account any of us has with you or your affiliates. We also agree to pay any attorney’s fees, legal expenses, and costs incurred by you in enforcing this agreement, except as prohibited by law. We understand that if you choose to pursue one or more of these remedies, you are not waiving the right to choose later any other remedy until this account is paid in full. You can delay enforcing your rights under this agreement without losing them and still recover all amounts owed.

15. Deposit Account Security Interest. Unless it is prohibited by law, we give you a security interest in any deposit account we may at anytime have with you to secure this account. If the entire balance of this account becomes due, you may use such funds on deposit to pay this account. If the deposit is a time deposit, any early withdrawal penalty would not go to pay the account balance. If you take any funds or place a hold on funds to enforce a security interest in my deposit account, you will give me notice and right to cure as required by law. If you give me that notice, we will not have a claim against you for wrongful dishonor of checks written against our accounts or for any other damages to us arising from a hold on, or taking of funds.

16. Governing Law. The validity, construction and enforcement of this agreement are governed by the internal laws of the state in which you are located. If any other provision of this agreement violates the law and is unenforceable, the rest of the agreement will remain valid.

17. Canceling or Amending this Agreement. You have the right to cancel for any reason or amend this agreement at any time, by notifying me 15 days in advance in writing. Unless prohibited by law, the changes will apply to all existing and future balances. If I am in default, you can cancel use of this account without notifying me. I have the right to cancel for any reason at any time, but our obligation to repay the amount owed remains. You may at any time review my account and based on credit criteria for determining the likelihood of repayment of my account, reduce or cancel the use of my account.

18. CELLULAR PHONE CONTACT POLICY. By providing U.S. Bank with a telephone number for a cellular phone or other wireless device, including a number that you later convert to a cellular number, you are expressly consenting to receiving communications - including but not limited to prerecorded or artificial voice message calls, text messages, and calls made by an automatic telephone dialing system - from U.S. Bank and our affiliates and agents at that number. This express consent applies to each such telephone number that you provide to us now or in the future and permits such calls for non-marketing purposes. Calls and messages may incur access fees from your cellular provider.
