Additional Questions

What is your understanding of the role and responsibility of this board?

While the Napa Sanitation District operates as an independent government entity, I see my role as a citizen representative appointed by the Council to represent the interest of the Council and the city of Napa.

100+

Have you ever attended a meeting of this board? If so, how many?

What duties of this board are most interesting to you?

My greatest interest over the past 6 years has been working to expand our recycled water program particularly using State money and to set the table for the future possibility of Direct Potable Re-Use in coordination with the City water department.

What activities of this board are least interesting to you?

Touring the headwaters plant (If you've done it, you'd understand)

What programs or projects would you like to see improved or implemented?

Strong budgets, the expansion of recycled water, the eventual connection of Napa San and the Barwick Water Treatment Plant.

How would you approach improving these project(s) or program(s)?

Get appointed to the Board.

Are you involved in any organizations or activities that may result in a conflict of interest if you are appointed to this board?

No
