### Community Service Experience:

---

I have been on the NVTV board serving as their fund raising chairperson for that past two years. I have been a volunteer there since 2012. I write grant applications for the station and organize general fund raising. I am also on the board of the Center for Spiritual Living on Combs street in downtown Napa. I also serve as chair of their fundraising committee and on their property committee.

### Education:

---

Columbia HS 1969, Thomas A. Edison State University 1990, BA. New York University 1993 Ma. Trinity College, Naturopathic Doctorate 2003.

### Other relevant experience or expertise:

---

For many years I owned and ran manufacturing plants working as a managing engineer. Due to environmental toxins I had to leave the business and return to school. At that point I became first a consultant, then seminar leader and Television and media producer.

---

### Additional Questions

#### What is your understanding of the role and responsibility of this board?

---

I have been on the board for two years now and have been quite successful in developing a good fund raising program. I spend considerable time in doing long range planning for the station along with the executive director.

#### Have you ever attended a meeting of this board? If so, how many?

---

We have meetings four times years and in two years I have made it to all of them except one.

#### What duties of this board are most interesting to you?

---

I enjoy the fund raising and long term planning to expand the stations capabilities in providing the city and county residents with high quality programming and modestly priced video education.

#### What activities of this board are least interesting to you?

---

It's all interesting.

#### What programs or projects would you like to see improved or implemented?

---

I am currently doing fund raising to improve our primary studio equipment. I would like the station to have greater county wide recognition, and support. I would like to expand our educational programs and I am approaching technology companies for financial support in that direction.

#### How would you approach improving these project(s) or program(s)?

---

I am engaged in an ongoing process of grant writing to provide funds for the upgrades. Additionally I am approaching tech companies, including Best Buy, that support tech education.
