implemented through California Regulations Title 14, Chapter 3, Sections 15000 *et seq.*); and

WHEREAS, the City Council has considered all information related to this matter, as presented at the public meetings of the City Council identified herein, including any supporting reports by City Staff, and any information provided during public meetings.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Napa, as follows:

1. The City Council hereby finds that the facts set forth in the recitals to this Resolution are true and correct, and establish the factual basis for the City Council's adoption of this Resolution.

2. The City Council hereby determines that the actions authorized by this Resolution are not in-and-of-itself a "project" (pursuant to CEQA Guidelines Section 15378) since it does not result in a physical change in the environment. However, the Recommended Action is a part of a larger "project" that will be subject to environmental review in accordance with CEQA at the "earliest feasible time" prior to "approval" consistent with CEQA Guidelines Sections 15004 and 15352. The larger "project" is future Capital Improvement Projects, and staff plans to bring back a CEQA analysis of each project to Council prior to approval of each project.

3. The City Council hereby adopts the updated 5-Year List of Projects for the City of Napa as set forth in Exhibit "A" attached hereto and incorporated herein by reference, and authorizes the Public Works Director to file the list with NVTA-TA in accordance with Measure T Expenditure Plan Section 6.

4. This Resolution shall take effect immediately upon its adoption.
